Section 1 Registrant's Business and Operations

Item 1.01. Entry into a Material Definitive Agreement.

On September 9, 2008, Invitrogen Corporation, a Delaware corporation, or the Company, Atom Acquisition, LLC, a Delaware limited liability company and a direct wholly owned subsidiary of the Company, or Atom Acquisition, and Applied Biosystems Inc. (formerly known as Applera Corporation), a Delaware corporation, or ABI, entered into Amendment No. 1 to Agreement and Plan of Merger, or the Amendment, to the previously announced Agreement and Plan of Merger dated June 11, 2008, or the Merger Agreement. Pursuant to the Merger Agreement, ABI will be merged with and into Atom Acquisition and Atom Acquisition will be the surviving corporation and the Company's wholly owned subsidiary. Defined terms, unless defined herein, will have the meaning ascribed thereto in the Amendment.

The Amendment provides that the ratio by which each option to purchase shares of ABI common stock will become exercisable for shares of the Company's common stock will be the product of (1) the Stock Option Conversion Fraction (as defined below) multiplied by (2) the number of shares of ABI common stock which could have been obtained prior to the effective time of the merger upon the exercise of each such stock option (rounded down to the nearest whole share), at an exercise price per share (rounded up to the nearest cent) equal to the exercise price for each such share of ABI common stock subject to a stock option divided by the Stock Option Conversion Fraction, and all references to ABI in each such option will be deemed to refer to the Company, where appropriate. Stock Option Conversion Fraction means (1) if the 20-day VWAP is \$46 per share or greater, 0.8261 or (2) if the 20-day VWAP is less than \$46 per share, a fraction, (x) the numerator of which is \$38 and (y) the denominator of which is the greater of (A) \$43.69 and (B) the 20-day VWAP, in each case, subject to adjustment.

The Amendment also provides for certain terms of ABI's Performance Unit Bonus Plan and Incentive Compensation Program for the fiscal year ending June 30, 2009, or the 2009 incentive compensation program. Pursuant to the terms of the Amendment, prior to the effective time of the merger, ABI's board of directors will adopt the 2009 incentive compensation program, which will provide that each participant who is employed by ABI at the effective time of the merger, or an Employee Participant, will be entitled to receive an amount of incentive compensation equal to the following amount: (1) such Employee Participant's eligible earnings multiplied by (2) (x) such Employee Participant's incentive target percentage (which will be the same percentage as the percentage applicable to other employees in the Employee Participant's grade, it being understood and agreed that the percentage applicable to each grade will be the same as the percentage for such grade used for the 2008 incentive compensation program and the percentage for each Employee Participant will be the same as under the 2008 incentive compensation program unless the Employee Participant has changed grades for purposes of the 2009 incentive compensation program) multiplied by (y) such Employee Participant's applicable business modifier which will be established, by ABI as a percentage ranging from 0% to 150% (with 100% as the applicable modifier for performance equal to the 2009 incentive compensation program performance targets; provided, however, that a modifier of 100% (or greater) can be achieved with underachievement of some targets balanced in some areas with overachievement in others) and will be based on certain established performance criteria; multiplied by (z) the Employee Participant's applicable personal modifier (i.e., the individual's performance, expressed as a percentage ranging from 0% to 150% based on individual contribution). Payments under the 2009 incentive compensation program will be made on March 15, 2009 if the merger is completed prior to February 15, 2009, or within 30 days of the completion of the merger if the merger is completed after February 15, 2009. The business modifiers will be based on the performance period commencing on July 1, 2008 and ending on the last day of the full fiscal

quarter ending immediately prior to the completion of the merger and utilize calculation methods used for the 2008 incentive compensation program. The personal modifiers will be determined by ABI as close in time as reasonably practical prior to the effective time of the merger.

The amount of eligible earnings will be equal to the aggregate amount of the Employee Participant's earnings (which in general will include the employee's base salary and additional compensation for overtime but not bonuses paid pursuant to the 2008 incentive compensation plan or otherwise or other types of benefits or payments) paid for the period commencing July 1, 2008 and ending on the earlier of: (1) the date of such Employee Participant's termination of employment, provided he is employed by ABI as of the completion of the merger; (2) December 31, 2008, if the completion of the merger occurs on or before December 31, 2008 provided he is employed by ABI as of December 31, 2008; and (3) the completion of the merger, if it occurs after December 31, 2008 provided he is employed as of the completion of the merger. If the merger is completed on or before February 15, 2009, the Company will pay amounts due under the 2009 incentive compensation plan no later than March 15, 2009, for Employee Participants subject to Section 409A of the Code (and as soon as administratively practicable thereafter for non-US Employee Participants who are not subject to Section 409A of the Code); provided that if the effective time of the merger occurs after February 15, 2009, then the Company will make all payments pursuant to the 2009 incentive compensation plan 30 calendar days after the completion of the merger.

The 2009 incentive compensation plan will terminate on the later of (1) December 31, 2008, if the effective time of the merger occurs prior to such date or (2) the effective time of the merger, at which time Employee Participants will begin participating in the corresponding plan of the Company, provided that Employee Participants will not receive credit or be paid compensation under the 2009 incentive compensation plan or any corresponding Company plan for the same eligible earnings or period of service.

The Amendment further provides that the name of the surviving company may be either Applied Biosystems Inc. or such other name that is mutually acceptable to the Company and ABI prior to the time of the merger.

The foregoing description of the Amendment and the transactions contemplated thereby does not purport to be complete and is qualified in its entirety by reference to the Amendment, which is attached hereto as Exhibit 2.1 and is incorporated by reference herein and the full text of the Merger Agreement, which was filed as Exhibit 2.1 to our Current Report on Form 8-K/A on June 23, 2008.
