PROXY STATEMENT

This proxy statement is furnished in connection with the solicitation of proxies by the Board of Directors of Ottawa Savings Bancorp, Inc. (Ottawa Savings Bancorp or the Company) to be used at the annual meeting of shareholders of the Company. Ottawa Savings Bancorp is the holding company for Ottawa Savings Bank (Ottawa Savings or the Bank) and the majority-owned subsidiary of Ottawa Savings Bancorp MHC (the MHC). The annual meeting will be held at the offices of the Company and the Bank, 925 LaSalle Street, Ottawa, Illinois, on Thursday, May 3, 2007, at 2:00 p.m., local time. This proxy statement and the enclosed proxy card are being first mailed on or about April 2, 2007 to shareholders of record.

General Information About Voting

Who Can Vote at the Meeting

You are entitled to vote your Ottawa Savings Bancorp common stock if the records of the Company show that you held your shares as of the close of business on March 9, 2007.

As of the close of business on March 9, 2007, a total of 2,224,911 shares of Ottawa Savings Bancorp common stock were outstanding and entitled to vote, including 1,223,701 shares of common stock held by Ottawa Savings Bancorp MHC. Each share of common stock has one vote. The Company's Charter provides that, until July 11, 2010 record holders of the Company's common stock (other than the MHC) who beneficially own, either directly or indirectly, in excess of 10% of the Company's outstanding shares are not entitled to any vote in respect of the shares held in excess of the 10% limit.

Attending the Meeting

If you are a beneficial owner of Ottawa Savings Bancorp common stock held by a broker, bank or other nominee (*i.e.*, in street name), you will need proof of ownership to be admitted to the meeting. A recent brokerage statement or letter from a bank or broker are examples of proof of ownership. If you want to vote your shares of Ottawa Savings Bancorp common stock held in street name in person at the meeting, you will have to get a written proxy in your name from the broker, bank or other nominee who holds your shares.

Vote by Ottawa Savings Bancorp MHC

The MHC, the mutual holding company for the Company, owned 55% of the outstanding shares of common stock of the Company as of March 9, 2007. All shares of common stock owned by the MHC will be voted in accordance with the instructions of the Board of Directors of the MHC, the members of which are identical to the members of the Board of Directors of the Company. The MHC is expected to vote such shares FOR each Board nominee for election as a director and FOR the proposal to ratify the appointment of McGladrey & Pullen, LLP as independent registered public accountants.

Quorum and Vote Required

The annual meeting will be held only if there is a quorum present. A quorum exists if a majority of the outstanding shares of common stock entitled to vote are represented at the meeting. If you return valid proxy instructions or attend the meeting in person, your shares will be counted for purposes of determining whether there is a quorum, even if you abstain from voting. Broker non-votes also will be counted for purposes of determining the existence of a quorum. A broker non-vote occurs when a broker, bank or other nominee holding shares for a beneficial owner does not vote on a particular proposal because the broker, bank or nominee does not have discretionary voting power with respect to that item and has not received voting instructions from the beneficial owner.

At this year's annual meeting, stockholders will elect two directors to serve for terms of three years. In voting on the election of directors, you may vote in favor of all nominees, withhold votes as to all nominees, or withhold votes as to specific nominees. There is no cumulative voting for the election of directors. Directors must be elected by a plurality of the votes cast at the annual meeting. This means that the nominees receiving the greatest number of votes will be elected. Votes that are withheld and broker non-votes will have no effect on the outcome of the election.

In voting to ratify the appointment of McGladrey & Pullen, LLP as the independent registered public accountants of the Company, you may vote in favor of the proposal, vote against the proposal or abstain from voting. The ratification of McGladrey & Pullen, LLP as the Company's independent registered public accountants will be decided by the affirmative vote of a majority of the shares represented at the annual meeting and entitled to vote. On this matter, abstentions will have the same effect as a negative vote and broker non-votes will have no effect on the voting.

Because the MHC owns in excess of 50% of the outstanding shares of Ottawa Savings Bancorp common stock, the votes it casts will ensure the presence of a quorum and determine the outcome of Proposal 1 (Election of Directors) and Proposal 2 (Ratification of Appointment of Independent Registered Public Accountants).

Voting by Proxy

The Board of Directors of Ottawa Savings Bancorp is sending you this proxy statement for the purpose of requesting that you allow your shares of Ottawa Savings Bancorp common stock to be represented at the annual meeting by the persons named in the enclosed proxy card. All shares of Ottawa Savings Bancorp common stock represented at the meeting by properly executed and dated proxies will be voted according to the instructions indicated on the proxy card. If you sign, date and return a proxy card without giving voting instructions, your shares will be voted as recommended by the Company's Board of Directors. The Board of Directors recommends a vote FOR each of the nominees for director and FOR the ratification of McGladrey & Pullen, LLP as the Company's independent registered public accountants.

