Item 8.01 Other Events

On November 27, 2007, Camden National Corporation ("Camden") issued a press release announcing that its Board of Directors has authorized Camden to seek approval to transfer the listing of its shares of common stock from the American Stock Exchange ("AMEX") to the NASDAQ Global Select Market ("NASDAQ"). Upon transfer, Camden expects to retain the trading symbol "CAC." Camden anticipates that such transfer, if approved by NASDAQ, will be effective on or about January 1, 2008.

Under the terms of the Agreement and Plan of Merger between Camden and Union Bankshares, dated as of August 13, 2007, as amended, pursuant to which Union Bankshares will merge with and into Camden (the "Merger"), Camden agreed to use its reasonable best efforts to obtain approval for listing on AMEX the shares of Camden common stock to be issued to Union Bankshares shareholders in the merger. In addition, one of the closing conditions to the Merger is that the shares of Camden stock to be issued to Union Bankshares shareholders shall have been approved for listing on AMEX. In the event that Camden common stock is traded on NASDAQ rather than AMEX at the closing of the Merger, Camden will seek a waiver under the Merger Agreement from these requirements. In return, Camden will agree to use its reasonable best efforts to obtain approval for listing on NASDAQ the shares of Camden common stock to be issued to Union Bankshares shareholders in the Merger, and will agree that, as a closing condition to the Merger, the shares of Camden stock to be issued to Union Bankshares shareholders shall have been approved for listing on NASDAQ. Union Bankshares has informed Camden that it will grant this waiver if so requested.

The full text of the press release is attached as Exhibit 99.1 to this Current Report on Form 8-K.

Other factors could also cause these differences. ement (the final terms of which KBW assumed would not differ in any respect material to KBW's analyses from the latest draft of the merger agreement that had been reviewed by KBW) with no adjustments to the 0.89 exchange ratio or additional forms of consideration;

the representations and warranties of each party in the merger agreement and in all related documents and instruments referred to in the merger agreement are true and correct;

Table of Contents

each party to the merger agreement and all related documents would perform all of the covenants and agreements required to be performed by such party under such documents;

there are no factors that would delay or subject to any adverse conditions, any necessary regulatory or governmental approval for the merger and that all conditions to the completion of the merger would be satisfied without any waivers or modifications to the merger agreement; and

in the course of obtaining the necessary regulatory, contractual, or other consents or approvals for the merger, no restrictions, including any divestiture requirements, termination or other payments or amendments or modifications, would be imposed that would have a material adverse effect on the future results of operations or financial condition of 1st United, Valley, the combined entity or the contemplated benefits of the merger, including the cost savings and related expenses expected to result from the merger.

KBW assumed that the merger would be consummated in a manner that complied with the applicable provisions of the Securities Act of 1933, as amended, the Securities Exchange Act of 1934, as amended, and all other applicable federal and state statutes, rules and regulations. KBW further assumed that 1st United relied upon the advice of its counsel, independent accountants and other advisors (other than KBW) as to all legal, financial reporting, tax, accounting and regulatory matters with respect to 1st United, Valley, the merger and related transactions and the merger agreement. KBW did not provide advice with respect to any such matters.

KBW's opinion addressed only the fairness from a financial point of view and as of the date of such opinion, of the 0.89 exchange ratio in the merger to the holders of 1st United common stock. Although the merger agreement contains a collar mechanism providing for a floating exchange ratio in the event the price of Valley common stock is greater than a specified threshold, and a floating exchange ratio and/or cash consideration component in the event the price of Valley common stock is less than a specified threshold, in each case in lieu of the 0.89 exchange ratio, KBW expressed no view or opinion with respect to such terms of the merger agreement. KBW expressed no view or opinion as to any terms or other aspects of the merger or any related transaction, including without limitation, the form or structure of the merger or any related transaction, any consequences of the merger to 1st United, its shareholders, creditors or otherwise, or any terms, aspects or implications of any employment, voting, support, shareholder or other agreements, arrangements or understandings contemplated or entered into in connection with the merger or otherwise. KBW's opinion was necessarily based upon conditions as they existed and could be evaluated on the date of such opinion and the information made available to KBW through such date. Developments subsequent to the date of KBW's opinion may have affected, and may affect, the conclusion reached in KBW's opinion and KBW did not and does not have an obligation to update, revise or reaffirm its opinion. KBW's opinion did not address, and KBW expressed no view or opinion with respect to:

the underlying business decision of 1st United to engage in the merger or enter into the merger agreement;

the relative merits of the merger as compared to any strategic alternatives that are, have been or may be available to or contemplated by 1st United or the 1st United Board of Directors;

the fairness of the amount or nature of any compensation to any of 1st United's officers, directors or employees, or any class of such persons, relative to any compensation to the holders of 1st United common

stock;

the effect of the merger or any related transaction on, or the fairness of the consideration to be received by, holders of any class of securities of 1st United other than 1st United common stock (solely with respect to the 0.89 exchange ratio), or of any class of securities of Valley or any other party to any transaction contemplated by the merger agreement;

whether Valley has sufficient cash, available lines of credit or other sources of funds to enable it to pay cash consideration, if any, in the merger to the holders of 1st United common stock at the closing of the merger, as provided in the merger agreement;

Table of Contents

the actual value of Valley common stock to be issued in the merger;

the prices, trading range or volume at which the common stock of 1st United or Valley would trade following the public announcement of the merger or the prices, trading range or volume at which the common stock of Valley will trade following the consummation of the merger;

any advice or opinions provided by any other advisor to any of the parties to the merger or any other transaction contemplated by the merger agreement; or

any legal, regulatory, accounting, tax or similar matters relating to 1st United, Valley, their respective shareholders, or relating to or arising out of or as a consequence of the merger or any related transaction, including whether or not the merger would qualify as a tax-free reorganization for United States federal income tax purposes.

In performing its analyses, KBW made numerous assumptions with respect to industry performance, general business, economic, market and financial conditions and other matters, which are beyond the control of KBW, 1st United and Valley. Any estimates contained in the analyses performed by KBW are not necessarily indicative of actual values or future results, which may be significantly more or less favorable than suggested by these analyses. Additionally, estimates of the value of businesses or securities do not purport to be appraisals or to reflect the prices at which such businesses or securities might actually be sold. Accordingly, these analyses and estimates are inherently subject to substantial uncertainty. In addition, the KBW opinion was among several factors taken into consideration by the 1st United Board of Directors in making its determination to approve the merger agreement and the merger. Consequently, the analyses described below should not be viewed as determinative of the decision of the 1st United Board of Directors with respect to the fairness of the merger consideration. The type and amount of consideration payable in the merger were determined through negotiation between 1st United and Valley and the decision to enter into the merger agreement was solely that of the 1st United Board of Directors.

The following is a summary of the material financial analyses performed by KBW in connection with its opinion. The summary is not a complete description of the financial analyses underlying the opinion or the presentation made by KBW to the 1st United Board of Directors, but summarizes the material analyses performed and presented in connection with such opinion. The preparation of a fairness opinion is a complex analytic process involving various determinations as to appropriate and relevant methods of financial analysis and the application of those methods to the particular circumstances. Therefore, a fairness opinion is not readily susceptible to partial analysis or summary description. In arriving at its opinion, KBW did not attribute any particular weight to any analysis or factor that it considered, but rather made qualitative judgments as to the significance and relevance of each analysis and factor. The financial analyses summarized below include information presented in tabular format. Accordingly, KBW believes that its analyses and the summary of its analyses must be considered as a whole and that selecting portions of its analyses and factors or focusing on the information presented below in tabular format, without considering all analyses and factors or the full narrative description of the financial analyses, including the methodologies and assumptions underlying the analyses, could create a misleading or incomplete view of the process underlying its analyses and opinion. The tables alone do not constitute a complete description of the financial analyses. For purposes of its analyses, the implied value of 0.89 of a share of Valley stock to be exchanged for each share of 1st United common stock that was utilized by KBW was \$8.66, based on the closing price of Valley common stock on May 6, 2014.

For each selected transaction, KBW derived, to the extent publicly available, the ratio of the transaction consideration value per common share paid for the acquired company to the following, in each case based on the then latest publicly available financial statements of the acquired company and other publicly available information available prior to the announcement of the acquisition:

LTM EPS of the acquired company;

Table of Contents

current year estimated EPS (FWD EPS) of the acquired company;

tangible book value per share of the acquired company; and

tangible equity premium to core deposits (total deposits less time deposits greater than \$100,000).

