Prospectus Supplement

(to Prospectus dated December 10, 2012)

HCA Inc.

\$1,000,000,000 % Senior Secured Notes due 2019

\$2,000,000,000 % Senior Secured Notes due 2024

Interest payable and

HCA Inc. is offering \$1,000,000,000 aggregate principal amount of % senior secured notes due 2019, which we refer to as the 2019 notes, and \$2,000,000,000 aggregate principal amount of % senior secured notes due 2024, which we refer to as the 2024 notes. The 2019 notes and the 2024 notes are collectively referred to herein as the notes, unless the context otherwise requires. The 2019 notes will bear interest at a rate of % per annum and the 2024 notes will bear interest at a rate of % per annum. HCA Inc. will pay interest on the notes semi-annually, in cash in arrears, on and of each year, beginning on , 2014. The 2019 notes will mature on , 2019 and the 2024 notes will mature on , 2024.

We may redeem each series of notes, at any time in whole or from time to time in part, in each case at the redemption prices described in this prospectus supplement. In addition, if we experience certain kinds of changes in control, we may be required to repurchase the notes on the terms described in this prospectus supplement. If we sell certain assets and do not reinvest the proceeds or repay indebtedness, we must offer to repurchase the notes.

The notes will be HCA Inc. s senior obligations and will rank equally and ratably with all of its future senior indebtedness and senior to any of its future subordinated indebtedness. The notes will be fully and unconditionally guaranteed on a senior unsecured basis by our direct parent, HCA Holdings, Inc., and on a senior secured basis by each domestic subsidiary that guarantees HCA Inc. s senior secured credit facilities (as defined herein), other than certain subsidiaries that guarantee only HCA Inc. s asset-based revolving credit facility. To the extent lenders under the senior secured credit facilities release any guarantor from its obligations, such guarantor will also be released from its obligations under the notes.

The notes and related guarantees will be secured by first-priority liens, subject to permitted liens, on HCA Inc. s and HCA Inc. s subsidiary guarantors assets, subject to certain exceptions, that will from time to time secure HCA Inc. s cash flow credit facility on a first-priority basis. The notes and related guarantees will be secured by second-priority liens, subject to permitted liens, on HCA Inc. s and HCA Inc. s subsidiary guarantors assets that will secure HCA Inc. s asset-based revolving credit facility on a first-priority basis. The notes will share equally in the collateral securing HCA Inc. s cash flow credit facility and other first lien notes. To the extent the collateral agent for the lenders under the cash flow credit facility releases any liens during any period when the collateral agent has authority to do so under the first lien intercreditor agreement, the lien securing the obligations under the notes will also be released.

Edgar Filing: Parallon Credentialing Solutions, LLC - Form 424B3

HCA Inc. intends to use the net proceeds of this offering for the repayment or redemption of certain series of its existing secured notes.

Investing in the notes involves risks. See Risk Factors beginning on page S-18.

About this prospectus supplement

This document is in two parts. The first part is this prospectus supplement, which describes the terms of the offering of the notes and adds to and supplements information contained in the accompanying prospectus and the documents incorporated by reference therein. The second part is the accompanying prospectus, which we refer to as the accompanying prospectus. The accompanying prospectus contains a description of our debt securities and gives more general information, some of which may not apply to the notes. The accompanying prospectus also incorporates by reference documents that are described under Incorporation by Reference in that prospectus.

You should rely only on the information contained or incorporated by reference in this prospectus supplement, in the accompanying prospectus or in any free writing prospectus filed by us with the Securities and Exchange Commission. If information in this prospectus supplement is inconsistent with the accompanying prospectus, you should rely on this prospectus supplement. We have not, and the underwriters have not, authorized any other person to provide you with different information. If anyone provides you with different or inconsistent information, you should not rely on it. You should not assume that the information contained or incorporated by reference in this prospectus supplement and the accompanying prospectus or in any such free writing prospectus is accurate as of any date other than the respective dates thereof. Our business, financial condition, results of operations and prospects may have changed since those dates.

We are not, and the underwriters are not, making an offer of the notes in any jurisdiction where the offer or sale is not permitted.

Market, ranking and other industry data

The data included or incorporated by reference in this prospectus supplement regarding markets and ranking, including the size of certain markets and our position and the position of our competitors within these markets, are based on reports of government agencies or published industry sources and estimates based on management's knowledge and experience in the markets in which we operate. These estimates have been based on information obtained from our trade and business organizations and other contacts in the markets in which we operate. We believe these estimates to be accurate as of the date of this prospectus supplement. However, this information may prove to be inaccurate because of the method by which we obtained some of the data for the estimates or because this information cannot always be verified with complete certainty due to the limits on the availability and reliability of raw data, the voluntary nature of the data gathering process and other limitations and uncertainties. As a result, you should be aware that market, ranking and other similar industry data included or incorporated by reference in this prospectus supplement, and estimates and beliefs based on that data, may not be reliable. Neither we nor the underwriters can guarantee the accuracy or completeness of any such information contained or incorporated by reference in this prospectus supplement.

Forward-looking and cautionary statements

This prospectus supplement and the accompanying prospectus contain and incorporate by reference forward-looking statements within the meaning of the federal securities laws, which involve risks and uncertainties. Forward-looking statements include statements regarding estimated electronic health record (EHR) incentive income and related EHR operating expenses, expected capital expenditures and expected net claim payments and all other statements that do not relate solely to historical or current facts, including statements with respect to the proposed redemption and related debt financing, and can be identified by the use of words like may, believe, will, expect, project, estimate, anticipate, plan, initiative or continue. These forward-looking statements are based on our current plans and expectations and are subject to a number of known and unknown uncertainties and risks, many of which are beyond our control, which could significantly affect current plans and expectations and our future financial position and results of operations. These factors include, but are not limited to, (1) the ability to fund and the determination to make the redemption, (2) the impact of our substantial indebtedness and the ability to refinance such indebtedness on acceptable terms, (3) the effects related to the implementation of the Patient Protection and Affordable Care Act, as amended by the Health Care and Education Reconciliation Act (collectively, the Health Reform Law), possible delays in or complications related to implementation of the Health Reform Law, the possible enactment of additional federal or state health care reforms and possible changes to the Health Reform Law and other federal, state or local laws or regulations affecting the health care industry, (4) the effects related to the continued implementation of the sequestration spending reductions required under the Budget Control Act of 2011 (BCA) and the potential for future deficit reduction legislation that may alter BCA-mandated spending reductions, which include cuts to Medicare payments, or create additional spending reductions, (5) increases in the amount and risk of collectibility of uninsured accounts and deductibles and copayment amounts for insured accounts, (6) the ability to achieve operating and financial targets, and attain expected levels of patient volumes and control the costs of providing services, (7) possible changes in the Medicare, Medicaid and other state programs, including Medicaid upper payment limit (UPL) programs or waiver programs, that may impact reimbursements to health care providers and insurers, (8) the highly competitive nature of the health care business, (9) changes in service mix, revenue mix and surgical volumes, including potential declines in the population covered under managed care agreements and the ability to enter into and renew managed care provider agreements on acceptable terms and the impact of consumer driven health plans and physician utilization trends and practices, (10) the efforts of insurers, health care providers and others to contain health care costs, (11) the outcome of our continuing efforts to monitor, maintain and comply with appropriate laws, regulations, policies and procedures, (12) increases in wages and the ability to attract and retain qualified management and personnel, including affiliated physicians, nurses and medical and technical support personnel, (13) the availability and terms of capital to fund the expansion of our business and improvements to our existing facilities, (14) changes in accounting practices, (15) changes in general economic conditions nationally and regionally in our markets, (16) future divestitures which may result in charges and possible impairments of long-lived assets, (17) changes in business strategy or development plans, (18) delays in receiving payments for services provided, (19) the outcome of pending and any future tax audits, appeals and litigation associated with our tax positions, (20) potential adverse impact of known and unknown government investigations, litigation and other claims that may be made against us, (21) our ongoing ability to demonstrate meaningful use of certified EHR technology and recognize income for the related Medicare or Medicaid incentive payments, and (22) other risk factors disclosed

Summary

This summary highlights information appearing elsewhere in and incorporated by reference in this prospectus supplement and the accompanying prospectus. This summary is not complete and does not contain all of the information that you should consider before investing in the notes. You should carefully read the entire prospectus supplement, the accompanying prospectus and the information incorporated herein by reference, including the financial data and related notes and the section entitled Risk Factors.

As used herein, unless otherwise stated or indicated by context, references to (i) the Issuer refer to HCA Inc. and its affiliates, (ii) HCA Holdings, Inc. refer to HCA Holdings, Inc., parent of HCA Inc., and its affiliates and (iii) the Company, HCA, we, our or us refer to HCA Inc. and its affiliates prior to the Corporate Reorganization (as defined herein) and to HCA Holdings, Inc. and its affiliates upon the consummation of the Corporate Reorganization. The term affiliates means direct and indirect subsidiaries and partnerships and joint ventures in which such subsidiaries are partners. The terms facilities or hospitals refer to entities owned and operated by affiliates of HCA and the term employees refers to employees of affiliates of HCA.

Our company

We are the largest non-governmental hospital operator in the U.S. and a leading comprehensive, integrated provider of health care and related services. We provide these services through a network of acute care hospitals, outpatient facilities, clinics and other patient care delivery settings. As of December 31, 2013, we operated a diversified portfolio of 165 hospitals (with approximately 42,900 beds) and 115 freestanding surgery centers across 20 states throughout the U.S. and in England. As a result of our efforts to establish significant market share in large and growing urban markets with attractive demographic and economic profiles, we currently have a substantial market presence in 17 of the top 25 fastest growing markets with populations greater than 500,000 in the U.S. and currently maintain the first or second position, based on inpatient admissions, in many of our key markets. We believe our ability to successfully position and grow our assets in attractive markets and execute our operating plan has contributed to the strength of our financial performance over the last several years. For the fiscal year ended December 31, 2013, we generated revenues of \$34.182 billion, net income attributable to HCA Holdings, Inc. of \$1.556 billion and Adjusted EBITDA of \$6.574 billion.

Our patient-first strategy is to provide high quality health care services in a cost-efficient manner. We intend to build upon our history of profitable growth by maintaining our dedication to quality care, increasing our presence in key markets through organic expansion and strategic acquisitions and joint ventures, leveraging our scale and infrastructure, and further developing our physician and employee relationships. We believe pursuing these core elements of our strategy helps us develop a faster-growing, more stable and more profitable business and increases our relevance to patients, physicians, payers and employers.

Using our scale, significant resources and over 40 years of operating experience, we have developed a significant management and support infrastructure. Some of the key components of our support infrastructure include a revenue cycle management organization, a health care group purchasing organization (GPO), an information technology and services provider, a nurse staffing agency and a medical malpractice insurance underwriter. These shared services

Table of Contents

have helped us to maximize our cash collection efficiency, achieve savings in purchasing through our scale, more rapidly deploy information technology upgrades, more effectively manage our labor pool and achieve greater stability in malpractice insurance premiums. Collectively, these components have helped us to further enhance our operating effectiveness, cost efficiency and overall financial results. Our Parallon subsidiary group also offers certain of these component services to other health care companies.

Since the founding of our business in 1968 as a single-facility hospital company, we have demonstrated an ability to consistently innovate and sustain growth during varying economic and regulatory climates. Under the leadership of an experienced senior management team, whose tenure at HCA averages approximately 22 years, we have established an extensive record of providing high quality care, profitably growing our business, making and integrating strategic acquisitions and efficiently and strategically allocating capital spending.

Our industry

We believe well-capitalized, comprehensive and integrated health care delivery providers are well-positioned to benefit from the current industry trends, some of which include:

Aging population and continued growth in the need for health care services. According to the U.S. Census Bureau, the demographic age group of persons aged 65 and over is expected to experience compounded annual growth of 2.4% over the next 20 years (2015 to 2035) compared to general population growth of 0.7% over the same period, and constitute 20.9% of the total U.S. population by 2035. The Centers for Medicare & Medicaid Services (CMS) projects continued increases in hospital services based on the aging of the U.S. population, advances in medical procedures, expansion of health coverage, increasing consumer demand for expanded medical services and increased prevalence of chronic conditions such as diabetes, heart disease and obesity. We believe these factors will continue to drive increased utilization of health care services and the need for comprehensive, integrated hospital networks that can provide a wide array of essential and sophisticated health care.

Continued evolution of quality-based reimbursement favors large-scale, comprehensive and integrated providers. We believe the U.S. health care system is continuing to evolve in ways that favor large-scale, comprehensive and integrated providers that provide high levels of quality care. Specifically, we believe there are a number of initiatives that will continue to gain importance in the foreseeable future, including introduction of value-based payment methodologies tied to performance, quality and coordination of care, implementation of integrated electronic health records and information, and an increasing ability for patients and consumers to make choices about all aspects of health care. We believe our company is well positioned to respond to these emerging trends and has the resources, expertise and flexibility necessary to adapt in a timely manner to the changing health care regulatory and reimbursement environment.

Impact of Health Reform Law. The Health Reform Law changes how health care services are covered, delivered and reimbursed. It does so through expanded coverage of uninsured individuals, significant reductions in the growth of Medicare program payments, material decreases in Medicare and Medicaid disproportionate share hospital (DSH) payments, and the establishment of programs where reimbursement is tied in part to quality and integration. Based on the Congressional Budget Office s February 2014 projection, by 2022,

Table of Contents

the Health Reform Law will expand coverage to 25 million additional individuals through a combination of public program expansion and private sector health insurance reforms. We believe the expansion of private sector and Medicaid coverage will, over time, increase our reimbursement related to providing services to individuals who were previously uninsured. On the other hand, the reductions in the growth in Medicare payments and the decreases in DSH payments will adversely affect our government reimbursement. Because of the many variables involved, including pending court challenges, the potential for changes to the law as a result, efforts to amend or repeal the law, and the potential for and impact of further delays in or complications related to implementation, we are unable to predict the net impact of the Health Reform Law on us; however, we believe our experienced management team, emphasis on quality care and diverse service offerings will enable us to capitalize on the opportunities presented by the Health Reform Law, as well as adapt in a timely manner to its challenges.

Our competitive strengths

We believe our key competitive strengths include:

Largest comprehensive, integrated health care delivery system. We are the largest non-governmental hospital operator in the U.S., providing approximately 4% to 5% of all U.S. hospital services through our national footprint. The scope and scale of our operations, evidenced by the types of facilities we operate, the diverse medical specialties we offer and the numerous patient care access points we provide, enable us to provide a comprehensive range of health care services in a cost-effective manner. As a result, we believe the breadth of our platform is a competitive advantage in the marketplace enabling us to attract patients, physicians and clinical staff while also providing significant economies of scale and increasing our relevance with commercial payers.

Reputation for high quality patient-centered care. Since our founding, we have maintained an unwavering focus on patients and clinical outcomes. We believe clinical quality influences physician and patient choices about health care delivery. We align our quality initiatives throughout the organization by engaging corporate, local, physician and nurse leaders to share best practices and develop standards for delivering high quality care. We have invested extensively in quality of care initiatives, with an emphasis on implementing information technology and adopting industry-wide best practices and clinical protocols. As a result of these efforts, we have achieved significant progress in clinical quality. As measured by the CMS clinical core measures reported on the CMS Hospital Compare website and based on publicly available data for the twelve months ended March 31, 2013, our hospitals achieved a composite score of 98.7% of the CMS core measures versus the national average of 96.0%, making us among the top performing major health systems in the U.S. Payors, including the Medicare program, are increasing efforts to tie payments to quality and clinical performance. For example, CMS is implementing a value-based purchasing system and has begun adjusting hospital payment rates based on excess readmissions. We also believe our quality initiatives favorably position us in a payment environment that is increasingly performance-based.

Leading local market positions in large, growing, urban markets. Over our history, we have sought to selectively expand and upgrade our asset base to create a premium portfolio of

Table of Contents

assets in attractive growing markets. As a result, we have a strong market presence in 17 of the top 25 fastest growing markets with populations greater than 500,000 in the U.S. In addition, we currently operate in 19 markets with populations of one million or more, with all but two of these markets projecting growth above the national average from 2011 to 2016. Our inpatient market share places us first or second in many of our key markets. We believe the strength and stability of these market positions will create organic growth opportunities and allow us to develop long-term relationships with patients, physicians, large employers and third-party payers.

Diversified revenue base and payer mix. We believe our broad geographic footprint, varied service lines and diverse revenue base mitigate our risks in numerous ways. Our diversification limits our exposure to competitive dynamics and economic conditions in any single local market, reimbursement changes in specific service lines and disruptions with respect to payers such as state Medicaid programs or large commercial insurers. We have a diverse portfolio of assets with no single facility contributing more than 2.2% of our revenues and no single metropolitan statistical area contributing more than 6.7% of revenues for the year ended December 31, 2013. We have also developed a highly diversified payer base, with no single commercial payer representing more than 9% of revenues for the year ended December 31, 2013. In addition, we are one of the country's largest providers of outpatient services, which accounted for approximately 38% of our revenues for the year ended December 31, 2013. We believe the geographic diversity of our markets and the scope of our inpatient and outpatient operations help reduce volatility in our operating results.

Scale and infrastructure drive cost savings and efficiencies. Our scale allows us to leverage our support infrastructure to achieve significant cost savings and operating efficiencies, thereby driving margin expansion. We strategically manage our supply chain through centralized purchasing and supply warehouses, as well as our revenue cycle through centralized billing, collections and health information management functions. We also manage the provision of information technology through a combination of centralized systems with regional service support as well as centralize many other clinical and corporate functions, creating economies of scale in managing expenses and business processes. In addition to the cost savings and operating efficiencies, this support infrastructure simultaneously generates revenue from third parties that utilize our services.

Well-capitalized portfolio of high quality assets. In order to expand the range and improve the quality of services provided at our facilities, we invested over \$8.1 billion in our facilities and information technology systems over the five-year period ended December 31, 2013. We believe our significant capital investments in these areas will continue to attract new and returning patients, attract and retain high quality physicians, maximize cost efficiencies and address the health care needs of our local communities. Furthermore, we believe our platform, as well as electronic health record infrastructure, national research and physician management capabilities, provide a strategic advantage by enhancing our ability to capitalize on anticipated incentives through the Health Information Technology for Economic and Clinical Health Act (HITECH) provisions of the American Recovery and Reinvestment Act of 2009 (ARRA) and position us well in an environment that increasingly emphasizes quality, transparency and coordination of care.

Table of Contents

Strong operating results and cash flows. Our leading scale, diversification, favorable market positions, dedication to clinical quality and focus on operational efficiency have enabled us to achieve attractive historical financial performance. For the fiscal year ended December 31, 2013, we generated net income attributable to HCA Holdings, Inc. of \$1.556 billion, Adjusted EBITDA of \$6.574 billion and cash flows from operating activities of \$3.680 billion. Our ability to generate strong and consistent cash flow from operations has enabled us to invest in our operations, enhance earnings per share and continue to pursue attractive growth opportunities.

Proven and experienced management team. We believe the extensive experience and depth of our management team are a distinct competitive advantage in the complicated and evolving industry in which we compete. Our senior management team averages approximately 22 years of experience with our company. Members of our senior management hold significant equity interests in our company, further aligning their long-term interests with those of our stockholders.

Our growth strategy

We are committed to providing the communities we serve with high quality, cost-effective health care while growing our business, increasing our profitability and creating long-term value for our stockholders. To achieve these objectives, we align our efforts around the following growth agenda:

Grow our presence in existing markets. We believe we are well positioned in a number of large and growing markets that will allow us the opportunity to generate long-term, attractive growth through the expansion of our presence in these markets. We plan to continue recruiting and strategically collaborating with the physician community and adding attractive service lines such as cardiology, emergency services, oncology and women's services. Additional components of our growth strategy include expanding our footprint through developing various outpatient access points, including surgery centers, rural outreach, freestanding emergency departments and walk-in clinics.

Achieve industry-leading performance in clinical and satisfaction measures. Achieving high levels of patient safety, patient satisfaction and clinical quality are central goals of our business model. To achieve these goals, we have implemented a number of initiatives including infection reduction initiatives, hospitalist programs, advanced health information technology and evidence-based medicine programs. We routinely analyze operational practices from our best-performing hospitals to identify ways to implement organization-wide performance improvements and reduce clinical variation. We believe these initiatives will continue to improve patient care, help us achieve cost efficiencies, grow our revenues and favorably position us in an environment where our constituents are increasingly focused on quality, efficacy and efficiency.

Recruit and employ physicians to meet need for high quality health services. We depend on the quality and dedication of the health care providers and other team members who serve at our facilities. We believe a critical component of our growth strategy is our ability to successfully recruit and strategically collaborate with physicians and other professionals to

Table of Contents

provide high quality care. We attract and retain physicians by providing high quality, convenient facilities with advanced technology, by expanding our specialty services and by building our outpatient operations. We believe our continued investment in the employment, recruitment and retention of physicians will improve the quality of care at our facilities.

Continue to leverage our scale and market positions to enhance profitability. We believe there is significant opportunity to continue to grow the profitability of our company by fully leveraging the scale and scope of our franchise. We are currently pursuing next generation performance improvement initiatives such as contracting for services on a multistate basis and expanding our support infrastructure for additional clinical and support functions, such as physician credentialing, medical transcription and electronic medical recordkeeping. We believe our centrally managed business processes and ability to leverage cost-saving practices across our extensive network will enable us to continue to manage costs effectively. We continue to invest in our Parallon subsidiary group to leverage key components of our support infrastructure, including revenue cycle management, health care group purchasing, supply chain management and staffing functions, by offering these services to other hospital companies.

Selectively pursue a disciplined development strategy. We continue to believe there are significant growth opportunities in our markets. We will continue to provide financial and operational resources to successfully execute on our in-market opportunities. To complement our in-market growth agenda, we intend to focus on selectively developing and acquiring new hospitals, outpatient facilities and other health care service providers. We believe the challenges faced by the hospital industry may spur consolidation and we believe our size, scale, national presence and access to capital will position us well to participate in any such consolidation. We have a strong record of successfully acquiring and integrating hospitals and entering into joint ventures and intend to continue leveraging this experience.

Recent developments

On February 26, 2014, our cash flow credit facility was amended and restated to, among other things, extend the maturity date of the revolving credit commitments thereunder to February 26, 2019, which we refer to as the credit facility amendment. In addition, we are seeking to amend and restate our asset-based revolving credit facility to, among other things, extend the maturity date of the revolving credit commitments thereunder to March 2019. The proposed amendment and restatement of the asset-based revolving credit facility is subject to market and other conditions, and there can be no assurance that the amendment and restatement will be completed on the terms contemplated or at all. See Description of Other Indebtedness Senior Secured Credit Facilities.

Corporate reorganization

On November 22, 2010, HCA Inc. reorganized by creating a new holding company structure (the Corporate Reorganization), pursuant to which HCA Holdings, Inc. became the parent company,

and HCA Inc. became HCA Holdings, Inc.'s 100% owned direct subsidiary. As part of the Corporate Reorganization, HCA Inc.'s outstanding shares of capital stock were automatically converted, on a share for share basis, into identical shares of HCA Holdings, Inc.'s common stock, and HCA Holdings, Inc. became a guarantor but did not assume the debt of HCA Inc.'s outstanding secured notes and is not subject to the covenants contained in the indentures governing such secured notes. See Description of Other Indebtedness.

Through our predecessors, we commenced operations in 1968. HCA Inc. was incorporated in Nevada in January 1990 and reincorporated in Delaware in September 1993. HCA Holdings, Inc. was incorporated in Delaware in October 2010. Our principal executive offices are located at One Park Plaza, Nashville, Tennessee 37203, and our telephone number is (615) 344-9551.

The indebtedness figures in the diagram below are as of December 31, 2013, and give effect to the credit facility amendment and the indebtedness incurred under the notes offered hereby and the use of proceeds therefrom. In this prospectus supplement, where we have presented information as adjusted to give effect to the use of the net proceeds of this offering, we have assumed that the notes will not be offered at a discount. If the notes are offered at a discount, the net proceeds to us will be less than we have assumed.

- (1) HCA Holdings, Inc. is a guarantor of certain of HCA Inc.'s outstanding notes but is not subject to the covenants that apply to HCA Inc. or HCA Inc.'s restricted subsidiaries under those notes.
- (2) Consists of (i) a \$2.500 billion asset-based revolving credit facility maturing on September 30, 2016 (the "asset-based revolving credit facility") (\$2.440 billion outstanding at December 31, 2013); (ii) a \$2.000 billion senior secured revolving credit facility maturing on February 26, 2019 (the "senior secured revolving credit facility") (none outstanding at December 31, 2013, without giving effect to outstanding letters of credit); (iii) a \$512 million senior secured term loan A-2 facility maturing on May 2, 2016; (iv) a \$724 million senior secured term loan A-4 facility maturing on February 2, 2016; (v) a \$2.367 billion senior secured term loan B-4 facility maturing on May 1, 2018; and (vi) a \$1.995 billion senior secured term loan B-5 facility maturing on March 31, 2017. We refer to the facilities described under (ii) through (vi) above, collectively, as the "cash flow credit facility" and, together with the asset-based revolving credit facility, the "senior secured credit facilities."
- (3) Consists of (i) \$1.400 billion aggregate principal amount of 7 1/4% first lien notes due 2020 that HCA Inc. issued in March 2010 (the "March 2010 first lien notes"); (ii) \$3.000 billion aggregate principal amount of 6.50% first lien notes due 2020 that HCA Inc. issued in August 2011 (the "August 2011 first lien notes"); (iii) \$1.350 billion aggregate principal amount of 5.875% first lien notes due 2022 that HCA Inc. issued in February 2012 (the "February 2012 first lien notes"); (iv) \$1.250 billion aggregate principal amount of 4.75% first lien notes due 2023 that HCA Inc. issued in October 2012 (the "October 2012 first lien notes," and, collectively with the March 2010 first lien notes, the August 2011 first lien notes and the February 2012 first lien notes, the "first lien notes"); and (v) \$9 million of unamortized debt discounts that reduce the existing indebtedness.
- (4) Consists of HCA Inc.'s (i) an aggregate principal amount of \$246 million medium-term notes with maturities ranging from 2014 to 2025 and a weighted average interest rate of 8.28%; (ii) an aggregate principal amount of \$886 million debentures with maturities ranging from 2015 to 2095 and a weighted average interest rate of 7.55%; (iii) an aggregate principal amount of \$6.541 billion senior notes with maturities ranging from 2014 to 2033 and a weighted average interest rate of 6.82%; (iv) \$448 million of secured debt, which represents capital leases and other secured debt with a weighted average interest rate of 6.76%; and (v) \$3 million of unamortized debt discounts that reduce the existing indebtedness. Existing unsecured indebtedness also includes HCA Holdings, Inc.'s \$1.525 billion aggregate principal amount of 7 1/4% senior notes due 2021 and \$1.000 billion aggregate principal amount of 6.25% senior notes due 2021. For more information regarding our unsecured and other indebtedness, see "Description of Other Indebtedness."
- (5) The cash flow credit facility and the first lien notes are secured by first-priority liens on substantially all the capital stock of Healthtrust, Inc., The Hospital Company and the first-tier subsidiaries of the subsidiary guarantors (but limited to 65% of the voting stock of any such first-tier subsidiary that is a foreign subsidiary), subject to certain exceptions.
- (6) Includes subsidiaries which are designated as "restricted subsidiaries" under HCA Inc.'s indenture dated as of December 16, 1993, certain of their wholly owned subsidiaries formed in connection with the asset based revolving credit facility and certain excluded subsidiaries (non-material subsidiaries).

Table of Contents

As of December 31, 2013, on an as adjusted basis after giving effect to the notes offered hereby and the use of proceeds therefrom as described under Use of Proceeds :

the notes and related guarantees would have been effectively senior in right of payment to \$7.673 billion of unsecured debt, effectively equal in right of payment to approximately \$5.598 billion of senior secured indebtedness under the cash flow credit facility, \$7.000 billion of first lien notes and \$226 million of other secured debt, and effectively junior in right in payment to \$2.440 billion of indebtedness under the asset-based revolving credit facility, in each case to the extent of the collateral securing such indebtedness;

the notes and related guarantees would have been structurally subordinated in right of payment to \$222 million of other secured debt of our non-guarantor subsidiaries, which primarily represents capital leases; and

we would have had an additional \$1.942 billion of unutilized capacity under the senior secured revolving credit facility and \$60 million of unutilized capacity under the asset-based revolving credit facility, subject to borrowing base limitations.

