Item 1.01 Entry into a Material Definitive Agreement.

On February 1, 2013, Scott's Liquid Gold-Inc. (the Company) consummated the previously announced sale of its real estate assets located at 4880 Havana Street, Denver, Colorado, consisting of approximately 10.8 acres of land improved with four buildings containing approximately 241,684 square feet of office, warehouse, and manufacturing space, with associated improvements and personal property, and adjacent vacant land of approximately 5.5 acres (together, the Property). Pursuant to the Purchase and Sale Agreement dated November 21, 2012 (the Agreement) between the Company and Havana Gold, LLC, a Colorado limited liability company (the Purchaser), the Company sold the Property for a purchase price of \$9,500,000.

In connection with the sale, the Company leased back from the Purchaser approximately 16,078 square feet of office space (the Office Lease) and approximately 113,620 square feet of manufacturing and warehouse space (the Warehouse Lease) currently used by the Company. Each of the Office Lease and the Warehouse Lease has an initial term of three years, with options to extend the term for two additional terms of three years each. Rent for the Office Lease is \$13.00 per square foot per annum, with annual 3% increases. Rent for the Warehouse Lease is \$3.25 per square foot per annum, with annual 3% increases, and the Company will pay an additional \$1.25 per square foot per annum as its share of the Purchaser's operating expenses under the Warehouse Lease (including taxes, insurance and common area maintenance charges). If certain uncontrollable operating expenses increase by more than 5% per year, the Company's share of operating expenses under the Warehouse Lease may be increased.

As of the date of closing, the principal and interest balance on the long-term debt secured by the Property with Citywide Banks was \$3,373,961.20. This debt was repaid in full at closing.

Item 2.01 Completion of Acquisition or Disposition of Assets.
