Item 1.01 Entry into a Material Definitive Agreement.

On December 18, 2012, PowerSecure International, Inc., a Delaware corporation (the Company), entered into a First Amendment to the Amended and Restated Credit Agreement (the Amendment) with Citibank, N.A. (Citibank) and Branch Banking and Trust Company in their capacity as lenders (the Lenders), and Citibank, in its capacity as the administrative agent (the Agent). The Amendment amends that certain Amended and Restated Credit Agreement, dated as of December 21, 2011 (the Credit Agreement), among the Company, the Lenders and the Agent, to permit the Company to amend the definition of Stock Repurchase Program to mean the repurchase by the Company of up to \$10 million of shares of its Common Stock, par value \$.01 per share, facilitating the increase and extension of the Stock Repurchase Program discussed in Item 8.01 of this Report. Except as amended, the remainder of the Credit Agreement remains in full force and effect.

The Credit Agreement, as amended by the Amendment, continues to provide for a \$20 million senior, first-priority secured revolving and term credit facility (the Credit Facility), of which the Company had no outstanding balance as of December 18, 2012. In addition, under the Credit Facility the Company has a \$2.4 million term loan. The Credit Facility has been guaranteed by all active subsidiaries of the Company and is secured by the assets of the Company and those subsidiaries. The subsidiaries acknowledged and agreed to the terms and conditions of the Amendment.

The foregoing description of the Credit Agreement and the Amendment does not purport to be a complete statement of the parties' rights and obligations under such documents, and is qualified in its entirety by reference to the text of the Credit Agreement and the Amendment, which are exhibits hereto and incorporated herein by this reference.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information provided in Item 1.01 of this Report is hereby incorporated by reference into this Item 2.03.

Item 8.01 Other Events

On December 19, 2012, the Company issued a press release announcing that its Board of Directors increased the Company's stock repurchase program (Stock Repurchase Program) by an additional \$5 million. In November 2011, the Board of Directors originally authorized the Company to repurchase of up to \$5 million of the Company's Common Stock under the Stock Repurchase Program. The Board of Directors increased this authorization to repurchase shares under the Stock Repurchase Program by an additional \$5 million to an aggregate of \$10 million, and extended the period of the Stock Repurchase Program for up to 24 months after the increase, although it may be suspended from time to time or discontinued at any time, or it may be renewed or extended, in the discretion of the Board of Directors. Repurchases of shares of Common Stock can be made from time to time in open market purchases or in privately negotiated transactions. The timing and amount of any shares repurchased will be determined in the discretion of the Company's management based on its evaluation of market conditions and other factors. As of December 19, 2012, the Company had repurchased nearly all of the originally authorized \$5 million of Common Stock under the Stock Repurchase Program, at an average price of \$5.64 per share. A copy of the press release announcing the increase and extension of the Stock Repurchase Program is attached hereto as Exhibit 99.1 and is incorporated by reference herein.