Guarantees

The notes will be fully and unconditionally guaranteed on a senior unsecured basis by HCA Holdings, Inc. and on a senior secured basis by each of our existing and future direct or indirect wholly owned domestic subsidiaries that guarantees our obligations under our senior secured credit facilities (except for certain special purpose subsidiaries that will only guarantee and pledge their assets under our asset-based revolving credit facility).

Ranking of the Notes Guarantees

Each subsidiary guarantee of the notes will:

rank senior in right of payment to all existing and future subordinated indebtedness of the guarantor subsidiary;

rank equally in right of payment with all existing and future senior indebtedness of the guarantor subsidiary;

be effectively senior in right of payment to any guarantees of unsecured indebtedness to the extent of the value of the collateral securing the notes;

be effectively equal in right of payment with the guarantees of the cash flow credit facility and the first lien notes to the extent of the subsidiary guarantor's collateral securing such indebtedness;

be effectively subordinated in right of payment to the guarantees of the asset-based revolving credit facility to the extent of the guarantor subsidiary's collateral securing such indebtedness; and

Table of Contents

be structurally subordinated in right of payment to all existing and future indebtedness and other liabilities of its non-guarantor subsidiaries (other than indebtedness and liabilities owed to us or one of our guarantor subsidiaries).

Any subsidiary guarantee of the notes will be released in the event such guarantee is released under the senior secured credit facilities.

As of and for the fiscal year ended December 31, 2013, on an as adjusted basis after giving effect to the notes offered hereby and the use of proceeds therefrom, our non-guarantor subsidiaries would have accounted for approximately \$16.402 billion, or 48.0%, of our total revenues, and approximately \$3.199 billion, or 48.7%, of our total Adjusted EBITDA, and approximately \$14.925 billion, or 51.8%, of our total assets, and approximately \$7.179 billion, or 20.1%, of our total liabilities.

Security

The notes and related subsidiary guarantees will be secured by first-priority liens, subject to permitted liens, on certain of the assets of HCA Inc. and the subsidiary guarantors that secure our cash flow credit facility and the first lien notes on a *pari passu* basis, including:

substantially all the capital stock of any wholly owned first-tier subsidiary of HCA Inc. or of any subsidiary guarantor of the first lien notes (but limited to 65% of the voting stock of any such wholly owned first-tier subsidiary that is a foreign subsidiary); and

substantially all tangible and intangible assets of our company and each subsidiary guarantor, other than (1) other properties that do not secure our senior secured credit facilities, (2) deposit accounts, other bank or securities accounts and cash, (3) leaseholds and motor vehicles; provided that, with respect to the portion of the collateral comprised of real property, we will have up to 90 days following the issue date of the notes to complete those actions required to perfect the first-priority lien on such collateral and (4) certain receivables collateral that only secures our asset-based revolving credit facility, in each case subject to exceptions, and except that the lien on properties defined as principal properties under our existing indenture dated as of December 16, 1993, so long as such indenture remains in effect, will be limited to securing a portion of the indebtedness under the notes, our cash flow credit facility and the first lien notes that, in the aggregate, does not exceed 10% of our consolidated net tangible assets.

The notes and the related subsidiary guarantees will be secured by second-priority liens, subject to permitted liens, on certain receivables of HCA Inc. and the subsidiary guarantors that secure our asset-based revolving credit facility on a first-priority basis. See Description of the Notes Security.

Table of Contents

In the event the notes have investment grade ratings from both Moody's Investors Service, Inc. and Standard & Poor's, the collateral securing the notes and the related subsidiary guarantees will be released. In addition, to the extent the collateral is released as security for the senior secured credit facilities, it will also be released as security for the notes offered hereby and the related subsidiary guarantees. See Description of the Notes Covenant Termination and Release of Collateral.

Covenants

The indentures governing the notes will contain covenants limiting the Issuer's and certain of its subsidiaries' ability to:

create liens on certain assets to secure debt;

engage in certain sale and lease-back transactions;

sell certain assets; and

consolidate, merge, sell or otherwise dispose of all or substantially all of its assets.

These covenants are subject to a number of important limitations and exceptions. See Description of the Notes.

These covenants will cease to apply in the event that either (i) the notes have investment grade ratings from both Moody's Investors Service, Inc. and Standard & Poor's or (ii) the collateral is released as security for the senior secured credit facilities, and instead, the covenants described below under Investment Grade Covenants will apply to the notes. See Description of the Notes Covenant Termination and Release of Collateral.

Investment Grade Covenants

Upon the occurrence of (i) an Investment Grade Rating Event or (ii) release of the collateral under the senior secured credit facilities, the indentures governing the notes will only contain covenants limiting the Issuer's and certain of its subsidiaries' ability to:

create liens on certain assets to secure debt;

engage in certain sale and lease back transactions; and

consolidate, merge, sell or otherwise dispose of all or substantially all of its assets.

See Description of the Notes Investment Grade Covenants.

Optional Redemption

The Issuer may redeem each series of notes, at any time in whole or from time to time in part, at the redemption prices described in this prospectus supplement. See Description of the Notes Optional

Redemption.

Change of Control Offer

Upon the occurrence of a change of control, you will have the right, as holders of the notes, to require the Issuer to repurchase some or all of your notes at 101% of their face amount, plus accrued and unpaid interest to the repurchase date. See Description of the Notes Repurchase at the Option of Holders Change of Control.

The Issuer may not be able to pay you the required price for notes you present to it at the time of a change of control, because:

the Issuer may not have enough funds at that time; or

the terms of our indebtedness under the senior secured credit facilities may prevent it from making such payment.

Your right to require the Issuer to repurchase the notes upon the occurrence of a change of control will cease to apply to the notes at all times during which such notes have investment grade ratings from both Moody's Investors Service, Inc. and Standard & Poor's. See Description of the Notes Certain Covenants Covenant Suspension.

No Prior Market

Each series of notes will be new securities for which there is currently no market. Although the underwriters have informed the Issuer that they intend to make a market in the notes, they are not obligated to do so, and they may discontinue market making activities at any time without notice. Accordingly, the Issuer cannot assure you that a liquid market for the notes will develop or be maintained.

Use of Proceeds

We estimate that our net proceeds from this offering, after deducting underwriter discounts and commissions and estimated offering expenses, will be approximately \$2.967 billion.

We intend to use the net proceeds from the notes offered hereby to redeem all of our outstanding \$1.500 billion 8 1/2% senior secured notes due 2019 and all of our outstanding \$1.250 billion 7 7/8% senior secured notes due 2020, for related fees and expenses and for general corporate purposes. See Use of Proceeds and Capitalization.

Conflicts of Interest

Certain of the underwriters and their respective affiliates have, from time to time, performed, and may in the future perform, various financial advisory, investment banking, commercial banking and other services for us for which they received or will receive customary fees and expenses.

Risk factors

You should consider carefully all of the information set forth and incorporated by reference in this prospectus supplement and, in particular, should evaluate the specific factors set forth and incorporated by reference in the section entitled Risk Factors, including the Risk Factors section of our Annual Report on Form 10-K for the year ended December 31, 2013, for an explanation of certain risks of investing in the notes, including risks related to our industry and business.

Table of Contents**Summary financial data**

The following table sets forth our summary financial and operating data as of and for the periods indicated. The financial data as of December 31, 2013 and 2012 and for the years ended December 31, 2013, 2012 and 2011 have been derived from our consolidated financial statements incorporated by reference into this prospectus supplement, which have been audited by Ernst & Young LLP, independent registered public accounting firm. The financial data as of December 31, 2011 have been derived from our consolidated financial statements audited by Ernst & Young LLP that are not included or incorporated by reference herein.

The summary financial and operating data should be read in conjunction with Selected Financial Data, Management's Discussion and Analysis of Financial Condition and Results of Operations, our consolidated financial statements and the related notes thereto incorporated by reference into this prospectus supplement.

- (1) EBITDA, a measure used by management to evaluate operating performance, is defined as net income attributable to HCA Holdings, Inc. plus (i) provision for income taxes, (ii) interest expense and (iii) depreciation and amortization. EBITDA is not a recognized term under generally accepted accounting principles (GAAP) and does not purport to be an alternative to net income as a measure of operating performance or to cash flows from operating activities as a measure of liquidity. Additionally, EBITDA is not intended to be a measure of free cash flow available for management's discretionary use, as it does not consider certain cash requirements such as interest payments, tax payments and other debt service requirements. Management believes EBITDA is helpful to investors and our management in highlighting trends because EBITDA excludes the results of decisions outside the control of operating management and that can differ significantly from company to company depending on long-term strategic decisions regarding capital structure, the tax jurisdictions in which companies operate and capital investments. Management compensates for the limitations of using non-GAAP financial measures by using them to supplement GAAP results to provide a more complete understanding of the factors and trends affecting the business than GAAP results alone. Because not all companies use identical calculations, our presentation of EBITDA may not be comparable to similarly titled measures of other companies.

Table of Contents

Adjusted EBITDA is defined as EBITDA, adjusted to exclude net income attributable to noncontrolling interests, losses (gains) on sales of facilities, losses on retirement of debt, legal claim costs, gain on acquisition of controlling interest in equity investment and termination of management agreement. We believe Adjusted EBITDA is an important measure that supplements discussions and analysis of our results of operations. We believe it is useful to investors to provide disclosures of our results of operations on the same basis used by management. Management relies upon Adjusted EBITDA as the primary measure to review and assess operating performance of its hospital facilities and their management teams. Adjusted EBITDA target amounts are the performance measures utilized in our annual incentive compensation programs and are vesting conditions for a portion of our stock option grants. Management and investors review both the overall performance (GAAP net income attributable to HCA Holdings, Inc.) and operating performance (Adjusted EBITDA) of our health care facilities. Adjusted EBITDA and the Adjusted EBITDA margin (Adjusted EBITDA divided by revenues) are utilized by management and investors to compare our current operating results with the corresponding periods during the previous year and to compare our operating results with other companies in the health care industry. It is reasonable to expect that losses (gains) on sales of facilities and losses on retirement of debt will occur in future periods, but the amounts recognized can vary significantly from period to period, do not directly relate to the ongoing operations of our health care facilities and complicate period comparisons of our results of operations and operations comparisons with other health care companies. Adjusted EBITDA is not a measure of financial performance under accounting principles generally accepted in the United States, and should not be considered an alternative to net income attributable to HCA Holdings, Inc. as a measure of operating performance or cash flows from operating, investing and financing activities as a measure of liquidity. Because Adjusted EBITDA is not a measurement determined in accordance with generally accepted accounting principles and is susceptible to varying calculations, Adjusted EBITDA, as presented, may not be comparable to other similarly titled measures presented by other companies. There may be additional adjustments to Adjusted EBITDA under our agreements governing our material debt obligations, including the notes offered hereby.

EBITDA and Adjusted EBITDA are calculated as follows:

(dollars in millions)	Years ended December 31,		
	2013	2012	2011
Net income attributable to HCA Holdings, Inc.	\$ 1,556	\$ 1,605	\$ 2,465

Gain on acquisition of controlling interest in equity investment (v)			(1,522)
Termination of management agreement(vi)			181
Adjusted EBITDA	\$ 6,574	\$ 6,531	\$ 6,061

(i) Represents the add-back of net income attributable to noncontrolling interests.

(ii) Represents the add-back of losses and elimination of gains on sales of facilities.

(iii) Represents the add-back of losses on retirement of debt.

(iv) Represents the add-back of legal claim costs.

(v) Represents the elimination of gain on acquisition of controlling interest in equity investment.

(vi) Represents the add-back of termination of management agreement.

Edgar Filing: Parallon Credentialing Solutions, LLC - Form 424B3

- (2) The operating data set forth in this table includes only those facilities that are consolidated for financial reporting purposes.
- (3) Excludes facilities that are not consolidated (accounted for using the equity method) for financial reporting purposes.
- (4) Licensed beds are those beds for which a facility has been granted approval to operate from the applicable state licensing agency.
- (5) Represents the average number of licensed beds, weighted based on periods owned.
- (6) Represents the total number of patients admitted to our hospitals and is used by management and certain investors as a general measure of inpatient volume.
- (7) Equivalent admissions are used by management and certain investors as a general measure of combined inpatient and outpatient volume. Equivalent admissions are computed by multiplying admissions (inpatient volume) by the sum of gross inpatient revenues and gross outpatient revenues and then dividing the resulting amount by gross inpatient revenues. The equivalent admissions computation equates outpatient revenues to the volume measure (admissions) used to measure inpatient volume, resulting in a general measure of combined inpatient and outpatient volume.

Table of Contents

- (8) Represents the average number of days admitted patients stay in our hospitals.

- (9) Represents the average number of patients in our hospital beds each day.

- (10) Represents the percentage of hospital licensed beds occupied by patients. Both average daily census and occupancy rate provide measures of the utilization of inpatient rooms.

- (11) Represents the number of patients treated in our emergency rooms.

- (12) Represents the number of surgeries performed on patients who were not admitted to our hospitals. Pain management and endoscopy procedures are not included in outpatient surgeries.

- (13) Represents the number of surgeries performed on patients who have been admitted to our hospitals. Pain management and endoscopy procedures are not included in inpatient surgeries.

- (14) Revenues per day is calculated by dividing the revenues for the fourth quarter of each year by the days in the period. Days revenues in accounts receivable is then calculated as accounts receivable, net of the allowance for doubtful accounts, at the end of the period divided by revenues per day. Revenues as used in this computation is net of the provision for doubtful accounts.

- (15) Gross patient revenues are based upon our standard charge listing. Gross charges/revenues typically do not reflect what our hospital facilities are paid. Gross charges/revenues are reduced by the provision for doubtful accounts, contractual adjustments, discounts and charity care to determine reported revenues.

- (16) Represents the percentage of patient revenues related to patients who are not admitted to our hospitals.

- (17) We define working capital as current assets minus current liabilities.

Risk factors

You should carefully consider the Risk Factors set forth below as well as the other information contained or incorporated by reference in this prospectus supplement before purchasing the notes, including the Risk Factors section of our Annual Report on Form 10-K for the year ended December 31, 2013. This prospectus supplement contains forward-looking statements that involve risk and uncertainties. Any of the following risks could materially and adversely affect our business, financial condition or results of operations. Additional risks and uncertainties not currently known to us or those we currently view to be immaterial may also materially and adversely affect our business, financial condition or results of operations. In such a case, you may lose all or part of your original investment.

Risks related to the notes

Our substantial leverage could adversely affect our ability to raise additional capital to fund our operations, limit our ability to react to changes in the economy or our industry, expose us to interest rate risk to the extent of our variable rate debt and prevent us from meeting our obligations.

We are highly leveraged. As of December 31, 2013, on an as adjusted basis after giving effect to the credit facility amendment and the notes offered hereby and the use of proceeds therefrom, our total indebtedness would have been \$28.672 billion. As of December 31, 2013, on an as adjusted basis after giving effect to the credit facility amendment and the notes offered hereby and the use of proceeds therefrom, the Issuer would have had availability of \$1.942 billion under its senior secured revolving credit facility and \$60 million under its asset-based revolving credit facility, after giving effect to letters of credit and borrowing base limitations. Our high degree of leverage could have important consequences, including:

increasing our vulnerability to downturns or adverse changes in general economic, industry or competitive conditions and adverse changes in government regulations;

requiring a substantial portion of cash flow from operations to be dedicated to the payment of principal and interest on our indebtedness, therefore reducing our ability to use our cash flow to fund our operations, capital expenditures and future business opportunities;

exposing us to the risk of increased interest rates as certain of our unhedged borrowings are at variable rates of interest;

limiting our ability to make strategic acquisitions or causing us to make nonstrategic divestitures;

limiting our ability to obtain additional financing for working capital, capital expenditures, product or service line development, debt service requirements, acquisitions and general corporate or other purposes; and

limiting our ability to adjust to changing market conditions and placing us at a competitive disadvantage compared to our competitors who are less highly leveraged.

We have the ability to incur additional indebtedness in the future, subject to the restrictions contained in our senior secured credit facilities and the indentures governing our outstanding senior secured notes and the indentures governing the notes offered hereby. If new indebtedness is added to our current debt levels, the related risks that we now face could intensify.

Table of Contents

We may not be able to generate sufficient cash to service all of our indebtedness and may not be able to refinance our indebtedness on favorable terms. If we are unable to do so, we may be forced to take other actions to satisfy our obligations under our indebtedness, which may not be successful.

Our ability to make scheduled payments on or to refinance our debt obligations depends on our financial condition and operating performance, which are subject to prevailing economic and competitive conditions and to certain financial, business and other factors beyond our control. We cannot assure you we will maintain a level of cash flows from operating activities sufficient to permit us to pay the principal, premium, if any, and interest on our indebtedness.

In addition, we conduct our operations through our subsidiaries. Accordingly, repayment of our indebtedness is dependent on the generation of cash flow by our subsidiaries and their ability to make such cash available to us by dividend, debt repayment or otherwise. Except for subsidiaries that are or become guarantors of the notes, our subsidiaries will not have any obligation to pay amounts due on the notes or our other indebtedness or to make funds available for that purpose. Our subsidiaries may not be able to, or may not be permitted to, make distributions to enable us to make payments in respect of our indebtedness. The agreements governing the current and future indebtedness of the Issuer's subsidiaries may not permit the Issuer's subsidiaries to provide the Issuer with sufficient dividends, distributions or loans to fund scheduled interest and principal payments on these notes when due. The terms of our senior secured credit facilities and the indentures governing our outstanding notes significantly restrict the Issuer's and its subsidiaries from paying dividends and otherwise transferring assets to the Issuer. Each subsidiary is a distinct legal entity, and, under certain circumstances, legal and contractual restrictions may limit our ability to obtain cash from our subsidiaries.

We may find it necessary or prudent to refinance our outstanding indebtedness with longer-maturity debt at a higher interest rate. Our ability to refinance our indebtedness on favorable terms, or at all, is directly affected by the current global economic and financial conditions. In addition, our ability to incur secured indebtedness (which would generally enable us to achieve better pricing than the incurrence of unsecured indebtedness) depends in part on the value of our assets, which depends, in turn, on the strength of our cash flows and results of operations, and on economic and market conditions and other factors.

If our cash flows and capital resources are insufficient to fund our debt service obligations or we are unable to refinance our indebtedness, we may be forced to reduce or delay investments and capital expenditures, or to sell assets, seek additional capital or restructure our indebtedness. These alternative measures may not be successful and may not permit us to meet our scheduled debt service obligations. If our operating results and available cash are insufficient to meet our debt service obligations, we could face substantial liquidity problems and might be required to dispose of material assets or operations to meet our debt service and other obligations. We may not be able to consummate those dispositions, or the proceeds from the dispositions may not be adequate to meet any debt service obligations then due.

Our debt agreements contain restrictions that limit our flexibility in operating our business.

Our senior secured credit facilities and the indentures governing our outstanding notes contain, and the indentures governing the notes offered hereby will contain, various covenants that limit our ability to engage in specified types of transactions. These covenants limit our and certain of our subsidiaries' ability to, among other things:

incur additional indebtedness or issue certain preferred shares;

Table of Contents

pay dividends on, repurchase or make distributions in respect of our capital stock or make other restricted payments;

make certain investments;

sell or transfer assets;

create liens;

consolidate, merge, sell or otherwise dispose of all or substantially all of our assets; and

enter into certain transactions with our affiliates.

Under our asset-based revolving credit facility, when (and for as long as) the combined availability under our asset-based revolving credit facility and our senior secured revolving credit facility is less than a specified amount for a certain period of time or, if a payment or bankruptcy event of default has occurred and is continuing, funds deposited into any of our depository accounts will be transferred on a daily basis into a blocked account with the administrative agent and applied to prepay loans under the asset-based revolving credit facility and to cash collateralize letters of credit issued thereunder.

Under our senior secured credit facilities, we are required to satisfy and maintain specified financial ratios. Our ability to meet those financial ratios can be affected by events beyond our control, and there can be no assurance we will continue to meet those ratios. A breach of any of these covenants could result in a default under both the cash flow credit facility and the asset-based revolving credit facility. Upon the occurrence of an event of default under the senior secured credit facilities, the lenders thereunder could elect to declare all amounts outstanding under the senior secured credit facilities to be immediately due and payable and terminate all commitments to extend further credit. If we were unable to repay those amounts, the lenders under the senior secured credit facilities could proceed against the collateral granted to them to secure such indebtedness. We have pledged a significant portion of our assets under our senior secured credit facilities and that collateral is also pledged as collateral under our first lien notes. If any of the lenders under the senior secured credit facilities accelerate the repayment of borrowings, there can be no assurance there will be sufficient assets to repay the senior secured credit facilities, the first lien notes and the notes offered hereby.

Federal and state fraudulent transfer laws may permit a court to void the guarantees, and, if that occurs, you may not receive any payments on the notes.

Federal and state fraudulent transfer and conveyance statutes may apply to the issuance of the notes and the incurrence of the guarantees. Under federal bankruptcy law and comparable provisions of state fraudulent transfer or conveyance laws, which may vary from state to state, the notes or guarantees could be voided as a fraudulent transfer or conveyance if (1) we or any of the guarantors, as applicable, issued the notes or incurred the guarantees with the intent of hindering, delaying or defrauding creditors or (2) we or any of the guarantors, as applicable, received less than reasonably equivalent value or fair consideration in return for either issuing the notes or incurring the guarantees and, in the case of (2) only, one of the following is also true at the time thereof:

we or any of the guarantors, as applicable, were insolvent or rendered insolvent by reason of the issuance of the notes or the incurrence of the guarantees;

Table of Contents

the issuance of the notes or the incurrence of the guarantees left us or any of the guarantors, as applicable, with an unreasonably small amount of capital to carry on the business;

we or any of the guarantors intended to, or believed that we or such guarantor would, incur debts beyond our or such guarantor's ability to pay as they mature; or

we were or any of the guarantors was a defendant in an action for money damages, or had a judgment for money damages docketed against us or such guarantor if, in either case, after final judgment, the judgment was unsatisfied.

If a court were to find that the issuance of the notes or the incurrence of the guarantee was a fraudulent transfer or conveyance, the court could void the payment obligations under the notes or such guarantee or further subordinate the notes or such guarantee to presently existing and future indebtedness of ours or of the related guarantor, or require the holders of the notes to repay any amounts received with respect to such guarantee. In the event of a finding that a fraudulent transfer or conveyance occurred, you may not receive any repayment on the notes. Further, the voidance of the notes could result in an event of default with respect to our and our subsidiaries' other debt that could result in acceleration of such debt.

As a general matter, value is given for a transfer or an obligation if, in exchange for the transfer or obligation, property is transferred or an antecedent debt is secured or satisfied. A debtor will generally not be considered to have received value in connection with a debt offering if the debtor uses the proceeds of that offering to make a dividend payment or otherwise retire or redeem equity securities issued by the debtor.

We cannot be certain as to the standards a court would use to determine whether or not we or the guarantors were solvent at the relevant time or, regardless of the standard that a court uses, that the issuance of the guarantees would not be further subordinated to our or any of our guarantors' other debt. Generally, however, an entity would be considered insolvent if, at the time it incurred indebtedness:

the sum of its debts, including contingent liabilities, was greater than the fair saleable value of all its assets;

the present fair saleable value of its assets was less than the amount that would be required to pay its probable liability on its existing debts, including contingent liabilities, as they become absolute and mature; or

it could not pay its debts as they become due.

If we default on our obligations to pay our indebtedness, we may not be able to make payments on the notes.

Any default under the agreements governing our indebtedness, including a default under our senior secured credit facilities that is not waived by the required lenders or a default under the indentures governing our existing secured notes, and the remedies sought by the holders of such indebtedness, could prevent us from paying principal, premium, if any, and interest on the notes and substantially decrease the market value of the notes. If we are unable to generate sufficient cash flow and are otherwise unable to obtain funds necessary to meet required payments of principal, premium, if any, and interest on our indebtedness, or if we otherwise fail to comply with the various covenants, including financial and operating covenants, in the instruments governing our indebtedness (including covenants in our senior secured credit facilities, the

Table of Contents

indentures governing the existing secured notes and the indentures governing the notes), we could be in default under the terms of the agreements governing such indebtedness. In the event of such default, the holders of such indebtedness could elect to declare all the funds borrowed thereunder to be due and payable, together with accrued and unpaid interest, the lenders under our senior secured credit facilities could elect to terminate their commitments thereunder, cease making further loans and institute foreclosure proceedings against our assets, and we could be forced into bankruptcy or liquidation. If our operating performance declines, we may in the future need to obtain waivers from the required lenders under our senior secured credit facilities to avoid being in default. If we breach our covenants under our senior secured credit facilities and seek a waiver, we may not be able to obtain a waiver from the required lenders. If this occurs, we would be in default under the instrument governing that indebtedness, the lenders could exercise their rights, as described above, and we could be forced into bankruptcy or liquidation.

Your ability to transfer the notes may be limited by the absence of an active trading market, and there is no assurance that any active trading market will develop for the notes.

Each series of notes are a new issue of securities for which there is no established public market. The underwriters have advised us that they intend to make a market in the notes as permitted by applicable laws and regulations; however, the underwriters are not obligated to make a market in the notes, and they may discontinue their market-making activities at any time without notice. Therefore, we cannot assure you that an active market for the notes will develop or, if developed, that it will continue. Historically, the market for non investment-grade debt has been subject to disruptions that have caused substantial volatility in the prices of securities similar to the notes.

We cannot assure you that the market, if any, for the notes will be free from similar disruptions or that any such disruptions may not adversely affect the prices at which you may sell your notes. In addition, subsequent to their initial issuance, the notes may trade at a discount from their initial offering price, depending upon prevailing interest rates, the market for similar notes, our performance and other factors.

The Issuer may not be able to repurchase the notes upon a change of control.

Under certain circumstances, and upon the occurrence of specific kinds of change of control events, the Issuer will be required to offer to repurchase all outstanding notes at 101% of their principal amount plus accrued and unpaid interest. The source of funds for any such purchase of the notes will be the Issuer's available cash or cash generated from its subsidiaries' operations or other sources, including borrowings, sales of assets or sales of equity. The Issuer may not be able to repurchase the notes upon a change of control because the Issuer may not have sufficient financial resources to purchase all of the notes that are tendered upon a change of control. Further, the Issuer is contractually restricted under the terms of the senior secured credit facilities from repurchasing all of the notes tendered by holders upon a change of control. Accordingly, the Issuer may not be able to satisfy our obligations to purchase the notes unless it is able to refinance or obtain waivers under the instruments governing that indebtedness. The Issuer's failure to repurchase the notes upon a change of control would cause a default under the indentures and a cross-default under the instruments governing our senior secured credit facilities and the indentures governing the existing secured notes. The instruments governing the senior secured credit facilities also provide that a change of control will be a default that permits lenders to accelerate the maturity of borrowings thereunder. Any of the Issuer's future debt agreements may contain similar provisions.

Claims of noteholders will be structurally subordinated to claims of creditors of all of our non-U.S. subsidiaries and some of our U.S. subsidiaries because they will not guarantee the notes.

The notes will not be guaranteed by any of our non-U.S. subsidiaries, our less than wholly owned U.S. subsidiaries or certain other U.S. subsidiaries. Accordingly, claims of holders of the notes will be structurally subordinated to the claims of creditors of these non-guarantor subsidiaries, including trade creditors. All obligations of our non-guarantor subsidiaries will have to be satisfied before any of the assets of such subsidiaries would be available for distribution, upon a liquidation or otherwise, to us or a guarantor of the notes.

For the fiscal year ended December 31, 2013, on an as adjusted basis after giving effect to the notes offered hereby and the use of proceeds therefrom, our non-guarantor subsidiaries would have accounted for approximately \$16.402 billion, or 48.0%, of our total revenues and approximately \$3.199 billion, or 48.7%, of our total Adjusted EBITDA. As of December 31, 2013, our non-guarantor subsidiaries accounted for approximately \$14.925 billion, or 51.8%, of our total assets and approximately \$7.179 billion, or 20.1%, of our total liabilities.

The secured indebtedness under our senior secured asset-based revolving credit facility will be effectively senior to the notes to the extent of the value of the receivables collateral securing such facility on a first-priority basis.