KBW also reviewed the price per common share paid for the acquired company for each selected transaction as a premium to the closing price of the acquired company one day prior to the announcement of the acquisition (expressed as a percentage and referred to as the one-day market premium). The above transaction multiples and one-day market premiums for the selected transactions were compared with the corresponding transaction multiples and one-day market premium for the proposed merger based on the implied value of the merger consideration of \$8.66 per share of 1st United common stock and using historical financial information for 1st United as of March 31, 2014, 1st United's 2014 estimated EPS per 1st United management and the closing price of 1st United common stock on May 6, 2014. KBW also derived the implied transaction multiple of 18.0x for the proposed merger using the First Call consensus 2015 estimated EPS for 1st United.

The results of the analysis, excluding the impact of certain selected transaction LTM EPS and FWD EPS multiples considered to be not meaningful, are set forth in the following table:

No company or transaction used as a comparison in the above selected transaction analyses is identical to 1st United or the proposed merger. Accordingly, an analysis of these results is not mathematical. Rather, it involves complex considerations and judgments concerning differences in financial and operating characteristics of the companies involved.

Relative Contribution Analysis. KBW analyzed the relative stand alone contribution of Valley and 1st United to various pro forma balance sheet and income statement items and the pro forma market capitalization of the combined entity. This analysis excluded purchase accounting adjustments. To perform this analysis, KBW used (i) balance sheet data for Valley and 1st United as of March 31, 2014, (ii) First Call consensus 2014 and 2015 EPS estimates for Valley and 1st United management's 2014 EPS estimate and the First Call consensus 2015 EPS estimate for 1st United and (iii) market price data as of May 6, 2014. The results of KBW's analysis are set forth, and compared to the implied pro forma ownership percentages of Valley and 1st United shareholders in the combined company based on the 0.89 exchange ratio, in the following table:

Discounted Cash Flow Analysis. KBW performed a discounted cash flow analysis to estimate a range for the implied equity value of 1st United. In this analysis, KBW used financial forecasts and projections relating to the earnings and assets of 1st United prepared, and provided to KBW, by 1st United management or, in the case of 2015 estimated earnings, obtained from First Call consensus at the direction of 1st United management, and assumed discount rates ranging from 12.0% to 15.0%. The ranges of values were derived by adding (i) the present value of the estimated free cash flows that 1st United could generate over the period from 2015 to 2019 as a stand-alone company, and (ii) the present value of 1st United's implied terminal value at the end of such period. KBW assumed that 1st United would maintain a tangible common equity ratio of 8.00% and would retain sufficient earnings to maintain that level based on these assumptions. Any free cash flows in excess of what would need to be retained represented dividendable cash flows for 1st United. In calculating the terminal value of 1st United, KBW applied a range of 13.0x to 16.0x estimated 2020 earnings. This discounted cash flow analysis resulted in a range of implied values per share of 1st United common stock of approximately \$6.08 per share to \$7.92 per share.

The discounted cash flow analysis is a widely used valuation methodology, but the results of such methodology are highly dependent on the assumptions that must be made, including asset and earnings growth rates, terminal values,

dividend payout rates, and discount rates. The analysis did not purport to be indicative of the actual values or expected values of 1st United.

Pro Forma Financial Impact Analysis. KBW performed a pro forma financial impact analysis that combined projected income statement and balance sheet information of Valley and 1st United. Using closing balance sheet estimates as of December 31, 2014 for Valley and 1st United based on long-term balance sheet growth rate assumptions provided by the respective managements of Valley and 1st United, 2014 and 2015 earnings estimates for Valley per First Call consensus, 2014 earnings estimates for 1st United prepared by 1st

Table of Contents

United management, 2015 earnings estimates for 1st United per First Call consensus and pro forma assumptions (including purchase accounting assumptions, cost savings and related expenses) provided by Valley management, KBW analyzed the potential financial impact of the merger on certain projected financial results of Valley. This analysis indicated the merger could be accretive to Valley's 2015 estimated EPS and dilutive to Valley's estimated tangible book value per share as of December 31, 2014. Furthermore, the analysis indicated that, pro forma for the proposed merger, each of Valley's tangible common equity to tangible assets ratio, leverage ratio and Tier 1 Risk-Based Capital Ratio as of December 31, 2014 could be higher and that Valley's Total Risk Based Capital Ratio as of December 31, 2014 could be lower. For all of the above, the actual results achieved by Valley following the merger may vary from the projected results, and the variations may be material.

