REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Plan Administrative Committee

Unitrin, Inc. 401(k) Savings Plan

We have audited the accompanying statements of net assets available for benefits of the Unitrin, Inc. 401(k) Savings Plan (the Plan) as of December 31, 2007 and 2006, and the related statement of changes in net assets available for benefits for the year ended December 31, 2007. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Plan is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audits included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, such financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2007 and 2006, and the changes in net assets available for benefits for the year ended December 31, 2007 in conformity with accounting principles generally accepted in the United States of America.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The accompanying supplemental schedule of assets (held at end of year) as of December 31, 2007 and the schedule of delinquent participant contributions for the year ended December 31, 2007 are presented for the purpose of additional analysis and are not a required part of the basic financial statements, but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The supplemental schedules are the responsibility of the Plan's management. Such supplemental schedules have been subjected to the auditing procedures applied in our audit of the basic 2007 financial statements and, in our opinion, are fairly stated in all material respects when considered in relation to the basic financial statements taken as a whole.

UNITRIN, INC. 401(k) SAVINGS PLAN

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2007 and 2006

Note 1 Basis of Presentation

The financial statements of the Unitrin, Inc. 401(k) Savings Plan (the Plan) included herein have been prepared on an accrual basis under accounting principles generally accepted in the United States of America (GAAP).

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ materially from those estimates. Investment securities, in general, are exposed to various risks, such as interest rate risk, credit risk, and overall market volatility risk. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the financial statements.

Significant Accounting Policies

Investments, except for loans to participants, are stated at fair value. Loans to participants are stated at unpaid principal balances. The Wells Fargo Stable Return Fund G and the Invesco Stable Value Trust are common collective trusts which own fully benefit-responsive investment contracts. The fair values of the Plan's investments in the Wells Fargo Stable Return Fund G and the Invesco Stable Value Trust are based on the reported fair value of the underlying contracts and also have been adjusted to the reported contract values in the accompanying Statements of Net Assets Available for Benefits. Shares of mutual funds are valued at the net asset value of the shares held by the Plan. Fair values of common stock trusts are valued using quoted market prices of the underlying common stock.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividend income is recorded on the ex-dividend date.

Management fees and operating expense charged to the Plan for investments in certain mutual funds are deducted from income earned and are not separately identified. Consequently, these management fees and operating expenses are recognized as reductions of investment return for such investments. Certain administrative expenses are paid by Unitrin, Inc. (Unitrin or the Company).

Benefits provided to participants are recorded when paid. Account balances of participants who have elected to withdraw from the Plan, but had not been paid, were \$108 thousand and \$384 thousand at December 31, 2007 and 2006, respectively.

New Accounting Pronouncement

In September 2006, the Financial Accounting Standards Board issued Statement on Financial Accounting Standards No. 157, *Fair Value Measurements* (SFAS No. 157). SFAS No. 157 defines fair value, establishes a framework for measuring fair value in GAAP and expands

disclosures about fair value measurement. SFAS No. 157 is effective for the Plan beginning with its year ending December 31, 2008. The adoption of FAS No. 157 is not expected to have a material impact on the Plan's Statement of Net Assets Available for Benefits or Statement of Changes in Net Assets Available for Benefits.

Note 2 Plan Description

The following summary description of the Plan is for general information only. A more detailed description of the Plan provisions is found in the formal Plan document and in summary materials distributed to Plan participants.

The Plan is a defined contribution plan that is available to employees of Unitrin and certain of its subsidiaries (collectively, the Companies) and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). Employees of the Companies generally become eligible to participate in the Plan on the first day of the month following the employee's first full month of employment. Employees of the Companies generally become eligible to receive the Unitrin matching contribution following the employee's first full year of employment.

Subject to Internal Revenue Code (the Code) limitations, participants are allowed to defer and contribute between 1% and 60% of their compensation to the Plan. Unitrin provides a monthly matching contribution of 50% of the first 6% of compensation contributed by the participant. Participants are 100% vested in Company contributions after three years of employment. The Plan provides for 100% vesting of Company contributions in the event of a change of control as defined in the Plan, upon attainment of normal retirement age, death, or disability.

