PROXY STATEMENT

ANNUAL GENERAL MEETING OF SHAREHOLDERS

TO BE HELD ON SEPTEMBER 7, 2007

INFORMATION CONCERNING SOLICITATION AND VOTING

General

The enclosed proxy accompanying this Proxy Statement is solicited by and on behalf of the Board of Directors of Peak International Limited, a Bermuda corporation (which we will refer to as the Company or Peak throughout this Proxy Statement), for use at the 2007 Annual General Meeting of Shareholders of the Company to be held at Heller Ehrman LLP, 275 Middlefield Road, Menlo Park, California, USA 94025, on September 7, 2007, 10:00 a.m. local time, and any postponement or any adjournment thereof (the Annual General Meeting).

We intend to mail this Proxy Statement on or about August 10, 2007 to all shareholders on the Company's Register of Members on August 1, 2007 who are entitled to notice of and vote at the meeting (the Shareholders or, individually, a Shareholder).

The Company will pay the cost of soliciting proxies, including expenses incurred by brokerage firms and other representatives of beneficial owners in forwarding solicitation materials to beneficial owners. Directors, officers and regular employees may solicit proxies, either personally or by fax or telephone, on behalf of the Company, without additional compensation.

The Company will provide copies of exhibits to the Annual Report on Form 10-K to any requesting Shareholder upon payment of a reasonable fee and upon request of the Shareholder made in writing to Peak International Limited, Flat E & F, 19/F., CDW Building, 388 Castle Peak Road, Tsuen Wan, New Territories, Hong Kong, Attn: Ronald Tan, Assistant Secretary. The request must include a representation by the Shareholder that, as of August 1, 2007, the Shareholder was entitled to vote at the Annual General Meeting.

Who Can Vote

Pursuant to Bye-law 45 of the Company's Bye-laws, the Board of Directors of the Company (the "Board of Directors" or the "Board") has set August 1, 2007 (5:00 p.m. Eastern Daylight Time) as the record date for the meeting (which we will refer to as the "Record Date" throughout this Proxy Statement). Only Shareholders whose names and addresses appear in the Register of Members on that date will be entitled to receive notice of and attend and vote at the Annual General Meeting. The only outstanding class of voting securities of the Company is its Common Stock, par value \$0.01 per share (the "Shares"). Each Share is entitled to one vote. There were 12,423,306 Shares outstanding as of the close of business on July 13, 2007.

How You Can Vote

You may vote your Shares at the Annual General Meeting either in person or by proxy. To vote by proxy, you should mark, date, sign and mail the enclosed proxy in the prepaid envelope. Giving a proxy will not affect your right to vote your Shares if you attend the Annual General Meeting and want to vote in person. Shares represented by the proxies received in response to this solicitation, and not properly revoked, will be voted at the Annual General Meeting in accordance with the instructions on the proxy. On matters coming before the Annual General Meeting for which a Shareholder specifies a choice on the proxy card, the Shares will be voted accordingly. If you sign your Proxy Card with no further instructions, you will appoint the Chairman of the Annual General Meeting as your proxy to vote your Shares and your Shares will be counted as a vote FOR approval of the proposals referred to in Items 1(a), 1(b), 1(c), 2, 3 and 4 in the Notice of Annual General Meeting and described in this Proxy Statement and at the discretion of the proxy holder upon such other business as may properly come before the Annual General Meeting or any adjournment or postponement thereof.

Shares held directly in your name as the Shareholder of record may be voted in person at the meeting. If you choose to attend the Annual General Meeting, please bring the enclosed Proxy Card or proof of identification to the meeting. If you hold your Shares in a brokerage account in the broker's name (street name), you must request a legal proxy from your stockbroker in order to vote at the meeting.

Revocability of Proxies

A Shareholder who gives a proxy may revoke it at any time prior to its exercise by filing with the President of the Company a written revocation or a duly executed proxy bearing a later date. The proxy may also be revoked if the Shareholder attends the Annual General Meeting and elects to vote in person. A Shareholder who is the holder of two or more Shares may appoint more than one proxy to represent him/her and vote on his/her behalf at the Annual General Meeting.

Required Vote

On a show of hands, every Shareholder present in person or by proxy shall be entitled to one vote and on a poll, every Shareholder present in person or by proxy shall be entitled to one vote per fully paid share. The proposals below shall be decided on a show of hands unless a poll is demanded. You may vote FOR, AGAINST or ABSTAIN on the proposals submitted for Shareholder approval at the Annual General Meeting. The proposals submitted for Shareholder approval at the Annual General Meeting will be decided by the affirmative vote of the majority of the Shares present in person or represented by proxy at the Annual General Meeting and entitled to vote on such proposal. Abstentions with respect to any proposal are treated as Shares present or represented and entitled to vote on that proposal for the purpose of determining whether or not the Annual General Meeting is quorate.

If you just sign your Proxy Card with no further instructions, your Shares will be counted as a vote FOR approval of the proposals referred to in Items 1(a), 1(b), 1(c), 2, 3 and 4 in the Notice of Annual General Meeting and described in this Proxy Statement.