Miscellaneous. KBW acted as financial advisor to 1st United in connection with the proposed merger and did not act as an advisor to or agent of any other person. As part of its investment banking business, KBW is continually engaged in the valuation of bank and bank holding company securities in connection with acquisitions, negotiated underwritings, secondary distributions of listed and unlisted securities, private placements and valuations for various other purposes. As specialists in the securities of banking companies, KBW has experience in, and knowledge of, the valuation of banking enterprises. Further to ongoing sales and trading relationships between KBW and each of 1st United and Valley, from time to time KBW has, in the ordinary course of its business as a broker-dealer, purchased securities from, or sold securities to, 1st United and Valley. As a market maker in securities, KBW may from time to time have a long or short position in, and buy or sell, debt or equity securities of 1st United and Valley for its own account and for the accounts of its customers. Any KBW proprietary or employee positions in 1st United and Valley, as of the date of KBW's opinion, were disclosed to 1st United.

Pursuant to the KBW engagement agreement, 1st United agreed to pay KBW a cash fee, currently expected to be approximately \$2.0 million, based on the aggregate merger consideration, of which \$500,000 was paid to KBW upon the rendering of its opinion and \$1.5 million is payable upon completion of the merger. 1st United also agreed to reimburse KBW for reasonable out-of-pocket expenses and disbursements incurred in connection with its retention and to indemnify KBW against certain liabilities relating to or arising out of KBW's engagement or KBW's role in connection therewith. Other than in connection with this present engagement, during the two years preceding the date of its opinion, KBW has not provided investment banking and financial advisory services to 1st United. In April 2012, KBW provided financial advisory services to 1st United in connection with its acquisition of Anderen Financial, Inc. In the past two years, KBW has provided investment banking and financial advisory services to Valley and received compensation for such services. Specifically, KBW served as a joint book-running manager in connection with the registered offering by Valley of subordinated debentures in September 2013 and received compensation of approximately \$241,000 for such services. KBW may in the future provide investment banking and financial advisory services to 1st United or Valley and receive compensation for such services.

Opinion of RP Financial, LC

1st United retained RP Financial on April 25, 2014 to render an opinion regarding the fairness from a financial point of view with respect to the merger consideration to be received by 1st United shareholders in the Transaction (the RPF Fairness Opinion). In engaging RP Financial for its fairness opinion, the 1st United Board of Directors did not give any special instructions to RP Financial, nor did it impose any limitations upon the scope of the investigation that RP Financial wished to conduct to enable it to give its opinion. RP Financial has delivered to 1st United its written opinion, dated May 7, 2014, to the effect that, based upon and subject to the matters set forth therein and other matters it considered relevant, as of that date, the merger consideration to be received in connection with the merger with Valley was fair to the 1st United shareholders from a financial point of view. The RPF Fairness Opinion was directed to the Board of Directors of 1st United in its consideration of the merger agreement, and did not constitute a recommendation to any shareholder of 1st United as to any action that such shareholder should take in connection

with the merger agreement or otherwise. The RPF Fairness Opinion is directed only to the fairness of the merger consideration to the current holders of 1st United

from a financial point of view as of the date of the opinion. A copy of the RPF Fairness Opinion is set forth as *Appendix C* to this joint proxy statement-prospectus, and 1st United shareholders should read it in its entirety. RP Financial has consented to the inclusion and description of its written opinion in this joint proxy statement-prospectus.

Pursuant to a letter agreement dated and executed April 25, 2014 by and between RP Financial and 1st United (the RP Engagement Letter), RP Financial estimates that it will receive from 1st United total professional fees of approximately \$150,000 plus reimbursement of certain out-of-pocket expenses, for its fairness opinion services in connection with the merger.

In addition, 1st United has agreed to indemnify and hold harmless RP Financial, any affiliates of RP Financial, and the respective directors, officers, agents and employees of RP Financial or their successors and assigns who act for or on behalf of RP Financial in connection with the services called for under the RP Engagement Letter, from and against any and all losses, claims, damages and liabilities (including, but not limited to, all losses and expenses in connection with claims under the federal securities laws), actually incurred by RP Financial and attributable to: (i) any untrue statement of a material fact contained in the financial statements or other information furnished or otherwise provided by an authorized officer of 1st United to RP Financial; (ii) the omission of a material fact from the financial statements or other information furnished or otherwise made available by an authorized officer of 1st United to RP Financial, or (iii) any action or omission to act by 1st United, or 1st United's respective officers, directors, employees or agents, which action or omission is willful. Notwithstanding the foregoing, 1st United will be under no obligation to indemnify RP Financial hereunder if a court determines that RP Financial was negligent or acted in bad faith or willfully with respect to any actions or omissions of RP Financial related to a matter for which indemnification is sought.