An individual account is maintained by the Plan's record keeper for each participant and updated with contributions, actual investment income and withdrawals. Each participant may suspend, resume, or change his or her rate of contribution at any time. If certain criteria are met, participants may withdraw all or a portion of their vested account balances, subject to certain restrictions. In addition, participants may borrow from their accounts, subject to certain limitations, at prevailing interest rates as determined by the Plan administrator. Effective April 10, 2007, Wells Fargo Bank, N.A. succeeded the Princeton Retirement Group, Inc., a wholly owned subsidiary of Merrill Lynch & Co. as the Plan's record keeper. Effective April 10, 2007, Wells Fargo Bank, N.A. succeeded Merrill Lynch Bank and Trust Company, F.S.B. as the Plan's trustee.

Although the Company has not expressed any intent to terminate the Plan or to discontinue contributions, it is free to do so at any time, subject to the provisions set forth in ERISA. Should the Plan be terminated at some future date, all participants become 100% vested in benefits earned as of the Plan termination date.

UNITRIN, INC. 401(k) SAVINGS PLAN

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2007 and 2006

Note 4 Federal Income Tax Status

The Plan is exempt from income taxes under Section 401(a) of the Code. The Plan obtained a favorable determination letter dated October 29, 2002 from the Internal Revenue Service (the "IRS"). Subsequent to the receipt of the determination letter, the Plan was restated in its entirety, effective April 1, 2007. The Plan has applied for, but has not yet received, a new determination letter. The Company believes that the Plan is currently designed and operated in compliance with the applicable requirements of the Code and the Plan and related trust continue to be exempt from income taxes. Accordingly, no provision for income taxes has been included in the accompanying financial statements.

Under Federal income tax statutes, regulations and interpretations, income taxes on amounts that a participant accumulates in the Plan are deferred and therefore not included in the participant's taxable income until those amounts are actually distributed. Except for certain contributions made prior to April 1, 1993, contributions are considered pre-tax deposits and are not subject to Federal income taxes at the time of contribution. Prior to April 1, 1993, certain contributions were made on an after-tax basis and are not subject to income tax when they are distributed to the participant because they have already been taxed. A participant's account balance, except for after-tax contributions made prior to April 1, 1993, is taxable income and generally is taxed at ordinary income tax rates when distributed. However, favorable tax treatment through special averaging provisions may apply to participants of a certain age. An additional 10 percent Federal income tax penalty may be imposed on all taxable income distributed to a participant unless the distribution meets certain requirements contained within Section 72 of the Code.

Taxable distributions from the Plan generally are subject to a 20 percent Federal income tax withholding unless directly rolled over into another eligible employer plan or Individual Retirement Account. Distributions of shares of Unitrin common stock generally are not subject to the 20 percent withholding, and special tax rules may apply to the calculation of net unrealized appreciation on such stock.

If the Code and the Plan's requirements concerning loans to participants are satisfied, the amounts of the loans will not be treated as a taxable distribution. If, however, the loan requirements are not satisfied and a default occurs, the loans will be treated as distributions from the Plan for Federal income tax purposes, and the tax consequences discussed above for distributions may apply. Interest payments made on the loans are generally not tax deductible.

Note 5 Related Parties

Beginning April 10, 2007, participants are permitted to invest in certain investment funds sponsored by the Wells Fargo Bank, N.A. group of companies.

One of Unitrin's directors, Mr. Fayez Sarofim, is the Chairman of the Board, President and majority shareholder of Fayez Sarofim & Co. ("FS&C"), a registered investment advisory firm. FS&C is a sub-investment adviser of the Dreyfus Appreciation Fund, Inc., which is an investment option in the Plan.

At December 31, 2007 and 2006, Plan assets included 473,992 shares and 520,188 shares of Unitrin common stock, respectively, at aggregate fair values of \$22.7 million and \$26.1 million, respectively. The Plan recorded dividends of \$0.9 million from participants' investments in the Unitrin Stock Fund for the year ended December 31, 2007 and \$0.9 million from participants' investments in the Unitrin Common Stock Trust for the year ended December 31, 2006.

Note 6 Nonexempt Transactions

The Company did not remit certain participant contributions and loan repayments totaling \$2,287 in 2007 within the timeframe required by Department of Labor Regulation 2510.3-102. The Company will file Form 5330 with the IRS and pay the required excise tax on the transaction. In addition, participant accounts will be credited with the amount of investment income that would have been earned had the participant contributions been remitted on a timely basis.