Quorum; Abstentions; Broker Non-votes

Two (2) Shareholders entitled to vote and present in person or by proxy representing not less than one-third in nominal value of the total issued voting Shares of the Company will constitute a quorum for the transaction of business at the Annual General Meeting. Abstentions and broker

Edgar Filing: PEAK INTERNATIONAL LTD - Form DEF 14A

non-votes are counted for purposes of establishing a quorum. A broker non-vote occurs when a nominee (such as a broker) holding Shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power for that particular matter and has not received instructions from the beneficial owner. Abstentions and broker non-votes will not affect the voting results, although they will have the practical effect of reducing the

number of affirmative votes required to achieve a majority by reducing the total number of Shares from which the majority is calculated.

Audited Financial Statements

Under the Company's By-laws and Bermuda law, audited financial statements must be presented to Shareholders at an Annual General Meeting of Shareholders. To fulfill this requirement, we will present at the Annual General Meeting audited consolidated financial statements for the fiscal year ended March 31, 2007. Copies of those financial statements are included in our Annual Report on Form 10-K, which will be mailed to Shareholders together with this Proxy Statement. Representatives of BDO McCabe Lo Limited, our independent registered public accounting firm, are not expected to be present at the Annual General Meeting. These statements have been approved by the Board of Directors and the Audit Committee of the Board of Directors. There is no requirement under Bermuda law that such statements be approved by the Shareholders, and no such approval will be sought at the Annual General Meeting.

IMPORTANT

PLEASE MARK, SIGN AND DATE THE ENCLOSED PROXY AND RETURN IT AT YOUR EARLIEST CONVENIENCE IN THE ENCLOSED POSTAGE-PREPAID RETURN ENVELOPE SO THAT, WHETHER YOU INTEND TO BE PRESENT AT THE ANNUAL GENERAL MEETING OR NOT, YOUR SHARES CAN BE VOTED. THIS WILL NOT LIMIT YOUR RIGHTS TO ATTEND OR VOTE AT THE ANNUAL GENERAL MEETING.

PROPOSALS NO. 1(a) THROUGH 1(c)

PROPOSALS RELATED TO THE ELECTION OF DIRECTORS

Background

In Proposals 1(a) through 1(c), the Shareholders are being asked to approve matters related to the election of directors to the Board of Directors. During fiscal 2007, the Board of Directors was comprised of five members: Douglas Broyles, Thomas Gimple, Dean Personne, Christine Russell and Russell Silvestri. On May 14, 2007, Mr. Gimple resigned from his position as a member of the Board and all of its committees. The resignation of Mr. Gimple was not the result of any disagreement with the Company. As a result of Mr. Gimple's resignation, the Company is out of compliance with Nasdaq Rule 4350(c)(1), which requires a majority of independent directors, and the Audit Committee of the Board of Directors does not meet the requirement of Nasdaq Rule 4350(d)(2)(A) for three independent members. The Company is relying on the cure periods set forth in Nasdaq Rules 4350(d)(4)(B) and 4350(c)(1), which allow the Company to cure such non-compliance within 180 days following Mr. Gimple's resignation. The Company has notified Nasdaq of such circumstances as required by the applicable Nasdaq rules. On May 29, 2007, Nasdaq formally gave written notice to the Company regarding the Company's noncompliance with the requirement to have three independent directors on its Audit Committee as required by Nasdaq Marketplace Rule 4350. In the letter, Nasdaq confirms that the Company has a cure period to regain compliance, which shall be:

until the earlier of the Company's next annual shareholders' meeting or May 14, 2008; or

if the next annual shareholders' meeting is held before November 12, 2007, then the Company must evidence compliance no later than November 12, 2007.

The Company intends to regain compliance within the time periods set forth above. The purpose of Proposals 1(a) through 1(c) is to facilitate such compliance by the Company.

If the Company is not able to regain compliance within the time periods set forth above, the Company's Common Stock would trade on the OTC Bulletin Board (the "OTCBB") or in the "Pink Sheets" maintained by the National Quotation Bureau. The OTCBB handles over-the-counter stocks that do not meet the minimum stockholders' equity and other requirements of the Nasdaq stock listing system. Securities on the OTCBB are governed by the Securities and Exchange Commission (the "SEC") and must report certain regulatory filings to maintain OTC status. The Pink Sheets trading system handles high-risk ventures and is not regulated by the SEC. Such alternatives are generally considered to be less efficient markets and not as widely traded as the Nasdaq Global Market.

Ultimately, non-compliance could result in Nasdaq delisting the Company's Common Stock from the Nasdaq Global Market. Such delisting could have a material adverse effect on the liquidity of the Company's Common Stock and could also have a material adverse effect on the Company's ability to raise additional equity capital.

In addition, if the Company's Common Stock is not listed on the Nasdaq Global Market, we may become subject to Rule 15c-2 under the Securities and Exchange Act of 1934, as amended. That rule imposes additional sales practice requirements on broker-dealers that sell low-priced securities to persons other than established customers and institutional accredited investors. For transactions covered by this rule, a broker-dealer must make a special suitability determination for the purchaser and have received the purchaser's written consent to the transaction prior to sale. Consequently, the rule may affect the ability of broker-dealers to sell the Company's Common Stock and affect the ability of

Edgar Filing: PEAK INTERNATIONAL LTD - Form DEF 14A

holders to sell their Shares of Common Stock in the secondary market. Moreover, investors may be less interested in purchasing low-priced securities because the brokerage commissions, as a percentage of the total transaction value, tend to be higher for such securities, and some investment funds will not invest in low-priced securities (other than those which focus on small-capitalization companies or low-priced securities).