If any matters not described in this proxy statement are properly presented at the annual meeting, the persons named in the proxy card will use their own best judgment to determine how to vote your shares. This includes a motion to adjourn or postpone the annual meeting in order to solicit additional proxies. If the annual meeting is postponed or adjourned, your Ottawa Savings Bancorp common stock may be voted by the persons named in the proxy card on the new annual meeting date as well, unless you have revoked your proxy. The Company does not know of any other matters to be presented at the annual meeting.

You may revoke your proxy at any time before the vote is taken at the meeting. To revoke your proxy, you must either advise the Corporate Secretary of the Company in writing before your common stock has been voted at the annual meeting, deliver a later dated proxy or attend the meeting and vote your shares in person. Attendance at the annual meeting will not in and of itself constitute revocation of your proxy.

If your Ottawa Savings Bancorp common stock is held in street name, you will receive instructions from your broker, bank or other nominee that you must follow in order to have your shares voted. Your broker, bank or other nominee may allow you to deliver your voting instructions via the telephone or the Internet. Please see the instruction form provided by your broker, bank or other nominee that accompanies this proxy statement. If you wish to change your voting instructions after you have returned your voting instruction form to your broker, bank or other nominee, you must contact your broker, bank or other nominee.

Participants in the Bank's ESOP and 401(k) Plan

If you participate in the Ottawa Savings Bank Employee Stock Ownership Plan (the ESOP) or if you hold shares through the Ottawa Savings Bank Employees Savings and Profit Sharing Plan (the 401(k) Plan), you

will receive a voting instruction card for each plan that reflects all shares you may vote under the plan. Under the terms of the ESOP, the ESOP trustee votes all shares held by the ESOP, but each ESOP participant may direct the trustee how to vote the shares of common stock allocated to his or her account. The ESOP trustee, subject to the exercise of its fiduciary duties, will vote all unallocated shares of Company common stock held by the ESOP and allocated shares for which no timely voting instructions are received in the same proportion as shares for which it has received timely voting instructions. Under the terms of the 401(k) Plan, a participant is entitled to direct the trustee how to vote the shares of Ottawa Savings Bancorp common stock credited to his or her account in the 401(k) Plan. The trustee will vote all shares for which it does not receive timely instructions in the same proportion as shares for which it has received timely instructions. The deadline for returning your voting instructions to each plan's trustee is April 26, 2007.

Audit Committee. The Audit Committee meets periodically with the independent registered public accountants and management to review accounting, auditing, internal control structure and financial reporting matters. The board of directors has determined that the Audit Committee does not have a member who is an audit committee financial expert as such term is defined by the rules and regulations of the Securities and Exchange Commission. However, the board of directors has determined that Mr. Ferrero is financially sophisticated under the rules of the NASDAQ Stock Market, Inc. While the board recognizes that no individual board member meets the qualifications required of an audit committee financial expert, the board believes that appointment of a new director to the board and to the Audit Committee at this time is not necessary as the level of financial knowledge and experience of the current members of the Audit Committee, including the ability to read and understand fundamental financial statements, is cumulatively sufficient to discharge adequately the Audit Committee's responsibilities. The Audit Committee acts under a written charter, a copy of which was filed as *Appendix A* to the proxy statement for the Annual Meeting of Shareholders held on May 4, 2006 and filed with the SEC on March 29, 2006. A copy of the Audit Committee charter is also available on the Company's website at www.ottawasavings.com. The report of the Audit Committee appears in this proxy statement under the heading *Proposal 2 Ratification of Independent Registered Public Accountants Report of Audit Committee*.

Compensation Committee. The Compensation Committee is responsible for human resource policies, salaries and benefits, incentive compensation, executive development and management succession planning. It also handles policies relating to nondiscriminatory employment practices, including those related to hiring, compensation and promotion. The Compensation Committee reviews all compensation components for the

Company's Chief Executive Officer (CEO) including annual salary, bonus, stock options, and other direct and indirect benefits, as well as reviews the Company's executive and employee compensation programs, and director compensation. The Committee considers the performance of the Company, shareholder return, competitive market values, and the compensation given to the CEO over recent years when determining appropriate compensation for the CEO. In setting executive compensation, the Committee ensures that a significant portion of compensation is connected to the long-term interest of shareholders. In its oversight of employee compensation programs, prior to making its recommendation to the Board, the Committee reviews recommendations from the President and Human Resources Manager. Decisions by the Compensation Committee with respect to the compensation levels are approved by the full Board of Directors. The Compensation Committee acts under a written charter, a copy of which is included as *Appendix A* to this proxy statement. A copy of the Compensation Committee charter is not available on the Company's website.

Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee is responsible for the annual selection of the Board of Directors' nominees for election as directors and developing and implementing policies and practices relating to corporate governance, including implementation of and monitoring adherence to Ottawa Savings Bancorp's corporate governance policy.

The Nominating and Corporate Governance Committee acts under a written charter adopted by the Board of Directors, a copy of which is included as *Appendix B* to this proxy statement. A copy of the Nominating and Corporate Governance Committee charter is not available on the company's website. Information regarding the director nomination process appears in this proxy statement under the heading *Nominating and Corporate Governance Committee Procedures*.

Attendance at the Annual Meeting

The Board of Directors encourages directors to attend the annual meeting of stockholders. All five directors attended the Company's annual meeting of stockholders in 2006.

Voluntary Deferred Compensation Plan. Ottawa Savings Bank maintains a voluntary deferred compensation plan for its directors. Under the plan, any individual who received compensation in exchange for his or her services as a director may participate. A participant may elect to defer all or part of his or her compensation earned in the calendar year following the participant's election. Directors who first become eligible for the plan may elect to defer compensation to be earned after the date of election through the end of the calendar year of the election within 30 days of eligibility. Amounts deferred by a participant are maintained in an account for such participant by Ottawa Savings Bank. The amounts deferred into the accounts maintained for each participant are deemed to be invested in investments or investment funds designated as available from time to time. To the extent alternative deemed investment vehicles are available, participants may direct the investment of all or a portion of the amounts deferred among such investments or investment funds. Such direction may relate solely to amounts already allocated to the participant's account or solely to amounts to be deferred in the future, or a combination thereof. Participants are fully vested in all amounts in their accounts at all time.

At the time of the initial deferral election, the participant must designate the time and manner for the payment of the amounts to be allocated to such participant's account. Payment to a participant shall commence upon the first to occur of the following: (i) the termination of the participant's service as a director; (ii) a change in control of Ottawa Savings Bank; (iii) an unforeseeable emergency suffered by the participant; or (iv) the participant's death.

Additionally, participants may elect to further defer a payment or change the form of a payment, so long as certain additional requirements are met.

The form of payment of deferred amounts is designated by the participant at the time of the initial deferral election and may be in the form of: (i) a lump sum; (ii) a number of quarterly or annual installments; (iii) one or more forms of an annuity; or (iv) a designated dollar amount or percentage of the participant's account.

Director Emeritus Program. The Bank maintains a director emeritus program for four retired directors. The program will not cover any current or future directors upon retirement. Under the program, a participating director receives monthly payments of \$500, totaling \$6,000 for the first year following his or her retirement. For the following four years, the annual program payments decrease \$1,200 per year.

Proposal 1 Election of Directors

The Company's Board of Directors consists of five members, all of whom are independent under the current listing standards of the Nasdaq Stock Market, except for Mr. Ocepek, who is an employee of the Company and the Bank. The Board is divided into three classes with three-year staggered terms, with approximately one-third of the directors elected each year. Two directors will be elected at the annual meeting to serve for a three-year term, or until their respective successors have been elected and qualified. The Board of Directors' nominees are James A. Ferrero and Keith Johnson. All of the nominees are currently directors of the Company and the Bank.

Unless you indicate on the proxy card that your shares should not be voted for certain nominees, the Board of Directors intends that the proxies solicited by it will be voted for the election of the Board's nominees. If any nominee is unable to serve, the persons named in the proxy card will vote your shares to approve the election of any substitute proposed by the Board of Directors. Alternatively, the Board of Directors may adopt a resolution to reduce the size of the Board. At this time, the Board of Directors knows of no reason why any nominee might be unable to serve.

The Board of Directors recommends a vote FOR the election of James A. Ferrero and Keith Johnson.

Proposal 2 Ratification of Independent Registered Public Accountants

For the fiscal years ended December 31, 2006 and 2005, the Company's consolidated financial statements were audited by McGladrey & Pullen, LLP. For the fiscal years ended December 31, 2006 and 2005, there were no disagreements with McGladrey & Pullen, whether or not resolved, on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure which, if not resolved to the satisfaction of McGladrey & Pullen, would have caused it to make reference to the subject matter of the disagreement in connection with its reports. McGladrey & Pullen's reports on the consolidated financial statements for the fiscal years ended December 31, 2006 and 2005 did not contain an adverse opinion or a disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope, or accounting principles.

