Investor Presentation Slide 7 Overview Year ended June 2008

Outstanding operating and financial results

## Edgar Filing: RIO TINTO PLC - Form 425

Annual production records set in 7 commodities

Underlying EBITDA up 22% to US\$28.0 billion

Underlying EBIT up 21% to US\$24.3 billion

Attributable profit of US 15.4 billion, up 12%

Earnings per share of 275 US cents, up 18%

Underlying EBIT margin and ROCE of 48% and 38% respectively

Growth projects proceeding well with significant volume growth achieved in FY2008 and expected in FY2009

Final dividend rebased to 41 US cents per share, an increase of 52%, consistent with outlook and higher earnings and cash flow

Investor Presentation Slide 8 Outstanding results driven by strategy and execution 3.1 3.5 5.5 9.9

Investor Presentation Slide 18 Summary

Excellent operating and financial results

Long-term demand outlook remains

## Edgar Filing: RIO TINTO PLC - Form 425

strong despite some short-term economic uncertainty

Supply-side constraints are limiting the ability for the industry to respond to demand growth

BHP Billiton s portfolio of assets focused in stable geographies provides a competitive advantage

Future growth being delivered from lower risk projects Liverpool Bay

BHP Billiton s offer to acquire Rio Tinto

Investor Presentation Slide 20

BHP Billiton has made a pre-conditional offer for Rio Tinto, it will be capable of acceptance by shareholders following complete regulatory processes and posting of offer documents

Subject to pre-conditions relating to certain anti-trust clearances in the EU, the US, Australia, Canada and South Africa and FI

approval in Australia

Rio Tinto shareholders are being offered 3.4 BHP Billiton shares for every Rio Tinto share held		
The offer represents a 45% premium to the undisturbed combined volume weighted average market capitalisation (a)		
And a 16% discount, based on BHP Billiton s current combined market capitalisation as at 31-Oct-08		

and the Rio Tinto combined market capitalisation immediately prior to the announcement confirming BHP Billiton s approach (b)

The offer is conditional on more than 50% acceptances of the publicly held shares in each of Rio Tinto plc and Rio Tinto Ltd

BHP Billiton s progressive dividend policy is expected to be maintained

Proposed share buyback of up to US\$30bn following completion if the offer is successful (c)

Buyback and any refinancing of Rio Tinto s borrowings to be funded through a combination of a US\$55bn committed bank financing facility, cash flow from operations, asset disposal proceeds and, if required, debt financing

Target single A credit rating

DLC structure maintained Notes:

(a)

Premium based on the combined volume-weighted market capitalisation of Rio Tinto based on the volume-weighted average c and A\$109.20 for Rio Tinto plc and Rio Tinto Ltd respectively and volume-weighted average closing share prices over the mo £17.99 and A\$45.77 respectively. Based on BHP Billiton and Rio Tinto issued ordinary shares outstanding (excluding Treasur in

US\$/A\$
as
at
31-Oct-2007.
(b)
<b>T</b>

This premium has been calculated based on the combined based on the combined market capitalisation of Rio Tinto based on the 7-Nov 2007 and Rio Tinto Ltd of A\$113.40 on 8-Nov-2007 and closing share prices of BHP Billiton Plc and BHP Billiton Ltd BHP Billiton and Rio Tinto issued ordinary shares outstanding (excluding Treasury shares and cross shareholdings eg. Rio Tinto exchange rates of 1.616 US\$/£

and 0.660 US\$/A\$ as at 31-Oct-2008.

Based on BHP Billiton s share prices and exchange rates as at 31-Oct-2008 and assuming 100% BHP Billiton Ltd shares for e Rio Tinto plc share consisting of 80% BHP Billiton Plc shares and 20% BHP Billiton Ltd shares, the value of the Rio Tinto plc A\$95.17 as at 31-Oct-2008. The closing share prices of Rio Tinto plc and Rio Tinto Ltd on 31-Oct-2008 were £28.64 and A\$7 (c)

i.e. if BHP Billiton acquires 100% of the shares in Rio Tinto Limited and Rio Tinto plc on the 3.4:1 announced offer terms. Overview of BHP Billiton Offer for Rio Tinto

Investor Presentation Slide 21 Detail on BHP Billiton offer for Rio Tinto Rio Tinto plc Offer:

Rio Tinto plc shareholders will receive 3.4 BHP Billiton shares for every Rio Tinto plc share held

#### Edgar Filing: RIO TINTO PLC - Form 425

80% in BHP Billiton Plc shares

20% in BHP Billiton Ltd shares

Separate US offer (which forms part of the Rio Tinto plc Offer) to:

US resident shareholders of Rio Tinto plc shares

All holders of Rio Tinto plc ADRs Rio Tinto Ltd Offer:

Rio Tinto Ltd shareholders will receive 3.4 BHP Billiton Ltd shares for every Rio Tinto Ltd share held Unique synergy potential:

Expected material quantifiable synergies and financial benefits unique to this combination (a)

US\$1.7bn nominal per annum from cost savings

US\$2.0bn additional nominal per annum primarily from volume acceleration

Other combination benefits With a mix and match facility a)

Estimated incremental EBITDA based on publicly available information. To be read in conjunction with the notes in Appendix IV of BHP Billiton s announcement dated 6-Feb-2008. Full run rate synergies expected by year 7. Assumes BHP Billiton gains 100% of the shares of Rio Tinto Limited and Rio Tinto plc on the 3.4:1 announced offer terms.

Investor Presentation Slide 22 Unlocking further value through a combination with Rio Tinto

Optimising mineral basin positions and infrastructure

Lower cost, more efficient production

### Edgar Filing: RIO TINTO PLC - Form 425

Unlocking volume through matching reserves with infrastructure

Enhanced platform for future growth

Deployment of scarce resources to highest value opportunities

Greater ability to develop the next generation of large scale projects in new geographies

Better positioned as partner of choice with governments and stakeholders

Efficient exploration and infrastructure development

Unique synergies and combination benefits

Economies of scale

especially procurement

Avoid duplication, reduce corporate and divisional non-operating costs

Accelerate tonnage delivered to market

Slide 23 Indicative timetable for the offer Jan 2009 2008 Offer Period Event

Jul Aug Sep Oct Nov Dec Day 0 (a) Day 60 Post Day 60 **Regulatory Approvals** Satisfaction of regulatory approval pre-conditions Offer Documentation Posting of offer documents for Rio Tinto plc offer and Rio Tinto Ltd offer to shareholders Offer Fulfilment Last date for fulfilment of greater than 50% minimum acceptance condition in both the Rio Tinto plc and Rio Tinto Ltd offers Post Day 60 If minimum acceptance conditions are met offer continues. (i.e. in order to receive sufficient acceptances to enable compulsory acquisition) Notes: a) Date for Day 0 may fall in 2008 or 2009. Timetable is indicative only. (within 28 days of the pre conditions being satisfied)

Investor Presentation Slide 43 Resourcing the Future BHP Billiton s response

BHP Billiton has not been immune from supply constraint issues

But our scale, global presence and diversification provides significant competitive advantages

We are focused on the disciplined execution of the core strategy

And on pursuing a renewed organisational focus on **simplicity**, accountability and **effectiveness** Port Hedland