PROPOSAL 1(a)

AUTHORIZED NUMBER OF DIRECTORS

The Board of Directors currently has four (4) members. Pursuant to Bye-law 86 of the Company's Bye-laws, the Shareholders may determine the maximum number of directors. In order to comply with the listing requirements of Nasdaq, the Company must have a majority of independent directors and an Audit Committee comprised of three independent directors. As explained above, the Company is not currently in compliance with these requirements. The Board of Directors believes that the number of authorized directors of the Board should be five (5) so that the Company can be in compliance with these requirements and achieve its objective that the membership of the Board be composed of individuals with a diversity of backgrounds, perspectives and skills.

Information regarding the criteria considered for director nomination is set forth under Corporate Governance Director Nominations below.

Required Vote

Adoption of this proposal requires the affirmative vote of a majority of the votes cast at the meeting by the Shareholders entitled to vote thereon.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE PROPOSAL TO SET THE NUMBER OF AUTHORIZED DIRECTORS OF THE BOARD OF DIRECTORS AT FIVE.

PROPOSAL 1(b)

ELECTION OF DIRECTOR

Assuming that Proposal 1(a) is approved at the Annual General Meeting, the Board of Directors will have four (4) members with one vacancy. Pursuant to Bye-law 87 of the Company's Bye-laws, at each annual general meeting, one-third of the directors for the time being (or, if their number is not a multiple of three, the number nearest to but not greater than one-third) must retire from office by rotation. The Chairman of the Board is not, while holding such office, subject to retirement by rotation or taken into account in determining the number of directors to retire each year. A retiring director is eligible for re-election. The directors to retire by rotation include (so far as necessary to ascertain the number of directors to retire by rotation) any director who wishes to retire and will not stand for re-election. Any further directors to retire are those subject to retirement by rotation who have been longest in office since their last re-election or appointment. As between persons who became or were last re-elected directors on the same day, those to retire will (unless they otherwise agree among themselves) be determined by lot.

Any director appointed by the Board of Directors to fill a casual vacancy on the Board pursuant to Bye-law 86(2) will hold office until the next following general meeting of the Company and will then be eligible for re-election at such meeting. Any director appointed pursuant to Bye-law 86(2) must not be taken into account in determining which particular director or the number of directors who are to retire by rotation.

Nominees

The Nominating Committee has recommended and the Board of Directors has nominated and recommends the election of Christine Russell, who is being re-nominated for election to another term as director. Ms. Russell's age, business background and tenure as a director of the Company are set forth under "Directors and Executive Officers" below. Ms. Russell will be elected to serve until her successor is elected and qualified. If, at the time of the Annual General Meeting, she should be unable or decline to serve, the discretionary

authority provided in the proxy will be exercised to vote for a substitute recommended by a majority of the directors that are independent and chosen by the Board of Directors. Ms. Russell has consented to serve, if elected, and the Company has no reason to believe that any substitute nominee will be required.

Required Vote

The nominee receiving the affirmative vote of a majority of the votes cast at the Annual General Meeting in person or by proxy by the Shareholders entitled to vote thereon shall be elected as director.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE NOMINEE SET FORTH ABOVE.

PROPOSAL 1(c)

AUTHORIZATION TO ELECT DIRECTOR

Pursuant to Bye-law 86(2) of the Company's Bye-laws, the Shareholders may authorize the Board of Directors to fill a casual vacancy or appoint a person as an addition to the existing Board, provided that the number of directors so appointed shall not exceed any maximum number determined by the Shareholders. Assuming that Proposals 1(a) and 1(b) are approved by the Shareholders at the Annual General Meeting, the Board of Directors will be comprised of four (4) members with one vacancy. The Company intends to fill this vacancy with an individual that would enable the Company to regain compliance with the Nasdaq listing requirements of a majority of independent directors and an Audit Committee comprised of three independent directors. The Nominating Committee is currently searching for an individual who would satisfy (i) the applicable definitions of independence as set forth in Nasdaq Rule 4350(d)(2)(A) and Nasdaq Rule 4350(c)(1) and (ii) the objective that the membership of the Board of Directors be composed of individuals with a diversity of backgrounds, perspectives and skills. The Nominating Committee intends to conclude its search to enable the Company to regain compliance with the applicable Nasdaq rules within the time periods set forth above.

Information regarding the criteria for director nomination is set forth under Corporate Governance Director Nominations below.

Required Vote

Adoption of this proposal requires the affirmative vote of a majority of the votes cast at the meeting by the Shareholders entitled to vote thereon.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE PROPOSAL TO AUTHORIZE THE BOARD OF DIRECTORS TO FILL THE ONE CASUAL VACANCY.

CORPORATE GOVERNANCE

The Board of Directors held five regular meetings, two special meetings, and acted by written consent two times during the fiscal year ended March 31, 2007 (fiscal 2007). The Board has three committees: the Audit Committee, the Compensation and Stock Option Committee, and the Nominating Committee. During fiscal 2007, neither the Compensation and Stock Option Committee nor the Nominating Committee met on its own; however, the Compensation and Stock Option Committee did meet in executive session as part of meetings of the Board. The Audit Committee met four times during fiscal 2007. Each director has attended at least 75% of the aggregate of all Board meetings and meetings of the committees of which he or she is a member. In 2006, three of our five directors then serving on the Board attended the Company's 2006 Annual General Meeting of Shareholders. The Company does not have a policy on director attendance at the Company's Annual General Meetings.