The Audit Committee of the Board of Directors has appointed McGladrey & Pullen, LLP to be the Company's independent registered public accountants for the 2007 fiscal year, subject to ratification by shareholders. A representative of McGladrey & Pullen, LLP is expected to be present at the annual meeting to respond to appropriate questions from shareholders and will have the opportunity to make a statement should he or she desire to do so.

If the ratification of the appointment of the auditors is not approved by a majority of the votes cast by shareholders at the annual meeting, the Audit Committee will consider other independent registered public accountants.

The Board of Directors recommends a vote FOR the ratification of the appointment of McGladrey & Pullen, LLP as the Company's independent registered public accountants.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Registered Public Accountants

The Audit Committee is responsible for appointing, setting compensation, overseeing and reviewing the work of the independent registered public accountant firm and setting the independent registered public accountant's compensation. In accordance with its charter, the Audit Committee approves, in advance, all audit and permissible non-audit services to be performed by the independent registered public accountants. This approval process ensures that the external auditor does not provide any non-audit services to the Company that are prohibited by law or regulation.

In addition, the Audit Committee has adopted a policy for the pre-approval of audit and permitted non-audit services by the Company's independent registered public accountants. The Audit Committee will consider annually and approve the provision of audit services by its external auditor and consider, and, if appropriate, pre-approve the provision of certain defined audit and non-audit services. The Audit Committee also will consider on a case-by-case basis and, if appropriate, approve specific engagements.

Any proposed specific engagement may be presented to the Audit Committee for consideration at its next regular meeting or, if earlier consideration is required, to the Audit Committee or one or more of its members. The member or members to whom such authority is delegated shall report any specific approval of services at the next regular meeting of the Audit Committee. The Audit Committee will regularly review summary reports detailing all services being provided to the Company by its external auditor.

During the year ended December 31, 2006, all services were approved, in advance, by the Audit Committee in compliance with these procedures.

Report of the Audit Committee

The Company's management is responsible for the Company's internal control over financial reporting. The independent registered public accountants are responsible for performing an independent audit of the Company's consolidated financial statements and issuing an opinion on the conformity of those financial statements with generally accepted accounting principles. The Audit Committee oversees the Company's internal control over financial reporting on behalf of the Board of Directors.

In this context, the Audit Committee has met and held discussions with management and the independent registered public accountants. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent registered public accountants. The Audit Committee discussed with the independent registered public accountants matters required to be discussed by Statement on Auditing Standards No. 61 (Communication With Audit Committees), including the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of the disclosures in the financial statements.

In addition, the Audit Committee has received the written disclosures and the letter from the independent registered public accountants required by the Independence Standards Board Standard No. 1 (Independence Discussions With Audit Committees) and has discussed with the independent registered public accountants the auditors' independence from the Company and its management. In concluding that the auditors are independent, the Audit Committee considered, among other factors, whether the non-audit services provided by the auditors were compatible with its independence.

The Audit Committee discussed with the Company's independent registered public accountants the overall scope and plans for its audit. The Audit Committee meets with the independent registered public accountants, with and without management present, to discuss the results of their examination, their evaluation of the Company's internal control over financial reporting, and the overall quality of the Company's financial reporting process.

In performing all of these functions, the Audit Committee acts only in an oversight capacity. In its oversight role, the Audit Committee relies on the work and assurances of the Company's management, which has the primary responsibility for financial statements and reports, and of the independent auditors who, in their report, express an opinion on the conformity of the Company's financial statements to generally accepted accounting principles. The Audit Committee's oversight does not provide it with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions with management and the independent auditors do not assure that the Company's financial statements are presented in accordance with generally accepted accounting principles, that the audit of the Company's consolidated financial statements has been carried out in accordance with the standards of the Public Company Accounting Oversight Board or that the Company's independent auditors are in fact independent.

In reliance on the reviews and discussions referenced above, the Audit Committee recommended to the Board of Directors, and the Board has approved, that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-KSB for the year ended December 31, 2006 for filing with the Securities and Exchange Commission. The Audit Committee and the Board of Directors have appointed, subject to shareholder ratification, the selection of the Company's independent registered public accountants for the fiscal year ended December 31, 2007.

