This Form 6-K, including the exhibit incorporated herein by reference, contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. Such forward-looking statements are made under the "safe harbor" provisions of the U.S. Private Securities Litigation Reform Act of 1995.

These forward-looking statements can be identified by terminology such as "will," "expects," "is expected to," "anticipates," "aim," "future," "intends," "believes," "are likely to," "estimates," "may," "should" and similar expressions. Such forward-looking statements include, without limitation, statements regarding and comments by management in this release about SouFun's strategic and operational plans and focus, current and future market positions, future growth, SouFun's internal global training programs, SouFun's future plans with respect to its building at 72 Wall Street, New York City, future cash requirements and cash uses and dividends. SouFun may also make forward-looking statements in our periodic reports to the U.S. Securities and Exchange Commission, in press releases and other written materials and in oral statements made by our officers, directors or employees to third parties. Statements that are not historical facts, including statements about SouFun's beliefs and expectations, are forward-looking statements. Forward-looking statements involve inherent risks and uncertainties. A number of important factors could cause actual results to differ materially from those contained in any forward-looking statement. Potential risks and uncertainties include, but are not limited to, SouFun's limited operating history, the current global financial and credit markets crisis and its potential impact on the Chinese economy, measures taken or to be taken by the Chinese government to control real estate growth and prices and other events which could occur in the future, challenges in China's real estate market, the impact of competitive market conditions for our services and our ability to maintain and increase our leadership in China's home related internet sector, the uncertain regulatory landscape in China, fluctuations in our quarterly operating results, our continued ability to execute business strategies, our ability to continue to expand in local markets, our reliance on online advertising sales and listing services for our revenues, any failure to successfully develop and expand our content, service offerings and features, including the success of new features to meet evolving market needs, and the technologies that support them, and, should we in the future make acquisitions, any failure to successfully integrate acquired businesses.

Further information regarding these and other risks and uncertainties is included in our annual report on Form 20-F and other documents filed with the U.S. Securities and Exchange Commission. SouFun does not assume any obligation to update any forward-looking statements in this release and elsewhere, which apply only as of the date of this Form 6-K.