Our asset-based revolving credit facility has a first-priority lien in the accounts receivable of our company and our domestic subsidiaries, with certain exceptions. Our other senior secured credit facilities and the first lien notes have, and the notes offered hereby will have, a second-priority lien in those receivables (except for those of certain special purpose subsidiaries that only guarantee and pledge their assets under our asset-based revolving credit facility). The indentures governing the existing secured notes permit, and the indentures governing the notes offered hereby will permit, us to incur additional indebtedness secured on a first-priority basis by such assets in the future. The first-priority liens in the collateral securing indebtedness under our asset-based revolving credit facility and any such future indebtedness will be higher in priority as to such collateral than the security interests securing the secured notes and the guarantees, including the notes offered hereby and the related guarantees. Holders of the indebtedness under our asset-based revolving credit facility and any other indebtedness secured by higher priority liens on such collateral will be entitled to receive proceeds from the realization of value of such collateral to repay such indebtedness in full before the holders of the notes will be entitled to any recovery from such collateral. As a result, holders of the notes will only be entitled to receive proceeds from the realization of value of assets securing our asset-based revolving credit facility on a higher priority basis after all indebtedness and other obligations under our asset-based revolving credit facility and any other obligations secured by higher priority liens on such assets are repaid in full. The notes will be effectively junior in right of payment to indebtedness under our asset-based revolving credit facility and any other indebtedness secured by higher priority liens on such collateral to the extent of the realizable value of such collateral. Even if there were receivables collateral or proceeds left over to pay the notes, the first lien notes and the cash flow credit facility after a foreclosure on that collateral and payment of the outstanding amounts under the asset-based revolving credit facility, that collateral would be subject to the first lien intercreditor agreement, and the representative of the lenders under the cash flow credit facility would initially control actions with respect to that collateral. See Even though the holders of the notes will benefit from a first-priority lien on the collateral that secures our cash flow credit facility and our first lien notes, the representative of the lenders under the cash flow credit facility will initially control actions with respect to that collateral.

Table of Contents

As of December 31, 2013, on an as adjusted basis after giving effect to the notes offered hereby, the notes offered hereby would have been effectively junior to \$2.440 billion of indebtedness outstanding under our asset-based revolving credit facility to the extent of the value of collateral securing such indebtedness.

The value of the collateral securing the notes may not be sufficient to satisfy our obligations under the notes.

No appraisal of the value of the collateral has been made in connection with this offering, and the fair market value of the collateral is subject to fluctuations based on factors that include, among others, general economic conditions and similar factors. The amount to be received upon a sale of the collateral would be dependent on numerous factors, including, but not limited to, the actual fair market value of the collateral at such time, the timing and the manner of the sale and the availability of buyers. By its nature, portions of the collateral may be illiquid and may have no readily ascertainable market value. In the event of a foreclosure, liquidation, bankruptcy or similar proceeding, the collateral may not be sold in a timely or orderly manner, and the proceeds from any sale or liquidation of this collateral may not be sufficient to pay our obligations under the notes.

To the extent that liens securing obligations under the senior secured credit facilities and the first lien notes, pre-existing liens, liens permitted under the indentures governing the notes offered hereby and other rights, including liens on excluded assets, such as those securing purchase money obligations and capital lease obligations granted to other parties (in addition to the holders of any other obligations secured by higher priority liens), encumber any of the collateral securing the notes and the guarantees, those parties have or may exercise rights and remedies with respect to the collateral that could adversely affect the value of the collateral and the ability of the collateral agent, the trustee under the indentures governing the notes offered hereby or the holders of the notes to realize or foreclose on the collateral.

The notes and the related guarantees will be secured, subject to permitted liens, by a first-priority lien in the collateral that secures our cash flow credit facility and our first lien notes on a first-priority basis and will share equally in right of payment to the extent of the value of such collateral securing such cash flow credit facility and first lien notes on a first-priority basis. The indentures governing the notes offered hereby will permit us to incur additional indebtedness secured by a lien that ranks equally with the notes. Any such indebtedness may further limit the recovery from the realization of the value of such collateral available to satisfy holders of the notes.

There may not be sufficient collateral to pay off all amounts we may borrow under our senior secured credit facilities, the first lien notes, the notes offered hereby and additional notes that we may offer that would be secured on the same basis as the notes offered hereby. Liquidating the collateral securing the notes may not result in proceeds in an amount sufficient to pay any amounts due under the notes after also satisfying the obligations to pay any creditors with prior liens. If the proceeds of any sale of collateral are not sufficient to repay all amounts due on the notes, the holders of the notes (to the extent not repaid from the proceeds of the sale of the collateral) would have only a senior unsecured, unsubordinated claim against our and the subsidiary guarantors' remaining assets.

Table of Contents

The lien ranking provisions of the indentures and other agreements relating to the collateral securing the notes on a second priority basis will limit the rights of holders of the notes with respect to that collateral, even during an event of default.

The rights of the holders of the notes with respect to the receivables collateral that secures the asset-based revolving credit facility on a first-priority basis and that secures our cash flow credit facility and our first lien notes, and will secure the notes offered hereby, on a second-priority basis will be substantially limited by the terms of the lien ranking agreements set forth in the indentures and the applicable receivables intercreditor agreement, even during an event of default. Under the indentures and the applicable receivables intercreditor agreement, at any time that obligations that have the benefit of the higher priority liens are outstanding, any actions that may be taken with respect to such collateral, including the ability to cause the commencement of enforcement proceedings against such collateral, to control the conduct of such proceedings and to approve amendments to releases of such collateral from the lien of, and waive past defaults under, such documents relating to such collateral, will be at the direction of the holders of the obligations secured by the first-priority liens, and the holders of the notes secured by lower-priority liens may be adversely affected.

In addition, the indentures and the applicable receivables intercreditor agreement will contain certain provisions benefiting holders of indebtedness under our asset-based revolving credit facility, including provisions requiring the trustee and the collateral agent not to object following the filing of a bankruptcy petition to certain important matters regarding the receivables collateral. After such filing, the value of this collateral could materially deteriorate, and holders of the notes would be unable to raise an objection.

The receivables collateral that will secure the notes and guarantees on a lower-priority basis will also be subject to any and all exceptions, defects, encumbrances, liens and other imperfections as may be accepted by the lenders under our asset-based revolving credit facility, whether on or after the date the notes and guarantees are issued. The existence of any such exceptions, defects, encumbrances, liens and other imperfections could adversely affect the value of the collateral securing the notes, as well as the ability of the collateral agent to realize or foreclose on such collateral. The underwriters have neither analyzed the effect of, nor participated in any negotiations relating to, such exceptions, defects, encumbrances, liens and imperfections, and the existence thereof could adversely affect the value of the collateral that will secure the notes as well as the ability of the collateral agent to realize or foreclose on such collateral.

Even though the holders of the notes will benefit from a first-priority lien on the collateral that secures our cash flow credit facility and our first lien notes, the representative of the lenders under the cash flow credit facility will initially control actions with respect to that collateral.

The rights of the holders of the notes with respect to the collateral that will secure the notes on a first-priority basis will be subject to a first lien intercreditor agreement among all holders of obligations secured by that collateral on a first-priority basis, including the obligations under our cash flow credit facility and our first lien notes. Under that intercreditor agreement, any actions that may be taken with respect to such collateral, including the ability to cause the commencement of enforcement proceedings against such collateral, to control such proceedings and to approve amendments to releases of such collateral from the lien of, and waive past defaults under, such documents relating to such collateral, will be at the direction of the authorized representative of the lenders under the cash flow credit facility until (1) our obligations under the cash flow credit facility are discharged (which discharge does not include

Table of Contents

certain refinancings of the cash flow credit facility) or (2) 90 days after the occurrence of an event of default under the indentures governing the first lien notes or the indentures governing the notes offered hereby. Under the circumstances described in clause (2) of the preceding sentence, the authorized representative of the holders of the indebtedness that represents the largest outstanding principal amount of indebtedness secured by a first-priority lien on the collateral (other than the cash flow credit facility) and has complied with the applicable notice provisions gains the right to take actions with respect to the collateral.

Even if the authorized representative of the notes offered hereby gains the right to direct the collateral agent in the circumstances described in clause (2) above, the authorized representative must stop doing so (and those powers with respect to the collateral would revert to the authorized representative of the lenders under the cash flow credit facility) if the lenders' authorized representative has commenced and is diligently pursuing enforcement action with respect to the collateral or the grantor of the security interest in that collateral (whether our company or the applicable subsidiary guarantor) is then a debtor under or with respect to (or otherwise subject to) an insolvency or liquidation proceeding.

In addition, the senior secured credit facilities permit, the indentures governing the existing secured notes permit and the indentures governing the notes offered hereby will permit us to issue additional series of secured notes that also have a first-priority lien on the same collateral. As explained above, any time that the representative of the lenders under the cash flow credit facility does not have the right to take actions with respect to the collateral pursuant to the first lien intercreditor agreement, that right passes to the authorized representative of the holders of the next largest outstanding principal amount of indebtedness secured by a first-priority lien on the collateral. If we issue additional first lien notes in the future in a greater principal amount than the notes offered hereby, then the authorized representative for those additional secured notes would be earlier in line to exercise rights under the first lien intercreditor agreement than the authorized representative for the notes offered hereby.

Under the first lien intercreditor agreement, the authorized representative of the holders of the notes offered hereby may not object following the filing of a bankruptcy petition to any debtor-in-possession financing or to the use of the shared collateral to secure that financing, subject to conditions and limited exceptions. After such a filing, the value of this collateral could materially deteriorate, and holders of the notes would be unable to raise an objection.

The collateral that will secure the notes and guarantees on a first-priority basis will also be subject to any and all exceptions, defects, encumbrances, liens and other imperfections as may be accepted by the authorized representative of the lenders under our cash flow credit facility or of a series of first lien notes during any period that such authorized representative controls actions with respect to the collateral pursuant to the first lien intercreditor agreement. The existence of any such exceptions, defects, encumbrances, liens and other imperfections could adversely affect the value of the collateral securing the notes as well as the ability of the collateral agent to realize or foreclose on such collateral for the benefit of the holders of the notes. The underwriters have neither analyzed the effect of, nor participated in any negotiations relating to, such exceptions, defects, encumbrances, liens and imperfections, and the existence thereof could adversely affect the value of the collateral that will secure the notes as well as the ability of the collateral agent to realize or foreclose on such collateral for the benefit of the holders of the notes.

Table of Contents

We will in most cases have control over the collateral, and the sale of particular assets by us could reduce the pool of assets securing the notes and the guarantees.

The collateral documents allow us to remain in possession of, retain exclusive control over, freely operate, and collect, invest and dispose of any income from, the collateral securing the notes and the guarantees, except, under certain circumstances, cash transferred to accounts controlled by the administrative agent under our asset-based revolving credit facility.

In addition, we will not be required to comply with all or any portion of Section 314(d) of the Trust Indenture Act of 1939 (the Trust Indenture Act) if we determine, in good faith based on advice of counsel, that, under the terms of that Section and/or any interpretation or guidance as to the meaning thereof of the SEC and its staff, including no action letters or exemptive orders, all or such portion of Section 314(d) of the Trust Indenture Act is inapplicable to the released collateral. For example, so long as no default or event of default under the indenture would result therefrom and such transaction would not violate the Trust Indenture Act, we may, among other things, without any release or consent by the indenture trustee, conduct ordinary course activities with respect to collateral, such as selling, factoring, abandoning or otherwise disposing of collateral and making ordinary course cash payments (including repayments of indebtedness). See Description of the Notes.

There are circumstances other than repayment or discharge of the notes under which the collateral securing the notes and guarantees will be released automatically, without your consent or the consent of the trustee.

Under various circumstances, collateral securing the notes will be released automatically, including:

a sale, transfer or other disposal of such collateral in a transaction not prohibited under the indentures;

with respect to collateral held by a guarantor, upon the release of such guarantor from its guarantee;

with respect to collateral that is capital stock, upon the dissolution of the issuer of such capital stock in accordance with the indentures;

with respect to any receivables collateral in which the notes have a second-priority lien, upon any release by the lenders under our asset-based revolving credit facility of their first-priority security interest in such collateral; provided that, if the release occurs in connection with a foreclosure or exercise of remedies by the collateral agent for the lenders under our asset-based revolving credit facility, the lien on that collateral will be automatically released but any proceeds thereof not used to repay the obligations under our asset-based revolving credit facility will be subject to a lien in favor of the collateral agent for the secured noteholders and our cash flow credit facility;

with respect to the collateral upon which the notes have a first-priority lien, upon any release by the lenders under the cash flow credit facility (including in connection with a foreclosure or exercise of remedies with respect to that collateral directed by the authorized representative of the lenders under our cash flow credit facility during any period that such authorized representative controls actions with respect to the collateral pursuant to the first lien intercreditor agreement); and

Table of Contents

the collateral securing the notes will be released once the notes achieve investment grade ratings from Moody's Investors Service, Inc. and Standard & Poor's Rating Services, and at such time no default or event of default has occurred and is continuing. Even though the holders of the notes share ratably with the lenders under our cash flow credit facility, the authorized representative of the lenders under our cash flow credit facility will initially control actions with respect to the collateral, whether or not the holders of the notes agree or disagree with those actions. See Even though the holders of the notes will benefit from a first-priority lien on the collateral that secures our cash flow credit facility and our first lien notes, the representative of the lenders under the cash flow credit facility will initially control actions with respect to that collateral.

In addition, the guarantee of a subsidiary guarantor will be automatically released to the extent it is released under the senior secured credit facilities or in connection with a sale of such subsidiary guarantor in a transaction not prohibited by the indenture.

The indenture will also permit us to designate one or more of our restricted subsidiaries that is a guarantor of the notes as an unrestricted subsidiary. If we designate a subsidiary guarantor as an unrestricted subsidiary for purposes of the indentures governing the notes, all of the liens on any collateral owned by such subsidiary or any of its subsidiaries and any guarantees of the notes by such subsidiary or any of its subsidiaries will be released under the indenture but not necessarily under our senior secured credit facilities. Designation of an unrestricted subsidiary will reduce the aggregate value of the collateral securing the notes to the extent that liens on the assets of the unrestricted subsidiary and its subsidiaries are released. In addition, the creditors of the unrestricted subsidiary and its subsidiaries will have a senior claim on the assets of such unrestricted subsidiary and its subsidiaries. See Description of the Notes.

The imposition of certain permitted liens will cause the assets on which such liens are imposed to be excluded from the collateral securing the notes and the guarantees. There are also certain other categories of property that are excluded from the collateral.

The indenture will permit liens in favor of third parties to secure additional debt, including purchase money indebtedness and capital lease obligations, and any assets subject to such liens will be automatically excluded from the collateral securing the notes and the guarantees. Our ability to incur purchase money indebtedness and capital lease obligations is subject to the limitations as described in Description of the Notes. In addition, certain categories of assets are excluded from the collateral securing the notes and the guarantees. Excluded assets include the assets of our non-guarantor subsidiaries and equity investees, certain capital stock and other securities of our subsidiaries and equity investees, certain properties that do not secure our senior secured credit facilities (including certain European collateral), deposit accounts, other bank or securities accounts, cash, leaseholds and motor vehicles, and the proceeds from any of the foregoing. Also, the lien on properties defined as principal properties under our existing indenture dated as of December 16, 1993, so long as that indenture remains in effect, will be limited to securing a portion of the indebtedness under our cash flow credit facility, the first lien notes and the notes offered hereby that, in the aggregate, does not exceed 10% of our consolidated net tangible assets. See Description of the Notes. If an event of default occurs and the notes are accelerated, the notes and the guarantees will rank equally with the holders of other unsubordinated and unsecured indebtedness of the relevant entity with respect to such excluded property.

Table of Contents

As of December 31, 2013, our non-guarantor subsidiaries accounted for approximately \$14.925 billion, or 51.8%, of our total assets and approximately \$7.179 billion, or 20.1%, of our total liabilities.

The pledge of the capital stock, other securities and similar items of our subsidiaries that secure the notes will automatically be released from the lien on them and no longer constitute collateral for so long as the pledge of such capital stock or such other securities would require the filing of separate financial statements with the SEC for that subsidiary.

The notes and the guarantees will be secured by a pledge of the stock of some of our subsidiaries. Under the SEC regulations in effect as of the issue date of the notes, if the par value, book value as carried by us or market value (whichever is greatest) of the capital stock, other securities or similar items of a subsidiary pledged as part of the collateral is greater than or equal to 20% of the aggregate principal amount of the notes then outstanding, such subsidiary would be required to provide separate financial statements to the SEC. Therefore, the indenture and the collateral documents provide that any capital stock and other securities of any of our subsidiaries will be excluded from the collateral for so long as the pledge of such capital stock or other securities to secure the notes would cause such subsidiary to be required to file separate financial statements with the SEC pursuant to Rule 3-16 of Regulation S-X (as in effect from time to time).

As a result, holders of the notes could lose a portion or all of their security interest in the capital stock or other securities of those subsidiaries during such period. It may be more difficult, costly and time-consuming for holders of the notes to foreclose on the assets of a subsidiary than to foreclose on its capital stock or other securities, so the proceeds realized upon any such foreclosure could be significantly less than those that would have been received upon any sale of the capital stock or other securities of such subsidiary. See Description of the Notes Security.

Your rights in the collateral may be adversely affected by the failure to perfect security interests in certain collateral in the future.

Applicable law requires that certain property and rights acquired after the grant of a general security interest, such as real property, equipment subject to a certificate and certain proceeds, can only be perfected at the time such property and rights are acquired and identified. The trustee or the collateral agent may not monitor, or we may not inform the trustee or the collateral agent of, the future acquisition of property and rights that constitute collateral, and necessary action may not be taken to properly perfect the security interest in such after-acquired collateral. The collateral agent for the notes has no obligation to monitor the acquisition of additional property or rights that constitute collateral or the perfection of any security interest in favor of the notes against third parties. Such failure may result in the loss of the security interest therein or the priority of the security interest in favor of the notes against third parties.

In addition, the documentation related to the notes will provide that the Issuer is obligated to deliver mortgage amendments and related documentation to the collateral agent for the notes within 90 days after the notes are issued in order to provide the holders of such notes a perfected security interest in certain real property we own. Until such time as such mortgage amendments and related documentation are delivered, if at all, such real estate and the value thereof will not constitute collateral securing the notes.

Moreover, in connection with the delivery of the mortgage amendments, we are not required to cause the title insurance policies insuring the existing mortgages to be endorsed in favor of the

Table of Contents

collateral agent for the benefit of the holders of the notes. Accordingly, there is no independent assurance that no intervening liens exist, which would have priority over the mortgage liens in favor of the collateral agent for the benefit of the holders of the notes.

The collateral is subject to casualty risks.

We intend to maintain insurance or otherwise insure against hazards in a manner appropriate and customary for our business. There are, however, certain losses that may be either uninsurable or not economically insurable, in whole or in part. Insurance proceeds may not compensate us fully for our losses. If there is a complete or partial loss of any of the pledged collateral, the insurance proceeds may not be sufficient to satisfy all of the secured obligations, including the notes and the guarantees.

In the event of our bankruptcy, the ability of the holders of the notes to realize upon the collateral will be subject to certain bankruptcy law limitations.

The ability of holders of the notes to realize upon the collateral will be subject to certain bankruptcy law limitations in the event of our bankruptcy. Under applicable U.S. federal bankruptcy laws, secured creditors are prohibited from repossessing their security from a debtor in a bankruptcy case without bankruptcy court approval and may be prohibited from disposing of security repossessed from such a debtor without bankruptcy court approval. Moreover, applicable federal bankruptcy laws generally permit the debtor to continue to retain collateral, including cash collateral, even though the debtor is in default under the applicable debt instruments, provided that the secured creditor is given adequate protection.

The meaning of the term adequate protection may vary according to the circumstances, but is intended generally to protect the value of the secured creditor's interest in the collateral at the commencement of the bankruptcy case and may include cash payments or the granting of additional security if and at such times as the court, in its discretion, determines that a diminution in the value of the collateral occurs as a result of the stay of repossession or the disposition of the collateral during the pendency of the bankruptcy case. In view of the lack of a precise definition of the term adequate protection and the broad discretionary powers of a U.S. bankruptcy court, we cannot predict whether or when the collateral agent for the notes could foreclose upon or sell the collateral or whether or to what extent holders of notes would be compensated for any delay in payment or loss of value of the collateral through the requirement of adequate protection.

Moreover, the collateral agent may need to evaluate the impact of the potential liabilities before determining to foreclose on collateral consisting of real property, if any, because secured creditors that hold a security interest in real property may be held liable under environmental laws for the costs of remediating or preventing the release or threatened release of hazardous substances at such real property. Consequently, the collateral agent may decline to foreclose on such collateral or exercise remedies available in respect thereof if it does not receive indemnification to its satisfaction from the holders of the notes.

Use of proceeds

We estimate that our net proceeds from this offering, after deducting underwriter discounts and commissions and estimated offering expenses, will be approximately \$2.967 billion.

We intend to use the net proceeds from the notes offered hereby to redeem all of our outstanding \$1.500 billion 8 ¹/₂% senior secured notes due 2019 and all of our outstanding \$1.250 billion 7 ⁷/₈% senior secured notes due 2020, to pay related fees and expenses and for general corporate purposes.

Certain of the underwriters and/or their affiliates may be holders of our 8 ¹/₂% senior secured notes due 2019 and our 7 ⁷/₈% senior secured notes due 2020 and, accordingly, may receive a portion of the net proceeds of this offering in connection with the redemption of those notes. See Underwriting.

Description of other indebtedness

The summaries set forth below are qualified in their entirety by the actual text of the applicable agreements and indentures, each of which has been filed with the SEC and which may be obtained on publicly available websites at the addresses set forth under Available Information.

Senior secured credit facilities

The senior secured credit facilities provided senior secured financing of \$10.098 billion at December 31, 2013 after giving effect to the credit facility amendment, consisting of:

\$5.598 billion-equivalent in term loan facilities, comprised of a \$512 million senior secured term loan A-2 facility maturing on May 2, 2016, a \$724 million senior secured term loan A-4 facility maturing on February 2, 2016, a \$2.367 billion senior secured term loan B-4 facility maturing on May 1, 2018, and a \$1.995 billion senior secured term loan B-5 facility maturing March 31, 2017; and

\$4.500 billion in revolving credit facilities, comprised of a \$2.500 billion senior secured asset-based revolving credit facility available in dollars maturing on September 30, 2016 and a \$2.000 billion senior secured revolving credit facility available in dollars, euros and pounds sterling currently maturing on February 26, 2019. Availability under the asset-based revolving credit facility is subject to a borrowing base of 85% of eligible accounts receivable less customary reserves.

We refer to these senior secured credit facilities, excluding the asset-based revolving credit facility, as the cash flow credit facility and, collectively with the asset-based revolving credit facility, the senior secured credit facilities. The asset-based revolving credit facility is documented in a separate loan agreement from the other senior secured credit facilities.

HCA Inc. is the primary borrower under the senior secured credit facilities. The revolving credit facilities include capacity available for the issuance of letters of credit and for borrowings on same-day notice, referred to as the swingline loans. A portion of the letter of credit availability under the cash-flow revolving credit facility is available in euros and pounds sterling. Lenders under the cash flow credit facility are subject to a loss sharing agreement pursuant to which, upon the occurrence of certain events, including a bankruptcy event of default under the cash flow credit facility, each such lender will automatically be deemed to have exchanged its interest in a particular tranche of the cash flow credit facility for a pro rata percentage in all of the tranches of the cash flow credit facility.

On February 16, 2007, the cash flow credit facility was amended to reduce the applicable margins with respect to the term borrowings thereunder. On June 20, 2007, the asset-based revolving credit facility was amended to reduce the applicable margin with respect to borrowings thereunder.

On March 2, 2009, the cash flow credit facility was amended to allow for one or more future issuances of additional secured notes, which may include notes that are secured on a *pari passu* basis or on a junior basis with the obligations under the cash flow credit facility, so long as (1) such notes do not require, subject to certain exceptions, scheduled repayments, payment of principal or redemption prior to the scheduled term loan B-1 maturity date, (2) the terms of such notes, taken as a whole, are not more restrictive than those in the cash flow credit facility and (3) no subsidiary of HCA Inc. that is not a U.S. guarantor is an obligor of such additional secured

notes, and such notes are not secured by any European collateral securing the cash flow credit facility. The U.S. security documents related to the cash flow credit facility were also amended and restated in connection with the amendment in order to give effect to the security interests to be granted to holders of such additional secured notes.

On March 2, 2009, the asset-based revolving credit facility was amended to allow for one or more future issuances of additional secured notes or loans, which may include notes or loans that are secured on a *pari passu* basis or on a junior basis with the obligations under the cash flow credit facility, so long as (1) such notes or loans do not require, subject to certain exceptions, scheduled repayments, payment of principal or redemption prior to the scheduled term loan B-1 maturity date, (2) the terms of such notes or loans, as applicable, taken as a whole, are not more restrictive than those in the cash flow credit facility and (3) no subsidiary of HCA Inc. that is not a U.S. guarantor is an obligor of such additional secured notes. The amendment to the asset-based revolving credit facility also altered the excess facility availability requirement to include a separate minimum facility availability requirement applicable to the asset-based revolving credit facility and increased the applicable LIBOR and asset-based revolving margins for all borrowings under the asset-based revolving credit facility by 0.25% each.

On June 18, 2009, the cash flow credit facility was amended to permit unlimited refinancings of the term loans initially incurred in November 2006 under the cash flow credit facility (the *initial term loans*), as well as any previously incurred refinancing term loans through the incurrence of new term loans under the cash flow credit facility (*refinancing term loans*), (collectively, with the initial term loans, the *then-existing term loans*), and to permit the establishment of one or more series of commitments under replacement cash flow revolvers under the cash flow credit facility (*replacement revolver*) to replace all or a portion of the revolving commitments initially established in November 2006 under the cash flow credit facility (the *initial revolver*) as well as any previously issued replacement revolvers (with no more than three series of revolving commitments to be outstanding at any time) in each case, subject to the terms described below. The amendment to the cash flow credit facility further permits the maturity date of any then-existing term loan to be extended (any such loans so extended, the *extended term loans*). The amendment to the cash flow credit facility provides that:

As to refinancing term loans, (1) the proceeds from such refinancing term loans be used to repay in full the initial term loans before being used to repay any previously issued refinancing term loans; (2) the refinancing term loans mature no earlier than the latest maturity date of any of the initial term loans; (3) the weighted average life to maturity for the refinancing term loans be no shorter than the remaining weighted average life to maturity of the tranche B term loan under the cash flow credit facility measured at the time such refinancing term loans are incurred; and (4) refinancing term loans will not share in mandatory prepayments resulting from the creation or issuance of extended term loans and/or first lien notes until the initial term loans are repaid in full but will share in other mandatory prepayments such as those from asset sales.

As to replacement revolvers, the terms of such replacement revolver be substantially identical to the commitments being replaced, other than with respect to maturity, size of any swingline loan and/or letter of credit subfacilities and pricing.

As to extended term loans, (1) any offer to extend must be made to all lenders under the term loan being extended, and, if such offer is oversubscribed, the extension will be allocated ratably to the lenders according to the respective amounts then held by the accepting lenders;

Table of Contents

(2) each series of extended term loans having the same interest margins, extension fees and amortization schedule shall be a separate class of term loans; and (3) extended term loans will not share in mandatory prepayments resulting from the creation or issuance of refinancing term loans and/or first lien notes until the initial term loans are repaid in full but will share in other mandatory prepayments such as those from asset sales.

Any refinancing term loans and any obligations under replacement revolvers will have a *pari passu* claim on the collateral securing the initial term loans and the initial revolver.

On April 6, 2010, the cash flow credit facility was amended to (i) extend the maturity date for \$2.0 billion of the tranche B term loans from November 17, 2013 to March 31, 2017 and (ii) increase the ABR margin and LIBOR margin with respect to such extended term loans to 2.25% and 3.25%, respectively. The maturity date, interest margins and fees, as applicable, with respect to all other loans, and all commitments and letters of credit, outstanding under the cash flow credit facility remain unchanged.

On November 8, 2010, an amended and restated joinder agreement was entered into with respect to the cash flow credit facility to establish a new replacement revolving credit series, which will mature on November 17, 2015. Under the amended and restated joinder agreement, these replacement revolving credit commitments became effective upon completion of our initial public offering.