Employment Agreements. Ottawa Savings Bancorp and Ottawa Savings Bank have employment agreements with Gary Ocepek, Jon Kranov and Phil Devermann. These employment agreements help ensure a stable and competent management base. The continued success of Ottawa Savings Bancorp and Ottawa Savings Bank depends to a significant degree on the skills and competence of Mr. Ocepek, Mr. Kranov and Mr. Devermann.

The employment agreements provide for initial three-year terms. Thereafter, the term of the employment agreements may be renewed on an annual basis after review and extension by the respective Board of Directors. The employment agreements provide a current base salary of \$160,700 for Mr. Ocepek, \$112,900 for Mr. Kranov and \$106,400 for Mr. Devermann. The Boards of Directors will review Mr. Ocepek's, Mr. Kranov's and Mr. Devermann's base salaries each year in order to consider any appropriate changes. In addition to base salary, the employment agreements provide for, among other things, participation in stock-based benefit plans and fringe benefits applicable to the executives. The employment agreements provide that Ottawa Savings Bank and Ottawa Savings Bancorp may terminate the executive's employment for cause, as described in the employment agreements, at any time. If Ottawa Savings Bank or Ottawa Savings Bancorp terminates the executive's employment for reasons other than for cause, or if the executive resigns from Ottawa Savings Bank or Ottawa Savings Bancorp after specified circumstances that would constitute constructive termination, the executive or, if he dies, his beneficiary, would be entitled to receive an amount equal to the remaining base salary payments due for the remaining term of the employment agreement and the contributions that would have been made on his behalf to any employee benefit plans of Ottawa Savings Bank and Ottawa Savings Bancorp during the remaining term of the employment agreement. Ottawa Savings Bank would also continue and/or pay for the executive's

life, health and dental coverage for the remaining term of the employment agreement. The executive must agree not to compete with Ottawa Savings Bank or Ottawa Savings Bancorp for one year following his termination of employment other than in connection with a change in control.

Under the employment agreements, if the executive voluntarily (upon circumstances discussed in the agreements) or involuntarily terminates employment following a change in control of Ottawa Savings Bank or Ottawa Savings Bancorp, the executive or, if the executive dies, the executive's beneficiary, would receive a severance payment equal to the greater of: (1) the payments due for the remaining term of the agreement; or (2) three times the average of the five preceding taxable years' annual compensation. Ottawa Savings Bank would also continue the executive's life, health, and dental coverage for 18 months following termination of employment. Section 280G of the Internal Revenue Code provides that severance payments that equal or exceed three times the individual's base amount are deemed to be excess parachute payments if they are contingent upon a change in control. Individuals receiving excess parachute payments are subject to a 20% excise tax on the amount of the payment in excess of the base amount, and the employer would not be entitled to deduct such amount. The agreements limit payments made to the executive in connection with a change in control to amounts that will not exceed the limits imposed by Section 280G.

Ottawa Savings Bank or Ottawa Savings Bancorp will pay or reimburse the executive for all reasonable costs and legal fees paid or incurred by the executive in any dispute or question of interpretation relating to the employment agreement if the executive is successful on the merits in a legal judgment, arbitration or settlement. The employment agreements also provide that Ottawa Savings Bank and Ottawa Savings Bancorp will indemnify Mr. Ocepek, Mr. Kranov and Mr. Devermann to the fullest extent legally allowable.

Employee Severance Compensation Plan. In connection with the Bank's conversion and mutual holding company reorganization, Ottawa Savings Bank adopted the Ottawa Savings Bank Employee Severance Compensation Plan to provide severance benefits to eligible employees whose employment terminates in connection with a change in control of Ottawa Savings Bank or Ottawa Savings Bancorp. Employees become eligible for severance benefits under the plan if they have a minimum of one year of service with Ottawa Savings Bank. Individuals who enter into employment or change in control agreements with Ottawa Savings Bank or Ottawa Savings Bancorp will not participate in the severance plan. Under the severance plan, if, within 24 months of a change in control, Ottawa Savings Bank or Ottawa Savings Bancorp or their successors terminate an employee's employment or if the individual voluntarily terminates employment upon the occurrence of events specified in the severance plan, then that individual will receive a severance payment equal to one month's compensation for each year of service with Ottawa Savings Bank, up to a maximum payment equal to 24 months of compensation.

