Notwithstanding this amendment, the reduction in Mr. Farrell's annual salary will not affect the calculation of bonus, severance or other amounts which Mr. Farrell is entitled to receive, and which are calculated with reference to Mr. Farrell's base salary, under his employment agreement and such bonus, severance and other amounts will be calculated and made as if the reduction in Mr. Farrell's annual salary had not occurred.

The Stock Grants have been made pursuant and subject to the terms and conditions of the Incentive Plan. The Stock Grants vest, collectively, in a manner such that an aggregate of 10,000 shares vests on the last day of each month during the period from January 1, 2009 through May 31, 2010, and the remaining unvested shares underlying the Stock Grants vests on June 30, 2010. Notwithstanding the foregoing, if the Company experiences a change in control (as defined in the Incentive Plan), or if Mr. Farrell resigns, is terminated from his position, ceases to be our Chief Executive Officer or otherwise ceases to be employed by the Company, then all shares underlying the Stock Grants which have not vested by the end of the month in which such change in control occurs, or at the time of such resignation, termination or cessation, will be forfeited.

For purposes of Mr. Farrell's employment agreement: (i) the term "cause" means gross negligence, gross malfeasance or willful disregard for duty in the performance of Mr. Farrell's employment agreement; provided, however, that such disregard shall not be considered willful, unless done, or omitted to be done, by him not in good faith and without reasonable belief that this action or omission was in the best interest of the Company; and (ii) the phrase "change of control" refers to the sale of the Company, removal of Mr. Farrell as Chairman of our board of directors, or one person or group gaining a majority 51% interest in the Company or a majority of the members of our board of directors.

Pursuant to Mr. Farrell's employment agreement, the following post-termination payments would be payable to Mr. Farrell as of December 31, 2008, if a termination event occurred:

	Salary	Health and Welfare Benefits	Other
Termination due to death of the executive	\$ 758,200	\$ 62,634	\$ 36,270
Termination with cause	\$ 0	\$ 44,812	\$ 0
Termination without cause	\$ 758,200	\$ 62,634	\$ 36,270
Termination due to change of control	\$ 1,027,225	\$ 84,512	\$ 48,360

Nicolas Chater. Pursuant to Mr. Chater's employment agreement with the Company, Mr. Chater has agreed to serve as our Chief Financial Officer until June 30, 2010. The employment agreement provides for (i) payment of a base salary at a rate of \$250,000 per year, (ii) payment of an annual retention bonus equal to \$25,000 per year and (iii) payment of an annual performance bonus equal to 3% of our EBITDA, as defined, for such year; provided, that (a) the annual performance bonus may not exceed 100% of the base salary for such year and (b) Mr. Chater's 2008 performance bonus shall not be less than \$90,000. The employment agreement also provides that, if Mr. Chater's employment is terminated by us without cause or by him for good reason, then Mr. Chater shall be entitled to receive a single lump sum in an amount equal to his then-current salary and performance bonus and shall be entitled to participate in our employee benefit, retirement and compensation plans during the twelve-month period following the date of such termination. Notwithstanding the foregoing, if Mr. Chater's employment is terminated by us without cause during the 24-month period following a change of control of the Company, then Mr. Chater will be entitled to receive a lump sum payment of his then-current performance bonus and twice his then-current base salary and shall be entitled to participate in our employee benefit, retirement and compensation plans during the 24-month period following the date of such termination.

For purposes of Mr. Chater's employment agreement, cause for termination hereof shall exist if: (i) Mr. Chater is convicted of, or pleads guilty or nolo contendere to, any act of fraud, misappropriation or embezzlement, or any felony; (ii) in the reasonable determination of our board of directors, Mr. Chater has engaged in conduct or activity materially damaging to the business of the Company; or (iii) Mr. Chater has failed, without reasonable cause, to devote his full business time and best efforts to the business of the Company and, after written notice from the Company of such failure, Mr. Chater at any time thereafter again so fails.

