**Item 1.01 Entry into a Material Definitive Agreement.**

On May 5, 2011, R.R. Donnelley & Sons Company (the Company ) entered into an accelerated share repurchase agreement (the ASR ) with J.P. Morgan Securities LLC, as agent for JPMorgan Chase Bank, National Association, London Branch (JPM ), under which the Company will repurchase shares of its common stock. The Company is acquiring its shares under the ASR as part of its previously announced program that authorizes the repurchase of up to \$1.0 billion of the Company's common stock. Pursuant to the terms of the ASR, the Company paid \$500 million to JPM on May 10, 2011, and JPM made an initial delivery to the Company of 19,940,179 shares of the Company's common stock (equivalent to 80% of the number of shares of the Company's common stock that could be purchased for \$500 million based on the closing price of the Company's common stock on May 9, 2011).

The total number of shares of the Company's common stock that will be purchased under the ASR will be based on the volume average weighted price of the Company's common stock, subject to adjustment in accordance with the terms of the ASR, over a valuation period, which is expected to end around the end of the year unless JPM, at its option, designates an earlier valuation completion date. After the end of this period, the Company may receive additional shares of its common stock or, to the extent that the value of the initial number of shares delivered of the Company's common stock, based on the volume weighted average price of the Company's common stock (as adjusted) during the valuation period is greater than \$500 million, be required to remit to JPM, at the Company's election, cash or shares of its common stock.

The ASR is subject to terms customary for similar agreements, including terms providing for the effect of extraordinary corporate transactions and setting forth circumstances under which the ASR may be terminated early.

The preceding description of the ASR does not purport to be a complete description and is qualified in its entirety by the ASR which is filed as Exhibit 10.1 to this Current Report on Form 8-K and which is incorporated herein by reference.