Director Independence

The Board of Directors has determined that the following directors are independent under the rules of the Nasdaq Global Market: Douglas Broyles and Christine Russell. The Board of Directors has also determined that each of the members of each committee of the Board of Directors meets the independence requirements applicable to such committee under the Nasdaq and SEC rules and regulations.

Board Committees

Audit Committee. The Board of Directors formed the Audit Committee in February 1997. The Board has approved a charter for this committee that can be found on the Company's website under the Investor Relations link. The Board has determined that each director who serves on this committee (and served on this committee during fiscal 2007) is independent, as that term is defined by applicable listing standards of the Nasdaq Global Market and SEC rules and regulations. The Audit Committee contains at least one audit committee financial expert. The name of the Audit Committee financial expert is Christine Russell, and the Board of Directors has determined that she is independent as that term is defined in Item 7(d)(3)(iv) of Schedule 14A of the Securities and Exchange Act of 1934, as amended. The primary role of the Audit Committee is to review the results and scope of the annual audit and other services provided by the Company's independent registered public accounting firm, to review and evaluate the Company's internal financial reporting system and control functions, to monitor transactions between the Company and its directors, officers, employees and other related parties and to review other matters relating to the relationship of the Company with its auditors. It is not the duty of the Audit Committee to plan or conduct audits or to determine that the Company's financial statements are complete and accurate and are in accordance with generally accepted accounting principles. Management is responsible for preparing the Company's financial statements, and the Company's independent registered public accounting firm is responsible for auditing those financial statements. However, the Audit Committee does consult with management and the Company's independent registered public accounting firm prior to the presentation of financial statements to Shareholders and, as appropriate, initiates inquiries into various aspects of the Company's financial affairs. The Audit Committee also meets with the independent registered public accounting firm, with and without management present, to discuss their evaluations of the Company's internal controls, the results of their examination(s) and the overall quality of the Company's financial reporting.

During fiscal 2007, the members of the Audit Committee were independent directors Christine Russell (Chairperson), Douglas Broyles and Thomas Gimple. On May 14, 2007, Mr. Gimple resigned from his position as a member of the Board and all of its committees. The resignation of Mr. Gimple was not the result of any disagreement with the Company. As a result of Mr. Gimple's resignation, the Company's Audit Committee does not meet the requirement of Nasdaq Rule 4350(d)(2)(A) for three independent members, and the Company is out of compliance with Nasdaq Rule 4350(c)(1), which requires a majority of independent directors. The Company is relying on the cure periods set forth in Nasdaq Rules 4350(d)(4)(B) and 4350(c)(1), which allow the Company to cure such non-compliance within 180 days following Mr. Gimple's resignation. The Company has notified Nasdaq of such circumstances as required by the applicable Nasdaq rules. On May 29, 2007, Nasdaq formally

gave written notice to the Company regarding the Company's noncompliance with the requirement to have three independent directors on its Audit Committee as required by Nasdaq Marketplace Rule 4350. In the letter, Nasdaq confirms that the Company has a cure period to regain compliance, which shall be:

until the earlier of the Company's next annual shareholders' meeting or May 14, 2008; or

if the next annual shareholders' meeting is held before November 12, 2007, then the Company must evidence compliance no later than November 12, 2007.

The Company intends to regain compliance within the time periods set forth above.

Compensation and Stock Option Committee. The Board of Directors formed the Compensation and Stock Option Committee (originally called the Compensation Committee) (the Compensation Committee) in February 1997. The Board has approved a charter for this committee that can be found on the Company's website under the Investor Relations link. The Board has determined that each director who serves on this committee (and served on this committee during fiscal 2007) is independent, as that term is defined by applicable listing standards of the Nasdaq Global Market and SEC rules and regulations. The role of the Compensation Committee is to make recommendations to the Board of Directors relating to salaries and other compensation for the Company's directors, officers and employees and to administer the employee share option and stock purchase plans. During fiscal 2007, the Compensation Committee was composed of directors Douglas Broyles (Chairperson), Thomas Gimple and Christine Russell. On May 14, 2007, Mr. Gimple resigned from his position as a member of the Board and all of its committees. The resignation of Mr. Gimple was not the result of any disagreement with the Company.

Nominating Committee. The Board of Directors formed a formal Nominating Committee in May 2005. The Board has approved a charter for this committee that can be found on the Company's website under the Investor Relations link. The Nominating Committee recommends nominees for election as directors to the full Board of Directors. The Board has determined that each director who serves on this committee (and served on this committee during fiscal 2007) is independent, as that term is defined by applicable listing standards of the Nasdaq Global Market and SEC rules and regulations. Prior to the formation of the Nominating Committee, the Board had the independent directors (based on the Nasdaq definition of independence) on the Board make recommendations to the full Board regarding candidates for nomination and the size and composition of the Board. During fiscal 2007, the Nominating Committee was composed of directors Douglas Broyles, Thomas Gimple (Chairperson) and Christine Russell. On May 14, 2007, Mr. Gimple resigned from his position as a member of the Board and all of its committees. The resignation of Mr. Gimple was not the result of any disagreement with the Company. In May 2007, the Board of Directors elected Russell Silvestri, and reelected Douglas Broyles and Christine Russell, as members of the Nominating Committee. During fiscal 2007, Mr. Gimple was the Chairperson of the Nominating Committee; the Nominating Committee has not yet elected a new Chairperson.