On May 4, 2011, the cash flow credit facility and asset-based revolving credit facility were amended and restated, respectively, to, among other things, (i) permit HCA Inc. and its restricted subsidiaries to issue new unsecured and second lien notes so long as (x) HCA Inc. would be, following such issuance, in compliance with its maintenance covenants under the respective credit facilities, (y) the maturity of the new notes is later than the final maturity date and (z) the covenants of the new notes are no more restrictive than those under HCA Inc.'s existing second lien notes, (ii) allow HCA Inc. and its restricted subsidiaries to issue new first lien notes and first lien term loans, subject to a maximum first lien leverage ratio of 3.75 to 1.00, so long as (x) HCA Inc. complies with the same covenant restrictions that apply to the issuance of new unsecured and second lien notes described above and (y) the maturity of the new first lien debt is later than the final maturity date and (iii) revise the change of control definition to provide that, in addition to acquiring, on a fully diluted basis, at least 35% of HCA Inc.'s voting stock, a third party must also acquire, on a fully diluted basis, ownership of HCA Inc.'s voting stock greater than that then held by those equity holders of HCA Holdings, Inc. that existed prior to HCA Holdings, Inc.'s initial public offering in order to trigger a change of control.

In addition to the amendments described above, the asset-based revolving credit facility was amended to (A) remove restrictions on the prepayment of second lien, senior unsecured or subordinated debt, and the making of restricted payments, investments and dividends, subject to the satisfaction of certain payment conditions, which include a minimum borrowing availability, and a minimum consolidated EBITDA to consolidated interest coverage ratio of 1.50 to 1.00 and (B) add a general investment basket of \$500.0 million which is not subject to the payment conditions.

In addition to the amendments described above, the cash flow credit facility was amended to remove restrictions on the prepayment of second lien, senior unsecured or subordinated debt and increase the general investment basket from \$1.5 billion to the greater of (i) \$3.0 billion or (ii) 12% of HCA Inc.'s total assets.

Table of Contents

The cash flow credit facility was also amended to (i) extend the maturity date of \$594 million of HCA Inc. s term loan A facility from November 17, 2012 to May 2, 2016 and increase the ABR margin and LIBOR margin with respect to such extended term loans to 1.50% and 2.50%, respectively and (ii) extend the maturity date of \$537 million of HCA Inc. s term loan A facility from November 17, 2012 to May 1, 2018 and \$1.836 billion of HCA Inc. s term loan B-1 facility from November 17, 2013 to May 1, 2018 and increase the ABR margin and LIBOR margin with respect to such extended term loans to 2.25% and 3.25%, respectively.

On September 30, 2011, HCA Inc. refinanced its asset-based revolving credit facility. The new asset-based credit agreement refinances and replaces HCA Inc. s previous asset-based revolving credit agreement and, among other things, provides for the following changes: (i) increases the amount of the facility from \$2,000 million to \$2,500 million, (ii) increases the letter of credit commitment from \$200 million to \$250 million and the swingline loan commitment from \$100 million to \$125 million, (iii) extends the maturity of the facility from November 16, 2012 to September 30, 2016, (iv) modifies the leverage-based pricing grid, increasing the applicable margin from 1.25% to 1.50% at our current leverage ratio, which would be reduced to 1.25% upon our leverage ratio being lower than 3.50:1.00, (v) changes the calculation of the commitment fee from a leverage based calculation to a utilization threshold of the credit facility, (vi) provides for additional flexibility in the calculation of the borrowing base as it relates to eligible accounts outstanding 181 days or more from the original invoice date, self-pay accounts and potential Medicaid accounts, (vii) increases the threshold for ability to make investments, dividends or repayment of junior debt from having to maintain excess global availability of at least \$250 million or excess facility availability of \$125 million to the greater of (1) 10% of the lesser of the aggregate commitments outstanding under the credit agreement or the borrowing base effective at any time of determination and (2) \$325 million, (viii) increases the threshold for triggering a cash dominion event from failure to maintain excess global availability of at least \$250 million or excess facility availability of \$125 million to the greater of (1) 10% of the lesser of the aggregate commitments outstanding under the credit agreement or the borrowing base effective at any time of determination and (2) \$325 million, in each case for five consecutive business days and (ix) increases the threshold for triggering a springing interest coverage ratio of less than 1.50:1.00 from failure to maintain excess facility availability of at least 10% of the borrowing base to the greater of (1) 10% of the lesser of the aggregate commitments outstanding under the ABL Credit Agreement or the borrowing base effective at any time of determination and (2) \$325 million.

On April 25, 2012, the cash flow credit facility was amended to extend the maturity dates of (i) approximately \$75 million of the A-1 facility and (ii) approximately \$651 million of the B-1 facility by converting such amounts into an A-3 facility with a maturity date of February 2, 2016 and with ABR margin and LIBOR margin of 2.25% and 3.25%, respectively. The maturity date, interest margins and fees, as applicable, with respect to all other loans, and all commitments and letters of credit, outstanding under the cash flow credit facility remain unchanged.

On October 22, 2012, HCA Inc. replaced its \$2.000 billion senior secured revolving credit facility maturing on November 17, 2015 with a new facility on substantially the same terms which (i) foregoes the scheduled increase to the applicable margins with respect to revolving borrowings under the facility that was previously scheduled to take effect on November 17, 2012 and (ii) extends the maturity date to November 17, 2016.

On April 25, 2013, HCA Inc. entered into a joinder agreement to the cash flow credit facility to replace its existing term loan B-3 facility with a new term loan B-4 loan on substantially the same

Table of Contents

terms, other than to lower pricing, such that borrowings under the term loan B-4 facility will have an ABR margin and LIBOR margin of 1.75% and 2.75%, respectively.

On May 3, 2013, HCA Inc. entered into a joinder agreement to the cash flow credit facility to replace its existing term loan B-2 facility with a new term loan B-5 loan on substantially the same terms, other than to lower pricing, such that borrowings under the term loan B-5 facility will have an ABR margin and LIBOR margin of 1.75% and 2.75%, respectively.

On May 22, 2013, HCA Inc. entered into a joinder agreement to the cash flow credit facility to replace its existing term loan A-3 facility with a new term loan A-4 loan on substantially the same terms, other than to lower pricing, such that borrowings under the term loan A-4 facility will have an ABR margin and LIBOR margin of 1.50% and 2.50%, respectively.

On February 26, 2014, the cash flow credit facility was amended and restated to extend the maturity date of the revolving credit commitments thereunder to February 26, 2019. In addition, the cash flow credit facility was amended to, among other things, (i) permit debt to be incurred by non-guarantor restricted subsidiaries in an aggregate principal amount at any time outstanding not to exceed \$2.0 billion, (ii) remove the restriction on assumed debt which sets forth a maximum amount of Scheduled Inside Payments (as defined in the cash flow credit facility) after giving effect to the incurrence thereof, (iii) increase the basket for debt incurred by foreign subsidiaries from 2.5% of total assets of foreign subsidiaries to 5.0% of total assets of the borrower and its domestic and foreign subsidiaries and (iv) amend the \$6.6 billion general disposition basket to only apply during any five year rolling period beginning on the effective date of the respective amendments and restatements.

In addition to the amendments described above, the cash flow credit facility was amended to, among other things, (A) include leverage based step-downs to the percentage of the net cash proceeds of certain asset sales that are required to be applied to prepay term loans and (B) permit certain investments, dividends and distributions subject to compliance with a pro forma total net leverage ratio of HCA Inc. and its restricted subsidiaries of less than or equal to 4.25:1.00.

Interest rate and fees

Borrowings under the senior secured credit facilities bear interest at a rate equal to, at HCA Inc.'s option, either (a) LIBOR for deposits in the applicable currency plus an applicable margin or (b) the higher of (1) the prime rate of Bank of America, N.A. and (2) the federal funds effective rate plus 0.50%, plus an applicable margin. The applicable margins in effect for borrowings as of December 31, 2013 are (i) under the asset-based revolving credit facility, 0.50% with respect to base rate borrowings and 1.50% with respect to LIBOR borrowings, (ii) under the senior secured revolving credit facility, 0.50% with respect to base rate borrowings and 1.50% with respect to LIBOR borrowings, (iii) under the term loan A-2 facility, 1.50% with respect to base rate borrowings and 2.50% with respect to LIBOR borrowings, (iv) under the term loan A-4 facility, 1.50% with respect to base rate borrowings and 2.50% with respect to LIBOR borrowings, (v) under the term loan B-4 facility, 1.75% with respect to base rate borrowings and 2.75% with respect to LIBOR borrowings, and (vi) under the term loan B-5 facility, 1.75% with respect to base rate borrowings and 2.75% with respect to LIBOR borrowings. The applicable margins with respect to the asset-based revolving credit facility and senior secured revolving facility may be reduced or increased depending on HCA Inc.'s leverage ratios.

In addition to paying interest on outstanding principal under the senior secured credit facilities, HCA Inc. is required to pay a commitment fee to the lenders under the revolving credit facilities in respect of the unutilized commitments thereunder. The commitment fee rate as of

Table of Contents

December 31, 2013 is 0.375% per annum for the revolving credit facility and 0.25% for the asset-based revolving credit facility. The commitment fee rates for the revolving credit facility may fluctuate due to changes in specified leverage ratios. The commitment fee rates for the asset-based revolving credit facility may fluctuate due to the utilization threshold of the asset-based credit facility. HCA Inc. must also pay customary letter of credit fees.

Prepayments

The cash flow credit facility requires HCA Inc. to prepay outstanding term loans, subject to certain exceptions, with:

50% (which percentage will be reduced to 25% if HCA Inc.'s total leverage ratio is 5.50x or less and to 0% if HCA Inc.'s total leverage ratio is 5.00x or less) of HCA Inc.'s annual excess cash flow;

100% (which percentage will be reduced to 50% if HCA Inc.'s total leverage ratio is 3.25x or less and to 0% if HCA Inc.'s total leverage ratio is 2.50x or less) of the compensation for any casualty event, proceeds from permitted sale-leasebacks and the net cash proceeds of all nonordinary course asset sales or other dispositions of property, other than the Receivables Collateral, as defined below, if HCA Inc. does not (1) reinvest or commit to reinvest those proceeds in assets to be used in our business or to make certain other permitted investments within 15 months as long as, in the case of any such commitment to reinvest or make certain other permitted investments, such investment is completed within such 15-month period or, if later, within 180 days after such commitment is made or (2) apply such proceeds within 15 months to repay debt of HCA Inc. that was outstanding on the effective date of the Recapitalization scheduled to mature prior to the earliest final maturity of the senior secured credit facilities then outstanding; and

100% of the net cash proceeds of any incurrence of debt, other than proceeds from the receivables facilities and other debt permitted under the senior secured credit facilities.

The foregoing mandatory prepayments are applied among the term loan facilities pro rata to such facilities, with amounts allocated to each facility being applied pro rata among the term loan A-2 facility, the term loan A-4 facility, the term loan B-4 facility and the term loan B-5 facility based upon the applicable remaining repayment amounts due thereunder. Notwithstanding the foregoing, HCA Inc. is not required to prepay loans under the term loan A facility or the term loan B facility with net cash proceeds of asset sales or with excess cash flow, in each case attributable to foreign subsidiaries, to the extent that the repatriation of such amounts is prohibited or delayed by applicable local law or would result in material adverse tax consequences.

The asset-based revolving credit facility requires HCA Inc. to prepay outstanding loans if borrowings exceed the borrowing base.

HCA Inc. may voluntarily repay outstanding loans under the senior secured credit facilities at any time without premium or penalty, other than customary breakage costs with respect to LIBOR loans.

Table of Contents

Amortization

HCA Inc. is required to repay the loans under the term loan facilities as follows:

the term loan A-2 facility amortizes in equal quarterly installments that commenced on June 30, 2011 in amounts equal to 1.25% of the amount outstanding, on the effective date of such facility, with the balance being payable on the final maturity date of such term loans;

the term loan A-4 facility amortizes in equal quarterly installments that commenced on December 31, 2013 in amounts equal to 0.25% of the amount outstanding, on the effective date of such facility, with the balance being payable on the final maturity date of such term loans;

the term loan B-4 facility amortizes in equal quarterly installments that commenced on December 31, 2013 in amounts equal to 0.25% of the amount outstanding, on the effective date of such facility, with the balance being payable on the final maturity date of such term loans; and

the term loan B-5 facility amortizes in equal quarterly installments that commenced on December 31, 2013 in amounts equal to \$5,000,000, on the effective date of such facility, with the balance being payable on the final maturity date of such term loans.

Principal amounts outstanding under the revolving credit facilities are due and payable in full at maturity.

Guarantee and security

All obligations under the senior secured credit facilities are unconditionally guaranteed by substantially all existing and future, direct and indirect, wholly owned material domestic subsidiaries that are unrestricted subsidiaries under the 1993 Indenture (except for certain special purpose subsidiaries that only guarantee and pledge their assets under the asset-based revolving credit facility), subject to any applicable legal, regulatory or contractual constraints and to the requirement that such guarantee does not cause adverse tax consequences.

All obligations under the asset-based revolving credit facility, and the guarantees of those obligations, are secured, subject to permitted liens and other exceptions, by a first-priority lien on substantially all of the receivables of the borrowers and each guarantor under such asset-based revolving credit facility (the Receivables Collateral).

All obligations under the cash flow credit facility and the guarantees of such obligations, are secured, subject to permitted liens and other exceptions, by:

a first-priority lien on the capital stock owned by HCA Inc. or by any guarantor in each of their respective first-tier subsidiaries (limited, in the case of foreign subsidiaries, to 65% of the voting stock of such subsidiaries);

a first-priority lien on substantially all present and future assets of HCA Inc. and of each guarantor other than (i) Principal Properties (as defined in the 1993 Indenture), except for certain Principal Properties the aggregate amount of indebtedness secured thereby in respect of the cash flow credit facility and the first lien notes and any future first lien obligations, taken as a whole, do not exceed 10% of Consolidated Net Tangible Assets (as defined under the 1993 Indenture), (ii) certain other real properties and (iii) deposit accounts, other bank or securities accounts, cash, leaseholds, motor-vehicles and certain other exceptions

Table of Contents

(such collateral under this and the preceding bullet, the Non-Receiveables Collateral); and

a second-priority lien on certain of the Receivables Collateral (such portion of the Receivables Collateral, the Shared Receivables Collateral ; the Receivables Collateral that does not secure such cash flow credit facility on a second-priority basis is referred to as the Separate Receivables Collateral).

Certain covenants and events of default

The senior secured credit facilities contain a number of covenants that, among other things, restrict, subject to certain exceptions, HCA Inc. s ability and the ability of its restricted subsidiaries to:

incur additional indebtedness;

create liens;

enter into sale and leaseback transactions;

engage in mergers or consolidations;

sell or transfer assets;

pay dividends and distributions or repurchase capital stock;

make investments, loans or advances;

with respect to the asset-based revolving credit facility, prepay certain subordinated indebtedness, the second lien notes and certain other indebtedness existing on the effective date of the Recapitalization (Retained Indebtedness), subject to certain exceptions;

make certain acquisitions;

engage in certain transactions with affiliates;

make certain material amendments to agreements governing certain subordinated indebtedness, the second lien notes or Retained Indebtedness; and

change lines of business.

In addition, the senior secured credit facilities require the following financial covenants to be maintained:

Edgar Filing: Parallon Credentialing Solutions, LLC - Form 424B3

in the case of the asset-based revolving credit facility, a minimum interest coverage ratio (applicable only when availability under such facility is less than the greater of (x) 10% of the lesser of the outstanding commitments and the borrowing base thereunder and (y) \$325.0 million); and

in the case of the other senior secured credit facilities, a maximum total leverage ratio.

The senior secured credit facilities also contain certain customary affirmative covenants and events of default, including a change of control.

Senior secured notes

Overview of senior secured first lien notes

As of December 31, 2013, HCA Inc. had \$9.750 billion aggregate principal amount of senior secured first lien notes consisting of:

\$1.500 billion aggregate principal amount of 8 ¹/₂% senior secured notes due 2019 issued on April 22, 2009 at a price of 96.755% of their face value, resulting in \$1.451 billion of gross proceeds;

\$1.250 billion aggregate principal amount of 7 ⁷/₈% senior secured notes due 2020 issued on August 11, 2009 at a price of 98.254% of their face value, resulting in \$1.228 billion of gross proceeds;

\$1.400 billion aggregate principal amount of 7 ¹/₄% senior secured first lien notes due 2020 issued on March 10, 2010 at a price of 99.095% of their face value, resulting in \$1.387 billion of gross proceeds;

\$3.000 billion aggregate principal amount of 6.50% senior secured first lien notes due 2020 issued on August 1, 2011 at a price of 100% of their face value, resulting in \$3.000 billion of gross proceeds;

\$1.350 billion aggregate principal amount of 5.875% senior secured first lien notes due 2022 issued on February 16, 2012 at a price of 100% of their face value, resulting in \$1.350 billion of gross proceeds; and

\$1.250 billion aggregate principal amount of 4.75% senior secured first lien notes due 2023 issued on October 23, 2012 at a price of 100% of their face value, resulting in \$1.250 billion of gross proceeds.

We refer to these notes issued on April 22, 2009, August 11, 2009, March 10, 2010, August 1, 2011, February 16, 2012, and October 23, 2012 as the secured notes and the indentures governing the first lien notes as the indentures governing the secured notes.

The secured notes and the related guarantees are secured by first-priority liens, subject to permitted liens, on HCA Inc.'s subsidiary guarantors assets, subject to certain exceptions, that secure HCA Inc.'s cash flow credit facility on a first-priority basis and are secured by second-priority liens, subject to permitted liens, on HCA Inc.'s subsidiary guarantors assets that secure HCA Inc.'s asset-based revolving credit facility on a first-priority basis and HCA Inc.'s cash flow credit facility on a second-priority basis.

Optional redemption

The indentures governing the secured notes permit HCA Inc. to redeem some or all of the secured notes at any time at redemption prices described or set forth in the respective indenture.

We intend to use the proceeds from this offering to optionally redeem all of our outstanding senior secured notes issued on April 22, 2009 and August 11, 2009. See Use of Proceeds.

Change of control

In addition, the indentures governing the secured notes provide that, upon the occurrence of a change of control as defined therein, each holder of secured notes has the right to require us to

Table of Contents

repurchase some or all of such holder's secured notes at a purchase price in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to the repurchase date.

Covenants

The indentures governing the secured notes contain covenants limiting, among other things, HCA Inc.'s ability and the ability of its restricted subsidiaries to, subject to certain exceptions:

- incur additional debt or issue certain preferred stock;
- pay dividends on or make certain distributions of capital stock or make other restricted payments;
- create certain liens or encumbrances;
- sell certain assets;
- enter into certain transactions with affiliates;
- make certain investments; and
- consolidate, merge, sell or otherwise dispose of all or substantially all of our assets.

The extent of such restrictions varies by series.

Events of default

The indentures governing the secured notes also provide for events of default which, if any of them occur, would permit or require the principal of and accrued interest on the secured notes to become or to be declared due and payable.

Other secured indebtedness

As of December 31, 2013, HCA Inc. had approximately \$448 million of capital leases and other secured debt outstanding.

Under the lease with HRT of Roanoke, Inc., effective December 20, 2005, HCA Inc. makes annual payments for rent and additional expenses for the use of premises in Roanoke and Salem, Virginia. The rent payments will increase each year beginning January 1, 2007 by the lesser of 3% or the change in the Consumer Price Index. The lease is for a fixed term of 12 years with the option to extend the lease for another ten years.

Under the lease with Medical City Dallas Limited, effective March 18, 2004, HCA Inc. makes annual payments for rent for the use of premises that are a part of a complex known as Medical City Dallas located in Dallas, Texas. The rent payment is adjusted yearly based on the fair market value of the premises and a capitalization rate. The initial term is 240 months with the option to extend for two more terms of 240 months each.

Unsecured indebtedness

As of December 31, 2013, HCA Inc. had outstanding an aggregate principal amount of \$7.427 billion of senior notes and debentures, consisting of the following series:

- \$500,000,000 aggregate principal amount of 5.75% Senior Notes due 2014;
- \$150,000,000 aggregate principal amount of 7.19% Debentures due 2015;
- \$750,000,000 aggregate principal amount of 6.375% Senior Notes due 2015;
- \$1,000,000,000 aggregate principal amount of 6.50% Senior Notes due 2016;
- \$500,000,000 aggregate principal amount of 8.00% Senior Notes due 2018;
- \$2,000,000,000 aggregate principal amount of 7.50% Senior Notes due 2022;

Table of Contents

\$135,645,000 aggregate principal amount of 7.50% Debentures due 2023;
\$1,250,000,000 aggregate principal amount of 5.875% Senior Notes due 2023;
\$150,000,000 aggregate principal amount of 8.36% Debentures due 2024;
\$291,436,000 aggregate principal amount of 7.69% Senior Notes due 2025;
\$150,000,000 aggregate principal amount of 7.05% Debentures due 2027;
\$250,000,000 aggregate principal amount of 7.50% Senior Notes due 2033;
\$100,000,000 aggregate principal amount of 7.75% Debentures due 2036; and
\$200,000,000 aggregate principal amount of 7.50% Debentures due 2095.

As of December 31, 2013, HCA Inc. also had outstanding \$121,110,000 aggregate principal amount of 9.00% Medium Term Notes due 2014 and \$125,000,000 aggregate principal amount of 7.58% Medium Term Notes due 2025.

All of HCA Inc.'s outstanding series of senior notes, debentures and medium term notes listed above, which we refer to collectively as the 1993 unsecured notes, were issued under an indenture, which we refer to as the 1993 Indenture, with the exception of the \$1,250,000,000 aggregate principal amount of senior notes due 2023, the \$2,000,000,000 aggregate principal amount of 7.50% senior notes due 2022 and the \$500,000,000 aggregate principal amount of 8.00% senior notes due 2018, which were issued under a separate indenture (the new Indenture) with terms similar to the 1993 Indenture. We refer to the 1993 Indenture and the new indenture as the Indentures, collectively.

Optional redemption

If permitted by the respective supplemental indenture, HCA Inc. is permitted to redeem some or all of that series of unsecured notes at any time at redemption prices described or set forth in such supplemental indenture.

Covenants

The Indentures contain covenants limiting, among other things, HCA Inc.'s ability and/or the ability of HCA Inc.'s restricted subsidiaries to (subject to certain exceptions):

assume or guarantee indebtedness or obligation secured by mortgages, liens, pledges or other encumbrances;

enter into sale and lease-back transactions with respect to any Principal Property (as such term is defined in the 1993 Indenture);

create, incur, issue, assume or otherwise become liable with respect to, extend the maturity of, or become responsible for the payment of, any debt or preferred stock; and

consolidate, merge, sell or otherwise dispose of all or substantially all of HCA Inc.'s assets.

In addition, the Indentures provide that the aggregate amount of all other indebtedness of HCA Inc. secured by mortgages on Principal Properties (as such term is defined in the 1993 Indenture) together with the aggregate principal amount of all indebtedness of restricted subsidiaries (as such term is defined in the 1993 Indenture) and the attributable debt in respect of sale-leasebacks of Principal Properties, may not exceed 15% of the consolidated net tangible assets of HCA Inc. and its consolidated subsidiaries, subject to exceptions for certain permitted mortgages and debt.

Table of Contents

Events of default

The Indentures contain certain events of default, which, if any of them occurs, would permit or require the principal of and accrued interest on such series to become or to be declared due and payable.

Change of control

In addition, the new Indenture provides that, upon the occurrence of a change of control as defined therein, each holder of the notes has the right to require us to repurchase some or all of such holder's secured notes at a purchase price in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to the repurchase date.

Unsecured indebtedness of HCA Holdings, Inc.

Overview

On November 23, 2010, HCA Holdings, Inc. issued \$1.525 billion aggregate principal amount of 7³/₄% senior notes due 2021 at a price of 100% of their face value, resulting in \$1.525 billion of gross proceeds. On December 6, 2012, HCA Holdings, Inc. issued \$1.000 billion aggregate principal amount of 6.25% senior notes due 2021 at a price of 100% of their face value, resulting in \$1.000 billion of gross proceeds. We refer to these notes collectively as the outstanding 2021 notes and the indentures governing the outstanding 2021 notes as the 2021 notes indentures.

Ranking

The outstanding 2021 notes are HCA Holdings, Inc.'s senior unsecured obligations and rank equally in right of payment with all of its future unsecured and unsubordinated indebtedness, rank senior in right of payment to any of its future subordinated indebtedness, and are structurally subordinated in right of payment to indebtedness of HCA Holdings, Inc.'s subsidiaries, including HCA Inc. The outstanding 2021 notes are not guaranteed by any of HCA Holdings, Inc.'s subsidiaries, including HCA Inc. HCA Holdings, Inc.'s future secured indebtedness and other future secured obligations will be effectively senior to the outstanding 2021 notes to the extent of the value of the assets securing such other indebtedness and other obligations.

Optional redemption

The 2021 notes indentures permit HCA Holdings, Inc. to redeem some or all of the applicable outstanding 2021 notes at any time at redemption prices described or set forth in the respective indenture.

Change of control

Upon the occurrence of a change of control, which is defined in the 2021 notes indentures, each holder of the outstanding 2021 notes has the right to require HCA Holdings, Inc. to repurchase some or all of such holder's notes at a purchase price in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to the repurchase date.

Table of Contents

Covenants

The 2021 notes indentures contain covenants limiting, among other things, HCA Holdings, Inc.'s ability and the ability of its restricted subsidiaries to (subject to certain exceptions):

- create liens on certain assets to secure debt;
- enter into certain sale and lease-back transactions; and
- consolidate, merge, sell or otherwise dispose of all or substantially all of HCA Holdings, Inc.'s assets.

Events of default

The 2021 notes indentures contain certain events of default, which, if any of them occurs, would permit or require the principal of and accrued interest on the outstanding 2021 notes to become or to be declared due and payable.

Description of the notes

The following description of the particular terms of the % Senior Secured Notes due 2019 (the *2019 Notes*) and of the % Senior Secured Notes due 2024 (the *2024 Notes*), which are collectively referred to in this description as the *Notes*, supplements, and to the extent inconsistent therewith replaces, the description of the general terms and provisions of the debt securities set forth under *Description of Debt Securities and Guarantees* in the attached prospectus. In this description of the notes, all references to *we*, *us* or *our* and the *Company* are to HCA Inc. only (the *Issuer*) and not to HCA Holdings, Inc. (*Holdings*) or any of its Subsidiaries. References in this description of the notes to *Holdings* or the *Parent Guarantor* refer only to Holdings and not to its Subsidiaries or the Issuer.

The Issuer will issue each series of Notes under an indenture, dated as of August 1, 2011, among the Issuer, Holdings and Law Debenture Trust Company of New York, as *Trustee* and Deutsche Bank Trust Company Americas, as Paying Agent, Registrar and Transfer Agent, as supplemented by a supplemental indenture. The supplemental indentures will set forth certain specific terms applicable to the respective series of Notes, and references to the *Indenture* in this description mean the Indenture as so amended and supplemented by the applicable supplemental indenture. This description is intended to be an overview of the material provisions of the Notes and the Indenture. This summary is not complete and is qualified in its entirety by reference to the Indenture. You should carefully read the summary below, the description of the general terms and provisions of our debt securities set forth in the accompanying base prospectus under *Description of Debt Securities and Guarantees* and the provisions of the Indenture that may be important to you before investing in the Notes. Capitalized terms defined in the accompanying base prospectus or in the Indenture have the same meanings when used in this description unless updated herein. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939, as amended. You may request copies of the Indenture at the address set forth under the heading *Summary*. A form of the indenture has been filed as an exhibit to the registration statement of which this prospectus supplement is a part and can be obtained as indicated under *Available Information*.

