**Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers*****Award of Special Promotional Bonuses to Certain Executive Officers***

On May 15, 2008, the Compensation Committee of the Board of Directors (the Committee) of American Superconductor Corporation (the Company) approved payments of special promotional bonuses to Daniel P. McGahn, Senior Vice President and General Manager, AMSC Superconductors and Asia Pacific, and Angelo R. Santamaria, Vice President, Global Manufacturing Operations, in the amounts of \$40,000 and \$15,000, respectively. These one-time payments adjusted these executives' compensation in order to reflect the significant additional responsibilities assumed with their new positions with the Company. The Company promoted Mr. McGahn to Vice President and General Manager, AMSC Superconductors and Asia Pacific, in January 2008, and to his current position as Senior Vice President and General Manager, AMSC Superconductors and Asia Pacific, in May 2008. The Company promoted Mr. Santamaria to Vice President, Global Manufacturing Operations, in August 2007.

***Executive Incentive Plan***

On May 15, 2008, the Committee, as well as the Board of Directors of the Company, approved an executive incentive plan for the Company's fiscal year ending March 31, 2009 (fiscal 2008). Participants in the plan include the Company's Chief Executive Officer and all other executive officers. The Committee is responsible for determining the payout under the plan to each executive officer except the Chief Executive Officer. The Board of Directors of the Company determines the payout under the plan for the Chief Executive Officer, taking into account the recommendation received from the Committee.

Pursuant to the plan, the Committee designated for each executive officer a target cash incentive amount, expressed as a percentage of the officer's base salary. In establishing these targets, the Committee took into account for each officer the level of total compensation including base salary, cash incentive and equity paid by similar companies for comparable positions based on market data compiled by our Vice President of Human Resources.

The amount of the incentive award actually paid to each executive officer may be less than or greater than the executive's target cash incentive, with the amount capped at 156% of the target incentive. Individual incentive awards will be determined following the end of fiscal 2008 based on the following factors and their corresponding weightings:

the Company's earnings before interest, other income (expense), taxes, depreciation, amortization and stock-based compensation (EBITDAS) for fiscal 2008 as compared to the target established by the Committee 40%

the executive's achievement of individual, measurable objectives during fiscal 2008 as determined by the Committee for all executives with the exception of the Chief Executive Officer, who is evaluated by the Board of Directors 40%

the executive's overall contribution during fiscal 2008 towards the achievement of the Company's financial and non-financial objectives 20%

The following table sets forth each current executive officer's target cash incentive for fiscal 2008.