Accordingly, Dean Personne, the Company's President and Chief Executive Officer, is not included in this table because he is an employee of the Company and receives no extra compensation for his services as a director. The compensation received by Mr. Personne as an employee of the Company is shown in the Summary Compensation Table and the three stock-option-related tables below. The Board does not consider Mr. Silvestri an independent member of the Board under the Nasdaq and SEC rules and regulations.
- (2) As amended in May 2004, during fiscal 2007, each director of the Company who is not an employee and is an independent director of the Company and its affiliates received an annual fee of \$25,000 plus a fee of \$1,000 for each Board meeting attended and \$500 for each committee meeting attended. - (3) The amounts included in the Option Awards column represent the compensation cost recognized by the Company in fiscal 2007 related to stock option awards to directors, computed in accordance with Statement of Financial Accounting Standards No. 123R. For a discussion of valuation assumptions, see Notes 4 and 24 to the Company's consolidated financial statements included in the Company's Annual Report on Form 10-K for the year ended March 31, 2007.
- (4) As amended in May 2004, during fiscal 2007, each director of the Company who is not an employee and is an independent director of the Company or its affiliates was awarded on September 7, 2006 a fully vested option to purchase 10,000 Shares at a purchase price determined on the date of grant in accordance with the applicable stock option plan. Each member of the Audit Committee was granted an additional fully vested option to purchase 5,000 Shares at a purchase price determined on September 7, 2006, the date of grant in accordance with the applicable stock option plan. The chairpersons of the Compensation and Stock Option Committee and the Audit Committee were granted an additional fully vested option to purchase 2,000 Shares and 3,000 Shares, respectively, at a purchase price determined on September 7, 2006, the date of grant in accordance with the applicable stock option plan. The total number of Shares subject to options granted in any one year to any non-employee director shall not exceed an aggregate of 20,000 Shares. As of March 31, 2007, the following independent directors held options to purchase the respective number of Shares of the Company's Common Stock: Douglas Broyles 134,000, Thomas Gimple 75,000, and Christine Russell 124,000.
- (5) Mr. Gimple retired from the Board of Directors on May 14, 2007.

Director Nominations

As described above, the Nominating Committee recommends nominees for election as directors to the full Board of Directors. The Nominating Committee will consider proposals for nomination from Shareholders that are made in writing to the Company's Secretary, that are timely received and that contain sufficient background information concerning the nominee to enable proper judgment to be made as to his or her qualifications. The Board has approved a charter for this committee that can be found on the Company's website under the Investor Relations link.

Criteria for Board Membership. The Board of Directors and the Nominating Committee have as an objective that the Board's membership be composed of experienced and dedicated individuals with a diversity of backgrounds, perspectives and skills. The Nominating Committee will recommend candidates for director based on their character, judgment, diversity of experience, business acumen, and ability to act on behalf of all Shareholders. The Nominating Committee believes that a nominee for director must have the following specific, minimum qualifications: (i) experience, such as experience in management or accounting and finance, or industry and technology knowledge, that may be useful to the Company and the Board, (ii) high personal and professional ethics, and (iii) the willingness and ability to devote sufficient time to effectively carry out his or her duties as a director.

Other than the foregoing there are no stated minimum criteria for director nominees. The Company believes, however, that it is appropriate for at least one, and preferably multiple members of the Board, to meet the criteria for an audit committee financial expert as defined by the SEC, and that a majority of the members of the Board meet the definition of independent director under the rules of the Nasdaq Global Market. The Company also believes that it is appropriate for certain key members of management to participate as members of the Board.

The Nominating Committee reviews annually the appropriate skills and characteristics required of Board members in the context of the current composition of the Board. Candidates considered for nomination to the Board may come from several sources, including current and former directors, professional search firms and Shareholder nominations. Nominees for director are evaluated by the Nominating Committee, who may retain the services of a professional search firm to assist them in identifying or evaluating potential nominees.

Shareholder Nominees. The Nominating Committee will consider written proposals from Shareholders for nominees for director. Any such nominations should be submitted to the Nominating Committee c/o the Secretary of the Company and should include the following information: (a) all information relating to such nominee that is required to be disclosed pursuant to Regulation 14A under the Securities Exchange Act of 1934 (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected); (b) the names and addresses of the stockholders making the nomination and the number of shares of the Company's Common Stock which are owned beneficially and of record by such stockholders; and (c) appropriate biographical information and a statement as to the qualification of the nominee, and should be submitted in the time frame described in the Bye-laws of the Company and under the caption "Shareholder Proposals for 2008 Annual General Meeting" below.

Process for Evaluating Nominees. The Nominating Committee believes the Company is well-served by its current directors. In the ordinary course, absent special circumstances or a material change in the criteria for Board membership, the Nominating Committee will renominate incumbent directors who continue to be qualified for Board service and are willing to continue as directors. The Nominating Committee will evaluate each candidate's qualifications and check relevant references; in addition, such candidates will be interviewed by at least one member of the Nominating Committee. Candidates meriting serious consideration will meet with all members of the Board. Based on this input, the Nominating Committee will evaluate which of the prospective candidates is qualified to serve as a director and whether the committee should recommend to the Board that this candidate be appointed to fill a current vacancy on the Board, or presented for the approval of the Shareholders, as appropriate.

