An excerpt from the Question and Answer portion of the above referenced earnings conference call follows:

**Nik Fiskén** *Stephens, Inc. Analyst*

Can you give us a little bit more detail on the processes that you're going through to enable the spin? I mean, can you kind of give us an idea of where we are with the IRS, the regulators and the debt, please?

**Park Kennedy** *The First American Corporation Chairman and CEO*

This is Park. I'll start and turn it over to Buddy.

One of the things that we've done is, in effect, clarify the balance sheet. A step in that direction was the offer to buy-in the First Advantage shares. And then, there are other things that are underway.
