Section 8 Other Events

Item 8.01 Other Events.

On June 27, 2012, Avista Corporation (Avista Corp. or the Company) entered into a bond purchase agreement with certain institutional investors in the private placement market for the purpose of issuing \$80.0 million of 4.23 percent First Mortgage Bonds due in 2047. The new First Mortgage Bonds will be issued under and in accordance with the Mortgage and Deed of Trust, dated as of June 1, 1939, from the Company to Citibank, N.A., trustee, as amended and supplemented by various supplemental indentures and other instruments.

In connection with the pricing of the First Mortgage Bonds, we cash settled interest rate swap contracts and paid a total of \$18.5 million, which will be amortized as a component of interest expense over the life of the debt. This results in an effective rate on the bonds of 5.8 percent.

The issuance of the bonds will occur at closing in November 2012. The total net proceeds from the sale of the new bonds will be used to repay a portion of the borrowings outstanding under the Company's \$400.0 million committed line of credit and for general corporate purposes.

The bonds have not been, and will not be, registered under the Securities Act of 1933 or any state securities laws and may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements.