Shareholder Communication with the Board of Directors

Shareholders may send communications to the Board or individual Board members to the principal executive offices of the Company, Flat E & F, 19/F., CDW Building, 388 Castle Peak Road, Tsuen Wan, New Territories, Hong Kong, Attn: Ronald Tan, Assistant Secretary. You must include your name and address in the written communication and indicate whether you are a Shareholder of the Company. The Company will compile all such communications and forward them to the appropriate director or directors based on the subject matter or to the individual director or directors to whom such communication is addressed.

Compensation Committee Interlocks and Insider Participation

The Compensation Committee of the Board consisted of Mr. Broyles, Ms. Russell and Mr. Gimple during fiscal 2007 and consists of Mr. Broyles and Ms. Russell since May 14, 2007. Neither Mr. Broyles, Ms. Russell nor Mr. Gimple is an officer or employee of the Company. No member of the Compensation Committee or executive officer of the Company has a relationship that would constitute an interlocking relationship with executive officers or directors of another entity.

Code of Ethics

Peak has adopted a Code of Ethics that applies to all Peak employees, including Peak's principal executive officer, its principal financial officer, its principal accounting officer, and persons performing similar functions. This Code of Ethics is available free of charge on the Peak public website (www.peakinternational.com) under the Investor Relations link. Future amendments or waivers relating to the provisions of the Code of Ethics to our Chief Executive Officer or Chief Financial Officer that require disclosure under applicable SEC rules will be disclosed on the webpage referenced in this paragraph within five (5) business days following the date of such amendment or waiver.

PROPOSAL NO. 2

REMUNERATION OF DIRECTORS

The Board of Directors seeks Shareholder approval to authorize the Board of Directors to fix the remuneration of the directors with respect to their service to the Company as directors. Information regarding the remuneration paid to directors during fiscal 2007 is set forth under Corporate Governance Compensation of Directors above.

Required Vote

Adoption of this proposal requires the affirmative vote of a majority of the votes cast at the meeting by the Shareholders entitled to vote thereon.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE PROPOSAL TO AUTHORIZE THE BOARD OF DIRECTORS TO FIX THE REMUNERATION FOR THE DIRECTORS.

COMPENSATION DISCUSSION AND ANALYSIS

During the fiscal year ended March 31, 2007, the Compensation and Stock Option Committee of the Board of Directors of the Company (the Compensation Committee) was comprised of three independent directors: Douglas Broyles, Christine Russell and Thomas Gimple. Mr. Gimple resigned from the Board of Directors and each of its committees on May 14, 2007. The Compensation Committee reviews and sets the base salary and incentive compensation of the Company's Chief Executive Officer and Chief Financial Officer, makes recommendations concerning base salaries and incentive compensation for all other officers of the Company and authorizes the grant of stock options.

Compensation Philosophy

The Company's executive compensation program is generally designed to align the interests of executives with the interests of Shareholders and to reward executives for achieving corporate objectives. The executive compensation program is also designed to attract and retain the services of qualified executives.

Key Elements of Executive Compensation

Executive compensation currently consists of a base salary, bonuses, stock options, and other compensation and benefit programs generally available to other employees.

Base Salary. Base salary levels for the Chief Executive Officer (CEO), Chief Financial Officer (CFO), and other executive officers are intended to compensate executives competitively. Base salaries are determined on an individual basis by evaluating each executive's scope of responsibility, past performance, prior experience and compensation levels in relevant markets for comparable talent. Base salaries for executives are reviewed from time to time by the Compensation Committee.

Bonuses. The Company did not adopt an executive bonus plan for fiscal 2007 and has not adopted an executive bonus plan for fiscal 2008. However, the Company may elect to pay bonuses to Dean Personne and Mary Chow for fiscal 2008, if such employees are employed by the Company at such time, as described in footnotes 4 and 7 of the Summary Compensation Table below. The Company may also pay a bonus to Chris Buckley, as described in footnote 8 of the Summary Compensation Table below.

Stock Options. The Company provides long-term equity incentives to its executive officers and to other employees through the grant of stock options under its stock option plans. The purpose of granting stock options is to create a direct link between compensation and the long-term performance of the Company. Stock options are generally granted at an exercise price equal to 100% of the fair market value on the date of grant, have a four-year term and generally vest in quarterly installments over thirty-six months. Because the receipt of value by an executive officer under a stock option is dependent upon an increase in the price of the Company's Common Stock, this portion of the executives' compensation is directly aligned with an increase in shareholder value. The Compensation Committee believes that primary stock options granted to executive officers are generally in conjunction with the executive officer's acceptance of employment with the Company. When determining the number of stock options to be awarded to an executive officer, the Compensation Committee considers the executive's current contribution to the Company's performance, the executive's anticipated contribution in meeting the Company's long-term goals and comparisons to formal and informal surveys of stock option grants made by other companies. The Compensation Committee also reviews stock option levels for executive officers each fiscal year in light of long-term objectives and each executive's current and anticipated contributions to the Company's future performance.

