**Item 1.01. Entry into a Material Definitive Agreement.**

On January 27, 2011, Darling International Inc. (Darling) entered into an Underwriting Agreement (the Underwriting Agreement) by and among Darling, the selling stockholders signatory thereto and Goldman, Sachs & Co. (Goldman), as representative of the several underwriters named in Schedule I thereto, which include Goldman, BMO Capital Markets Corp. (BMO), J.P. Morgan Securities LLC (JPM) and Stephens Inc. (collectively, the Underwriters), for the sale of 24,193,548 shares of common stock, par value \$0.01 per share, of Darling (the Common Stock), at a price to the public of \$12.70 per share, pursuant to an effective shelf registration statement on Form S-3 (File No. 333-170668) (the Registration Statement). In addition, the Underwriters have an option to purchase up to an additional 3,629,032 shares of the Common Stock from certain stockholders of Darling on the same terms for 30 days from the date of the prospectus supplement to the Registration Statement to cover over-allotments, if any. The offering is expected to close on or about February 2, 2011, subject to customary closing conditions. Pursuant to the terms of the Underwriting Agreement, the Company and the selling stockholders have agreed to indemnify the Underwriters against certain liabilities, including liabilities under the Securities Act of 1933, as amended, or to contribute to payments the Underwriters may be required to make because of any of those liabilities.

The Underwriters and their respective affiliates are full service financial institutions engaged in various activities, which may include securities trading, commercial and investment banking, financial advisory, investment management, investment research, principal investment, hedging, financing and brokerage activities. Certain of the Underwriters and their respective affiliates have, from time to time, performed, and may in the future perform, various financial advisory and investment banking services for Darling, for which they received or will receive customary fees and expenses. Under Darling's senior secured credit facilities, an affiliate of JPM acts as the administrative agent and affiliates of BMO, Goldman and JPM are lenders. An affiliate of JPM acted as the administrative agent and a lender under Darling's previous credit agreement, which was terminated on December 17, 2010. BMO acted as financial advisor to Darling in connection with Darling's acquisition of Griffin Industries, Inc. Further, an affiliate of Goldman is a counterparty to hedge arrangements with Darling, for which it receives customary fees and expenses.

In the ordinary course of the Underwriters' and their respective affiliates' various business activities, the Underwriters and their respective affiliates may make or hold a broad array of investments and actively trade debt and equity securities (or related derivative securities) and financial instruments (including bank loans) for their own account and for the accounts of their customers, and such investment and securities activities may involve securities and/or instruments of Darling. The Underwriters and their respective affiliates may also make investment recommendations and/or publish or express independent research views in respect of such securities or instruments and may at any time hold, or recommend to clients that they acquire, long and/or short positions in such securities and instruments.

The summary set forth above is not intended to be complete and is qualified in its entirety by reference to the full text of the Underwriting Agreement attached hereto as Exhibit 10.1.