Brief description of notes

The Notes:

will be general senior obligations of the Issuer;

will be secured on a first-priority basis, equally and ratably with all existing and future obligations of the Issuer and the Guarantors under any existing and future First Lien Obligations, by all of the assets of the Issuer and the Guarantors which secure the General Credit Facility, subject to the Liens securing the Issuer's and the Guarantors' ABL Obligations and other Permitted Liens;

will be secured on a second-priority basis, equally and ratably with all existing and future obligations of the Issuer and the Guarantors under any existing and future First Lien Obligations, by all of the assets of the Issuer and the Guarantors securing the ABL Facility which also secure the General Credit Facility, subject to the Liens securing the Issuer's and the Guarantors' ABL Obligations and other Permitted Liens;

will be effectively subordinated to the Issuer's and the Guarantors' obligations under the ABL Facility, to the extent of the value of the Shared Receivables Collateral;

S-46

Table of Contents

will be effectively subordinated to any obligations secured by Permitted Liens, to the extent of the value of the assets of the Issuer and the Guarantors subject to those Permitted Liens;

will be structurally subordinated to any existing and future indebtedness and liabilities of non-guarantor Subsidiaries, including the ABL Financing Entities and the Issuer's Foreign Subsidiaries and any Unrestricted Subsidiaries;

will rank equally in right of payment with all existing and future senior Indebtedness of the Issuer and the Guarantors but, to the extent of the value of the Collateral, will be effectively senior to all of the Issuer's and the Guarantors' unsecured senior Indebtedness (including the Existing Notes) and any future Junior Lien Obligations;

will be senior in right of payment to any future Subordinated Indebtedness (as defined with respect to the Notes) of the Issuer; and

will be initially unconditionally guaranteed on a joint and several and senior basis by each Restricted Subsidiary that guarantees the General Credit Facility (other than any Foreign Subsidiary).

The Parent Guarantee (as described below) is:

the unsecured obligation of Holdings (in such capacity, the *Parent Guarantor*);

equal in right of payment to with all of the Parent Guarantor's existing and future indebtedness that is not subordinated in right of payment to its Parent Guarantee (including the Parent Guarantor's existing 7¹/₄% senior notes due 2021 and existing 6.25% senior notes due 2021);

senior in right of payment to any future Subordinated Indebtedness of the Parent Guarantor;

effectively subordinated in right of payment to all of the Parent Guarantor's future indebtedness that is secured by Liens on its assets, to the extent of the value of the assets securing such indebtedness; and

structurally subordinated in right of payment to all Indebtedness of the Parent Guarantor's Subsidiaries (other than the Issuer).

Guarantees

The Guarantors, as primary obligors and not merely as sureties, will initially jointly and severally fully and unconditionally guarantee, on a senior basis, the performance and full and punctual payment when due, whether at maturity, by acceleration or otherwise, of all obligations of the Issuer under the Indenture and the Notes, whether for payment of principal of, premium, if any, or interest in respect of the Notes, expenses, indemnification or otherwise, on the terms set forth in the Indenture by executing the Indenture.

The Restricted Subsidiaries which guarantee the General Credit Facility will initially guarantee the Notes. Each of the Guarantees of the Notes will be a general senior obligation of each Guarantor and will be secured by a first-priority lien on all of the assets of each Guarantor which secure the General Credit Facility and by a second-priority lien on all of the assets of each Guarantor which secure the ABL Facility. The Guarantees will rank equally in right of payment with all existing and future senior Indebtedness of the Guarantor but, to the extent of the value of the Collateral, will

Table of Contents

be effectively senior to all of the Guarantor's unsecured senior Indebtedness and Junior Lien Obligations and, to the extent of the Shared Receivables Collateral, will be effectively subordinated to the Guarantor's Obligations under the ABL Facility and any future ABL Obligations. The Guarantees will be senior in right of payment to all existing and future Subordinated Indebtedness of each Guarantor. The Notes will be structurally subordinated to Indebtedness and other liabilities of Subsidiaries of the Issuer that do not Guarantee the Notes.

Not all of the Issuer's Subsidiaries will Guarantee the Notes. In the event of a bankruptcy, liquidation or reorganization of any of these non-guarantor Subsidiaries, the non-guarantor Subsidiaries will pay the holders of their debt and their trade creditors before they will be able to distribute any of their assets to the Issuer. None of our Subsidiaries which are *Restricted Subsidiaries* for purposes of the Existing Notes Indenture, Foreign Subsidiaries, ABL Financing Entities, non-Wholly Owned Subsidiaries or any Receivables Subsidiaries will guarantee the Notes. As of and for the fiscal year ended December 31, 2013, on an as adjusted basis after giving effect to the issuance of the notes offered hereby and the use of proceeds therefrom, our non-guarantor Subsidiaries would have accounted for approximately \$16.402 billion, or 48.0%, of our total revenues, and approximately \$3.199 billion, or 48.7%, of our total Adjusted EBITDA, and approximately \$14.925 billion, or 51.8%, of our total assets, and approximately \$7.179 billion, or 20.1%, of our total liabilities.

The obligations of each Guarantor under its Guarantee will be limited as necessary to prevent the Guarantee from constituting a fraudulent conveyance under applicable law.

Any entity that makes a payment under its Guarantee will be entitled upon payment in full of all guaranteed obligations under the Indenture to a contribution from each other Guarantor in an amount equal to such other Guarantor's pro rata portion of such payment based on the respective net assets of all the Guarantors at the time of such payment determined in accordance with GAAP.

If a Guarantee were rendered voidable, it could be subordinated by a court to all other indebtedness (including guarantees and other contingent liabilities) of the Guarantor, and, depending on the amount of such indebtedness, a Guarantor's liability on its Guarantee could be reduced to zero. See *Risk Factors* *Risks Related to the Notes* Federal and state fraudulent transfer laws may permit a court to void the guarantees, and, if that occurs, you may not receive any payment on the notes.

Each Guarantee by a Guarantor will provide by its terms that it will be automatically and unconditionally released and discharged upon:

- (a) any sale, exchange or transfer (by merger or otherwise) of the Capital Stock of such Guarantor (including any sale, exchange or transfer), after which the applicable Guarantor is no longer a Restricted Subsidiary or all or substantially all the assets of such Guarantor, which sale, exchange or transfer is made in compliance with the applicable provisions of the Indenture;
- (b) the release or discharge of the guarantee by such Guarantor of the Senior Credit Facilities or such other guarantee that resulted in the creation of such Guarantee, except a discharge or release by or as a result of payment under such guarantee;
- (c) the designation of any Restricted Subsidiary that is a Guarantor as an Unrestricted Subsidiary in compliance with the applicable provisions of the Indenture;

Table of Contents

- (d) the occurrence of an Investment Grade Rating Event (as described below); or
- (e) the exercise by the Issuer of its legal defeasance option or covenant defeasance option as described under *Defeasance* or the discharge of the Issuer's obligations under the Indenture in accordance with the terms of the Indenture; and
- (f) such Guarantor delivering to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that all conditions precedent provided for in the Indenture relating to such transaction have been complied with.

Holding company structure

The Issuer is a holding company for its Subsidiaries, with no material operations of its own and only limited assets. Accordingly, the Issuer is dependent upon the distribution of the earnings of its Subsidiaries, whether in the form of dividends, advances or payments on account of intercompany obligations, to service its debt obligations.

Parent guarantee

We are a Subsidiary of Holdings. Holdings will, as primary obligor and not merely as surety, irrevocably and fully and unconditionally guarantee (the *Parent Guarantee* and Holdings in such capacity, the *Parent Guarantor*), on an unsecured senior basis, the punctual payment when due, whether at maturity, by acceleration or otherwise, of all monetary obligations of the Issuer under the Indenture and the Notes, whether for principal or interest on the Notes, expenses, indemnification or otherwise (all such obligations guaranteed by the Parent Guarantor being herein called the *Parent Guaranteed Obligations*).

The Parent Guarantee shall be a continuing guarantee and shall (i) subject to the next two paragraphs, remain in full force and effect until payment in full of the principal amount of all outstanding Notes (whether by payment at maturity, purchase, redemption, defeasance, retirement or other acquisition) and all other applicable Parent Guaranteed Obligations of the Parent Guarantor then due and owing, (ii) be binding upon the Parent Guarantor and (iii) inure to the benefit of and be enforceable by the Trustee, the Holders and their permitted successors, transferees and assigns.

The Parent Guarantor will automatically and unconditionally be released from all obligations under its Parent Guarantee, and its Parent Guarantee will thereupon terminate and be discharged and of no further force of effect, (i) upon any merger or consolidation of such Parent Guarantor with the Issuer, (ii) upon legal or covenant defeasance of the Issuer's obligations under, or satisfaction and discharge of, the Indenture, or (iii) subject to customary contingent reinstatement provisions, upon payment in full of the aggregate principal amount of all Notes then outstanding and all other applicable Parent Guaranteed Obligations of the Parent Guarantor then due and owing.

Upon any such occurrence specified in the preceding paragraph, the Trustee shall execute upon request by the Issuer, any documents reasonably required in order to evidence such release, discharge and termination in respect of the Parent Guarantee. Neither the Issuer nor the Parent Guarantor shall be required to make a notation on the Notes to reflect the Parent Guarantee or any such release, termination or discharge.

Table of Contents

Security general

The Notes and the Guarantees, together with all other First Lien Obligations, will be secured by perfected first-priority security interests in the Non-Receivables Collateral and by perfected second-priority security interests in the Shared Receivables Collateral (second in priority to the first-priority Liens on the Shared Receivables Collateral securing the ABL Obligations), in each case, subject to Permitted Liens. Notwithstanding the foregoing, neither the Notes nor the Guarantees will be secured by the Separate Receivables Collateral. The ABL Secured Parties have rights and remedies with respect to the Shared Receivables Collateral that, if exercised, could adversely affect the value of the Shared Receivables Collateral or the ability of the respective agents under the Intercreditor Agreements to realize or foreclose on the Shared Receivables Collateral on behalf of the First Lien Secured Parties. First Lien Secured Parties other than the Holders of the Notes have rights and remedies with respect to the Collateral that, if exercised, could also adversely affect the value of the Collateral on behalf of the Holders of the Notes, particularly the rights described below under First Lien Intercreditor Agreement. For a description of the Shared Receivables Collateral and the Non-Receivables Collateral, see Description of Other Indebtedness Senior Secured Credit Facilities Guarantee and Security.

The Security Documents will provide that the Company is obligated to deliver to the First Lien Collateral Agent within 90 days of the Issue Date (a) counterparts of amendments to the Mortgages securing the General Credit Facility and the Existing First Priority Notes, duly executed and delivered by the First Lien Collateral Agent and the record owner of each applicable mortgaged property and otherwise suitable for recording and in form and substance sufficient to grant to the First Lien Collateral Agent for the benefit of the First Lien Secured Parties a valid mortgage lien on such real property and (b) title searches confirming that there are no Liens of record in violation of the applicable Mortgage. In connection with the delivery of the amendments to the Mortgages, the Issuer is not required to cause the title insurance policies insuring the existing Mortgages to be endorsed in favor of the First Lien Collateral Agent for the benefit of the holders of the Notes. Accordingly, there is no independent assurance that no intervening Liens exist which would have priority over the Liens created by the Mortgages in favor of the First Lien Collateral Agent for the benefit of the holders of the Notes.

The Issuer and the Guarantors are and will be able to incur additional Indebtedness in the future which could share in the Collateral, including Additional First Lien Obligations, additional ABL Obligations, additional Junior Lien Obligations and Obligations secured by Permitted Liens. The amount of such additional Obligations is and will be limited by the covenant described under Certain Covenants Liens. Under certain circumstances, the amount of any such additional Obligations could be significant.

After-acquired collateral

From and after the Issue Date and subject to certain limitations and exceptions, (a) if the Issuer or any Guarantor creates any additional security interest upon any property or asset that would constitute Collateral to secure any First Lien Obligations (other than Separate Receivables Collateral), it must concurrently grant a first-priority perfected security interest (subject to Permitted Liens) upon such property as security for the Notes and (b) if the Issuer or any Guarantor creates any additional security interest upon any property or asset that would constitute Shared Receivables Collateral to secure any ABL Obligations, it must concurrently grant a second-priority perfected security interest (subject to Permitted Liens) upon such property as security for the Notes.

Table of Contents

Liens with respect to the collateral

The Issuer, the Guarantors and the First Lien Collateral Agent entered into Security Documents in connection with the General Credit Facility and the Existing First Priority Notes with respect to the Collateral defining the terms of the security interests that secure the General Credit Facility and the Existing First Priority Notes with respect to such Collateral and that will define the terms of the security interests that secure the Notes and the Guarantees with respect to such Collateral. These security interests will secure the payment and performance when due of all of the Obligations of the Issuers and the Guarantors under the Notes, the Indenture, the Guarantees and the Security Documents, as provided in the Security Documents.

First Lien intercreditor agreement

The First Lien Collateral Agent has entered into, and the Trustee, as authorized representative for the Holders of the Notes, will consent to, a First Lien Intercreditor Agreement (as the same may be amended from time to time, the *First Lien Intercreditor Agreement*) with the Authorized Representative of the General Credit Facility Obligations with respect to the Collateral, which may be amended from time to time without the consent of the Holders to add other parties holding First Lien Obligations permitted to be incurred under the Indenture, General Credit Facility, the Existing First Priority Notes Indentures and the First Lien Intercreditor Agreement. The First Lien Collateral Agent is initially the collateral agent under the General Credit Facility.

Under the First Lien Intercreditor Agreement, as described below, the *Applicable Authorized Representative* has the right to direct foreclosures and take other actions with respect to the Common Collateral, and the Authorized Representatives of other Series of First Lien Obligations have no right to take actions with respect to the Common Collateral. The Applicable Authorized Representative will initially be the administrative agent under the General Credit Facility, and the Trustee for the Holders, as Authorized Representative in respect of the Notes, will have no rights to take any action under the First Lien Intercreditor Agreement.

The administrative agent under the General Credit Facility will remain the Applicable Authorized Representative until the earlier of (1) the Discharge of General Credit Facility Obligations and (2) the Non-Controlling Authorized Representative Enforcement Date (such date, the *Applicable Authorized Agent Date*). After the Applicable Authorized Agent Date, the Applicable Authorized Representative will be the Authorized Representative of the Series of Additional First Lien Obligations that constitutes the largest outstanding principal amount of any then outstanding Series of First Lien Obligations, other than the General Credit Facility Obligations, with respect to the Common Collateral (the *Major Non-Controlling Authorized Representative*).

The *Non-Controlling Authorized Representative Enforcement Date* is the date that is 90 days (throughout which 90-day period the applicable Authorized Representative was the Major Non-Controlling Authorized Representative) after the occurrence of both (a) an event of default, as defined in the Indenture or other applicable indenture for that Series of First Lien Obligations, and (b) the First Lien Collateral Agent's and each other Authorized Representative's receipt of written notice from that Authorized Representative certifying that (i) such Authorized Representative is the Major Non-Controlling Authorized Representative and that an event of default, as defined in the Indenture or other applicable indenture for that Series of First Lien Obligations, has occurred and is continuing and (ii) the First Lien Obligations of that Series are

Table of Contents

currently due and payable in full (whether as a result of acceleration thereof or otherwise) in accordance with the Indenture or other applicable indenture for that Series of First Lien Obligations; *provided* that the Non-Controlling Authorized Representative Enforcement Date shall be stayed and shall not occur and shall be deemed not to have occurred with respect to any Shared Collateral (1) at any time the administrative agent under the General Credit Facility or the First Lien Collateral Agent has commenced and is diligently pursuing any enforcement action with respect to such Common Collateral or (2) at any time the Issuer or the Guarantor that has granted a security interest in such Common Collateral is then a debtor under or with respect to (or otherwise subject to) any insolvency or liquidation proceeding.

The Applicable Authorized Representative shall have the sole right to instruct the First Lien Collateral Agent to act or refrain from acting with respect to the Common Collateral, (b) the First Lien Collateral Agent shall not follow any instructions with respect to such Common Collateral from any representative of any Non-Controlling Secured Party or other First Lien Secured Party (other than the Applicable Authorized Representative), and (c) no Authorized Representative of any Non-Controlling Secured Party or other First Lien Secured Party (other than the Applicable Authorized Representative) will instruct the First Lien Collateral Agent to commence any judicial or non-judicial foreclosure proceedings with respect to, seek to have a trustee, receiver, liquidator or similar official appointed for or over, attempt any action to take possession of, exercise any right, remedy or power with respect to, or otherwise take any action to enforce its interests in or realize upon, or take any other action available to it in respect of, the Common Collateral.

Notwithstanding the equal priority of the Liens, the First Lien Collateral Agent, acting on the instructions of the Applicable Authorized Representative, may deal with the Common Collateral as if such Applicable Authorized Representative had a senior Lien on such Collateral. No representative of any Non-Controlling Secured Party may contest, protest or object to any foreclosure proceeding or action brought by the First Lien Collateral Agent, Applicable Authorized Representative or Controlling Secured Party. The Trustee and each other Authorized Representative will agree that it will not accept any Lien on any Collateral for the benefit of the Holders (other than funds deposited for the discharge or defeasance of the Notes) other than pursuant to the First Lien Security Documents. Each of the New First Lien Secured Parties also will agree that it will not contest or support any other person in contesting, in any proceeding (including any insolvency or liquidation proceeding), the perfection, priority, validity or enforceability of a Lien held by or on behalf of any of the New First Lien Secured Parties in all or any part of the Collateral, or the provisions of the First Lien Intercreditor Agreement.

If a First Lien Event of Default has occurred and is continuing and the First Lien Collateral Agent is taking action to enforce rights in respect of any Common Collateral, or any distribution is made with respect to any Common Collateral in any bankruptcy case of the Issuer or any Guarantor, the proceeds of any sale, collection or other liquidation of any such Collateral by the First Lien Collateral Agent or any other First Lien Secured Party (or received pursuant to any other intercreditor agreement), as applicable, and proceeds of any such distribution (subject, in the case of any such distribution, to the paragraph immediately following) to which the First Lien Obligations are entitled under any other intercreditor agreement shall be applied among the First Lien Obligations to the payment in full of the First Lien Obligations on a ratable basis, after payment of all amounts owing to the First Lien Collateral Agent.

Table of Contents

Notwithstanding the foregoing, with respect to any Common Collateral for which a third party (other than a First Lien Secured Party) has a lien or security interest that is junior in priority to the security interest of any Series of First Lien Obligations but senior (as determined by appropriate legal proceedings in the case of any dispute) to the security interest of any other Series of First Lien Obligations (such third party, an *Intervening Creditor*), the value of any Common Collateral or proceeds which are allocated to such Intervening Creditor shall be deducted on a ratable basis solely from the Common Collateral or proceeds to be distributed in respect of the Series of First Lien Obligations with respect to which such Impairment exists.

None of the First Lien Secured Parties may institute any suit or assert in any suit, bankruptcy, insolvency or other proceeding any claim against the First Lien Collateral Agent or any other First Lien Secured Party seeking damages from or other relief by way of specific performance, instructions or otherwise with respect to any Common Collateral. In addition, none of the First Lien Secured Parties may seek to have any Common Collateral or any part thereof marshaled upon any foreclosure or other disposition of such Collateral. If any First Lien Secured Party obtains possession of any Common Collateral or realizes any proceeds or payment in respect thereof, at any time prior to the discharge of each of the First Lien Obligations, then it must hold such Common Collateral, proceeds or payment in trust for the other First Lien Secured Parties and promptly transfer such Common Collateral, proceeds or payment to the First Lien Collateral Agent to be distributed in accordance with the First Lien Intercreditor Agreement.

If the Issuer or any Guarantor becomes subject to any bankruptcy case, the First Lien Intercreditor Agreement provides that (1) if the Issuer or any Guarantor shall, as debtor(s)-in-possession, move for approval of financing (the *DIP Financing*) to be provided by one or more lenders (the *DIP Lenders*) under Section 364 of the Bankruptcy Code or the use of cash collateral under Section 363 of the Bankruptcy Code, each First Lien Secured Party will agree not to object to any such financing or to the Liens on the Common Collateral securing the same (the *DIP Financing Liens*) or to any use of cash collateral that constitutes Common Collateral, unless any Controlling Secured Party, or an Authorized Representative of any Controlling Secured Party, shall then oppose or object to such DIP Financing or such DIP Financing Liens or use of cash collateral (and (i) to the extent that such DIP Financing Liens are senior to the Liens on any such Common Collateral for the benefit of the Controlling Secured Parties, each Non-Controlling Secured Party will subordinate its Liens with respect to such Common Collateral on the same terms as the Liens of the Controlling Secured Parties (other than any Liens of any First Lien Secured Parties constituting DIP Financing Liens) are subordinated thereto, and (ii) to the extent that such DIP Financing Liens rank *pari passu* with the Liens on any such Common Collateral granted to secure the First Lien Obligations of the Controlling Secured Parties, each Non-Controlling Secured Party will confirm the priorities with respect to such Common Collateral as set forth in the First Lien Intercreditor Agreement), in each case so long as:

- (A) the First Lien Secured Parties of each Series retain the benefit of their Liens on all such Common Collateral pledged to the DIP Lenders, including proceeds thereof arising after the commencement of such proceeding, with the same priority vis-a-vis all the other First Lien Secured Parties (other than any Liens of the First Lien Secured Parties constituting DIP Financing Liens) as existed prior to the commencement of the bankruptcy case,
- (B) the First Lien Secured Parties of each Series are granted Liens on any additional collateral pledged to any First Lien Secured Parties as adequate protection or otherwise in connection with such DIP Financing or use of cash collateral, with the same priority vis-a-vis the First Lien Secured Parties as set forth in the First Lien Intercreditor Agreement,

Table of Contents

(C) if any amount of such DIP Financing or cash collateral is applied to repay any of the First Lien Obligations, such amount is applied pursuant to the First Lien Intercreditor Agreement, and

(D) if any First Lien Secured Parties are granted adequate protection, including in the form of periodic payments, in connection with such DIP Financing or use of cash collateral, the proceeds of such adequate protection is applied pursuant to the First Lien Intercreditor Agreement;

provided that the First Lien Secured Parties of each Series shall have a right to object to the grant of a Lien to secure the DIP Financing over any Collateral subject to Liens in favor of the First Lien Secured Parties of such Series or its representative that shall not constitute Common Collateral; and *provided, further*, that the First Lien Secured Parties receiving adequate protection shall not object to any other First Lien Secured Party receiving adequate protection comparable to any adequate protection granted to such First Lien Secured Parties in connection with a DIP Financing or use of cash collateral.

The First Lien Secured Parties acknowledge that the First Lien Obligations of any Series may, subject to the limitations set forth in the other First Lien Documents, be increased, extended, renewed, replaced, restated, supplemented, restructured, repaid, refunded, refinanced or otherwise amended or modified from time to time, all without affecting the priorities set forth in the First Lien Intercreditor Agreement defining the relative rights of the First Lien Secured Parties of any Series.

Additional general intercreditor agreement

If the Issuer or the Guarantors were to incur Indebtedness constituting Junior Lien Obligations, the First Lien Collateral Agent will enter into an Additional General Intercreditor Agreement (as the same may be amended from time to time, the *Additional General Intercreditor Agreement*), by and among the First Lien Collateral Agent, the Junior Lien Collateral Agent and the trustees under the Existing First Priority Notes Indentures. Pursuant to the terms of the Additional General Intercreditor Agreement and subject to the First Lien Intercreditor Agreement, prior to the Discharge of New First Lien Obligations, the First Lien Collateral Agent, acting on behalf of the New First Lien Secured Parties, will determine the time and method by which the security interests in the Collateral will be enforced and will have the sole and exclusive right to manage, perform and enforce the terms of the Security Documents relating to the Collateral and to exercise and enforce all privileges, rights and remedies thereunder according to its direction, including to take or retake control or possession of such Collateral and to hold, prepare for sale, marshal, process, sell, lease, dispose of or liquidate such Collateral, including, without limitation, following the occurrence of a Default or Event of Default under the Indenture. The Junior Lien Collateral Agent will not be permitted to enforce the security interests even if any event of default under any indenture governing Junior Lien Obligations has occurred and any such second priority notes issued thereunder have been accelerated except (a) in any insolvency or liquidation proceeding, solely as necessary to file a proof of claim or statement of interest with respect to the Junior Lien Obligations or (b) as necessary to take any action in order to prove, preserve, perfect or protect (but not enforce) its security interest and rights in, and the perfection and priority of its Lien on, the Collateral.

Table of Contents

The Junior Lien Collateral Agent, for itself and on behalf of each Junior Lien Secured Party, will agree pursuant to the Additional General Intercreditor Agreement that (a) it will not (and thereby waives any right to) take any action to challenge, contest or support any other Person in contesting or challenging, directly or indirectly, in any proceeding (including any insolvency or liquidation proceeding), the validity, perfection, priority or enforceability of a Lien securing any New First Lien Obligations held (or purported to be held) by or on behalf of the First Lien Collateral Agent or any of the New First Lien Secured Parties or any agent or trustee therefor in any Collateral or other collateral securing both the New First Lien Obligations and any Junior Lien Obligations and (b) it will not oppose or otherwise contest (or support any other Person contesting) any request for judicial relief made in any court by the First Lien Collateral Agent or any New First Lien Secured Parties relating to the lawful enforcement of any First Priority Lien on Collateral or other collateral securing both the New First Lien Obligations and any Junior Lien Obligations.

In addition, the Security Documents provide that, subject to the First Lien Intercreditor Agreement, prior to the Discharge of New First Lien Obligations, the First Lien Collateral Agent may take actions with respect to the Collateral (including the release of Collateral and the manner of realization (subject to the provisions described under Release of Collateral)) without the consent of the Junior Lien Collateral Agent or other Junior Lien Secured Parties.

The Collateral or proceeds thereof received in connection with the sale or other disposition of, or collection on, such Non-Receiveables Collateral upon the exercise of remedies will be applied to the First Lien Obligations to be distributed in accordance with the First Lien Intercreditor Agreement prior to application to any Junior Lien Obligations in such order as specified in the relevant First Lien Documents until the Discharge of New First Lien Obligations has occurred.

In addition, so long as the Discharge of New First Lien Obligations has not occurred, neither the Junior Lien Collateral Agent nor any Junior Lien Representative shall acquire or hold any Lien on any assets of the Issuer or any Subsidiary (and neither the Issuer nor any Subsidiary shall grant such Lien) securing any Junior Lien Obligations that are not also subject to the First Priority Lien in respect of the New First Lien Obligations under the New First Lien Documents.

The Junior Lien Collateral Agent and each other Junior Lien Secured Party will agree that any Lien purported to be granted on any collateral as security for New First Lien Obligations shall be deemed to be and shall be deemed to remain senior in all respects and prior to all Liens on such collateral securing any Junior Lien Obligations for all purposes regardless of whether the Lien purported to be granted is found to be improperly granted, improperly perfected, preferential, a fraudulent conveyance or legally or otherwise deficient in any manner.

If any New First Lien Secured Party is required in any insolvency or liquidation proceeding or otherwise to turn over or otherwise pay to the estate of the Issuer or any other Guarantor (or any trustee, receiver or similar person therefor), because the payment of such amount was declared to be fraudulent or preferential in any respect or for any other reason, any amount (a Recovery), whether received as proceeds of security, enforcement of any right of setoff or otherwise, then as among the parties hereto, the New First Lien Obligations shall be deemed to be reinstated to the extent of such Recovery and to be outstanding as if such payment had not occurred and such New First Lien Secured Party shall be entitled to a reinstatement of New First Lien Obligations with respect to all such recovered amounts and shall have all rights hereunder. If the Additional General Intercreditor Agreement shall have been terminated prior to such Recovery, the Additional General Intercreditor Agreement shall be reinstated in full force and

effect, and such prior termination shall not diminish, release, discharge, impair or otherwise affect the obligations of the parties thereto.

The Additional General Intercreditor Agreement will provide that so long as the Discharge of New First Lien Obligations has not occurred, whether or not any insolvency or liquidation proceeding has been commenced by or against the Issuer or any Guarantor, (i) neither the Junior Lien Collateral Agent, any Junior Lien Representative nor any Junior Lien Secured Party will (x) exercise or seek to exercise any rights or remedies (including setoff or the right to credit bid debt (except under limited circumstances)) with respect to any collateral securing both the New First Lien Obligations and any Junior Lien Obligations in respect of any applicable Junior Lien Obligations, or institute any action or proceeding with respect to such rights or remedies (including any action of foreclosure), (y) contest, protest or otherwise object to any foreclosure or enforcement proceeding or action brought with respect to the Collateral or any other collateral by the First Lien Collateral Agent or any New First Lien Secured Party in respect of the New First Lien Obligations, the exercise of any right by the First Lien Collateral Agent or any New First Lien Secured Party (or any agent or sub-agent on their behalf) in respect of the New First Lien Obligations under any control agreement, lockbox agreement, landlord waiver or bailee's letter or similar agreement or arrangement to which the Junior Lien Collateral Agent, any Junior Lien Representative or any Junior Lien Secured Party either is a party or may have rights as a third-party beneficiary, or any other exercise by any such party of any rights and remedies as a secured party relating to such collateral or any other collateral under the New First Lien Documents or otherwise in respect of New First Lien Obligations, or (z) object to any waiver or forbearance by the First Lien Secured Parties from or in respect of bringing or pursuing any foreclosure proceeding or action or any other exercise of any rights or remedies relating to such collateral or any other collateral in respect of New First Lien Obligations and (ii) except as otherwise provided in the Additional General Intercreditor Agreement, the First Lien Collateral Agent and the New First Lien Secured Parties shall have the sole and exclusive right to enforce rights, exercise remedies (including setoff and the right to credit bid their debt), marshal, process and make determinations regarding the release, disposition or restrictions, or waiver or forbearance of rights or remedies with respect to such collateral without any consultation with or the consent of the Junior Lien Collateral Agent, any Junior Lien Representative or any Junior Lien Secured Party.

