**Item 2.02. Results of Operations and Financial Condition.**

On February 8, 2007, Hooker Furniture Corporation issued a press release announcing its results of operations for its fourth quarter and year ended November 30, 2006. A copy of the Company's press release is included with this report as Exhibit 99.1.

The Company, in its earnings release for the fourth quarter and year ended November 30, 2006, has reported operating income as a percentage of net sales ( operating margin ) both including and excluding the impact of restructuring and asset impairment charges. The operating margin figures excluding the impact of restructuring and asset impairment charges are non-GAAP financial measures. The Company provides this information because management believes it is useful to investors in evaluating the Company's ongoing operations.

**Item 7.01. Regulation FD Disclosure.**

On January 17, 2007, Hooker Furniture issued a press release announcing that it plans to close its Martinsville, Va. wood furniture manufacturing plant by the end of March 2007. The Company filed a Current Report on Form 8-K on January 18, 2007 regarding the closing and the related asset impairment charges of \$7.0 to \$7.8 million pretax (\$4.3 to \$4.8 million after tax, or \$0.36 to \$0.40 per share). A copy of the press release was included as an exhibit to that Form 8-K.

On January 29, 2007, the Company issued a press release announcing that it had terminated its Employee Stock Ownership Plan ( ESOP ) effective January 26, 2007. The Company filed a Current Report on Form 8-K on January 30, 2007 regarding the termination of the ESOP and the related \$18.4 million non-cash, non-tax deductible charge to earnings the Company will recognize in January 2007. A copy of the press release was included as an exhibit to that Form 8-K.

As a result of these two developments the Company has not completed the financial statements and related disclosures to be included in the Company's Annual Report on Form 10-K for the year ended November 30, 2006. The Company expects that the results of operations and financial condition that it will report in its Form 10-K will be the same in all material respects as reported in the Company's press release issued February 8, 2007, which is included as Exhibit 99.1 to this report, but additional time is required to permit the Company's management, audit committee and independent registered public accounting firm to perform their customary review of the Form 10-K. As a result, the Company does not expect to be able to file its Form 10-K by the prescribed February 13, 2007 due date. The Form 10-K will be filed no later than the fifteenth calendar day following the originally prescribed due date.
