Item 1.01 Entry into Material Definitive Agreement

On April 5, 2009, SupportSoft, Inc. (the Company or SupportSoft) entered into an Asset Purchase Agreement (the Purchase Agreement) with Consona Corporation (Buyer) to sell the Company s Enterprise Business (the Enterprise Business) to Buyer. Pursuant to the terms of the Purchase Agreement, Buyer has agreed to acquire certain assets and assume certain liabilities related to the Enterprise Business as set forth in the Purchase Agreement (collectively, the Transaction). There are no material relationships among the Company and Buyer or any of their respective affiliates, other than with respect to the Purchase Agreement and the related ancillary agreements.

Pursuant to the terms of the Purchase Agreement, at the closing of the Transaction (the Closing), the Company will be paid a \$20 million cash payment, subject to certain adjustments as set forth in the Purchase Agreement.

The Purchase Agreement may be terminated by either Buyer or the Company if the Closing has not occurred by August 31, 2009 or upon the occurrence of certain customary events as set forth in the Purchase Agreement. In addition, if the Purchase Agreement is terminated under certain circumstances, including a determination by the Company s board of directors to accept an acquisition proposal it deems superior to the Transaction, the Company has agreed to pay Buyer a termination fee of \$600,000. In addition, the Company has agreed to reimburse Buyer for its actual and documented out-of-pocket expenses in an amount up to \$150,000 in the event that the Purchase Agreement is terminated as a result of a failure to receive stockholder approval of the sale of the Enterprise Business and the Purchase Agreement. The Closing is subject to closing conditions, including, but not limited to, approval of the Transaction by the Company s stockholders and certain other customary closing conditions.

The foregoing description of the Transaction does not purport to be a complete statement of the parties rights under the Purchase Agreement and is qualified in its entirety by reference to the full text of the Purchase Agreement, a copy of which is filed with this Current Report on Form 8-K as Exhibit 2.1 and incorporated by reference herein.