In addition, if RP Financial is entitled to indemnification from 1st United and in connection therewith incurs legal expenses in defending any legal action challenging the opinion of RP Financial where RP Financial is not negligent or otherwise at fault or is found by a court of law to be not negligent or otherwise at fault, 1st United will indemnify RP Financial for all reasonable expenses.

In rendering its opinion, RP Financial reviewed the following:

the merger agreement, as reviewed by the 1st United Board of Directors on May 7, 2014, and certain exhibits;

the following financial information for 1st United (a) audited consolidated financial statements included in the annual reports for the fiscal years ended December 31, 2010 through December 31, 2013; (b) unaudited consolidated financial data, including shareholder reports and financial statements through March 31, 2014; (c) quarterly financial reports submitted to the FDIC by the Bank through March 31, 2014; (d) internal financial and other reports from the beginning of fiscal 2012 through March 31, 2014 with regard to balance sheet and off-balance sheet composition, profitability and balance sheet trends, certain risk factors and 1st United's operations; (e) historical publicly-available financial information as published by SNL Financial, Inc.; and (f) internally prepared budget information;

banks in the Southeastern United States with certain comparable financial characteristics as 1st United;

the estimated pro forma financial benefits of the merger to 1st United shareholders;

in person interviews with senior executive officers of 1st United; and

analysis regarding Valley and 1st United and the proposed transaction between Valley and 1st United provided to RP Financial by 1st United.

In addition, RP Financial reviewed or considered the following materials or information for Valley and, as further described below, certain peers of Valley:

the annual audited financial statements for the fiscal years ended 2010 to 2013, as presented in Valley's Form 10-K filings;

the quarterly financial report submitted to the OCC by Valley National Bank through March 31, 2014;

the quarterly earnings release for Valley for the quarter ended March 31, 2014;

historical publicly-available financial and pricing information regarding Valley as published by SNL Financial, Inc.;

the recent stock price history for Valley compared to certain peers; and

Valley financial information and pricing characteristics versus a peer group of publicly-traded institutions with comparable market capitalization.

In rendering its opinion, RP Financial relied, without independent verification, on the accuracy and completeness of the information concerning 1st United and Valley furnished by the respective institutions to RP Financial for review for purposes of its opinion, as well as publicly-available information regarding other financial institutions and competitive, economic and demographic data. RP Financial has further relied on the assurances of management of 1st United and Valley as included in the merger agreement. RP Financial has not been asked to and has not undertaken an independent verification of any of such information and RP Financial does not assume any such responsibility or liability for the accuracy or completeness thereof. 1st United did not restrict RP Financial as to the material it was permitted to review. RP Financial did not perform or obtain any independent appraisals or evaluations of the assets and liabilities, the collateral securing the assets or the liabilities (contingent or otherwise) of 1st United or Valley or the collectability of any such assets, nor has RP Financial been furnished with any such evaluations or appraisals. RP Financial did not make an independent evaluation of the adequacy of the allowance for loan losses of 1st United or Valley nor has RP Financial reviewed any individual credit files relating to 1st United or Valley.

RP Financial, with 1st United's consent, has relied upon the advice 1st United has received from its legal, accounting and tax advisors as to all legal, accounting and tax matters relating to the merger agreement and other transactions contemplated by the merger agreement. In rendering its opinion, RP Financial assumed that, in the course of obtaining the necessary regulatory and governmental approvals for the proposed merger, no restriction will be imposed on Valley that would have a material adverse effect on the ability of the merger to be consummated as set forth in the merger agreement. RP Financial also assumed that there has been no material change in 1st United or Valley's assets, financial condition, results of operations, business or prospects since the date of the most recent financial statement made available to RP Financial. RP Financial assumed, in all respects material to its analyses, that all of the representations and warranties contained in the merger agreement and all related agreements are true and correct, that each party to such agreements will perform all of the covenants required to be performed by such party under such agreements and that the conditions precedent in the merger agreement are not waived.

