## **Item 3. Source and Amount of Funds or Other Consideration**

Item 3 of the Schedule 13D is hereby amended and restated in its entirety as set forth below:

The source of funds used to acquire Shares by Venturbay (including the funds used to acquire Shares in the Initial Allotment, Open Public Offer and the Subsequent Allotment (in each case as defined in Item 4 below)) was from internal resources, optionally convertible domestic debt, equity by Tech Mahindra in Venturbay and debt extended by Tech Mahindra to Venturbay. The total consideration used to purchase the Shares in the Initial Allotment was Rs. 17,560,330,966 (approximately US\$351 million based on an exchange rate of Rs. 50 to US\$1), the Open Public Offer was Rs. 24,413,070 (approximately US\$0.5 million based on an exchange rate of Rs. 50 to US\$1), and the Subsequent Allotment was Rs. 11,522,192,884 (approximately US\$230 million based on an exchange rate of Rs. 50 to US\$1). In connection with Venturbay's acquisition of Shares in the Initial Allotment, Open Public Offer and Subsequent Allotment, (1) Tech Mahindra has infused funds in Venturbay by using cash on hand, which includes funds that Tech Mahindra previously had available to it for general corporate purposes such as capital expenditures and working capital needs, and (2) Venturbay raised capital through the issuance of optionally convertible debentures (as described in more detail in the next sentence). In connection with its acquisition of the Shares, Venturbay has issued optionally convertible debentures to various institutional investors for an aggregate consideration of Rs. 550 Crores (approximately US\$110 million based on the above-stated exchange rate) in the aggregate, at an effective interest rate of approximately 15%, which indebtedness matures over a period of three years or may be converted into equity at the end of three years. It is anticipated that this indebtedness will be paid from proceeds from operations and/or future capital raising transactions.

Separately, Tech Mahindra has borrowed Rs. 1450 Crores (approximately US\$290 million based on the above-stated exchange rate) from various banks, mutual funds, institutions & non banking financial institutions at an effective interest rate of approximately 10%, which indebtedness matures over a period of one to five years. This indebtedness has been incurred in connection with Tech Mahindra's anticipated need for increased working capital & capital expenditures in the coming years. It is anticipated that this indebtedness also will be paid from proceeds from operations and/or future capital raising transactions.

**Item 4. Purpose of the Transaction**

On that date, the Issuer and the Reporting Persons entered into a share subscription agreement (the **Share Subscription Agreement**), which provides for the following transactions:

The Open Public Offer commenced on June 12, 2009 and expired on July 1, 2009; and

If, upon the closing of the Open Public Offer, the Reporting Persons have acquired less than 51% of the Enhanced Share Capital through the Initial Allotment and the Open Public Offer, then following the Open Public Offer, the Reporting Persons may elect, at their option, to subscribe for additional Shares at the Purchase Price (the **Subsequent Allotment**) in accordance with the Share Subscription Agreement. The Subsequent Allotment was completed on July 10, 2009.

As part of the Competitive Bidding Process, the Reporting Persons entered into separate standstill agreements with the Issuer, each dated March 24, 2009 (collectively, the **Standstill Agreements**), with respect to future acquisition, disposition or transfer of securities of the Issuer. Pursuant to the Standstill Agreements, the Reporting Persons were prohibited from tendering their Shares in the Open Public Offer. Under the Share Subscription Agreement, Venturbay agreed not to sell or dispose of any material assets or undertaking of the Issuer for a period of two years from the date of completion of the Open Public Offer without the required consent specified in the Share Subscription Agreement. Under the Share Subscription Agreement, Venturbay agreed not to discontinue the main business of the Issuer or cause the Issuer to undertake any new business which is unrelated or not complementary to the existing business of the Issuer without the prior approval of the shareholders of the Issuer for so long as the Company Petition of 2009 remains pending.

The foregoing summary of the Share Subscription Agreement and the transactions contemplated thereby, including the Initial Allotment, the Open Public Offer, and the Subsequent Allotment is not complete and is subject in its entirety to the Share Subscription Agreement, which is filed as Exhibit 99.1 hereto and incorporated herein by reference, and the Public Announcement to the Shareholders of Satyam Computer Services Limited, dated April 22, 2009 (the **Public Announcement**), which is filed as Exhibit 99.2 hereto and incorporated by reference.
