Item 1.01. Entry into a Material Definitive Agreement

On April 18, 2014, EPL Oil & Gas, Inc. (EPL) entered into a supplemental indenture (the Supplemental Indenture) to the Indenture, dated as of February 14, 2011 (as supplemented, the Indenture), by and among EPL, the guarantors party thereto, and U.S. Bank National Association, as trustee (the Trustee), governing EPL's 8.250% Senior Notes due 2018 (the Notes). EPL entered into the Supplemental Indenture after the receipt of consents from the requisite holders of the Notes in accordance with the terms and conditions of the Consent Solicitation Statement of Energy XXI (Bermuda) Limited (EXXI) dated April 7, 2014 (the Statement) and in the accompanying Consent Letter, pursuant to which EXXI had solicited consents (the Consent Solicitation) from the holders of the Notes to make certain proposed amendments to certain definitions set forth in the Indenture (the Proposed COC Amendments), as reflected in the Supplemental Indenture. The Consent Solicitation was made by EXXI as permitted by the previously-announced Agreement and Plan of Merger, dated as of March 12, 2014, as the same may be amended from time to time, by and among EPL, EXXI, Energy XXI Gulf Coast, Inc., and Clyde Merger Sub, Inc., pursuant to which Clyde Merger Sub, Inc. will merge with and into EPL (the Merger). The Proposed COC Amendments will cease to be operative if the Merger is not consummated or if the Consent Fee (as defined below) is not paid by EXXI. EPL has no obligations to pay all or any portion of the Consent Fee.

The Supplemental Indenture is attached hereto as Exhibit 4.1 and is incorporated herein by reference. The foregoing summary has been included to provide investors and security holders with information regarding its terms and is qualified in its entirety by the terms and conditions of the Supplemental Indenture.

Item 8.01. Other Events.

On April 18, 2014, the tabulation agent for the Consent Solicitation certified that as of 5:00 p.m., New York City time, on April 17, 2014 (the Consent Time), EXXI had received valid consents from holders of an aggregate principal amount of \$484,098,000 of the Notes and that those consents had not been revoked prior to the Consent Time.

As a result, the requisite holders of the Notes had consented to the Proposed COC Amendments, upon the terms and subject to the conditions set forth in the Statement. Accordingly, EPL, the guarantors party thereto and the Trustee entered into the Supplemental Indenture, as described in Item 1.01 above. Subject to the terms and conditions set forth in the Statement, EXXI is obligated to pay an aggregate cash payment equal to \$2.50 per \$1,000 principal amount of Notes for which consents to the Proposed COC Amendments are validly delivered and unrevoked (the Consent Fee) to the paying agent for the Consent Solicitation on behalf of the holders who delivered such valid and unrevoked consents to the Proposed COC Amendments on or prior to the Consent Time.