RP Financial's opinion was based solely upon the information available to it and the economic, market and other circumstances as they existed as of May 7, 2014. Events occurring after May 7, 2014 could materially affect the assumptions used in preparing the opinion. In connection with rendering its opinion dated May 7, 2014, RP Financial performed a variety of financial analyses that are summarized below. Although the evaluation of the fairness, from a financial point of view, of the merger consideration to 1st United shareholders was to some

Table of Contents

extent subjective based on the experience and judgment of RP Financial and not merely the result of mathematical analyses of financial data, RP Financial relied, in part, on the financial analyses summarized below in its determinations. The preparation of a fairness opinion is a complex process and RP Financial believes its analyses must be considered as a whole. Selecting portions of such analyses and factors considered by RP Financial without considering all such analyses and other factors could create an incomplete view of the process underlying RP Financial's opinion. In its analyses, RP Financial took into account its assessment of general business, market, monetary, financial and economic conditions, industry performance and other matters, many of which are beyond the control of 1st United and Valley, as well as RP Financial's experience in securities valuation, its knowledge of financial institutions, its knowledge of the current operating and mergers & acquisitions environments for financial institutions, and its experience in similar transactions. With respect to the comparable transactions analysis described below, no public company utilized as a comparison is identical to 1st United and such analyses necessarily involve complex considerations and judgments concerning the differences in financial and operating characteristics of the companies and other factors that could affect the acquisition values of the companies concerned. The analyses were prepared solely for purposes of RP Financial providing its opinion as to the fairness of the merger consideration to 1st United shareholders, and they do not purport to be appraisals or necessarily reflect the prices at which businesses or securities actually may be sold. Any estimates contained in RP Financial's analyses are not necessarily indicative of future results of values, which may be significantly more or less favorable than such estimates.

Comparable Transactions Analysis. RP Financial compared the merger on the basis of the multiples or ratios of reported earnings, tangible book value and tangible book premium to core deposits to a selected comparable group of completed and pending bank mergers and acquisitions. The comparable targets group consisted of all acquisitions of commercial banks or commercial bank holding companies in the U.S. that were announced between January 1, 2012 and May 2, 2014, where the institution being acquired was profitable and reported assets of between \$1.0 billion and \$3.0 billion. There were a total of 23 transactions included in the comparable targets group as follows:

RP Financial also considered the pricing multiples of two additional peer groups that were similar to 1st United in terms of geographic location (the Florida Targets group) or unique financial characteristics (the Loss Share Targets group). The Florida Targets group consisted of all acquisitions of commercial banks or commercial bank holding companies in Florida that were announced between January 1, 2012 and May 2, 2014, where the institution being acquired reported assets between \$500 million and \$5.0 billion and a ratio of non-performing assets to assets of less than 4.0%. RP Financial compared the financial condition and recent performance of 1st United to the median financial conditions and recent performance measures of the companies included in the comparable targets group, as displayed in the table below. While the median financial conditions, recent performance and pricing of the Florida Targets group and Loss Share Targets group are shown as well, the comparable targets group was deemed to be the most appropriate comparable transactions group for this methodology, thus the median pricing of the Florida Targets group and Loss Share Targets group were not further considered in the valuation discussion that follows.

The median pricing multiples (price/tangible book value multiple, price/earnings multiple and core deposit premium multiple) of the comparable targets group were applied to 1st United's actual financial measures (tangible book value, earnings and core deposits) to derive a valuation range before adjustments. A downward adjustment was then made to account for the earnings difference between the comparable targets group and 1st United. The resulting valuation range was \$6.25 to \$6.60 per share, which was below the estimated offer price per share of \$9.09 as of May 7, 2014 based on Valley's 10-trading day average price of \$10.21 through May 2, 2014.

Control Premium Analysis. The control premium analysis applies a multiple to the pre-announcement fair market value or trading value of an acquisition target's common stock at various points in time (1-week and 1-month prior to announcement) to derive a sale of control value for a share of the acquisition target's stock. It is a two-step process.

First the fair market value of a minority share of 1st United common stock is estimated based on a peer group of comparable publicly-traded companies. Then a multiple is applied to the fair market value and the trading value of 1st United's stock based on control premium multiples paid in comparable transactions. The resulting valuation range is then compared to the offer price.