Benefit Plans

401(k) Plan. Ottawa Savings Bank maintains the Ottawa Savings Bank Employees' Savings and Profit Sharing Plan and Trust (the 401(k) Plan), a tax-qualified defined contribution retirement plan, for employees of Ottawa Savings Bank who are 21 years of age and have completed six months of service. Eligible employees may contribute a portion of their compensation to the 401(k) Plan on a pre-tax basis, subject to certain compensation limitations imposed by the Internal Revenue Code of 1986, as amended. Participants are always 100% vested in their salary deferrals. Participants vest in employer matching contributions at the rate of 20% per year following two years of service. In connection with the freeze of the Retirement Plan, as discussed below, Ottawa Savings Bank expects to increase the maximum percentage of salary that employees may defer under the 401(k) Plan and its matching contribution percentage under the 401(k) Plan.

Retirement Plan. Ottawa Savings Bank participates in the Pentegra Retirement Services program (the Retirement Plan), a defined benefit pension plan providing retirement benefits to participating employees. Ottawa Savings Bank previously amended the Retirement Plan to prohibit future participation by new employees of the Bank; on February 23, 2007, the Bank decided to freeze benefits under the Retirement Plan for current

participants, effective as of April 1, 2007. As a result, each active participant's pension benefit will be determined based on the participant's compensation and duration of employment as of March 31, 2007 and compensation and employment after that date will not be taken into account in determining pension benefits under the Retirement Plan. As of December 31, 2006, Gary Ocepek, Jon Kranov and Phil Devermann had 36, 29, and 28 years of credited service, respectively, under the Retirement Plan.

Post-Retirement Health Plan. Ottawa Savings Bank has a contributory post-retirement benefit plan for its officers who were hired prior to January 1, 2002. The accounting for the health care plan follows generally accepted accounting principals and anticipates future cost-sharing changes that are consistent with our expressed intent to increase retiree contributions. The future costs are estimated based on an independent actuarial analysis.

Employee Stock Ownership Plan. In connection with the conversion and mutual holding company reorganization and minority stock offering, the Board of Directors of Ottawa Savings Bank adopted an employee stock ownership plan (ESOP) for eligible employees of Ottawa Savings Bank. Eligible employees who are 21 years old and employed by Ottawa Savings Bank as of the closing date of the offering (July 11, 2005) began participating in the plan as of that date. Thereafter, new employees of Ottawa Savings Bank who are 21 years old and have been credited with at least six months of service with Ottawa Savings Bank will be eligible to participate in the ESOP as of the first entry date following their completion of the plan's eligibility requirements.

The ESOP trustee purchased 76,314 shares of the Company common stock or 3.43% of the shares issued in the reorganization, including shares issued to Ottawa Savings Bancorp MHC. The ESOP funded its purchase in the offering through a loan from Ottawa Savings Bancorp. The loan to the ESOP will be repaid principally from Ottawa Savings Bank contributions to the ESOP and dividends payable on common stock held by the ESOP over the anticipated 15-year term of the loan. The interest rate for the ESOP loan is 6.25%.

In any plan year, Ottawa Savings Bank may make additional discretionary contributions (beyond those necessary to satisfy the loan obligation) to the ESOP for the benefit of plan participants in either cash or shares of common stock, which may be acquired through the purchase of outstanding shares in the market or from individual stockholders or which constitute authorized but unissued shares or shares held in treasury by Ottawa Savings Bancorp. The timing, amount, and manner of discretionary contributions will be affected by several factors, including applicable regulatory policies, the requirements of applicable laws and regulations, and market conditions. Ottawa Savings Bank's contributions to the ESOP are not fixed, so benefits payable under the ESOP cannot be estimated.

Shares purchased by the ESOP with the proceeds of the ESOP loan will be held in a suspense account and released on a pro rata basis as the loan is repaid. Discretionary contributions to the ESOP and shares released from the suspense account will be allocated among participants on the basis of each participant's proportional share of compensation.

After two years of service, participants will vest in the benefits allocated under the ESOP at a rate of 20% per year for each year of continuous service with Ottawa Savings Bank. A participant will become fully vested automatically upon retirement, death or disability, a change in control or termination of the ESOP. Benefits are generally distributable upon a participant's separation from service. Any unvested shares that are forfeited upon a participant's termination of employment will be reallocated among the remaining plan participants.

Plan participants will be entitled to direct the plan trustee on how to vote common stock credited to their accounts. The trustee will vote all allocated shares held in the ESOP as instructed by the plan participants and unallocated shares and allocated shares for which no instructions are received will be voted in the same ratio on any matter as those shares for which instructions are given, subject to the fiduciary responsibilities of the trustee.

Under applicable accounting requirements, compensation expense for a leveraged ESOP is recorded at the fair market value of the ESOP shares when committed to be released to participants' accounts.

