PROXY STATEMENT

SPECIAL MEETING OF SHAREHOLDERS

TO BE HELD DECEMBER 15, 2009

PROXY SOLICITATION AND VOTING

General

This proxy statement is being furnished in connection with the solicitation by the Board of Directors of proxies from the shareholders of CenterState Banks, Inc. (we, our, or the Company) for use at a Special Meeting of Shareholders (the Special Meeting).

The enclosed proxy is for use at the Special Meeting if a shareholder is unable to attend the Special Meeting in person or wishes to have the holder's shares voted by proxy, even if the holder attends the Special Meeting. Any proxy may be revoked by the person giving it at any time before its exercise, by notice to our Secretary, by submitting a proxy having a later date, or by such person appearing at the Special Meeting and electing to vote in person. All properly executed proxies delivered pursuant to this solicitation (and not revoked later) will be voted at the Special Meeting in accordance with the directions given in the proxy. If a proxy is signed and no specification is made, the shares represented by the proxy will be voted in favor of the amendment to the Restated Articles of Incorporation to increase the authorized shares of common stock, for the proposal to grant the proxy holders discretionary authority to vote to adjourn the Special Meeting for up to 120 days to allow for the solicitation of additional proxies if there are insufficient shares voted at the Special Meeting to approve the amendment to the Restated Articles of Incorporation, and in accordance with the best judgment of the persons exercising the proxy with respect to any other matters properly presented for action at the Special Meeting.

This proxy statement and the enclosed proxy are being mailed to our shareholders on or about November 20, 2009.

Record Date and Outstanding Shares

Our Board of Directors has set November 6, 2009, as the record date for the Special Meeting. Only shareholders of record at the close of business on the record date will be entitled to notice of and to vote at the Special Meeting. As of the record date, there were 25,773,229 shares of our common stock issued and outstanding.

Quorum and Voting Rights

A quorum for the Special Meeting consists of the holders of the majority of our outstanding shares of common stock entitled to vote at the Special Meeting, present in person or represented by proxy. Abstentions and broker non-votes will be counted as shares present in determining whether a quorum exists at the Special Meeting.

Each share of our common stock is entitled to one vote on each matter to come before the Special Meeting. If a quorum is present, the approval of the amendment to the Restated Articles of Incorporation to increase the authorized shares of common stock and the proposal to grant the proxy holders discretionary authority to vote to adjourn the Special Meeting each requires the affirmative vote of a majority of the votes cast at the Special Meeting. As to the proposal to grant the proxy holders discretionary authority to adjourn the Special Meeting, neither abstentions nor broker non-votes will be counted as votes cast for purposes of determining whether the proposal has received sufficient votes for approval.

Solicitation of Proxies

In addition to this solicitation by mail, our officers and employees and those of our banking subsidiaries, without additional compensation, may solicit proxies in favor of the proposal, if deemed necessary, by personal contact, letter, telephone or other means of communication. Brokers, nominees and other custodians and fiduciaries will be requested to forward proxy solicitation material to the beneficial owners of the shares of our common stock where appropriate, and we will reimburse them for their reasonable expenses incurred in connection with such transmittals. The costs of solicitation of proxies for the Special Meeting will be borne by us.

Internet Availability of Proxy Materials

Under rules adopted by the Securities and Exchange Commission, we are now furnishing proxy materials on the Internet in addition to mailing paper copies of the materials to each shareholder of record. Instructions on how to access and review the Proxy materials on the Internet can be found on the Proxy Card or voting instruction form sent to shareholders of record.

PROPOSAL ONE

APPROVAL OF AN AMENDMENT TO THE COMPANY S RESTATED ARTICLES OF

INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF

COMMON STOCK FROM 40,000,000 TO 100,000,000 SHARES

On November 3, 2009, the Company s Board of Directors unanimously approved a resolution recommending that Article IV of its Restated Articles of Incorporation be amended to increase the number of shares of our authorized Common Stock to 100,000,000 shares from 40,000,000 shares, subject to the approval of the Company s shareholders. We refer to this proposal as the Common Stock Proposal. No change is being proposed to the authorized number of shares of the Company s preferred stock, which remain at five million shares.

The Common Stock Proposal

The Common Stock Proposal would amend Section A of Article IV of the Company's Restated Articles of Incorporation to read in its entirety as follows with respect to total shares authorized and to increase the total shares of Common Stock authorized:

A. Number and Class of Shares Authorized; Par Value.

The Corporation is authorized to issue the following shares of capital stock:

(1) Common Stock. The aggregate number of shares of common stock (referred to in these Restated Articles of Incorporation as "Common Stock") which the Corporation shall have authority to issue is 100,000,000 with a par value of \$0.01 per share.

