CALCULATION OF REGISTRATION FEE

Title Of Each Class Of Securities To Be Registered	Amount To Be Registered (1)	Proposed Maximum Aggregate Offering Price (3)	Amount Of Registration Fee (4)
Vivo Participações S.A. common shares, no par value	1,118	\$ 23,782.10	\$ 1.33
Vivo Participações S.A. preferred shares, no par value (2)	10,243,466	\$ 206,969,230.53	\$ 11,548.88
Telemig Celular Participações S.A. common shares, no par value	168	\$ 41,008.63	\$ 2.29
Telemig Celular Participações S.A. preferred shares, no par value	78,912	\$ 19,262,340.29	\$ 1,074.84
Total	10,323,664	\$ 226,296,361.55	\$ 12,627.34

- (1) Calculated, in each case, based on the maximum number of each registrant's shares to be issued to holders of American Depositary Shares, or ADSs, of Telemig Celular Participações S.A., or TCP, each representing 2 (two) preferred shares of TCP, and holders of common and preferred shares of TCP and Telemig Celular S.A., or TC, who are U.S. residents, in connection with the Restructuring described in the accompanying prospectus / information statement assuming that none of the holders exercise their right of withdrawal in connection with the Restructuring. The calculation includes, in the case of the registrant Vivo Participações S.A., or Vivo, the preferred and common shares issued to TCP shareholders in the first step of the Restructuring.
- (2) 8,161,586 of these shares will initially be represented by Vivo ADSs, each of which represents 1 (one) preferred share, and which may be evidenced by American Depositary Receipts, or ADRs, that will be issued in exchange for TCP ADSs. The remaining 2,081,880 shares will not be represented by ADSs.
- (3) The Proposed Maximum Aggregate Offering Price for registrant TCP (estimated solely for purposes of computing the amount of the registration fee pursuant to Rule 457(c) and Rule 457(f) under the U.S. Securities Act of 1933, as amended) is calculated in accordance with the exchange ratios of 17.4 common shares or preferred shares of TCP to be exchanged in the Restructuring for each common and preferred share held directly by a U.S. resident of TC using the book value of the shares of TC, \$244.099 for each common and preferred share of TC, given that the level of the market trading in Brazil of the common and preferred shares of TC are insufficient to permit or make meaningful the calculation of the average high and low market prices, converted into U.S. dollars based on an exchange rate of R\$1.97 = US\$1.00 the PTAX selling rate on May 29, 2009. The Proposed Maximum Offering Price for registrant Vivo (estimated solely for the purposes described above) is calculated in accordance with the exchange ratios of 1.37 common shares or preferred shares or 2.74 Vivo ADSs to be exchanged in the Restructuring for each ADS held by any holder and for each common and preferred share held directly by a U.S. resident (excluding any TCP common and preferred shares acquired by U.S. residents in the Restructuring in exchange for their TC shares, as to which the Proposed Maximum Offering Price and Registration fee is calculated by reference to registrant TCP) and (a) the average of the high and low prices of the common and preferred shares of TCP, \$21.272 and \$20.205, respectively, as reported on the São Paulo Stock Exchange on May 29, 2009, converted into U.S. dollars at the exchange rate described above and (b) the average of the high and low price of the TCP ADSs as reported on the New York Stock Exchange on May 29, 2009.
- (4) Previously paid.

The registrants hereby amend this registration statement on such date or dates as may be necessary to delay its effective date until the registrants shall file a further amendment which specifically states that this registration statement shall thereafter become effective in accordance with Section 8(a) of the U.S. Securities Act of 1933, as amended, or until this registration statement shall become effective on such date as the U.S. Securities and Exchange Commission, acting pursuant to Section 8(a), may determine.

Item 22. Undertakings

(a) Each of the undersigned Registrants hereby undertakes:

1. To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:
 - i. to include any prospectus required by Section 10(a)(3) of the Securities Act;
 - ii. to reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Securities and Exchange Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective Registration Statement; and
 - iii. to include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

Provided, however, that paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) of this section do not apply if the registration statement is on Form S-3 or Form F-3 and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.
2. That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof;
3. To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering;

4. To file a post-effective amendment to the registration statement to include any financial statements required by Item 8.A. of Form 20-F at the start of any delayed offering or throughout a continuous

II-5

offering. Financial statements and information otherwise required by Section 10(a)(3) of the Act need not be furnished, *provided* that the registrant includes in the prospectus, by means of a post-effective amendment, financial statements required pursuant to this paragraph (a)(4) and other information necessary to ensure that all other information in the prospectus is at least as current as the date of those financial statements; notwithstanding the foregoing, with respect to registration statements on Form F-3, a post-effective amendment need not be filed to include financial statements and information required by Section 10(a)(3) of the Act if such financial statements and information are contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the Form F-3; and

5. That, for the purpose of determining liability under the Securities Act to any purchaser, if the Registrant is subject to Rule 430C, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.
- (b) Each undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of such Registrant's annual report pursuant to section 13(a) or section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (c) Each undersigned Registrant hereby undertakes:
1. That prior to any public reoffering of the securities registered hereunder through use of a prospectus which is a part of this registration statement, by any person or party who is deemed to be an underwriter within the meaning of Rule 145(c), the issuer undertakes that such reoffering prospectus will contain the information called for by the applicable registration form with respect to reofferings by persons who may be deemed underwriters, in addition to the information called for by the other Items of the applicable form.
 2. That every prospectus (i) that is filed pursuant to paragraph (1) immediately preceding, or (ii) that purports to meet the requirements of Section 10(a)(3) of the Act and is used in connection with an offering of securities subject to Rule 415, will be filed as a part of an amendment to the registration statement and will not be used until such amendment is effective, and that, for purposes of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (d) With respect to each Registrant:
3. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the

payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of that issue.

(e) Each undersigned Registrant hereby undertakes that:

4. For purposes of determining any liability under the Securities Act of 1933, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the Registrant pursuant to Rule 424(b) (1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this registration statement as of the time it was declared effective.

5. For the purpose of determining any liability under the Securities Act of 1933, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(f) Each undersigned Registrant hereby undertakes (i) to respond to requests for information that is incorporated by reference into the prospectus pursuant to Item 4, 10(b), 11, or 13 of Form F-4, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means; and (ii) to arrange or provide for a facility in the U.S. for the purpose of responding to such requests. The undertaking in subparagraph (i) above includes information contained in documents filed subsequent to the effective date of the registration statement through the date of responding to the request.

(g) Each undersigned Registrant hereby undertakes to supply by means of a post-effective amendment all information concerning a transaction, and the company being acquired involved therein, that was not the subject of and included in the Registration Statement when it became effective.