Also for purposes of Mr. Chater's employment agreement, a change in control shall have occurred if: (i) a majority of the directors of the Company shall be persons other than persons (a) for whose election proxies shall have been solicited by our Board of Directors, or (b) who are then serving as directors appointed by our board of directors to fill vacancies on our board of directors caused by death or resignation (but not by removal) or to fill newly-created directorships; (ii) a majority of the outstanding voting power of the Company shall have been acquired or beneficially owned by any person or group, which group does not include Mr. Chater; or (iii) there shall have occurred, subject to certain exceptions, (1) a merger or consolidation of the Company with or into another corporation (other than certain specified mergers or consolidations), (2) a statutory exchange of shares of one or more classes or series of outstanding voting stock of the Company for cash, securities or other property, (3) the sale or other disposition of all or substantially all of the assets of the Company (in one transaction or a series of transactions), or (4) the liquidation or dissolution of the Company.

in all meetings of our board of directors in a non-voting, observer capacity (the Observer). The Designee and the Observer are each entitled to receive the same compensation package as our directors receive for their service on our board of directors. The Designation Agreement will terminate at such time as (A) we have satisfied our obligations to Select Contrarian under the 14% Convertible Promissory Note due 2010 we issued to it upon closing of the Exchange Offer or (B) Select Contrarian no longer holds such note, whichever is earlier. Employment Agreements

A description of the employment agreements between each of the Named Executive Officers and the Company is set forth under Item 11, Executive Compensation Employment Agreements and Post-Termination Payments, of this Annual Report.

Indemnification Agreements

The Company has entered into indemnification agreements with its directors and its Chief Executive Officer pursuant to which the Company will indemnify them to the fullest extent permitted by applicable law if they are involved or become involved or are threatened to be involved in any investigation, action, claim suit or proceeding, whether civil, criminal, administrative or investigative, by reason of that fact that they were or are serving as an officer or director of the Company or were or are serving at the Company's request as an agent of any other entity.

Review, Approval or Ratification of Transactions with Related Persons

It is an unwritten policy and practice of our board of directors, which is not otherwise evidenced, that all transactions which would be required to be reported pursuant to Item 13 of Form 10-K must be reviewed and approved by the audit committee before we enter into such transaction.

Director Independence

Our board of directors has determined that four of the five members of our board of directors Messrs. Bennett, Logsdon and Toole and Dr. Verbrugge are independent as defined for purposes of the rules of the SEC and the listing standards of the Nasdaq. For a director to be considered independent, our board of directors must determine that the director does not have a relationship with the Company that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In making this determination, our board of directors considers all relevant facts and circumstances, including any transaction or relationship between the director and the Company or its subsidiaries.

Item 14. Principal Accountant Fees and Services

On December 21, 2005, we engaged Tauber & Balsler, P.C. (Tauber) as our independent registered public accounting firm to audit our financial statements for the years ended December 31, 2006, and December 31, 2007. The successor firm to Tauber, Habif Arogeti & Wynne, LLP, has audited our financial statements for the year ended December 31, 2008.

⁽¹⁾ These fees relate primarily to due diligence pertaining to acquisitions, audits of employee benefit plans, and accounting consultations.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Auditors

The audit committee is required to pre-approve the audit and non-audit services performed by the Company's independent registered public accounting firm. The audit committee has adopted a policy which provides for general pre-approval of specified Audit, Audit-Related, Tax and Other Services that do not exceed enumerated dollar amounts. The policy also provides that, unless a type of service to be provided by the independent auditors has received general pre-approval, it will require specific pre-approval by the audit committee.

The audit committee has determined the Audit, Audit-Related, Tax and Other Services that are the basis for general pre-approval by the audit committee. The enumerated dollar amounts at which such general pre-approval will apply are currently under consideration by the audit committee. Until the audit committee has determined such enumerated dollar amounts, all services performed by the Company's independent registered public accounting firm will require the specific pre-approval of the audit committee.