The stock options granted in fiscal 2007 to our Named Executive Officers are listed in the Grants of Plan-Based Awards table below. A summary of all options held by our Named Executive Officers as of the end of fiscal 2007 are listed in the Outstanding Equity Awards at Fiscal Year-End table below.

The Company does not have stock ownership or retention guidelines for its officers or directors. However, our Named Executive Officers, along with directors and other key employees, are subject to the Company's special trading policy, which prohibits insiders trading in the Company's stock during the period beginning two weeks before the end of each fiscal quarter until three days after publication of the Company's disclosure of material information.

Benefits. All of our officers are eligible to participate in our employee benefit plans as appropriate in accordance with their respective places of employment. Our CEO participates in the Company's U.S. health benefits plans although he is currently the only employee who has enrolled in the Company's U.S. international medical coverage plan. However, because our CFO is not eligible to participate in the Company's U.S. health benefit plans, the Company reimburses 90% of Mr. Supan's monthly premium for individual coverage to enable Mr. Supan to continue his and his spouse's U.S. individual health care plan. The amount that is reimbursed by the Company is approximately equal to what the Company's cost would be if Mr. Supan were able to participate in the Company's U.S. health benefit plans.

Other Compensation. The Company provides our CEO and CFO with a limited level of perquisites, in addition to the executive officer health care benefits. The Company has agreed to annually compensate our CEO and CFO by an amount (the Annual Tax Compensation) to fully equalize for the taxes paid by our CEO and CFO in connection with such employee's housing subsidized by the Company pursuant to the Tax Increase Prevention Reconciliation Act of 2005. The Annual Tax Compensation is to be determined by an independent qualified tax professional acceptable to the Company. The Annual Tax Compensation to be paid by the Company for fiscal 2007 has not yet been determined.

Because the Company determined that a car allowance in the PRC would be prohibitively expensive, the Company also provides the Named Executive Officers with transportation services. The Named Executive Officers mainly use this benefit for commuting between their homes and either the Company's headquarters in Hong Kong or the factory in Shenzhen, the PRC. The Named Executive Officers use this benefit infrequently for non-business related, personal use. Furthermore, the transportation services are available to the Company's other employees and members of the Board, as well as certain consultants and business contacts, when they are not being used by the Named Executive Officers.

Severance Agreements. The Company is obligated to pay severance or other enhanced benefits to our Named Executive Officers upon termination of their employment under certain circumstances. Information regarding these arrangements is provided in the section Potential Payments Upon Termination or Change-in-Control below.

Tax Deductibility of Executive Compensation

In making compensation decisions affecting the executive officers, the Compensation Committee considers the potential impact of Section 162(m) of the Internal Revenue Code on the compensation paid to the Company's executive officers. Section 162(m) limits the tax deductibility by a corporation of compensation in excess of \$1 million paid to its CEO and any other of its four most highly compensated executive officers. However, compensation which qualifies as performance-based is excluded from the \$1 million limit if, among other requirements, the compensation is payable only upon attainment of pre-established, objective performance goals under a plan approved by the corporation's Shareholders. In general, it is the Compensation Committee's policy to qualify, to the maximum extent possible, its executives' compensation for deductibility under applicable tax laws.

The Compensation Committee does not presently expect total cash compensation to exceed the \$1 million limit for any individual executive officer of the Company. In addition, realized gains on the exercise of non-statutory stock options may also qualify for the exemption from the tax deduction limit under Section 162(m) as performance-based compensation if certain conditions under Section 162(m) are met. After consideration of the requirements of Section 162(m), the Compensation Committee believes that non-statutory stock option grants to date meet the requirement that such grants be performance-based.

EXECUTIVE COMPENSATION AND RELATED INFORMATION

The following Summary Compensation Table sets forth certain information regarding compensation earned for services rendered to the Company during fiscal 2007 by the Company's Chief Executive Officer, Chief Financial Officer and the next three most highly compensated officers other than the Chief Executive Officer as of the end of the fiscal year ended March 31, 2007. Pension Benefits

The Company does not maintain a pension benefits plan.

Nonqualified Deferred Compensation

The Company does not maintain a nonqualified deferred compensation plan.

Potential Payments Upon Termination or Change-in-Control

The Company has entered into employment agreements with each of its Named Executive Officers, which provide, among other things, for potential payments upon termination of or change-in-control transactions as described below. The Company's obligation to make any of the termination payments to a Named Executive Officer is subject to the employee's execution of a general release of claims in favor of the Company.

Dean Personne. Mr. Personne's employment agreement, as amended through May 30, 2007, provides for a lump-sum severance payment in an amount equal to the greater of (a) US\$450,000 or (b) 18 months of base salary, unused vacation pay, and the vesting of all stock options which would have vested within 18 months after the date of termination, with such options remaining exercisable for one year. In addition, the Company must

continue to pay, for a period of one year, the premiums for and continue the medical benefits provided to Mr. Personne as they exist at the time of termination. The Audit Committee recommends to the Board of Directors, subject to Shareholder approval, the selection of an accounting firm to be engaged as the Company's independent registered public accounting firm. The independent registered public accounting firm is responsible for performing an independent audit of the Company's financial statements in accordance with generally accepted auditing standards and to issue a report thereon. STOCK PRICE PERFORMANCE GRAPH

In accordance with the rules of the Securities and Exchange Commission, the following graph compares the cumulative total return of the Company, the Russell 2000 Index and the Dow Jones US Containers and Packaging Index. For this reason, the Company does not believe that this graph should be considered as the sole indicator of the Company's performance and is not necessarily indicative of future performance.