In addition, the Junior Lien Collateral Agent, each Junior Lien Representative and each other Junior Lien Secured Party will agree, among other things, that if the Issuer or any Guarantor is subject to any insolvency or liquidation proceeding if the First Lien Collateral Agent, subject to the First Lien Intercreditor Agreement, desires to permit the use of cash collateral or to permit the Issuer or any Guarantor to obtain DIP Financing, including if such DIP Financing is secured by Liens senior in priority to the Liens securing the Junior Lien Obligations, then the Junior Lien Collateral Agent and each Junior Lien Representative, on behalf of itself and each applicable Junior Lien Secured Party, agrees not to object to such use of cash collateral or DIP Financing and will not request adequate protection or any other relief in connection therewith (except to the extent permitted by the Additional General Intercreditor Agreement) and, to the extent the Liens securing the new First Lien Obligations are subordinated or *pari passu* with such DIP Financing, will subordinate its Liens in the Collateral and any other collateral to such DIP Financing (and all Obligations relating thereto) on the same basis as they are subordinated to the New First Lien Obligations.

Subject to the terms of the Security Documents, the Issuer and the Guarantors have the right to remain in possession and retain exclusive control of the Collateral securing the Notes and the

Notes Obligations (other than securities, instruments and chattel paper constituting part of the Collateral and deposited with the First Lien Collateral Agent in accordance with the provisions of the First Lien Security Documents and any Shared Receivables Collateral subject to a control agreement under the circumstances described in the First Lien Security Documents), to freely operate the Collateral and to collect, invest and dispose of any income therefrom.

Release of collateral

Under the First Lien Intercreditor Agreement, if at any time the Applicable Authorized Representative forecloses upon or otherwise exercises remedies against any Common Collateral, then (whether or not any insolvency or liquidation proceeding is pending at the time) the Liens in favor of the First Lien Collateral Agent for the benefit of the Trustee and the Holders of the Notes and each other Series of First Lien Secured Parties upon such Common Collateral will automatically be released and discharged. However, any proceeds of any Common Collateral realized therefrom will be applied as described under First Lien Intercreditor Agreement.

Under the Additional Receivables Intercreditor Agreement, if at any time the Issuer or any Guarantor or any ABL Secured Party delivers notice that any Shared Receivables Collateral is sold, transferred or otherwise disposed of by the owner of that Collateral in a transaction permitted under the ABL Facility, the General Credit Facility and the Indenture or the ABL Secured Parties are releasing or have released their Liens on such Shared Receivables Collateral in connection with a disposition in connection with an exercise of remedies with respect to such Collateral, then the Liens on such Shared Receivables Collateral securing New First Lien Obligations or Junior Lien Obligations will automatically be released and discharged as and when, but only to the extent, such Liens on such Shared Receivables Collateral securing ABL Obligations are released and discharged, *provided* that in the case of a disposition in connection with an exercise of remedies, any proceeds thereof not applied to repay ABL Obligations shall be subject to the Liens securing the First Lien Obligations and the Junior Lien Obligations and shall be applied pursuant to the Additional Receivables Intercreditor Agreement and the First Lien Intercreditor Agreement.

The Issuer and the Guarantors will be entitled to the release of property and other assets constituting Collateral from the Liens securing the Notes and the Notes Obligations under any one or more of the following circumstances:

- (1) to enable us to consummate the sale, transfer or other disposition of such property or assets to the extent not prohibited under the covenant described under Repurchase at the Option of Holders Asset Sales ;
- (2) the release of Excess Proceeds or Collateral Excess Proceeds that remain unexpended after the conclusion of an Asset Sale Offer or a Collateral Asset Sale Offer conducted in accordance with the Indenture;
- (3) in the case of a Guarantor that is released from its Guarantee with respect to the Notes pursuant to the terms of the Indenture, the release of the property and assets of such Guarantor;
- (4) with the consent of the Holders of at least 75% of the aggregate principal amount of the Notes then outstanding and affected thereby and a majority of all Junior Lien Obligations then outstanding and affected thereby (including, without limitation, consents obtained in connection with a tender offer or exchange offer for, or purchase of, Junior Lien Obligations);

Table of Contents

(5) to the extent that such Collateral is released or no longer required to be pledged pursuant to the terms of the Credit Facilities; or

(6) as described under Modification and Waiver below.

To the extent necessary and for so long as required for such Subsidiary not to be subject to any requirement pursuant to Rule 3-16 of Regulation S-X under the Securities Act to file separate financial statements with the SEC (or any other governmental agency), the Capital Stock of any Subsidiary of the Company (excluding Healthtrust, Inc. The Hospital Company, a Delaware corporation and its successors and assigns) shall not be included in the Collateral with respect to the Notes (as described under Certain Limitations on the Collateral) and shall not be subject to the Liens securing the Notes and the Notes Obligations.

The Liens on the Collateral securing the Notes and the Guarantees also will be released upon (i) payment in full of the principal of, together with accrued and unpaid interest on, the Notes and all other Obligations under the Indenture, the Guarantees and the Security Documents that are due and payable at or prior to the time such principal, together with accrued and unpaid interest, are paid or (ii) a defeasance under the Indenture as described below under Defeasance.

Any certificate or opinion required by Section 314(d) of the Trust Indenture Act may be made by an Officer of the Company, except in cases where Section 314(d) requires that such certificate or opinion be made by an independent engineer, appraiser or other expert.

Notwithstanding anything to the contrary herein, the Issuer and its Subsidiaries will not be required to comply with all or any portion of Section 314(d) of the Trust Indenture Act if they determine, in good faith based on advice of counsel, that under the terms of that section and/or any interpretation or guidance as to the meaning thereof of the SEC and its staff, including no action letters or exemptive orders, all or any portion of Section 314(d) of the Trust Indenture Act is inapplicable to the released Collateral.

Without limiting the generality of the foregoing, certain no action letters issued by the SEC have permitted an indenture qualified under the Trust Indenture Act to contain provisions permitting the release of collateral from Liens under such indenture in the ordinary course of the issuer's business without requiring the issuer to provide certificates and other documents under Section 314(d) of the Trust Indenture Act. The Issuer and the Guarantors may, subject to the provisions of the Indenture, among other things, without any release or consent by the First Lien Collateral Agent, conduct ordinary course activities with respect to the Collateral, including, without limitation:

selling or otherwise disposing of, in any transaction or series of related transactions, any property subject to the Lien of the Security Documents that has become worn out, defective, obsolete or not used or useful in the business;

abandoning, terminating, canceling, releasing or making alterations in or substitutions of any leases or contracts subject to the Lien of the Indenture or any of the Security Documents;

surrendering or modifying any franchise, license or permit subject to the Lien of the Security Documents that it may own or under which it may be operating;

altering, repairing, replacing, changing the location or position of and adding to its structures, machinery, systems, equipment, fixtures and appurtenances;

granting a license of any intellectual property;

selling, transferring or otherwise disposing of inventory in the ordinary course of business;

collecting accounts receivable in the ordinary course of business as permitted by the covenant described under Repurchase at the Option of Holders Asset Sales ;

making cash payments (including for the repayment of Indebtedness or interest) from cash that is at any time part of the Collateral in the ordinary course of business that are not otherwise prohibited by the Indenture and the Security Documents; and

abandoning any intellectual property that is no longer used or useful in the Issuer's business.

Additional receivables intercreditor agreement

In addition, the First Lien Collateral Agent will be a party to an Additional Receivables Intercreditor Agreement, to be dated the Issue Date (as the same may be amended from time to time, the *Additional Receivables Intercreditor Agreement*), by and between the First Lien Collateral Agent and the collateral agent under the ABL Facility (the *ABL Collateral Agent*), by which the Notes will be given the same ranking and rights with respect to the Shared Receivables Collateral as provided to the General Credit Facility under the Receivables Intercreditor Agreement dated as of November 17, 2006 by and among the Junior Lien Collateral Agent, the First Lien Collateral Agent and the ABL Collateral Agent. The Additional Receivables Intercreditor Agreement will contain provisions with respect to the Shared Receivables Collateral and the relative rights, privileges and obligations relating thereto as between (a) the First Lien Collateral Agent and the New First Lien Secured Parties and (b) the ABL Collateral Agent and the ABL Secured Parties. The Additional Receivables Intercreditor Agreement will provide for first-priority Liens in the Shared Receivables Collateral in favor of the ABL Secured Parties and junior priority Liens in the Shared Receivables Collateral in favor of the New First Lien Secured Parties, subject to Permitted Liens. The relative rights, privileges and obligations with respect to the Shared Receivables Collateral of the ABL Secured Parties, on the one hand, and the New First Lien Secured Parties, on the other, are substantially similar to the relative rights, privileges and obligations with respect to the Non-Receivables Collateral of the New First Lien Secured Parties, on the one hand, and the Junior Lien Secured Parties, on the other, respectively, except that the Liens of the New First Lien Secured Parties in the Shared Receivables Collateral are second-priority Liens and the Liens of the ABL Secured Parties in the Shared Receivables Collateral are first-priority liens and except to the extent customary or necessary with respect to collateral of the type that constitutes Shared Receivables Collateral.

The relative rights, privileges and obligations with respect to the Shared Receivables Collateral (a) as between the First Lien Collateral Agent and the New First Lien Secured Parties, on the one hand, and the Junior Lien Collateral Agent and the Junior Lien Secured Parties, on the other, are governed by the Additional General Intercreditor Agreement described above and (b) as among the First Lien Secured Parties, are governed by the First Lien Intercreditor Agreement described above.

Certain limitations on the collateral

The Collateral securing the Notes will not include any of the following assets:

- (1) the property or assets owned by any Subsidiary of the Issuer that is not a Guarantor, including each ABL Financing Entity;

Table of Contents

- (2) any rights or interests of the Issuer or any Guarantor in, to or under any agreement, contract, license, instrument, document or other general intangible (referred to solely for purposes of this clause (2) as a *Contract*), any intellectual property or any security or other investment property (i) to the extent the security interest in such Collateral is prohibited by any applicable contract, agreement or other instrument without the consent of any other party thereto (other than a party to the General Credit Facility or the Indenture or, in the case of investment property, a Wholly Owned Subsidiary), (ii) to the extent the security interest in such Contract would give any other party (other than a party to the General Credit Facility or the Indenture or, in the case of investment property, a Wholly Owned Subsidiary) to such Collateral the right to terminate its obligations thereunder or (iii) to the extent all necessary consents to such grant of a security interest have not been obtained from the other parties thereto (other than to the extent that any such prohibition referred to in clauses (i), (ii) and (iii) would be rendered ineffective pursuant to Sections 9-406, 9-407, 9-408 or 9-409 of the Uniform Commercial Code (or any successor provision or provisions) of any relevant jurisdiction or any other applicable law); *provided* that this limitation shall not affect, limit, restrict or impair the grant by the Issuer or such Guarantor of a security interest in any account receivable or any money or other amounts due or to become due under any Contract;
- (3) any equipment of the Issuer or any Guarantor that is subject to, or secured by, a Capitalized Lease Obligation or Purchase Money Obligations and any equipment that constitutes an asset of an entity acquired in a transaction permitted by the Indenture to the extent that such equipment subject to a Lien permitted by the Indenture and the terms of the Indebtedness secured by such Lien prohibit assignment of, or granting of a security interest in, the Issuer's or such Guarantor's rights and interests therein (other than to the extent that any such prohibition would be rendered ineffective pursuant to Sections 9-406, 9-407, 9-408 or 9-409 of the Uniform Commercial Code (or any successor provision or provisions) of any relevant jurisdiction or any other applicable law); *provided* that immediately upon the repayment of all Indebtedness secured by such Lien, the Issuer or the Guarantor, as the case may be, shall be deemed to have granted a security interest in all the rights and interests with respect to such equipment;
- (4) any Voting Stock that is issued by any Foreign Subsidiary, if and to the extent that the inclusion of such Voting Stock in the Collateral would cause the Collateral pledged by the Issuer or the applicable Guarantor, as the case may be, to include in the aggregate more than 65% of the total combined voting power of all classes of Voting Stock of such Foreign Subsidiary;
- (5) any Capital Stock that is issued by a Subsidiary that is not owned directly by the Issuer or a Guarantor;
- (6) any Capital Stock and other securities of a Subsidiary (excluding Healthtrust, Inc. The Hospital Company, a Delaware corporation and its successors and assigns) to the extent that the pledge of such Capital Stock and other securities results in the Company's being required to file separate financial statements of such Subsidiary with the SEC, but only to the extent necessary to not be subject to such requirement and only for so long as such requirement is in existence and only with respect to the relevant Notes affected; *provided* that neither the Issuer nor any Subsidiary shall take any action in the form of a reorganization, merger or other restructuring a principal purpose of which is to provide

Table of Contents

for the release of the Lien on any Capital Stock pursuant to this clause (6). In addition, in the event that Rule 3-16 of Regulation S-X under the Securities Act is amended, modified or interpreted by the SEC to require (or is replaced with another rule or regulation, or any other law, rule or regulation is adopted, which would require) the filing with the SEC (or any other governmental agency) of separate financial statements of any Subsidiary of the Company (excluding Healthtrust, Inc. The Hospital Company, a Delaware corporation and its successors and assigns) due to the fact that such Subsidiary's Capital Stock secures the Notes affected thereby, then the Capital Stock of such Subsidiary will automatically be deemed not to be part of the Collateral securing the relevant Notes affected thereby but only to the extent necessary to not be subject to such requirement and only for so long as required to not be subject to such requirement. In such event, the Security Documents may be amended or modified, without the consent of any Holder of such Notes, to the extent necessary to release the security interests in favor of the First Lien Collateral Agent on the shares of Capital Stock that are so deemed to no longer constitute part of the Collateral for the relevant Notes. In the event that Rule 3-16 of Regulation S-X under the Securities Act is amended, modified or interpreted by the SEC to permit (or is replaced with another rule or regulation, or any other law, rule or regulation is adopted, which would permit) such Subsidiary's Capital Stock to secure the Notes in excess of the amount then pledged without the filing with the SEC (or any other governmental agency) of separate financial statements of such Subsidiary, then the Capital Stock of such Subsidiary will automatically be deemed to be a part of the Collateral for the relevant Notes;

- (7) certain non-Principal Properties that do not constitute Non-Receiveables Collateral;
- (8) any deposit accounts, other bank or securities accounts or cash of the Issuer or any Guarantor;
- (9) any leaseholds and motor vehicles of the Issuer or any Guarantor;
- (10) any Capital Stock or securities convertible into or exchangeable for Capital Stock (i) if, in the reasonable judgment of the Issuer, the cost or other consequences of pledging such Collateral shall be excessive in view of the benefits to be obtained by the First Lien Secured Parties therefrom or (ii) the pledge of such Collateral would result in adverse tax consequences to the Issuer or any of its Subsidiaries as reasonably determined by the Issuer and identified in writing to the First Lien Collateral Agent;
- (11) any collateral to the extent the grant of the security interest therein would violate any requirement of law; and
- (12) proceeds and products from any and all of the foregoing excluded collateral described in clauses (1) through (11), unless such proceeds or products would otherwise constitute Collateral securing the Notes.

Sufficiency of collateral

The fair market value of the Collateral is subject to fluctuations based on factors that include, among others, the condition of the health care industry, the ability to sell the Collateral in an orderly sale, general economic conditions, the availability of buyers and similar factors. The amount to be received upon a sale of the Collateral would also be dependent on numerous factors, including, but not limited to, the actual fair market value of the Collateral at such time

Table of Contents

and the timing and the manner of the sale. By their nature, portions of the Collateral may be illiquid and may have no readily ascertainable market value. Accordingly, there can be no assurance that the Collateral can be sold in a short period of time or in an orderly manner. In addition, in the event of a bankruptcy, the ability of the Holders to realize upon any of the Collateral may be subject to certain bankruptcy law limitations as described below.

Certain bankruptcy limitations

The right of the Trustee to repossess and dispose of the Collateral upon the occurrence of an Event of Default would be significantly impaired by any Bankruptcy Law in the event that a bankruptcy case were to be commenced by or against the Company or any Guarantor prior to the Trustee's having repossessed and disposed of the Collateral. Upon the commencement of a case for relief under the Bankruptcy Code, a secured creditor such as the Trustee is prohibited from repossessing its security from a debtor in a bankruptcy case, or from disposing of security without bankruptcy court approval.

In view of the broad equitable powers of a U.S. bankruptcy court, it is impossible to predict how long payments under the Notes could be delayed following commencement of a bankruptcy case, whether or when the Trustee could repossess or dispose of the Collateral, the value of the Collateral at any time during a bankruptcy case or whether or to what extent Holders of the Notes would be compensated for any delay in payment or loss of value of the Collateral. The Bankruptcy Code permits only the payment and/or accrual of post-petition interest, costs and attorneys' fees to a secured creditor during a debtor's bankruptcy case to the extent the value of such creditor's interest in the Collateral is determined by the bankruptcy court to exceed the aggregate outstanding principal amount of the obligations secured by the Collateral.

Furthermore, in the event a domestic or foreign bankruptcy court determines that the value of the Collateral is not sufficient to repay all amounts due on the Notes, the Holders of the Notes would hold secured claims only to the extent of the value of the Collateral to which the Holders of the Notes are entitled, and unsecured claims with respect to such shortfall.

Principal, maturity and interest

The Issuer will issue \$1,000,000,000 and \$2,000,000,000 of the 2019 Notes and the 2024 Notes, respectively, in this offering. The 2019 Notes will mature on _____, 2019, and the 2024 Notes will mature on _____, 2024. The 2019 Notes will bear interest at the rate of _____ % per annum, computed on the basis of a 360-day year of twelve 30-day months, commencing on the Issue Date. Interest on the 2019 Notes will be payable twice a year on _____ and _____, beginning on _____, 2014. Interest payable on any 2019 Note that is punctually paid or duly provided for on any interest payment date shall be paid to the person in whose name such 2019 Note is registered at the close of business on _____ and _____, as the case may be, preceding such interest payment date. The 2024 Notes will bear interest at the rate of _____ % per annum, computed on the basis of a 360-day year of twelve 30-day months, commencing on the Issue Date. Interest on the 2024 Notes will be payable twice a year on _____ and _____, beginning on _____, 2014. Interest payable on any 2024 Note that is punctually paid or duly provided for on any interest payment date shall be paid to the person in whose name such 2024 Note is registered at the close of business on _____ and _____, as the case may be, preceding such interest payment date.

Table of Contents

The Issuer may issue additional 2019 Notes or additional 2024 Notes, from time to time after this offering under the Indenture (any such Notes, *Additional Notes*). The Notes offered by the Issuer and any Additional Notes of such series subsequently issued under the Indenture will be treated as a single class for all purposes under the Indenture, including waivers, amendments, redemptions and offers to purchase. Unless the context requires otherwise, references to Notes for all purposes of the Indenture and this Description of the Notes include any Additional Notes that are actually issued.

The Notes will be issued in book-entry form only.

Mandatory redemption; offers to purchase; open market purchases

The Issuer will not be required to make any mandatory redemption or sinking fund payments with respect to the Notes. However, under certain circumstances, the Issuer may be required to offer to purchase Notes as described under the caption Repurchase at the Option of Holders. The Issuer may at any time and from time to time purchase Notes in the open market or otherwise.

Optional redemption

Each series of Notes will be redeemable, at our option, at any time in whole or from time to time in part, at a redemption, or make-whole, price equal to the greater of:

100% of the aggregate principal amount of the Notes to be redeemed, and

an amount equal to sum of the present value of the remaining scheduled payments of principal of and interest on the Notes to be redeemed (excluding accrued and unpaid interest to the redemption date and subject to the right of Holders on the relevant record date to receive interest due on the relevant interest payment date) discounted from their scheduled date of payment to the redemption date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) using a discount rate equal to the Treasury Rate plus 50 basis points

plus, in each of the above cases, accrued and unpaid interest, if any, to such redemption date.

Any notice of any redemption may be given prior to the redemption thereof, and any such redemption or notice may, at the Issuer's discretion, be subject to one or more conditions precedent, including, but not limited to, completion of an equity offering or other corporate transaction. Notes called for redemption will become due on the date fixed for redemption. Notices of redemption will be mailed at least 30 days but not more than 60 days before the redemption date to each Holder of the Notes to be redeemed at its registered address. The notice of redemption for the Notes will state, among other things, the amount of Notes to be redeemed, if less than all of the outstanding series of Notes are to be redeemed, the redemption date, the redemption price (or the method of calculating it) and each place that payment will be made upon presentation and surrender of Notes to be redeemed.

Unless we default in payment of the redemption price, interest will cease to accrue on any Notes that have been called for redemption on the redemption date. If the Issuer redeems less than all of the outstanding series of Notes, the Registrar and Paying Agent shall select the Notes to be redeemed in the manner described under Repurchase at the Option of Holders Selection and Notice.

Table of Contents

For purposes of determining the optional redemption price, the following definitions are applicable:

Comparable Treasury Issue means, the United States Treasury security selected by an Independent Investment Banker as having a maturity comparable to the remaining term (*Remaining Life*) of a Note being redeemed that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the Remaining Life of such Notes.

Comparable Treasury Price means, with respect to any redemption date for any Note: (1) the average of the Reference Treasury Dealer Quotations for that redemption date, after excluding the highest and lowest of four such Reference Treasury Dealer Quotations; or (2) if the Independent Investment Banker is given fewer than four Reference Treasury Dealer Quotations, the average of all quotations obtained by the Independent Investment Banker.

Independent Investment Banker means one of the Reference Treasury Dealers, to be appointed by the Issuer.

Reference Treasury Dealer Quotations means, with respect to each Reference Treasury Dealer and any redemption date for any Note, the average, as determined by the Independent Investment Banker, of the bid and asked prices for the Comparable Treasury Issue, expressed in each case as a percentage of its principal amount, quoted in writing to the Independent Investment Banker by such Reference Treasury Dealer at 3:00 p.m., New York City time, on the third Business Day preceding such redemption date.

Treasury Rate means, at the time of computation, (1) the semi-annual equivalent yield to maturity of the United States Treasury Securities with a constant maturity (as compiled and published in the most recent Federal Reserve Statistical Release H.15(519) which has become publicly available at least two Business Days prior to the redemption date or, if such Statistical Release is no longer published, any publicly available source of similar market data) for the maturity corresponding to the Comparable Treasury Issue; *provided, however*, that if no maturity is within three months before or after the maturity date for the Notes being redeemed, yields for the two published maturities most closely corresponding to the Comparable Treasury Issue will be determined and the Treasury Rate will be interpolated or extrapolated from those yields on a straight line basis, rounding to the nearest month; or (2) if that release, or any successor release, is not published during the week preceding the calculation date or does not contain such yields, the rate per annum equal to the semiannual equivalent yield to maturity of the Comparable Treasury Issue, calculated using a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for that redemption date. The Treasury Rate will be calculated on the third Business Day preceding the redemption date.

Except as set forth above, the Notes will not be redeemable by us prior to maturity.

Denominations, registration and transfer

The Issuer will issue the Notes in registered form and in denominations of \$2,000 or any integral multiple of \$1,000 in excess thereof. We have appointed Deutsche Bank Trust Company Americas as security registrar.

Table of Contents**Repurchase at the option of holders***Change of control*

The Notes will provide that if a Change of Control occurs, unless the Issuer has previously or concurrently mailed a redemption notice with respect to all the outstanding Notes as described under *Optional Redemption*, the Issuer will make an offer to purchase all of the Notes pursuant to the offer described below (the *Change of Control Offer*) at a price in cash (the *Change of Control Payment*) equal to 101% of the aggregate principal amount thereof plus accrued and unpaid interest, if any, to the date of purchase, subject to the right of Holders of the Notes of record on the relevant record date to receive interest due on the relevant interest payment date. Within 30 days following any Change of Control, the Issuer will send notice of such Change of Control Offer by first-class mail, with a copy to the Trustee and the Registrar, to each Holder of Notes to the address of such Holder appearing in the security register with a copy to the Trustee and the Registrar or otherwise in accordance with the procedures of DTC, with the following information:

- (1) that a Change of Control Offer is being made pursuant to the covenant entitled *Change of Control* and that all Notes properly tendered pursuant to such Change of Control Offer will be accepted for payment by the Issuer;
- (2) the purchase price and the purchase date, which will be no earlier than 30 days nor later than 60 days from the date such notice is mailed (the *Change of Control Payment Date*);
- (3) that any Note not properly tendered will remain outstanding and continue to accrue interest;
- (4) that unless the Issuer defaults in the payment of the Change of Control Payment, all Notes accepted for payment pursuant to the Change of Control Offer will cease to accrue interest on the Change of Control Payment Date;
- (5) that Holders electing to have any Notes purchased pursuant to a Change of Control Offer will be required to surrender such Notes, with the form entitled *Option of Holder to Elect Purchase* on the reverse of such Notes completed, to the paying agent specified in the notice at the address specified in the notice prior to the close of business on the third Business Day preceding the Change of Control Payment Date;
- (6) that Holders will be entitled to withdraw their tendered Notes and their election to require the Issuer to purchase such Notes; *provided* that the paying agent receives, not later than the close of business on the 30th day following the date of the Change of Control notice, a telegram, facsimile transmission or letter setting forth the name of the Holder of the Notes, the principal amount of Notes tendered for purchase, and a statement that such Holder is withdrawing its tendered Notes and its election to have such Notes purchased;
- (7) that Holders tendering less than all of their Notes will be issued new Notes and such new Notes will be equal in principal amount to the unpurchased portion of the Notes surrendered. The unpurchased portion of the Notes must be equal to \$2,000 or an integral multiple of \$1,000 in excess thereof; and
- (8) the other instructions, as determined by us, consistent with the covenant described hereunder, that a Holder must follow.

Table of Contents

The Issuer will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws or regulations are applicable in connection with the repurchase of Notes pursuant to a Change of Control Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of the Indenture, the Issuer will comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations described in the Indenture by virtue thereof.

On the Change of Control Payment Date, the Issuer will, to the extent permitted by law,

- (1) accept for payment all Notes issued by it or portions thereof properly tendered pursuant to the Change of Control Offer;
- (2) deposit with the paying agent an amount equal to the aggregate Change of Control Payment in respect of all Notes or portions thereof so tendered; and
- (3) deliver, or cause to be delivered, to the Trustee for cancellation the Notes so accepted together with an Officer's Certificate to the Trustee stating that such Notes or portions thereof have been tendered to and purchased by the Issuer.

The Senior Credit Facilities provide, and future credit agreements or other agreements relating to Senior Indebtedness to which the Issuer becomes a party may provide, that certain change of control events with respect to the Issuer would constitute a default thereunder (including a Change of Control under the Indenture). If we experience a change of control that triggers a default under our Senior Credit Facilities, we could seek a waiver of such default or seek to refinance our Senior Credit Facilities. In the event we do not obtain such a waiver or refinance the Senior Credit Facilities, such default could result in amounts outstanding under our Senior Credit Facilities being declared due and payable and could cause a Receivables Facility to be wound down.

The Issuer's ability to pay cash to the Holders of the Notes following the occurrence of a Change of Control may be limited by its then-existing financial resources. Therefore, sufficient funds may not be available when necessary to make any required repurchases.

