Item 1.01 Entry into a Material Definitive Agreement.

On January 1, 2011, DCP Midstream Partners, LP (the Partnership) acquired from DCP Midstream, LLC (Midstream) a 33.33% interest in DCP Southeast Texas Holdings, GP (the Joint Venture). Midstream is the owner of the Partnership's general partner. The transaction (the Transaction) was completed in accordance with the Purchase and Sale Agreement, and the Contribution Agreement, both dated November 4, 2010, between the Partnership and Midstream, previously reported in the Partnership's Current Report on Form 8-K dated November 8, 2010. The descriptions of the Purchase and Sale Agreement and the Contribution Agreement contained in the Form 8-K filed on November 8, 2010, are incorporated herein by reference and the Purchase and Sale Agreement and Contribution Agreement filed in such Form 8-K as Exhibit 2.1 and 2.2, respectively, are incorporated herein by reference.

In connection with the Transaction, the Partnership, or wholly-owned subsidiaries of the Partnership entered into the material definitive agreement described below.

Amended and Restated General Partnership Agreement of DCP Southeast Texas Holdings, GP

In conjunction with the Transaction, as of January 1, 2011, DCP Partners SE Texas LLC, a wholly-owned subsidiary of the Partnership, DCP Southeast Texas, LLC, a wholly-owned subsidiary of Midstream and Gas Supply Resources Holdings, Inc., a wholly-owned subsidiary of Midstream, entered into the Amended and Restated General Partnership Agreement of DCP Southeast Texas Holdings, GP (the Agreement). The Agreement governs the ownership and management of the Joint Venture.

The Joint Venture will be managed by a three-member management committee, consisting of one representative from each owner. The members of the management committee have voting power corresponding to their respective ownership interests in the Joint Venture. Most significant actions relating to the Joint Venture require the unanimous approval of the owners. The Joint Venture must make quarterly distributions of available cash (generally, cash from operations less required and discretionary reserves) to its owners. The management committee, by majority approval, will determine the amount of the distributions. Calls for capital contributions are determined by a vote of the management committee and require unanimous approval of the owners except in certain situations, such as the breach or default of a material agreement or payment obligation, that are reasonably likely to have a material adverse effect on the business, operations or financial condition of the Joint Venture.

Distributions to the Partnership will generally approximate the Partnership's share of earnings of the Joint Venture plus depreciation and amortization expense and other non-cash charges of the Joint Venture. The terms of the Agreement provide that distributions to us from the Joint Venture for the first seven years related to storage and transportation gross margin will be pursuant to a fee-based agreement, based on storage capacity and tailgate volumes. Distributions related to the gathering and processing business, along with reductions for all expenditures, will be pursuant to our and Midstream's respective ownership interests.

The Agreement is attached as Exhibit 10.1 to this report and is incorporated by reference into this report in its entirety.

Item 2.01 Completion of Acquisition or Disposition of Assets.

On January 1, 2011, the Partnership completed the Transaction, as described in Item 1.01 of this report which is incorporated by reference into this item in its entirety. The total purchase price paid by the Partnership in the Transaction was \$150 million in cash financed with borrowings under the Partnership's revolving credit facility. In November 2010, the Partnership issued 2,875,000 units for net proceeds of \$96.4 million to fund a portion of this Transaction. The purchase price is subject to customary closing adjustments.

Item 8.01 Other Events.

On January 4, 2011, the Partnership issued a press release announcing that the Partnership is no longer pursuing a joint venture or alternative transaction with EQT Corporation (EQT), related to EQT's processing needs in the Marcellus and Huron shale areas of the Appalachian basin. A copy of the press release is filed as Exhibit 99.4 hereto.