The aggregate audit fees billed by PricewaterhouseCoopers for the fiscal year ended March 31, 2006 for professional services that were provided in connection with statutory and regulatory filings or engagements was \$30,000.

Tax Fees. The aggregate fees billed by BDO McCabe Lo Limited for the fiscal year ended March 31, 2007 for professional services related to tax compliance was \$10,654. The nature of the services comprising these fees included, among other things, tax compliance services for foreign tax returns. BDO McCabe Lo Limited received \$11,646 for such services from the Company for the fiscal year ended March 31, 2006.

All Other Fees. The aggregate fees billed for all other services rendered by BDO McCabe Lo Limited for the fiscal years ended March 31, 2007 and March 31, 2006 were \$3,500 and \$21,236, respectively. The nature of the services comprising these fees included, among other things, reviews of the Company's correspondences with the SEC, audit of employee benefit plans, and the reimbursement for out-of-pocket expenses.

Upon consideration, the Audit Committee determined that the provision of services other than the audit services is compatible with maintaining the independence of Company's independent registered public accounting firm.

Pre-Approval Policies

The engagement of BDO McCabe Lo Limited for non-audit accounting and tax services performed for the Company is limited to those instances in which such services are considered integral to the audit services that it provides or in which there is another compelling rationale for using its services. Pursuant to the Sarbanes-Oxley Act of 2002, the Audit Committee approved all audit and permitted non-audit services to be performed by BDO McCabe Lo Limited and determined that the rendering of such services is compatible with maintaining auditor independence.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires directors, officers and persons who own more than 10 percent of a registered class of a U.S. issuer's equity securities to file with the Securities and Exchange Commission initial reports of ownership and reports of changes in ownership of such securities, and to furnish the Company with copies of all such reports they file. To the Company's knowledge, based solely on a review of Forms 3, 4 and 5 under the Securities Exchange Act furnished to us, or written representations from certain reporting persons, we believe that during fiscal year 2007, our officers, directors and holders of more than 10 percent of our Common Stock filed all Section 16(a) reports on a timely basis, except for these Forms 3 and 4 that were inadvertently filed late:

OTHER MATTERS

The Board of Directors knows of no other matters to be presented for consideration at the meeting by the Board of Directors or by Shareholders who have requested inclusion of proposals in the Proxy Statement. If any other matter shall properly come before the Annual General Meeting, the persons named in the accompanying form of proxy intend to vote on such matters in accordance with their judgment.

STOCKHOLDERS SHARING THE SAME ADDRESS

In accordance with notices previously sent to many Shareholders who hold their Shares through a bank, broker or other holder of record (a street-name shareholder) and share a single address, only one annual report and proxy statement is being delivered to that address unless contrary instructions from any Shareholder at that address were received. This practice, known as householding, is intended to reduce the Company's printing and postage costs. However, any such street-name shareholder residing at the same address who wishes to receive a separate copy of this Proxy Statement or accompanying Annual Report on Form 10-K may request a copy by contacting the bank, broker or other holder of record, or the Assistant Secretary of the Company, Ronald Tan, by telephone at: (852) 3193-6000. The voting instruction sent to a street-name shareholder should provide information on how to request (1) householding of future Company materials or (2) separate materials if only one set of documents is being sent to a household. If it does not, a Shareholder who would like to make one of these requests should contact the Company as indicated above.

SHAREHOLDER PROPOSALS FOR 2008 ANNUAL GENERAL MEETING

Under United States federal securities laws, any shareholder proposals intended to be presented at the 2008 Annual General Meeting must be received by the Company at its principal offices no later than April 12, 2008 in order to be considered for inclusion in the proxy materials, and must otherwise comply with the requirements of Rule 14a-8 of the Securities Exchange Act of 1934, as amended.

Although information received after such date will not be included in proxy materials sent to Shareholders, a shareholder proposal may still be presented at the annual general meeting if such proposal complies with the Company's By-laws then in effect. In accordance with Bye-law 59 of the Company's By-laws, shareholder proposals may be brought before an annual general meeting only if such proposal is made pursuant to written notice timely given to the Company's Secretary accompanied by certain information. To be timely, a Shareholder's written notice must be received at the principal offices of the Company not less than ninety (90) days prior to anniversary date of the prior year's annual general meeting. The chairman of the annual general meeting may review proposals from eligible Shareholders which it receives by that date and will determine whether any such proposal has been received in accordance with the Company's Bye-Laws and whether any such proposal will be acted upon at the annual general meeting.

In addition, Section 79 of the Companies Act 1981 of Bermuda, provides that Shareholders representing either: (1) not less than 5% of the total voting rights of all the Shareholders having a right to vote at an annual general meeting of the Company; or (2) not less than one hundred Shareholders; may require a proposal to be submitted to an annual general meeting. Generally, notice of such a proposal must be received by the Company at its principal offices not less than six weeks before the date of the meeting, unless the meeting is subsequently called for a date six weeks or less after the notice has been deposited.