The Change of Control purchase feature of the Notes may in certain circumstances make more difficult or discourage a sale or takeover of us and, thus, the removal of incumbent management. The Change of Control purchase feature is a result of negotiations between the Underwriters and us. After the Issue Date, we have no present intention to engage in a transaction involving a Change of Control, although it is possible that we could decide to do so in the future. Subject to the limitations discussed below, we could, in the future, enter into certain transactions, including acquisitions, refinancings or other recapitalizations, that would not constitute a Change of Control under the Indenture, but that could increase the amount of indebtedness outstanding at such time or otherwise affect our capital structure or credit ratings. Such restrictions in the Indenture can be waived only with the consent of the Holders of a majority in principal amount of the Notes then outstanding. Except for the limitations contained in such covenants, however, the Indenture will not contain any covenants or provisions that may afford Holders of the Notes protection in the event of a highly leveraged transaction.

The Issuer will not be required to make a Change of Control Offer following a Change of Control if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in the Indenture applicable to a Change of Control Offer made by us and purchases all Notes validly tendered and not withdrawn under such

Table of Contents

Change of Control Offer. Notwithstanding anything to the contrary herein, a Change of Control Offer may be made in advance of a Change of Control, conditional upon such Change of Control, if a definitive agreement is in place for the Change of Control at the time of making of the Change of Control Offer.

The definition of *Change of Control* includes a disposition of all or substantially all of the assets of the Issuer to any Person. Although there is a limited body of case law interpreting the phrase *substantially all*, there is no precise established definition of the phrase under applicable law. Accordingly, in certain circumstances there may be a degree of uncertainty as to whether a particular transaction would involve a disposition of all or substantially all of the assets of the Issuer. As a result, it may be unclear as to whether a Change of Control has occurred and whether a Holder of Notes may require the Issuer to make an offer to repurchase the Notes as described above.

The provisions under the Indenture relating to the Issuer's obligation to make an offer to repurchase the Notes as a result of a Change of Control may be waived or modified with the written consent of the Holders of a majority in principal amount of the Notes.

Asset sales

The Indenture will provide that the Issuer will not, and will not permit any of its Restricted Subsidiaries to consummate, directly or indirectly, an Asset Sale, unless:

- (1) the Issuer or such Restricted Subsidiary, as the case may be, receives consideration at the time of such Asset Sale at least equal to the fair market value (as determined in good faith by the Issuer) of the assets sold or otherwise disposed of; and
- (2) except in the case of a Permitted Asset Swap, at least 75% of the consideration therefor received by the Issuer or such Restricted Subsidiary, as the case may be, is in the form of cash or Cash Equivalents; *provided* that the amount of:
 - (a) any liabilities (as shown on the Issuer's or such Restricted Subsidiary's most recent balance sheet or in the footnotes thereto) of the Issuer or such Restricted Subsidiary, other than liabilities that are by their terms subordinated to the Notes, that are assumed by the transferee of any such assets and for which the Issuer and all of its Restricted Subsidiaries have been validly released by all creditors in writing,
 - (b) any securities received by the Issuer or such Restricted Subsidiary from such transferee that are converted by the Issuer or such Restricted Subsidiary into cash (to the extent of the cash received) within 180 days following the closing of such Asset Sale, and
 - (c) any Designated Non-cash Consideration received by the Issuer or such Restricted Subsidiary in such Asset Sale having an aggregate fair market value, taken together with all other Designated Non-cash Consideration received pursuant to this clause (c) that is at that time outstanding, not to exceed 5% of Total Assets at the time of the receipt of such Designated Non-cash Consideration, with the fair market value of each item of Designated Non-cash Consideration being measured at the time received and without giving effect to subsequent changes in value, shall be deemed to be cash for purposes of this provision and for no other purpose.

Table of Contents

Within 450 days after the receipt of any Net Proceeds of any Asset Sale, the Issuer or such Restricted Subsidiary, at its option, may apply the Net Proceeds from such Asset Sale,

- (1) to permanently reduce:
 - (a) Obligations constituting First Lien Obligations (and, if the Indebtedness repaid is revolving credit Indebtedness, to correspondingly reduce commitments with respect thereto) (*provided* that (x) to the extent that the terms of First Lien Obligations other than Obligations under the Notes require that such First Lien Obligations are repaid with the Net Proceeds of Asset Sales prior to repayment of other Indebtedness, the Issuer and its Restricted Subsidiaries shall be entitled to repay such other First Lien Obligations prior to repaying the Obligations under the Notes and (y) subject to the foregoing clause (x), if the Issuer or any Guarantor shall so reduce First Lien Obligations, the Issuer will equally and ratably reduce Obligations under the Notes through open-market purchases (*provided* that such purchases are at or above 100% of the principal amount thereof) or by making an offer (in accordance with the procedures set forth below for an Asset Sale Offer) to all Holders to purchase at a purchase price equal to 100% of the principal amount thereof, plus accrued and unpaid interest and additional interest, if any, on the pro rata principal amount of Notes);
 - (b) Obligations under the Existing Notes which have a final maturity date (as in effect on the Issue Date) on or prior to the maturity date of the Notes; provided that, at the time of, and after giving effect to, such repurchase, redemption or defeasance, the aggregate amount of Net Proceeds used to repurchase, redeem or defease Existing Notes pursuant to this subclause (b) following the Issue Date shall not exceed 5% of the consolidated total assets of the Issuer and its subsidiaries at such time; or
 - (c) Indebtedness of a Restricted Subsidiary that is not a Guarantor, other than Indebtedness owed to the Issuer or another Restricted Subsidiary (or any affiliate thereof);
- (2) to make (a) an Investment in any one or more businesses, *provided* that such Investment in any business is in the form of the acquisition of Capital Stock and results in the Issuer or another of its Restricted Subsidiaries, as the case may be, owning an amount of the Capital Stock of such business such that it constitutes a Restricted Subsidiary, (b) capital expenditures or (c) acquisitions of other assets, in each of (a), (b) and (c), used or useful in a Similar Business; or
- (3) to make an investment in (a) any one or more businesses, *provided* that such Investment in any business is in the form of the acquisition of Capital Stock and results in the Issuer or another of its Restricted Subsidiaries, as the case may be, owning an amount of the Capital Stock of such business such that it constitutes a Restricted Subsidiary, (b) properties or (c) acquisitions of other assets that, in each of (a), (b) and (c), replace the businesses, properties and/or assets that are the subject of such Asset Sale;
provided that, in the case of clauses (2) and (3) above, a binding commitment shall be treated as a permitted application of the Net Proceeds from the date of such commitment so long as the Issuer, or such other Restricted Subsidiary enters into such commitment with the good faith expectation that such Net Proceeds will be applied to satisfy such

Table of Contents

commitment within 180 days of such commitment (an *Acceptable Commitment*) and, in the event any Acceptable Commitment is later cancelled or terminated for any reason before the Net Proceeds are applied in connection therewith, the Issuer or such Restricted Subsidiary enters into another Acceptable Commitment (a *Second Commitment*) within 180 days of such cancellation or termination; *provided, further*, that if any Second Commitment is later cancelled or terminated for any reason before such Net Proceeds are applied, then such Net Proceeds shall constitute Excess Proceeds.

Any Net Proceeds from Asset Sales of Collateral that are not invested or applied as set forth in the first sentence of the preceding paragraph will be deemed to constitute *Collateral Excess Proceeds*. When the aggregate amount of Collateral Excess Proceeds exceeds \$200.0 million, the Issuer shall make an offer to all Holders of the Notes and, if required by the terms of any First Lien Obligations or Obligations secured by a Lien permitted under the Indenture (which Lien is not subordinate to the Lien of the Notes with respect to the Collateral), to the holders of such First Lien Obligations or such other Obligations (a *Collateral Asset Sale Offer*), to purchase the maximum aggregate principal amount of the Notes and such First Lien Obligations or such other Obligations that is a minimum of \$2,000 or an integral multiple of \$1,000 in excess thereof that may be purchased out of the Collateral Excess Proceeds at an offer price in cash in an amount equal to 100% of the principal amount thereof, plus accrued and unpaid interest to the date fixed for the closing of such offer, in accordance with the procedures set forth in the Indenture. The Issuer will commence a Collateral Asset Sale Offer with respect to Collateral Excess Proceeds within ten Business Days after the date that Collateral Excess Proceeds exceed \$200.0 million by mailing the notice required pursuant to the terms of the Indenture, with a copy to the Trustee.

Any Net Proceeds from Asset Sales of non-Collateral that are not invested or applied as provided and within the time period set forth in the first sentence of the second preceding paragraph will be deemed to constitute *Excess Proceeds*. When the aggregate amount of Excess Proceeds exceeds \$200.0 million, the Issuer shall make an offer to all Holders of the Notes and, if required or permitted by the terms of any Senior Indebtedness, to the holders of such Senior Indebtedness (an *Asset Sale Offer*), to purchase the maximum aggregate principal amount of the Notes and such Senior Indebtedness that is a minimum of \$2,000 or an integral multiple of \$1,000 in excess thereof that may be purchased out of the Excess Proceeds at an offer price in cash in an amount equal to 100% of the principal amount thereof, plus accrued and unpaid interest to the date fixed for the closing of such offer, in accordance with the procedures set forth in the Indenture. The Issuer will commence an Asset Sale Offer with respect to Excess Proceeds within ten Business Days after the date that Excess Proceeds exceed \$200.0 million by mailing the notice required pursuant to the terms of the Indenture, with a copy to the Trustee.

To the extent that the aggregate amount of Notes and such other First Lien Obligations or Obligations secured by a Lien permitted by the Indenture (which Lien is not subordinate to the Lien of the Notes with respect to the Collateral) tendered pursuant to a Collateral Asset Sale Offer is less than the Collateral Excess Proceeds, the Issuer may use any remaining Collateral Excess Proceeds for general corporate purposes, subject to other covenants contained in the Indenture. To the extent that the aggregate amount of Notes and such Senior Indebtedness tendered pursuant to an Asset Sale Offer is less than the Excess Proceeds, the Issuer may use any remaining Excess Proceeds for general corporate purposes, subject to other covenants contained in the Indenture. If the aggregate principal amount of Notes or other First Lien Obligations or such other Obligations surrendered by such holders thereof exceeds the amount of Collateral Excess Proceeds, the Trustee shall select the Notes and such other First Lien Obligations or such

Table of Contents

other Obligations to be purchased on a pro rata basis based on the accreted value or principal amount of the Notes or such other First Lien Obligations or such other Obligations tendered. If the aggregate principal amount of Notes or the Senior Indebtedness surrendered by such holders thereof exceeds the amount of Excess Proceeds, the Trustee shall select the Notes and such Senior Indebtedness to be purchased on a pro rata basis based on the accreted value or principal amount of the Notes or such Senior Indebtedness tendered. Upon completion of any such Collateral Asset Sale Offer or Asset Sale Offer, the amount of Collateral Excess Proceeds or Excess Proceeds, as the case may be, shall be reset at zero. Additionally, the Issuer may, at its option, make a Collateral Asset Sale Offer or an Asset Sale Offer using proceeds from any Asset Sale at any time after consummation of such Asset Sale; *provided* that such Collateral Asset Sale Offer or Asset Sale Offer shall be in an aggregate amount of not less than \$50.0 million. Upon consummation of such Collateral Asset Sale Offer or Asset Sale Offer, any Net Proceeds not required to be used to purchase Notes shall not be deemed Excess Proceeds.

Pending the final application of any Net Proceeds pursuant to this covenant, the holder of such Net Proceeds may apply such Net Proceeds temporarily to reduce Indebtedness outstanding under a revolving credit facility or otherwise invest such Net Proceeds in any manner not prohibited by the Indenture.

The Issuer will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws or regulations are applicable in connection with the repurchase of the Notes pursuant to a Collateral Asset Sale Offer or an Asset Sale Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of the Indenture, the Issuer will comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations described in the Indenture by virtue thereof.

Selection and notice

If the Issuer is redeeming less than all of the Notes issued by it at any time, the Registrar and Paying Agent will select the Notes to be redeemed (a) if the Notes are listed on any national securities exchange, in compliance with the requirements of the principal national securities exchange on which the Notes are listed, (b) on a pro rata basis to the extent practicable or (c) by lot or such other similar method in accordance with the procedures of DTC.

Notices of purchase or redemption shall be mailed by first-class mail, postage prepaid, at least 30 but not more than 60 days before the purchase or redemption date to each Holder of Notes at such Holder's registered address or otherwise in accordance with the procedures of DTC, except that redemption notices may be mailed more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of the Indenture. If any Note is to be purchased or redeemed in part only, any notice of purchase or redemption that relates to such Note shall state the portion of the principal amount thereof that has been or is to be purchased or redeemed.

The Issuer will issue a new Note in a principal amount equal to the unredeemed portion of the original Note in the name of the Holder upon cancellation of the original Note. Notes called for redemption become due on the date fixed for redemption. On and after the redemption date, interest ceases to accrue on Notes or portions thereof called for redemption.

Certain covenants

Set forth below are summaries of certain covenants contained in the Indenture.

Covenant suspension

If on any date following the Issue Date (i) the Notes have Investment Grade Ratings from both Rating Agencies and (ii) no Default has occurred and is continuing under the Indenture (the occurrence of the events described in the foregoing clauses (i) and (ii) being collectively referred to as a *Investment Grade Rating Event*), the Issuer and the Subsidiaries will not be subject to the *Repurchase at the Option of Holders* *Change of Control* covenant (the *Suspended Covenant*).

In the event that the Issuer and the Subsidiaries are not subject to the *Suspended Covenant* under the Indenture for any period of time as a result of the foregoing, and on any subsequent date one or both of the Rating Agencies (a) withdraw their Investment Grade Rating or downgrade the rating assigned to the Notes below an Investment Grade Rating and/or (b) the Issuer or any of its Affiliates enters into an agreement to effect a transaction that would result in a *Change of Control* and one or more of the Rating Agencies indicate that if consummated, such transaction (alone or together with any related recapitalization or refinancing transactions) would cause such Rating Agency to withdraw its Investment Grade Rating or downgrade the ratings assigned to the Notes below an Investment Grade Rating, then the Issuer and the Subsidiaries will thereafter again be subject to the *Suspended Covenant* under the Indenture with respect to future events, including, without limitation, a proposed transaction described in clause (b) above.

In the event of any such reinstatement, no action taken or omitted to be taken by the Issuer or any of its Subsidiaries prior to such reinstatement will give rise to a Default or Event of Default under the Indenture with respect to Notes.

There can be no assurance that the Notes will ever achieve or maintain Investment Grade Ratings.

Covenant termination and release of collateral

If on any date following the Issue Date, an Investment Grade Rating Event has occurred:

- (A) all Collateral securing the Notes shall be released in accordance with the terms set forth in the Indenture and the Security Documents;
- (B) the Issuer and the Subsidiaries will not be subject to covenants described under *Repurchase at the Option of Holders* *Asset Sales* and *Liens* ; and
- (C) only the covenants described below under the caption *Investment Grade Covenants* will apply to the Issuer and become effective upon the occurrence of such an Investment Grade Rating Event.

There can be no assurance that the Notes will ever achieve or maintain Investment Grade Ratings.

In addition, if on any date following the Issue Date, substantially all of the Collateral has been released pursuant to clause (5) described under *Collateral Release of Collateral* :

- (A) the Issuer and the Subsidiaries will not be subject to covenants described under *Repurchase at the Option of Holders* *Asset Sales* and *Liens* ; and

Table of Contents

- (B) only the covenants described below under the caption **Investment Grade Covenants** will apply to the Issuer and become effective upon the occurrence of such an event.

Liens

The Issuer will not, and will not permit any Guarantor to, directly or indirectly, create, incur, assume or suffer to exist any Lien (except Permitted Liens) that secures obligations under any Indebtedness or any related guarantee, on any asset or property of the Issuer or any Guarantor, or any income or profits therefrom, or assign or convey any right to receive income therefrom, other than Liens securing Indebtedness that are junior in priority to the Liens on such property, assets or proceeds securing the Notes and related Guarantees.

The foregoing shall not apply to (a) Liens securing the Notes and the related Guarantees, (b) Liens securing Indebtedness permitted to be incurred under Credit Facilities, including any letter of credit relating thereto, that was permitted to be incurred pursuant to clause (1) of the second paragraph under **Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock** set forth in the Existing First Priority Notes Indentures as in effect on the Issue Date; *provided* that, with respect to Liens securing Obligations permitted under this subclause (b), the Notes and the related Guarantees are secured by Liens on the assets subject to such Liens to the extent, with the priority and subject to intercreditor arrangements, in each case no less favorable to the Holders of the Notes than those described under **Security** above and (c) Liens which are *pari passu* in priority to the Liens securing the Notes and related Guarantees and are incurred to secure Obligations in respect of any Indebtedness permitted to be incurred pursuant to the covenant described under **Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock** set forth in the Existing First Priority Notes Indentures as in effect on the Issue Date; *provided* that, with respect to Liens securing Obligations permitted under this subclause (c), at the time of incurrence and after giving pro forma effect thereto, the ratio of (1) the aggregate amount of Indebtedness secured by property, assets or proceeds that secure the Notes and related Guarantees that are subject to a Lien that is *pari passu* or senior in priority to the Liens securing the Notes and the related Guarantees incurred pursuant to subclause (b) above, this subclause (c) and clause (6) of the definition of **Permitted Liens** (other than Liens securing Indebtedness incurred pursuant to clauses (4) and (18) of the covenant described under **Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock** set forth in the Existing First Priority Notes Indentures as in effect on the Issue Date) to (2) the Issuer's EBITDA for the most recently ended four full fiscal quarters for which internal financial statements are available immediately preceding the date on which such event for which such calculation is being made shall occur, in each case with such pro forma adjustments to Indebtedness and EBITDA as are appropriate and consistent with the pro forma adjustment provisions set forth in the definition of **Fixed Charge Coverage Ratio** would be no greater than 4.25 to 1.0; *provided* that, with respect to Liens securing Obligations permitted under this subclause (c), the Notes and the related Guarantees are secured by Liens on the assets subject to such Liens to the extent, with the priority and subject to intercreditor arrangements, in each case no less favorable to the Holders of the Notes than those described under **Security** above.

Investment grade covenants

The following covenants will be applicable to the Issuer and its Restricted Subsidiaries upon the occurrence of the events described above under **Certain Covenants** **Covenant Termination and Release of Collateral**.

Limitations on Mortgages

Nothing in the Indenture or in the Notes shall in any way restrict or prevent the Issuer, the Parent Guarantor or any Subsidiary from incurring any Indebtedness, *provided, however*, that the Indenture will provide that neither the Issuer nor any of its Subsidiaries will issue, assume or guarantee any indebtedness or obligation secured by Mortgages upon any Principal Property, unless the Notes shall be secured equally and ratably with (or prior to) such Indebtedness. This restriction will not apply to:

- (a) Mortgages securing all or any part of the purchase price of property acquired or cost of construction of property or cost of additions, substantial repairs, alterations or improvements or property, if the Indebtedness and the related Mortgages are incurred within 18 months of the later of the acquisition or completion of construction and full operation or additions, repairs, alterations or improvements;
- (b) Mortgages existing on property at the time of its acquisition by the Issuer or a Subsidiary or on the property of a Person at the time of the acquisition of such Person by the Issuer or a Subsidiary (including acquisitions through merger or consolidation);
- (c) Mortgages to secure Indebtedness on which the interest payments to holders of the related indebtedness are excludable from gross income for federal income tax purposes under Section 103 of the Code;
- (d) Mortgages in favor of the Issuer or any Subsidiary;
- (e) Mortgages existing on the date of the Indenture;
- (f) Mortgages in favor of a government or governmental entity that (i) secure Indebtedness which is guaranteed by the government or governmental entity, (ii) secure Indebtedness incurred to finance all or some of the purchase price or cost of construction of goods, products or facilities produced under contract or subcontract for the government or governmental entity, or (iii) secure Indebtedness incurred to finance all or some of the purchase price or cost of construction of the property subject to the Mortgage;
- (g) Mortgages incurred in connection with the borrowing of funds where such funds are used to repay within 120 days after entering into such Mortgage, Indebtedness in the same principal amount secured by other Mortgages on Principal Property with at least the same appraised fair market value; and
- (h) any extension, renewal or replacement of any Mortgage referred to in clauses (a) through (g) above, provided the amount secured is not increased and such extension, renewal or replacement Mortgage relates to the same property.

Limitations on sale and lease-back

The Indenture will provide that neither the Issuer nor any Subsidiary will enter into any Sale and Lease-Back Transaction with respect to any Principal Property with another person (other than with the Issuer or a Subsidiary) unless either:

- (a) the Issuer or such Subsidiary could incur indebtedness secured by a mortgage on the property to be leased without equally and ratably securing the Notes; or

Table of Contents

- (b) within 120 days, the Issuer applies the greater of the net proceeds of the sale of the leased property or the fair value of the leased property, net of all Notes delivered under the Indenture, to the voluntary retirement of our Funded Debt and/or the acquisition or construction of a Principal Property.

Exempted transactions

Notwithstanding the foregoing provisions described above under *Limitation on Mortgages* and *Limitations on Sale and Lease-Back* if the aggregate outstanding principal amount of all Indebtedness of the Issuer and its Subsidiaries that is subject to and not otherwise permitted under these restrictions does not exceed 15% of the Consolidated Net Tangible Assets of the Issuer and its Subsidiaries, then:

- (a) the Issuer or any of its Subsidiaries may issue, assume or guarantee Indebtedness secured by Mortgages; and
- (b) the Issuer or any of its Subsidiaries may enter into any Sale and Lease-Back Transaction.

Events of default

Under the Indenture, an *Event of Default* applicable to the Notes of any series means:

failure to pay the principal or any premium on the Notes when due;

failure to pay any interest on the Notes when due, and such default continues for a period of 30 days;

failure to deposit any sinking fund payment in respect of the Notes when due;

failure to perform, or the breach of, any of our other applicable covenants or warranties in the Indenture, and such default continues for a period of 60 days after written notice by Holders of at least 10% in principal amount of the outstanding Notes of such series;

events in bankruptcy, insolvency or reorganization;

the Guarantee of any Significant Subsidiary shall for any reason cease to be in full force and effect or be declared null and void or any responsible officer of any Guarantor that is a Significant Subsidiary, as the case may be, denies that it has any further liability under its Guarantee or gives notice to such effect, other than by reason of the termination of the Indenture or the release of any such Guarantee in accordance with the Indenture; or

to the extent applicable, with respect to any Collateral having a fair market value in excess of \$200 million, individually or in the aggregate, (a) the security interest under the Security Documents, at any time, ceases to be in full force and effect for any reason other than in accordance with the terms of the Indenture, the Security Documents and the Intercreditor Agreements, (b) any security interest created thereunder or under the Indenture is declared invalid or unenforceable by a court of competent jurisdiction or (c) the Issuer or any Guarantor asserts, in any pleading in any court of competent jurisdiction, that any such security interest is invalid or unenforceable.

If any Event of Default with respect to the Notes occurs and is continuing, either the Trustee or the Holders of at least 25% in aggregate principal amount of the outstanding Notes may declare the principal amount of all the Notes to be due and payable immediately. The Holders may, under certain circumstances, rescind and annul this acceleration prior to obtaining a judgment or decree.

Table of Contents

Other than the duties of the Trustee during a default to act with the required standard of care, the Trustee is not obligated to exercise any of its rights or powers under the Indenture at the request or direction of any of the Holders unless the Holders shall have offered to the Trustee indemnity reasonably satisfactory to it. Subject to these indemnification provisions, the Holders of a majority in aggregate principal amount of the outstanding Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred on the Trustee, with respect to the Notes.

We will furnish the Trustee annually with a statement as to our performance of certain obligations under the Indenture and as to any default in our performance.

Modification and waiver

Without holder consent

Without the consent of any Holders of any series of Notes, the Issuer, any Guarantor (with respect to a Guarantee or the Indenture to which it is a party) and the Trustee may amend or supplement the Indenture, any Security Document and any Guarantee or Notes for any of the following purposes:

- (1) to evidence the succession of another corporation to the Issuer and the assumption by such successor of the covenants of the Issuer in compliance with the requirements set forth in the Indenture; or
- (2) to add to the covenants for the benefit of the Holders or to surrender any right or power herein conferred upon the Issuer; or
- (3) to add any additional Events of Default; or
- (4) to change or eliminate any of the provisions of the Indenture, *provided* that any such change or elimination shall become effective only when there are no outstanding Notes of any series created prior to the execution of such supplemental indenture that is entitled to the benefit of such provision and as to which such supplemental indenture would apply; or
- (5) to add a Guarantor to the Notes; or
- (6) to supplement any of the provisions of the Indenture to such extent necessary to permit or facilitate the defeasance and discharge of the Notes, *provided* that any such action does not adversely affect the interests of the Holders of the Notes in any material respect; or
- (7) to evidence and provide for the acceptance of appointment hereunder by a successor Trustee and to add to or change any of the provisions of the Indenture necessary to provide for or facilitate the administration of the trusts by more than one Trustee; or
- (8) to cure any ambiguity, to correct or supplement any provision of the Indenture which may be defective or inconsistent with any other provision; or
- (9) to change any place or places where the principal of and premium, if any, and interest, if any, on the Notes shall be payable, the Notes may be surrendered for registration or transfer, the Notes may be surrendered for exchange, and notices and demands to or upon the Issuer may be served; or

performance of all or any portion of the Obligations, in any property or assets, including any which are required to be mortgaged, pledged or hypothecated, or in which a Lien is required to be granted to or for the benefit of the Trustee or the Collateral Agent pursuant to the Indenture, any of the Security Documents or otherwise; or

- (11) to release Collateral from the Lien of the Indenture and the Security Documents when permitted or required by the Security Documents or the Indenture; or
- (12) to add Additional First Lien Secured Parties or additional ABL Secured Parties, to any Security Documents in accordance with such Security Documents.

With holder consent

For any series of Notes, the Issuer and the Trustee may modify and amend the Indenture, any Guarantee or any Security Document with the consent of the Holders of a majority in aggregate principal amount of the outstanding Notes of such series; however, we must have the consent of the Holder of each outstanding Note of such series affected to:

- (1) change the stated maturity of the principal of, or installment of interest, if any, on, such Notes, or reduce the principal amount thereof or the interest thereon or any premium payable upon redemption thereof;
- (2) change the currency in which the principal of (and premium, if any) or interest on such Notes are denominated or payable, or reduce the amount of the principal of a Discount Security that would be due and payable upon a declaration of acceleration of the maturity thereof;
- (3) adversely affect the right of repayment or repurchase, if any, at the option of the Holder after such obligation arises, or reduce the amount of, or postpone the date fixed for, any payment under any sinking fund or impair the right to institute suit for the enforcement of any payment on or after the Stated Maturity thereof (or, in the case of redemption, on or after the redemption date);
- (4) reduce the percentage of Holders whose consent is required for modification or amendment of the Indenture or for waiver of compliance with certain provisions of the Indenture or certain defaults;
- (5) modify the provisions that require Holder consent to modify or amend the Indenture or that permit Holders to waive compliance with certain provisions of the Indenture or certain defaults;
- (6) make any change to or modify the ranking of such Notes or the subordination of the Liens with respect to such Notes that would adversely affect the Holders; or
- (7) except as expressly permitted by the Indenture, modify the Guarantees of any Significant Subsidiary in any manner adverse to the Holders of the Notes.

In addition, without the consent of at least 75% in aggregate principal amount of Notes of such series then outstanding, an amendment, supplement or waiver may not:

- (1) modify any Security Document or the provisions of the Indenture dealing with the Security Documents or application of trust moneys, or otherwise release any Collateral, in any manner materially adverse to the Holders other than in accordance with the Indenture, the

Security Documents and the Intercreditor Agreements; or

S-76

Table of Contents

- (2) modify any Intercreditor Agreement in any manner materially adverse to the Holders other than in accordance with the Indenture, the Security Documents and the Intercreditor Agreements.

The Holders of a majority in aggregate principal amount of the outstanding Notes may, on behalf of all Holders, waive any past default under the Indenture with respect to Notes. However, such Holders may not waive a past default in the payment of principal, premium or interest, or any sinking fund installment with respect to the Notes, or waive a covenant or provision that cannot be modified or amended, without the consent of the Holders of each outstanding Note affected.