Other Information Relating to Directors and Executive Officers

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's executive officers and directors, and persons who own more than 10% of any registered class of the Company's equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Executive officers, directors and greater than 10% shareholders are required by regulation to furnish the Company with copies of all Section 16(a) reports they file.

Based solely on the Company's review of the copies of the reports it has received and written representations provided to it from the individuals required to file the reports, the Company believes that each of its executive officers, directors and greater than 10% beneficial owners has complied with the applicable reporting requirements for transactions in the Company's common stock during the year ended December 31, 2006.

Transactions with Related Persons

Loans to Officers and Directors. The Sarbanes-Oxley Act generally prohibits loans by Ottawa Savings Bank to its executive officers and directors. However, the Sarbanes-Oxley Act contains a specific exemption from such prohibition for loans by Ottawa Savings Bank to its executive officers and directors in compliance with federal banking regulations. Federal regulations require that all loans or extensions of credit to executive officers and directors of insured institutions must be made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons and must not involve more than the normal risk of repayment or present other unfavorable features. Ottawa Savings Bank is therefore prohibited from making any new loans or extensions of credit to executive officers and directors at different rates or terms than those offered to the general public. Notwithstanding this rule, federal regulations permit Ottawa Savings Bank to make loans to executive officers and directors at reduced interest rates if the loan is made under a benefit program generally available to all other employees and does not give preference to any executive officer or director over any other employee.

In addition, loans made to a director or executive officer in an amount that, when aggregated with the amount of all other loans to the person and his or her related interests, are in excess of the greater of \$25,000 or 5% of Ottawa Savings Bank's capital and surplus, up to a maximum of \$500,000, must be approved in advance by a majority of the disinterested members of the board of directors.

Nominating and Corporate Governance Committee Procedures

General

It is the policy of the Nominating and Corporate Governance Committee of the Board of Directors of the Company to consider director candidates recommended by stockholders who appear to be qualified to serve on the Company's Board of Directors. The Nominating and Corporate Governance Committee may choose not to consider an unsolicited recommendation if no vacancy exists on the Board of Directors and the Nominating and Corporate Governance Committee does not perceive a need to increase the size of the Board of Directors. In order to avoid the unnecessary use of the Nominating and Corporate Governance Committee's resources, the Nominating and Corporate Governance Committee will consider only those director candidates recommended in accordance with the procedures set forth below.

Procedures to be Followed by Stockholders

To submit a recommendation of a director candidate to the Nominating and Corporate Governance Committee, a stockholder should submit the following information in writing, addressed to the Chairman of the

Nominating and Corporate Governance Committee, care of the Corporate Secretary, at the main office of the Company:

1. The name of the person recommended as a director candidate;
2. All information relating to such person that is required to be disclosed in solicitations of proxies for election of directors pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended;
3. The written consent of the person being recommended as a director candidate to being named in the proxy statement as a nominee and to serving as a director if elected;
4. As to the stockholder making the recommendation, the name and address, as they appear on the Company's books, of such stockholder; provided, however, that if the stockholder is not a registered holder of the Company's common stock, the stockholder should submit his or her name and address along with a current written statement from the record holder of the shares that reflects ownership of the Company's common stock; and
5. A statement disclosing whether such stockholder is acting with or on behalf of any other person and, if applicable, the identity of such person.

In order for a director candidate to be considered for nomination at the Company's annual meeting of stockholders, the recommendation must be received by the Nominating and Corporate Governance Committee at least 120 calendar days prior to the date the Company's proxy statement was released to stockholders in connection with the previous year's annual meeting, advanced by one year.

Minimum Qualifications

The Nominating and Corporate Governance Committee has adopted a set of criteria that it considers when it selects individuals to be nominated for election to the Board of Directors. First, a candidate must meet the eligibility requirements set forth in the Company's Bylaws, which include an age limitation, a stock ownership requirement and a requirement that the candidate not have been subject to certain criminal or regulatory actions. A candidate also must meet any qualification requirements set forth in any Board or committee governing documents.

The Nominating and Corporate Governance Committee will consider the following criteria in selecting nominees: contributions to the range of talent, skill and expertise appropriate for the Board; financial, regulatory and business experience; knowledge of the banking and financial services industries; familiarity with the operations of public companies and ability to read and understand financial statements; familiarity with the Company's market area and participation in and ties to local businesses and local civic, charitable and religious organizations; personal and professional integrity, honesty and reputation; ability to represent the best interests of the stockholders of the Company and the best interests of the institution; ability to devote sufficient time and energy to the performance of his or her duties; independence; current equity holdings in the Company; and any other factors the Nominating and Corporate Governance Committee deems relevant, including age, diversity, size of the Board of Directors and regulatory disclosure obligations.

