Item 1.01. Entry Into a Material Definitive Agreement.

On December 12, 2012, lululemon athletica inc. (the Company) amended its existing Registration Rights Agreement with the parties named therein. The amended provisions provide, among other things, that the holders of a majority of the shares subject to the agreement have the right to request that the Company file a registration statement with the Securities and Exchange Commission with respect to the resale of such shares at any time that the Company is legally eligible to file a registration statement on Form S-3 (subject to certain customary limitations as to the number of shares being registered, and provided that at least 180 days elapses between filed registration statements). Such holders continue to have the right to request that the Company file up to two registration statements on Form S-1 at any time that the Company is not legally eligible to file a registration statement on Form S-3 . In addition, the amended provisions provide that the registration rights will terminate with respect to a holder on the date that all shares subject to agreement that are held by such holder can be immediately sold under Rule 144 of the Securities Act of 1933, as amended.

The foregoing description of the amended agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the amended agreement, which is filed as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated herein by reference.