Consolidation, merger, sale or lease of assets

The Issuer may consolidate with or merge into, or transfer or lease all or substantially all of its assets to another Person (whether or not the Issuer is the surviving corporation) without the consent of the Holders of any series of Notes under the Indenture if:

the successor entity assumes the Issuer's obligations on the Notes and under the Indenture, as if such successor were an original party to the Indenture;

after giving effect to the transaction, no Event of Default, and no event which, after notice or lapse of time or both, would become an Event of Default, shall have occurred and be continuing;

if, as a result of any such consolidation or merger or such conveyance, transfer or lease, properties or assets of the Issuer would become subject to a mortgage, pledge, lien, security interest or other encumbrance that would not be permitted by the Indenture, the Issuer or such successor corporation or Person, as the case may be, shall take such steps as shall be necessary effectively to secure all the Notes equally and ratably with (or prior to) all indebtedness secured thereby;

each Guarantor, unless it is the other party to the transactions described above, shall have by supplemental indenture confirmed that its Guarantee shall apply to such Person's obligations under the Indenture and the Notes;

the Collateral owned by the successor entity will (a) continue to constitute Collateral under the Indenture and the Security Documents, (b) be subject to a Lien in favor of the First Lien Collateral Agent for the benefit of the Trustee and the Holders of the Notes and (c) not be subject to any other Lien, other than Permitted Liens and other Liens permitted under the covenant described under Liens ;

to the extent any assets of the Person which is merged or consolidated with or into the successor entity are assets of the type which would constitute Collateral under the Security Documents, the successor entity will take such action as may be reasonably necessary to cause such property and assets to be made subject to the Lien of the Security Documents in the manner and to the extent required in the Indenture or any of the Security Documents and shall take all reasonably necessary action so that such Lien is perfected to the extent required by the Security Documents; and

the Issuer has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel each stating that such consolidation, merger, conveyance, transfer or lease and such supplemental indenture comply with this covenant and that all conditions precedent provided for relating to such transaction have been complied with.

Table of Contents

Subject to certain limitations described in the Indenture governing release of a Guarantee upon the sale, disposition or transfer of a Guarantor, neither the Parent Guarantor nor any Guarantor (each, a guarantor) will, and the Issuer will not permit any Guarantor to, consolidate or merge with or into or wind up into (whether or not the Issuer or such guarantor is the surviving corporation), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets, in one or more related transactions, to any Person unless:

- (1) (a) such guarantor is the surviving corporation or the Person formed by or surviving any such consolidation or merger (if other than such guarantor) or to which such sale, assignment, transfer, lease, conveyance or other disposition will have been made is a corporation, partnership, limited partnership, limited liability corporation or trust organized or existing under the laws of the jurisdiction of organization of such Guarantor, as the case may be, or the laws of the United States, any state thereof, the District of Columbia, or any territory thereof (such guarantor or such Person, as the case may be, being herein called the *Successor Person*);
- (b) the Successor Person, if other than such guarantor, expressly assumes all the obligations of such guarantor under the Indenture and such guarantor's related Guarantee pursuant to supplemental indentures or other documents or instruments in form reasonably satisfactory to the Trustee;
- (c) immediately after such transaction, no Default exists; and
- (d) the Issuer shall have delivered to the Trustee an Officer's Certificate, each stating that such consolidation, merger or transfer and such supplemental indentures, if any, comply with the Indenture; or

(2) the transaction is made in compliance with the covenant described under *Repurchase at the Option of Holders Asset Sales*. Subject to certain limitations described in the Indenture, the Successor Person will succeed to, and be substituted for, such guarantor under the Indenture and such guarantor's guarantee. Notwithstanding the foregoing, any guarantor may (i) merge into or transfer all or part of its properties and assets to another guarantor or the Issuer, (ii) merge with an Affiliate of the Company solely for the purpose of reincorporating the guarantor in the United States, any state thereof, the District of Columbia or any territory thereof or (iii) convert into a corporation, partnership, limited partnership, limited liability corporation or trust organized or existing under the laws of the jurisdiction of organization of such guarantor.

Defeasance

We may be discharged from our obligations under the Notes, and we will not be subject to the limitations in the Indenture discussed in the above sections, if we deposit with the Trustee trust money or U.S. government obligations that are sufficient to pay all principal, premium and interest on the Notes. We would deliver to the Trustee an opinion of counsel to the effect that the deposit and related defeasance would not (1) cause the Holders of the Notes to recognize income, gain or loss for United States income tax purposes or (2) result in the delisting of the Notes from any national securities exchange (if so listed).

Notices

Notices to Holders will be mailed to the addresses of the holders listed in the security register.

Fixed Charge Coverage Ratio means, with respect to any Person for any period, the ratio of EBITDA of such Person for such period to the Fixed Charges of such Person for such period. In the

Table of Contents

event that the Issuer or any Restricted Subsidiary incurs, assumes, guarantees, redeems, retires or extinguishes any Indebtedness (other than Indebtedness incurred under any revolving credit facility unless such Indebtedness has been permanently repaid and has not been replaced) or issues or redeems Disqualified Stock or Preferred Stock subsequent to the commencement of the period for which the Fixed Charge Coverage Ratio is being calculated but prior to or simultaneously with the event for which the calculation of the Fixed Charge Coverage Ratio is made (the *Fixed Charge Coverage Ratio Calculation Date*), then the Fixed Charge Coverage Ratio shall be calculated giving pro forma effect to such incurrence, assumption, guarantee, redemption, retirement or extinguishment of Indebtedness, or such issuance or redemption of Disqualified Stock or Preferred Stock, as if the same had occurred at the beginning of the applicable four-quarter period.

For purposes of making the computation referred to above, Investments, acquisitions, dispositions, mergers, consolidations and disposed operations (as determined in accordance with GAAP) that have been made by the Issuer or any of its Restricted Subsidiaries during the four-quarter reference period or subsequent to such reference period and on or prior to or simultaneously with the Fixed Charge Coverage Ratio Calculation Date shall be calculated on a pro forma basis assuming that all such Investments, acquisitions, dispositions, mergers, consolidations and disposed operations (and the change in any associated fixed charge obligations and the change in EBITDA resulting therefrom) had occurred on the first day of the four-quarter reference period. If, since the beginning of such period, any Person that subsequently became a Restricted Subsidiary or was merged with or into the Issuer or any of its Restricted Subsidiaries since the beginning of such period shall have made any Investment, acquisition, disposition, merger, consolidation or disposed operation that would have required adjustment pursuant to this definition, then the Fixed Charge Coverage Ratio shall be calculated giving pro forma effect thereto for such period as if such Investment, acquisition, disposition, merger, consolidation or disposed operation had occurred at the beginning of the applicable four-quarter period.

For purposes of this definition, whenever pro forma effect is to be given to a transaction, the pro forma calculations shall be made in good faith by a responsible financial or accounting officer of the Issuer. If any Indebtedness bears a floating rate of interest and is being given pro forma effect, the interest on such Indebtedness shall be calculated as if the rate in effect on the Fixed Charge Coverage Ratio Calculation Date had been the applicable rate for the entire period (taking into account any Hedging Obligations applicable to such Indebtedness). Interest on a Capitalized Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a responsible financial or accounting officer of the Issuer to be the rate of interest implicit in such Capitalized Lease Obligation in accordance with GAAP. For purposes of making the computation referred to above, interest on any Indebtedness under a revolving credit facility computed on a pro forma basis shall be computed based upon the average daily balance of such Indebtedness during the applicable period except as set forth in the first paragraph of this definition. Interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, a eurocurrency interbank offered rate or other rate shall be deemed to have been based upon the rate actually chosen, or, if none, then based upon such optional rate chosen as the Issuer may designate.

Certain United States federal tax consequences

The following is a summary of certain United States federal income and, in the case of non-U.S. holders (as defined below), estate tax consequences of the purchase, ownership and disposition of the notes as of the date of this prospectus supplement. Unless otherwise stated, this summary deals only with notes held as capital assets by persons who purchase the notes for cash upon original issuance at their issue price, which will be the first price at which a substantial amount of the notes of that series are sold to the investors (excluding sales to bond houses, brokers or similar persons or organizations acting in the capacity of underwriter, placement agent or wholesaler).

As used herein, a U.S. holder means a beneficial owner of the notes that is for United States federal income tax purposes any of the following:

an individual who is a citizen or resident of the United States;

a corporation organized under the laws of the United States, any state thereof or the District of Columbia;

an estate the income of which is subject to United States federal income taxation regardless of its source; or

a trust if it (1) is subject to the primary supervision of a court within the United States and one or more United States persons have the authority to control all substantial decisions of the trust or (2) has a valid election in effect under applicable United States Treasury regulations to be treated as a United States person.

As used herein, and except as modified for estate tax purposes, the term non-U.S. holder means a beneficial owner of the notes (other than an entity treated as a partnership for United States federal income tax purposes) that is not a U.S. holder.

If any entity classified as a partnership for United States federal income tax purposes holds notes, the tax treatment of a partner will generally depend upon the status of the partner and the activities of the partnership. If you are a partnership or a partner in a partnership considering an investment in the notes, you should consult your own tax advisors.

This summary does not represent a detailed description of the United States federal income tax consequences applicable to you if you are a person subject to special tax treatment under the United States federal income tax laws, including, without limitation:

a dealer in securities or currencies;

a financial institution;

a regulated investment company;

a real estate investment trust;

a tax-exempt entity;

an insurance company;

a person holding the notes as part of a hedging, integrated, conversion or constructive sale transaction or a straddle;

- a trader in securities that has elected the mark-to-market method of accounting for your securities;

- a person liable for alternative minimum tax;

- a partnership or other pass-through entity for United States federal income tax purposes (or an investor in such entities);

- a U.S. holder whose functional currency is not the U.S. dollar;

- a controlled foreign corporation ;

- a passive foreign investment company ; or

a United States expatriate.

This summary is based on the Internal Revenue Code of 1986, as amended (the Code), United States Treasury regulations, administrative rulings and judicial decisions as of the date hereof. Those authorities may be changed, possibly on a retroactive basis, so as to result in United States federal income and estate tax consequences different from those summarized below. We have not and will not seek any rulings from the Internal Revenue Service (IRS) regarding the matters discussed below. There can be no assurance that the IRS will not take positions concerning the tax consequences of the purchase, ownership or disposition of the notes that are different from those discussed below.

This summary does not represent a detailed description of the United States federal income and estate tax consequences to you in light of your particular circumstances and does not address the effects of any state, local or non-United States tax laws. It is not intended to be, and should not be construed to be, legal or tax advice to any particular purchaser of notes. **If you are considering the purchase of notes, you should consult your own tax advisors concerning the particular United States federal income and estate tax consequences to you of the ownership of the notes, as well as the consequences to you arising under other United States federal tax laws (including the gift tax and the Medicare tax on certain investment income) and under the laws of any other taxing jurisdiction.**

Certain tax consequences to U.S. holders

The following is a summary of certain United States federal income tax consequences that will apply to U.S. holders of the notes.

Stated interest. Stated interest on the notes generally will be taxable to a U.S. holder as ordinary income at the time it is received or accrued, depending on the holder's method of accounting for United States federal income tax purposes.

Sale, exchange, retirement, redemption or other taxable disposition of notes. Upon the sale, exchange, retirement, redemption, or other taxable disposition of a note, you generally will recognize gain or loss equal to the difference, if any, between the amount realized upon the sale, exchange, retirement, redemption or other disposition (less an amount equal to any accrued and unpaid stated interest, which will be taxable as interest income as discussed above) and the adjusted tax basis of the note. Your adjusted tax basis in a note will, in general, be your cost for that note. Any gain or loss will be capital gain or loss. Capital gains of noncorporate holders derived in respect of capital assets held for more than one year are eligible for reduced rates of taxation. The deductibility of capital losses is subject to limitations.

Certain tax consequences to non-U.S. holders

The following is a summary of certain United States federal income and estate tax consequences that will apply to non-U.S. holders of the notes.

United States federal withholding tax. The 30% United States federal withholding tax will not apply to any payment of interest on the notes under the portfolio interest rule, provided that:

interest paid on the notes is not effectively connected with your conduct of a trade or business in the United States;

you do not actually (or constructively) own 10% or more of the total combined voting power of all classes of our voting stock within the meaning of the Code and applicable United States Treasury regulations;

you are not a controlled foreign corporation that is related to us actually or constructively through stock ownership;

you are not a bank whose receipt of interest on the notes is described in Section 881(c)(3)(A) of the Code; and

either (a) you provide your name and address on an IRS Form W-8BEN (or other applicable form), and certify, under penalties of perjury, that you are not a United States person as defined under the Code or (b) you hold your notes through certain foreign intermediaries and satisfy the certification requirements of applicable United States Treasury regulations. Special certification rules apply to non-U.S. holders that are pass-through entities rather than corporations or individuals.

If you cannot satisfy the requirements described above, payments of interest made to you will be subject to the 30% United States federal withholding tax, unless you provide us with a properly executed:

IRS Form W-8BEN (or other applicable form) certifying an exemption from or reduction in withholding under the benefit of an applicable income tax treaty; or

IRS Form W-8ECI (or other applicable form) certifying interest paid on the notes is not subject to withholding tax because it is effectively connected with your conduct of a trade or business in the United States (as discussed below under *United States Federal Income Tax*). The 30% United States federal withholding tax generally will not apply to any payment of principal or gain that you realize on the sale, exchange, retirement, redemption or other disposition of a note.

United States federal income tax. If you are engaged in a trade or business in the United States and interest on the notes is effectively connected with the conduct of that trade or business (and, if required by an applicable income tax treaty, is attributable to a United States permanent establishment), then you will be subject to United States federal income tax on that interest on a net income basis in generally the same manner as if you were a United States person as defined under the Code. In addition, if you are a foreign corporation, you may be subject to a branch profits tax equal to 30% (or a lower applicable income tax treaty rate) of your effectively connected earnings and profits, subject to adjustments. If interest received with respect to the notes is effectively connected income (whether or not a treaty applies), the 30% withholding tax

Table of Contents

described above will not apply, provided the certification requirements discussed above in **United States Federal Withholding Tax** are satisfied.

Subject to the discussion of backup withholding below, any gain realized on the disposition of a note generally will not be subject to United States federal income tax unless:

the gain is effectively connected with your conduct of a trade or business in the United States (and, if required by an applicable income tax treaty, is attributable to a United States permanent establishment), in which case you will be taxed in the same manner as discussed above with respect to effectively connected interest; or

you are an individual who is present in the United States for 183 days or more in the taxable year of that disposition, and certain other conditions are met, in which case you will be subject to a flat 30% United States federal income tax on any gain recognized (except as otherwise provided by an applicable income tax treaty), which may be offset by certain United States source losses.

United States federal estate tax. If you are an individual who is neither a citizen nor a resident of the United States (as specifically defined for estate tax purposes), your estate will not be subject to United States federal estate tax on notes beneficially owned by you (or treated as so owned) at the time of your death, provided that any interest payment to you on the notes would be eligible for exemption from the 30% United States federal withholding tax under the **portfolio interest rule** described above under **United States Federal Withholding Tax** without regard to the statement requirement described in the fifth bullet point of that section.

Information reporting and backup withholding

U.S. holders. In general, information reporting requirements will apply to certain payments of interest on the notes and the proceeds of the sale or other disposition (including a retirement or redemption) of a note paid to you (unless you are an exempt recipient such as a corporation). Backup withholding (currently at a rate of 28%) may apply to such payments if you fail to provide a taxpayer identification number or a certification that you are not subject to backup withholding or if you are subject to backup withholding because you previously failed to report in full dividend and interest income.

Backup withholding is not an additional tax and any amounts withheld under the backup withholding rules may be allowed as a refund or a credit against your United States federal income tax liability provided the required information is timely furnished to the IRS.

Non-U.S. holders. Generally, we must report to the IRS and to you the amount of interest paid to you and the amount of tax, if any, withheld with respect to those payments. Copies of the information returns reporting such interest payments and any withholding may also be made available to the tax authorities in the country in which you reside under the provisions of an applicable income tax treaty.

In general, you will not be subject to backup withholding with respect to payments of interest on the notes that we make to you provided that we do not have actual knowledge or reason to know that you are a United States person as defined under the Code, and we have received from you the required certification that you are a non-U.S. holder described above in the fifth bullet point under **Certain Tax Consequences to Non-U.S. Holders** **United States Federal Withholding Tax**.

Table of Contents

Information reporting and, depending on the circumstances, backup withholding will apply to the proceeds of a sale or other disposition (including a retirement or redemption) of notes within the United States or conducted through certain United States-related financial intermediaries, unless you certify to the payer under penalties of perjury that you are a non-U.S. holder (and the payer does not have actual knowledge or reason to know that you are a United States person as defined under the Code), or you otherwise establish an exemption.

Backup withholding is not an additional tax and any amounts withheld under the backup withholding rules may be allowed as a refund or a credit against your United States federal income tax liability provided the required information is timely furnished to the IRS.

Certain ERISA considerations

The following is a summary of certain considerations associated with the purchase of the notes by employee benefit plans that are subject to Title I of the Employee Retirement Income Security Act of 1974, as amended (ERISA), or plans, individual retirement accounts or other arrangements that are subject to Section 4975 of the Code or provisions under any federal, state, local, non-U.S. or other laws, rules or regulations that are similar to such provisions of ERISA or the Code (collectively, Similar Laws), or entities whose underlying assets are considered to include plan assets of any such plan, account or arrangement (each, a Plan).

General fiduciary matters

ERISA and the Code impose certain duties on persons who are fiduciaries of a Plan subject to Part 4 of Title I of ERISA or Section 4975 of the Code (an ERISA Plan) and prohibit certain transactions involving the assets of an ERISA Plan and its fiduciaries or other interested parties. Under ERISA and the Code, any person who exercises any discretionary authority or control over the administration of such an ERISA Plan or the management or disposition of the assets of such an ERISA Plan, or who renders investment advice for a fee or other compensation to such an ERISA Plan, is generally considered to be a fiduciary of the ERISA Plan.

In considering an investment in the notes of a portion of the assets of any Plan, a fiduciary should determine whether the investment is in accordance with the documents and instruments governing the Plan and the applicable provisions of ERISA, the Code and any Similar Law relating to a fiduciary's duties to the Plan including, without limitation, the prudence, diversification, delegation of control and prohibited transaction provisions of ERISA, the Code and any other applicable Similar Laws.

Prohibited transaction issues

Section 406 of ERISA and Section 4975 of the Code prohibit ERISA Plans from engaging in specified transactions involving plan assets with persons or entities who are parties in interest, within the meaning of ERISA, or disqualified persons, within the meaning of Section 4975 of the Code, unless an exemption is available. A party in interest or disqualified person who engages in a non-exempt prohibited transaction may be subject to excise taxes and other penalties and liabilities under ERISA and the Code. In addition, the fiduciary of the ERISA Plan that engages in such a non-exempt prohibited transaction may be subject to penalties and liabilities under ERISA and the Code. The acquisition and/or holding of notes by an ERISA Plan with respect to which we or the underwriters are considered a party in interest or disqualified person may constitute or result in a direct or indirect prohibited transaction under Section 406 of ERISA and/or Section 4975 of the Code, unless the investment is acquired and is held in accordance with an applicable statutory, class or individual prohibited transaction exemption. In this regard, the United States Department of Labor has issued prohibited transaction class exemptions (PTCEs) that may apply to the acquisition and holding of the notes. These class exemptions include, without limitation, PTCE 84-14, respecting transactions determined by independent qualified professional asset managers, PTCE 90-1, respecting insurance company pooled separate accounts, PTCE 91-38, respecting bank collective investment funds, PTCE 95-60, respecting life insurance company general accounts and PTCE 96-23, respecting transactions determined by in-house asset managers, although there can be no assurance that all of the conditions of any such exemptions will be satisfied.

Table of Contents

In addition to the foregoing, the Pension Protection Act of 2006 provides a statutory exemption (Section 408(b)(17) of ERISA and Section 4975(d)(20) of the Code) for transactions between an ERISA Plan and a person that is a party in interest and/or a disqualified person (other than a fiduciary or an affiliate that, directly or indirectly, has or exercises discretionary authority or control or renders investment advice with respect to the assets involved in the transaction) solely by reason of providing services to the Plan or by relationship to a service provider, provided that the ERISA Plan fiduciary has made a determination that there is adequate consideration for the transaction.

Because of the foregoing, the notes should not be purchased or held by any person investing plan assets of any Plan, unless such purchase and holding will not constitute a non-exempt prohibited transaction under ERISA and the Code or a similar violation of any applicable Similar Laws.

Representation

Accordingly, by acceptance of a note, or any interest therein, each purchaser and subsequent transferee will be deemed to have represented and warranted that either (i) no portion of the assets used by such purchaser or transferee to acquire or hold the notes constitutes assets of any Plan or (ii) the acquisition and holding of the notes by such purchaser or transferee will not constitute a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code or similar violation under any applicable Similar Laws.

The foregoing discussion is general in nature and is not intended to be all-inclusive, nor should it be construed as legal advice. Due to the complexity of these rules and the penalties that may be imposed upon persons involved in non-exempt prohibited transactions, it is particularly important that fiduciaries or other persons considering acquiring the notes on behalf of, or with the assets of, any Plan, consult with their counsel regarding the potential applicability of ERISA, Section 4975 of the Code and any Similar Laws to such investment and whether an exemption would be applicable to the purchase and holding of the notes.

Subject to the terms and conditions set forth in the underwriting agreement, the underwriters have agreed, severally and not jointly, to purchase all of the notes of a series sold under the underwriting agreement if any of the notes of that series are purchased. If an underwriter defaults, the underwriting agreement provides that the purchase commitments of the nondefaulting underwriters may be increased or the underwriting agreement may be terminated.

The underwriters are offering the notes, subject to prior sale, when, as and if issued to and accepted by them, subject to approval of legal matters by their counsel, including the validity of the notes, and other conditions contained in the underwriting agreement, such as the receipt by the underwriters of officer's certificates and legal opinions. The underwriters reserve the right to withdraw, cancel or modify offers to the public and to reject orders in whole or in part.

We have agreed to indemnify the underwriters against certain liabilities, including liabilities under the Securities Act or to contribute to payments the underwriters may be required to make in respect of those liabilities.

Commissions and discounts

Each series of notes sold by the underwriters to the public will initially be offered at the applicable initial public offering price set forth on the cover of this prospectus supplement. Any notes sold by the underwriters to securities dealers may be sold at a discount from the initial public offering price of up to % of the principal amount of notes. Any such securities dealers may resell any notes purchased from the underwriters to certain other brokers or dealers at a discount from the initial public offering price of up to % of the principal amount of notes. If all the notes are not sold at the initial offering prices, the underwriters may change the offering prices and the other selling terms. The offering of the notes by the underwriters is subject to receipt and acceptance and subject to the underwriters' right to reject any order in whole or in part. The underwriters may offer and sell notes through certain of their affiliates.

We estimate that our share of the total expenses of the offering, excluding underwriting discounts and commissions, will be approximately \$3 million.

New issues of notes

The notes are a new issue of securities with no established trading market. We have been advised by the underwriters that the underwriters intend to make a market in the notes but are not obligated to do so and may discontinue market making at any time without notice. No assurance can be given as to the liquidity of the trading market for the notes.

Settlement

We expect that delivery of the notes will be made to investors on or about , 2014, which will be the business day following the date of this prospectus supplement (such settlement being referred to as T+). Under Rule 15c6-1 under the Exchange Act, trades in the secondary market are required to settle in three business days, unless the parties to any such trade expressly agree otherwise. Accordingly, purchasers who wish to trade notes prior to the delivery of the notes hereunder will be required, by virtue of the fact that the notes initially settle in T+ , to specify an alternate settlement arrangement at the time of any such trade to prevent a failed settlement. Purchasers of the notes who wish to trade the notes prior to their date of delivery hereunder should consult their advisors.

No sales of similar securities

We have agreed that we will not, for a period of 30 days after the date of this prospectus supplement, without first obtaining the prior written consent of J.P. Morgan Securities LLC, directly or indirectly, issue, sell, offer to contract or grant any option to sell, pledge, transfer or otherwise dispose of, any debt securities or securities exchangeable for or convertible into debt securities, except for the notes sold to the underwriters pursuant to the underwriting agreement.

Short positions

In connection with the offering, the underwriters may purchase and sell notes in the open market. These transactions may include short sales, stabilizing transactions and purchases to cover positions created by short sales. Short sales involve the sale by the underwriters of a

Table of Contents

greater number of notes than they are required to purchase in the offering. Stabilizing transactions consist of certain bids or purchases made for the purpose of preventing or retarding a decline in the market price of the notes while the offering is in progress.

These activities by the underwriters, as well as other purchases by the underwriters for their own account, may stabilize, maintain or otherwise affect the market price of the notes. As a result, the price of the notes may be higher than the price that otherwise might exist in the open market. If these activities are commenced, they may be discontinued by the underwriters at any time. These transactions may be effected in the over-the-counter market or otherwise.

Other relationships

The underwriters and each of their affiliates are full service financial institutions engaged in various activities, which may include securities trading, commercial and investment banking, financial advisory, investment management, investment research, principal investment, hedging, financing and brokerage activities. The underwriters and each of their affiliates have, from time-to-time, performed, and may in the future perform, various financial advisory and investment banking services for us, for which they received or will receive customary fees and expenses. If any of the underwriters or their affiliates has a lending relationship with us, certain of those underwriters or their affiliates routinely hedge, certain of those underwriters or their affiliates hedge and are likely in the future to continue to hedge and certain other of those underwriters or their affiliates may hedge, their credit exposure to us consistent with their customary risk management policies. Typically, these underwriters and their affiliates would hedge such exposure by entering into transactions which consist of either the purchase of credit default swaps or the creation of short positions in our securities, including potentially the notes offered hereby. Any such credit default swaps or short positions could adversely affect future trading prices of the notes offered hereby. Affiliates of certain of the underwriters that are lenders and/or agents under our senior secured credit facilities may receive fees in connection with the amendments to the senior secured credit facilities. Certain of the underwriters also acted as underwriters or initial purchasers in connection with the issuance of our outstanding notes or our initial public offering and received customary placement fees in connection therewith. Certain of the underwriters and/or their affiliates may be holders of our $8\frac{1}{2}\%$ senior secured notes due 2019 and our $7\frac{7}{8}\%$ senior secured notes due 2020 and, accordingly, may receive a portion of the net proceeds of the offering in connection with the redemption of those notes.

In addition, in the ordinary course of their business activities, the underwriters and their affiliates may make or hold a broad array of investments and actively trade debt and equity securities (or related derivative securities) and financial instruments (including bank loans) for their own account and for the accounts of their customers. Such investments and securities activities may involve securities and/or instruments of ours or our affiliates. The underwriters and their affiliates may also make investment recommendations and/or publish or express independent research views in respect of such securities or financial instruments and may hold, or recommend to clients that they acquire, long and/or short positions in such securities and instruments.

Notice to prospective investors in the European economic area

In relation to each Member State of the European Economic Area (Iceland, Norway and Liechtenstein in addition to member states of the European Union) which has implemented the Prospectus Directive (each, a Relevant Member State), the underwriters have represented and

agreed that with effect from and including the date on which the Prospectus Directive is implemented in that Relevant Member State (the Relevant Implementation Date) they have not made and will not make an offer of notes which are the subject of the offering contemplated by this prospectus to the public in that Relevant Member State other than:

- (a) to any legal entity which is a qualified investor as defined in the Prospectus Directive;
- (b) to fewer than 150 natural or legal persons (other than qualified investors as defined in the Prospectus Directive), as permitted under the Prospectus Directive, subject to obtaining the prior consent of the relevant Dealer or Dealers nominated by us for any such offer; or
- (c) in any other circumstances falling within Article 3(2) of the Prospectus Directive,

provided that no such offer of notes shall require us or any underwriters to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

For the purposes of this provision, the expression an offer of notes to the public in relation to any notes in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the notes to be offered so as to enable an investor to decide to purchase or subscribe the notes, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State, the expression Prospectus Directive means Directive 2003/71/EC (and amendments thereto, including the 2010 PD Amending Directive), and includes any relevant implementing measure in the Relevant Member State and the expression 2010 PD Amending Directive means Directive 2010/73/EU.

Notice to prospective investors in the United Kingdom

The underwriters have represented and agreed that:

- (a) they have only communicated or caused to be communicated and will only communicate or cause to be communicated an invitation or inducement to engage in investment activity (within the meaning of Section 21 of the FSMA) received by them in connection with the issue or sale of the notes in circumstances in which Section 21(1) of the FSMA does not apply to us; and
- (b) they have complied and will comply with all applicable provisions of the FSMA with respect to anything done by them in relation to the notes in, from or otherwise involving the United Kingdom.
