Item 2.01. Completion of Acquisition or Disposition of Assets

As previously disclosed in the Current Report on Form 8-K filed on December 18, 2008 by Potlatch Corporation, or Potlatch, with the U.S. Securities and Exchange Commission, the distribution by Potlatch of all the outstanding shares of common stock of Clearwater Paper Corporation, or Clearwater Paper, to the stockholders of Potlatch was completed on December 16, 2008 in a spin-off intended to qualify for tax-free treatment. Clearwater Paper includes the assets and liabilities of Potlatch's former pulp-based manufacturing businesses, consisting of Potlatch's former pulp and paperboard and consumer products segments, as well as the Lewiston, Idaho lumber mill.

Item 9.01. Financial Statements and Other Exhibits

The following Unaudited Pro Forma Condensed Consolidated Financial Statements are based on and should be read in conjunction with Potlatch's historical consolidated financial statements and related notes filed in Potlatch's Annual Report on Form 10-K for the year ended December 31, 2008 and the unaudited condensed consolidated financial statements filed in Potlatch's Quarterly Report on Form 10-Q for the quarter ended September 30, 2008.

The following Unaudited Pro Forma Condensed Consolidated Statement of Operations for the nine months ended September 30, 2008 is prepared as though the Clearwater Paper spin-off occurred as of January 1, 2008. The following Unaudited Pro Forma Condensed Consolidated Statement of Operations for the twelve months ended December 31, 2007 is prepared as though the Clearwater Paper spin-off occurred as of January 1, 2007. The following Unaudited Pro Forma Condensed Consolidated Balance Sheet as of September 30, 2008 is prepared as if the Clearwater Paper spin-off occurred as of September 30, 2008. Pro forma adjustments are described in the Notes to Unaudited Pro Forma Condensed Consolidated Financial Statements.

The following Unaudited Pro Forma Condensed Consolidated Financial Statements are presented for illustrative and informational purposes only and are not intended to represent or be indicative of the financial condition or results of operations that would actually have been recorded if the Clearwater Paper spin-off had occurred during the periods presented. In addition, the Unaudited Pro Forma Condensed Consolidated Financial Statements are not intended to represent Potlatch's financial position or results of operations for any future date or period.

The discontinued operations presented in Potlatch's historical consolidated financial statements reflect the following differences from the Unaudited Pro Forma Condensed Consolidated Financial Statements:

The Pro Forma Condensed Consolidated Statement of Operations are each adjusted to add back the revenues, costs, and profits between Potlatch and the Clearwater Paper businesses that were previously eliminated in the consolidated financial statements as intercompany transactions.

Interest expense for Potlatch is reduced by the amount of interest that would not have been incurred under our revolving credit facility had we received the \$50 million from Clearwater Paper at January 1, 2007 and January 1, 2008, respectively.

Notes to Unaudited Pro Forma Condensed Consolidated Financial Statements

(Unaudited)

1. Reflects the elimination of the financial results, assets, liabilities and accumulated other comprehensive income amounts associated with Clearwater Paper, the distribution of Clearwater Paper to Potlatch shareholders and the effect of the adjustments described in Notes 2-9 below.
2. The \$100 million note receivable represents the amount due from Clearwater Paper under the Retained Obligation Agreement, whereby Clearwater Paper has retained the obligation to repay principal and interest due on Potlatch's outstanding credit sensitive debentures.
3. The \$50 million reduction in notes payable represents the amount of cash that would have been transferred to Potlatch from Clearwater Paper upon the spin-off.
4. Non-recurring pre-tax transaction costs of \$4.2 million were recognized by Potlatch during the nine months ended September 30, 2008 and are eliminated in the Selling, General and Administrative Expenses line in this discontinued operations presentation.
5. The adjustment to revenues, and materials, labor and other operating expenses, relates to adding back the intercompany sales to Clearwater Paper that were eliminated in the consolidated financial statements. Such revenues and the applicable costs will be presented as external sales in the future.
6. The \$9.75 million of interest expense for the nine months ended September 30, 2008 and the \$13.0 million for the twelve months ended December 31, 2007, related to the credit sensitive debentures is included in discontinued operations, given the Retained Obligation Agreement described in Note 2.
7. The income tax provision for the adjustments is calculated based on an effective tax rate of 39%.
8. Interest expense is adjusted at the average rate of our credit facility borrowings during the period, due to the reduction in notes payable described in Note 3.
9. The historical amounts in the condensed statements of operations for the nine months ended September 30, 2008 and the year ended December 31, 2007 are adjusted to show the Prescott, Arkansas lumber mill and the Boardman, Oregon hybrid poplar operations as discontinued operations.
