All or a portion of the security has been segregated as collateral for an open futures contract.

- (i) Interest only security for which the fund receives interest on notional principal (Par amount). Par amount shown is the notional principal and does not reflect the cost of the security.
- (k) As of January 31, 2008, the fund held securities fair valued in accordance with the policies adopted by the Board of Trustees, aggregating \$817,632,965 and 99.37% of market value. An independent pricing service provided an evaluated bid for 99.19% of the market value.
- (n) Securities exempt from registration under Rule 144A of the Securities Act of 1933. These securities may be sold in the ordinary course of business in transactions exempt from registration, normally to qualified institutional buyers. At period end, the aggregate value of these securities was \$15,921,766, representing 1.9% of net assets.
- (y) The rate shown represents an annualized yield at time of purchase.