(2) Preferred Stock. The aggregate number of shares of preferred stock (referred to in these Restated Articles of Incorporation as "Preferred Stock") which the Corporation shall have authority to issue is 5,000,000 with no par value.

Reasons for the Common Stock Proposal

The reasons for the increase in the authorized shares of common stock is to facilitate the Company's ability to raise additional capital and for other corporate purposes. Each of our banking subsidiaries is subject to capital-based regulatory requirements which place depository institutions in one of the following five categories based upon their capital levels and other supervisory criteria: (i) well capitalized; (ii) adequately capitalized; (iii) under capitalized; (iv) significantly under capitalized; and (v) critically under capitalized. To be well-capitalized, a bank must have a Tier 1 leverage capital ratio of at least 5%, a Tier 1 risk-based capital ratio of at least 6%, and a total risk-based capital ratio of at least 10%. Each of our banking subsidiaries meets the capital ratio of a well-capitalized bank. The bank regulatory agencies are encouraging financial institutions to maintain capital ratios in excess of the well-capitalized standards. The proposed amendment would increase the number of authorized shares of common stock by 60 million shares. The Board of Directors has determined that the Common Stock Proposal is desirable and in the shareholders' best interest, since it would provide us additional flexibility by increasing the shares of common stock available for issuance from time to time for corporate purposes, including raising additional capital, acquisitions of other companies or their assets, and other distributions.

Effect of the Common Stock Proposal

Adoption of the Common Stock Proposal would not affect the rights of the holders of currently outstanding common stock. If additional authorized shares of common stock, or securities that are convertible into, or exchangeable or exercisable for shares of common stock are issued, our existing shareholders could, depending upon the price realized, experience dilution of book value per share, earnings per share and percentage ownership. When and if additional shares of our common stock are issued, these new shares would have the same voting

and other rights and privileges as the currently issued and outstanding shares of common stock, including the right to cast one vote per share and to participate in dividends when and to the extent declared and paid.

The Common Stock Proposal, if adopted, will ensure that the Company will continue to have an adequate number of authorized and unissued shares of common stock available for the foreseeable future uses as described above.

Outstanding Common Stock and Shares of Common Stock Available for Issuance

	As of November 6, 2009	Upon Effectiveness of Amendment
Shares of Common Stock Authorized	40,000,000	100,000,000
Shares of Common Stock Outstanding	25,773,229	25,773,229
Shares of Common Stock Reserved for Issuance *	1,941,322	1,941,322
Shares of Common Stock Available for Future Issuance *	12,285,449	72,285,449

* The number of shares of Common Stock reserved for issuance reflects 1,241,082 shares of Common Stock subject to outstanding options and 700,240 shares of Common Stock that are available for future issuance under the Company's 2007 Equity Incentive Plan.

The issuance of additional shares of common stock could be deemed under certain circumstances to have an anti-takeover effect where, for example, if the shares were issued to dilute the equity ownership and corresponding voting power of a shareholder or group of shareholders who may oppose the policies or strategic plan of the Company's existing management. On this basis, the proposed increase in authorized shares could enable the Board of Directors to render more difficult or discourage an attempt by another person or entity to obtain control of the Company.

This Proposal requires approval by the affirmative vote of no less than a majority of outstanding shares of Common Stock entitled to vote.

The Board of Directors unanimously recommends a vote FOR Proposal One.

PROPOSAL TWO

ADJOURNMENT OF THE SPECIAL MEETING

Proposal 2 would give the proxy holders discretionary authority to vote to adjourn the Special Meeting for up to 120 days if there are not sufficient shares voted at the Special Meeting, in person or by proxy, to approve Proposal One. If the Company desires to adjourn the Special Meeting, the presiding officer of the Special Meeting will request a motion that the Special Meeting be adjourned for up to 120 days with respect to Proposal One (provided that a quorum is present at the Special Meeting), and no vote will be taken on Proposal One at the originally scheduled Special Meeting. Unless revoked prior to its use, any proxy solicited for the Special Meeting will continue to be valid for any adjourned meeting, and will be voted in accordance with instructions contained therein, and if no contrary instructions are given, for Proposal One.

Approval of this Proposal will allow the Company, to the extent that shares voted by proxy are required to approve a proposal to adjourn the Special Meeting, to solicit additional proxies to determine whether sufficient shares will be voted in favor of or against Proposal One. If the Company is unable to adjourn the Special Meeting to solicit additional proxies, Proposal One may fail, not because shareholders voted against the Proposal, but rather because there was not sufficient shares represented at the Special Meeting to approve Proposal One. The Company has no reason to believe that an adjournment of the Special Meeting will be necessary at this time.

This Proposal requires approval by the affirmative vote of a majority of votes cast at the Special Meeting.

The Board of Directors unanimously recommends a vote FOR Proposal Two.
