Pack:

I am very excited to announce some important news for our Company that we believe will help us to continue to grow our brand and offer exciting opportunities to our team. This news will have no impact on our day to day operations or guest experience but will have a very positive impact for our current shareholders.

Over the last couple of months, we have been conducting a review of financial and strategic options to enhance shareholder value. Through this process, we received a formal proposal from an affiliate of Apollo Global Management, a leading private equity firm to acquire Great Wolf Resorts. This would mean transitioning Great Wolf from a publicly-owned Company to a privately-owned Company. As you will see in the attached press release, after careful review, the Board of Directors determined that the proposal was in the best interest of our shareholders and unanimously voted to accept the offer.

We also believe this will be a compelling outcome for our employees, vendor partners and other stakeholders as it will allow us to place even more focus on achieving our long term goal of building a world-class brand.

Importantly, the senior management team and I intend to continue in our current roles and the proposed transaction will not affect our day-to-day activities, or any aspect of our business operations. We will remain focused on the same priorities, values and mission that we have in place and ask for your continued efforts to enhance the quality of the entertainment we provide to our guests.

Apollo Global Management is a leading global alternative asset manager with offices all over the world. Apollo has successfully managed companies like ours and has assets under management of \$75 billion, in private equity, credit-oriented capital markets and real estate funds invested across a core group of nine industries where Apollo has considerable knowledge and resources. For more information about Apollo, feel free to visit www.agm.com.

We look forward to working in partnership with them to further our business goals. Some of the most notable companies owned by Apollo are:

AMC Entertainment

Claire s

Caesars Entertainment Corporation

Norwegian Cruise Line

CKE (Hardee s and Carl s Jr. Restaurants. Ltd)

CKX (American Idol, Elvis Presley, Muhammad Ali)

It is important to note that the proposed acquisition of Great Wolf Resorts is not complete and is still subject to a tender offer to our shareholders. I am committed to keeping our Pack Members, shareholders and business partners as informed as I can, but there are obviously legal restraints in these types of transactions that prevent us from communicating in our usual way.

We are excited about the prospect of working with Apollo as we further take advantage of opportunities to refine and grow the Great Wolf Resorts brand. This move could only be possible with the dedication and talent of this incredible team – you, our Pack.

With your continued hard work and support, we will continue to offer our guests the superior experience that they have come to expect from a Great Wolf Lodge® getaway.

Kim
