**Item 8.01 Other Events.**

On December 17, 2012, Power Solutions International, Inc. ( PSI ) (OTCBB:PSIX) issued a press release announcing its entry into a China-based Joint Venture Agreement with global manufacturer Midwest Air Technologies, Inc. ( MAT ). The joint venture will allow the companies to support PSI s existing customers in Asia and better serve that region s growing market for natural gas, propane and gasoline engines. The joint venture will draw on relationships the companies have already established in the region and will utilize MAT s extensive network of Asian vendors and contacts to establish a Chinese business based on PSI s products and customers.

The joint venture will begin supplying 2.0 liter and 2.4 liter engines to PSI s material handling customers based in China with a goal to supply alternative-fuel engines and power systems suited to a wide variety of applications throughout Asia.

A copy of the press release is furnished as Exhibit 99.1 to this Current Report.
