State below in reasonable detail the reasons why Forms 10-K, 20-F, 11-K, 10-Q, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

Solta Medical, Inc. (the Company) expects to file the subject Quarterly Report on Form 10-Q for the period ended September 30, 2013 (the Form 10-Q) on or before the fifth calendar day following the Form 10-Q's due date. The Form 10-Q could not be filed without unreasonable effort or expense by the date required because the Company is continuing to evaluate its liquidity needs for the twelve month period following the filing of the Form 10-Q and associated reporting in the Form 10-Q. In particular, the Company is reviewing and analyzing the impact of its entrance into the Forbearance and First Amendment to the Amended and Restated Loan and Security Agreement with the Lender, as that term is defined therein, on November 8, 2013, and its current negotiations to enter into a new term loan agreement with a new lender to support the Company's liquidity needs, and of contingency plans by which the Company could sustain operations, if there are delays or failures in expected funding.
