**Item 1.01 Entry into a Material Definitive Agreement**

On February 23, 2007, PRIMUS Telecommunications Group, Incorporated ( Group ) and PRIMUS Telecommunications Holding, Inc. ( Holding ), a wholly-owned subsidiary of Group, received unanimous consent to an amendment to their existing \$100 million Term Loan facility with Lehman Brothers Inc. (as arranger), Lehman Commercial Paper Inc. (as syndication agent and administrative agent) and the several lenders thereto, due 2011 ( Term Loan ). Among other things, the Term Loan amendment enables PRIMUS Telecommunications IHC, Inc. ( IHC ), a wholly-owned subsidiary of Holding, to issue up to \$200 million of existing authorized indebtedness in the form of newly authorized secured notes with a second lien security position ( Second Lien Notes ). The Term Loan amendment further:

increased margin, or borrowing costs, by 0.25% per annum;

increased, subject to certain exceptions, prepayment fee obligations to five percent (through February 17, 2008), three percent (from February 18, 2008 through February 17, 2009) and two percent (from February 18, 2009 through February 17, 2010);

waived any past failure in the preceding four fiscal quarters to deliver observance and compliance certificates and related notices; and

imposed a one and one-half percent amendment fee.

On February 26, 2007, IHC agreed to issue in a private transaction \$33 million principal amount of 14 1/4% Second Lien Notes, due 2011 (the 14 1/4% Second Lien Notes ), in exchange for \$41 million principal amount of outstanding Group 12 3/4% Senior Notes, due 2009 (the 12 3/4% Senior Notes ) (the Exchange Transaction ). IHC also issued for cash in a private transaction an additional \$24 million principal amount in 14 1/4% Second Lien Notes to certain of the participants in the Exchange Transaction. Net cash proceeds from the 14 1/4% Second Lien Note issuance, after giving effect to anticipated expenses, discounts and fees related to all of the foregoing transactions (including the Term Loan amendment), is expected to approximate \$19 million.

In a related development, the holders who participated in the Exchange Transaction, representing more than a majority of the outstanding principal amount of the 12 3/4% Senior Notes, consented to certain amendments to the indenture governing the 12 3/4% Senior Notes to, among other things, eliminate restrictive covenants and certain default provisions. The amendments to the indenture have been set forth in a supplemental indenture between Group and the trustee under the indenture. See Item 3.03 below.

**Item 3.03 Material Modification to Rights of Security Holders Other Events.**

Primus Telecommunications Group, Incorporated (the Company ) entered into a Supplemental Indenture dated as of February 26, 2007 amending the terms of the indenture (the Indenture ) governing its 12 3/4% Senior Notes. In addition, certain provisions of the Event of Default remedy (Section 5.01) have been deleted relating to: certain of the deleted covenants and restrictions referenced above (Section 5.01(4) and 5.01(4)); certain performance default or breach of covenant provisions arising by passage of time and notice (Section 5.01(5)); cross-defaults, judgments and orders (Section 5.01(6) and (7)); and bankruptcy/insolvency events (Section 5.01(8) and (9)).

The Supplemental Indenture also makes certain conforming changes to other sections of the Indenture to take into account the deletion of the foregoing covenants.
