Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

Approval of Executive Participation in Autodesk Incentive Plan for Fiscal Year 2010

On April 27, 2009, the Compensation and Human Resources Committee (the *Committee*) of the Board of Directors (the *Board*) of Autodesk, Inc. (the *Company*) determined that, for fiscal year 2010, each of the *Company*'s executive officers would be eligible to participate in the Autodesk Incentive Plan (the *AIP*). The *AIP* is an annual cash incentive plan intended to motivate and reward participants to ensure the *Company* achieves its semi-annual and annual financial and non-financial objectives.

For each executive officer participant, the *Committee* previously established a target award equal to a specified percentage of such participant's base salary ranging from 16.7% to 100% (the *Participant's Target Amount*). The *Committee* determined a funding/payout formula for the *AIP* in general and for each participant individually related to achievement of certain revenues for the first and second halves of fiscal 2010, as well as certain non-GAAP operating margin levels for the first and second halves of fiscal 2010. Subject to approval by the *Committee*, the funding and threshold targets under the *AIP* may be adjusted in the second half of the fiscal year based upon economic conditions.

The actual bonuses payable for fiscal year 2010 (if any) will vary depending on the extent to which actual performance meets, exceeds or falls short of the goals approved by the *Committee* and other factors set forth in the *AIP*, such as individual performance. Accordingly, each participant could receive a bonus ranging from zero percent of the *Participant's Target Amount* (for performance falling short of the goals) to a percentage in excess of the *Participant's Target Amount* (for performance exceeding the goals). The *Committee* retains discretion to reduce or eliminate (but not increase above the aggregate *AIP* funding levels) the bonus that otherwise would be payable to the executive officers based on actual performance. Moreover, an executive officer participant must be an employee on the date of the bonus payout for fiscal year 2010 (if any) in order to be eligible for any bonus.