In addition, prior to nominating an existing director for re-election to the Board of Directors, the Nominating and Corporate Governance Committee will consider and review an existing director's Board and Committee attendance and performance; length of Board service; experience, skills and contributions that the existing director brings to the Board; and independence.

Process for Identifying and Evaluating Nominees

The process that the Nominating and Corporate Governance Committee follows when it identifies and evaluates individuals to be nominated for election to the Board of Directors is as follows:

Identification. For purposes of identifying nominees for the Board of Directors, the Nominating and Corporate Governance Committee relies on personal contacts of the committee members and other members of the Board of Directors, as well as their knowledge of members of the communities served by the Bank. The Nominating and Corporate Governance Committee also will consider director candidates recommended by stockholders in accordance with the policy and procedures set forth above. The Nominating and Corporate Governance Committee has not previously used an independent search firm to identify nominees.

Evaluation. In evaluating potential nominees, the Nominating and Corporate Governance Committee determines whether the candidate is eligible and qualified for service on the Board of Directors by evaluating the candidate under the selection criteria set forth above. In addition, the Nominating and Corporate Governance Committee will conduct a check of the individual's background and interview the candidate to further assess the qualities of the prospective nominee and the contributions he or she would make to the Board.

Submission of Business Proposals and Stockholder Nominations

The Company must receive proposals that shareholders seek to include in the proxy statement for the Company's next annual meeting no later than December 4, 2007. If next year's annual meeting is held on a date more than 30 calendar days from May 3, 2008, a shareholder proposal must be received by a reasonable time before the Company begins to print and mail its proxy solicitation materials for such annual meeting. Any shareholder proposals will be subject to the requirements of the proxy rules adopted by the Securities and Exchange Commission.

The Company's Bylaws provide that, in order for a shareholder to make nominations for the election of directors or proposals for business to be brought before the annual meeting, a shareholder must deliver notice of such nominations and/or proposals to the Corporate Secretary not less than 30 days prior to the date of the annual meeting; however, if less than 40 days' notice or prior public disclosure of the date of the annual meeting is given to shareholders, such notice must be delivered not later than the close of the tenth day following the day on which notice of the annual meeting was mailed to shareholders or public disclosure of the meeting date was made. A copy of the Bylaws may be obtained from the Company.

Stockholder Communications

The Company encourages stockholder communications to the Board of Directors and/or individual directors. Stockholders who wish to communicate with the Board of Directors or an individual director should send their communications to the care of JuleAnn Leamy, Corporate Secretary, Ottawa Savings Bancorp, Inc., 925 LaSalle Street, Ottawa, Illinois 61350. Communications regarding financial or accounting policies should be sent to the attention of the Chairman of the Audit Committee. All other communications should be sent to the attention of the Chairman of the Nominating and Corporate Governance Committee.

Miscellaneous

The Company will pay the cost of this proxy solicitation. The Company will reimburse brokerage firms and other custodians, nominees and fiduciaries for reasonable expenses they incur in sending proxy materials to the beneficial owners of Ottawa Savings Bancorp common stock. In addition to soliciting proxies by mail, directors, officers and regular employees of the Company may solicit proxies personally or by telephone without receiving additional compensation.

The Company's Annual Report to Shareholders has been mailed to persons who were shareholders as of the close of business on March 9, 2007. Any shareholder who has not received a copy of the Annual Report may obtain a copy by writing to the Corporate Secretary of the Company. The Annual Report is not to be treated as part of the proxy solicitation material or as having been incorporated in this proxy statement by reference.

A copy of the Company's Annual Report on Form 10-KSB, without exhibits, for the year ended December 31, 2006, as filed with the Securities and Exchange Commission, will be furnished without charge to persons who were shareholders as of the close of business on March 9, 2007 upon written request to JuleAnn Leamy, Corporate Secretary, Ottawa Savings Bancorp, Inc., 925 LaSalle Street, Ottawa, Illinois 61350.

If you and others who share your address own your shares in street name, your broker or other holder of record may be sending only one annual report and proxy statement to your address. This practice, known as householding, is designed to reduce our printing and postage costs. However, if a shareholder residing at such an address wishes to receive a separate annual report or proxy statement in the future, he or she should contact the broker or other holder of record. If you own your shares in street name and are receiving multiple copies of our annual report and proxy statement, you can request householding by contacting your broker or other holder of record.

Whether or not you plan to attend the annual meeting, please vote by marking, signing, dating and promptly returning the enclosed proxy card in the enclosed envelope.
