Item 5.03 Amendment to Articles of Incorporation or Bylaws.

On June 7, 2011, Merge Healthcare Incorporated (the Company) filed an Amended and Restated Certificate of Designation with respect to its Series A Preferred Stock, which would permit the Company to (a) redeem in the future such Preferred Stock without the payment of otherwise-required redemption premiums and (b) issue certain additional debt securities (described in Item 8.01 below). Holders of the requisite percentages of the outstanding Series A Preferred Stock consented to the Amended and Restated Certificate of Designation.

Item 8.01 Other Events.

On June 7, 2011, the Company issued a press release announcing that it commenced a consent solicitation (the Solicitation), with respect to proposed amendments to the indenture (the Indenture) governing the Company's outstanding \$200 million in aggregate principal amount of 11.75% Senior Notes due 2015 (CUSIP Numbers 589499AB8 and 589499AA0 and ISIN Number USU58948AA53) (the Notes).

The proposed amendments would enable the Company to undertake an offering of an additional amount of notes under the Indenture in an aggregate principal amount not to exceed \$52.0 million (the Additional Note Offering) and to use the proceeds of the Additional Note Offering to repurchase all of the Company's outstanding Series A Preferred Stock and to pay related fees and expenses. Merrick RIS, LLC, a controlled affiliate of Michael Ferro, who in the aggregate directly or indirectly owns approximately 37% of the Company's common stock on a fully-diluted basis, has indicated an interest in acquiring notes in the Additional Note Offering on the same terms as the other investors.

The record date to determine holders of the Notes entitled to consent is June 3, 2011. The Solicitation will expire at 5:00 p.m., New York City time, on June 14, 2011, unless extended (the Expiration Date). As part of the Solicitation, the Company will make a cash payment (the Consent Payment) of \$10.00 per \$1,000 in principal amount of Notes to each holder who has validly delivered a duly executed consent (the Consent) on or prior to the Expiration Date in accordance with the procedures described in the Consent Solicitation Statement (the Solicitation Statement). There are no revocation rights applicable to the Consent and, once delivered, Consents may not be revoked. The Company's obligation to make the Consent Payment is contingent, among other things, upon the conditions described in the Solicitation Statement, including receipt of the Requisite Consents (as defined in the Solicitation Statement) on or prior to the Expiration Date and the consummation of the Additional Note Offering. The Consent Payment will be paid promptly following the satisfaction of the conditions outlined in the Solicitation Statement, including the consummation of the Additional Note Offering.

A copy of the press release related to the Solicitation is attached hereto as Exhibit 99.2 and incorporated herein by reference.
