Check the following box if the filing is a final amendment reporting the results of the tender offer:

This filing contains only preliminary communications made before the commencement of an anticipated tender offer to allow eligible employees of The NASDAQ OMX Group, Inc. (the Company) that hold certain eligible stock options to exchange their stock options for replacement stock options (the Option Exchange Program).

On April 16, 2010, the Company filed with the Securities and Exchange Commission its Notice of Annual Meeting of Stockholders and Definitive Proxy Statement on Schedule 14A for the Annual Meeting of Stockholders of the Company to be held on May 27, 2010 (the proxy materials), a copy of which is filed as Exhibit 99.2 to this Schedule TO and is incorporated by reference. The proxy materials include a proposal for stockholders of the Company to approve an amendment to the Company's Equity Incentive Plan to allow for the Option Exchange Program. The proxy materials do not constitute an offer to holders of the Company's outstanding stock options to exchange those options. The Option Exchange Program will only be commenced, if at all, if stockholders of the Company approve the amendment to the Company's Equity Incentive Plan to permit the Option Exchange Program.

Attached is an email communication, dated April 16, 2010, from Robert Greifeld, the Company's CEO, to the employees of the Company describing the Company's proposal to implement the Option Exchange Program in the near future, if the Option Exchange Program is approved by the Company's stockholders at the Annual Meeting.

**The Company has not initiated the Option Exchange Program and will not do so unless it receives approval from its stockholders at its 2010 Annual Meeting of Stockholders. Even if stockholder approval is obtained, the Company may still decide to not implement the Option Exchange Program or to delay its implementation. If the Option Exchange Program is commenced, the Company will file a Tender Offer Statement on Schedule TO with the Securities and Exchange Commission (the SEC). Persons who may be eligible to participate in the Option Exchange Program should read the Tender Offer Statement and other related materials when they become available because they will contain important information about the Option Exchange Program. The Company's stockholders and option holders will be able to obtain these written materials and other documents filed by the Company with the SEC free of charge from the SEC's website at [www.sec.gov](http://www.sec.gov).**