The fair market value of 1st United's stock was based on the trading multiples of two groups of comparable publicly-traded institutions. The Southeast peer group consisted of publicly-traded (listed on NASDAQ or the NYSE) commercial banks or commercial bank holding companies headquartered in the states of Florida, Alabama, Georgia, Mississippi, North Carolina or South Carolina with assets between \$1.0 and \$3.0 billion and positive earnings. There were a total of 10 institutions included in the Southeast peer group as follows:

Seacoast Banking Corp. of FL	FL
Palmetto Bancshares Inc.	SC
Fidelity Southern Corp.	GA
NewBridge Bancorp	NC
Peoples Bancorp of NC Inc.	NC
Park Sterling Corporation	NC
Colony Bankcorp Inc.	GA

The high non-interest bearing (NIB) deposit peer group consisted of publicly-traded commercial banks or commercial bank holding companies across the U.S. with assets between \$1.0 and \$3.0 billion, a ratio of NIB deposits to deposits above 30%, and positive earnings. This group was selected because of the pricing premium applied by the market to depository institutions that have a relatively high level of NIB deposits. There were a total of 13 institutions included in the NIB deposit peer group as follows:

Source: SNL Financial, LC.

After adjusting for differences between the peer group median financial condition and performance measures versus those of 1st United, a fair market value was derived for 1st United.

Then, a control premium analysis, which involved applying a control premium to the fair market value of 1st United stock that RP Financial derived as well as to the actual trading value of 1st United stock as of May 2, 2014, was performed to arrive at a range of sale of control values under this approach. The control premium applied was the median of the 1-week and 1-month premiums paid over the trading value of the stock of the comparable targets listed in the comparable transactions analysis (i.e., acquisition price at announcement divided by price of target 1-week and 1-month prior to announcement date). Focusing on the medians, RP Financial applied a 30% control premium to the range of trading values.

Applying this premium to the fair market value of 1st United's stock that RP Financial derived and to the actual closing price of FUBC's stock as of May 2, 2014 resulted in a sale of control valuation range of \$7.30 to \$9.40 per share compared to the estimated offer price per share of \$9.09 as of May 7, 2014.

Discounted Cash Flow Analysis. RP Financial evaluated the value per share of the current offer to the implied value of 1st United's current business plan. Using 1st United's 2014 budget data as a base, RP Financial extrapolated projected asset growth and profitability to 5 years assuming: (1) asset growth of 5.3% from March 31, 2014 through December 31, 2014 and annual asset growth of 7.5% thereafter through 2018; and (2) return on average assets of 0.70%, increasing to 0.85% in 2015 and 10% annually after 2014, to equal 1.14% by 2018. RP Financial assumed a

year 5 terminal value based on assumed acquisition premiums 5 years from today. Interim cash flows (dividends) were assumed at an amount that maintained a tangible common equity to assets ratio of 9.0%, including a return of capital in year 1 of the projections. RP Financial discounted the future cash flows, including an assumed sale of 1st United at year 5, back to present value at discount rates of 13.0% and 15.0%. The present per share value generated by the discounted cash flow under these assumptions ranged from \$7.30 per share to \$7.85 per share. This present per share value compared to the proposed transaction value of \$9.09 per share supported the fairness conclusion.

Pro Forma Impact Analysis. Since the merger consideration consists solely of Valley's common stock, RP Financial also considered the estimated pro forma impact of the merger on 1st United's financial condition, operating results and stock pricing ratios. Specifically, RP Financial considered that the merger is anticipated to be accretive to Valley's pro forma earnings per share within the first year of completing the merger, assuming incorporation of certain

anticipated merger synergies and core earnings estimates for 1st United and will increase Valley's market capitalization and shares outstanding. RP Financial also considered other benefits of the merger to 1st United shareholders, including the increased liquidity given Valley's larger size, greater market capitalization and greater number of shares outstanding. Furthermore, RP Financial considered the pro forma balance sheet impact of the merger assuming a number of purchase accounting adjustments that could reasonably be applied to certain of 1st United's assets to determine the pro forma GAAP and regulatory capital position of Valley.

RP Financial's opinion and presentation to the 1st United Board of Directors was one of many factors taken into consideration by the 1st United Board of Directors in making its determination to approve the merger agreement. Although the foregoing summary describes the material components of the analyses presented by RP Financial to the 1st United Board of Directors in connection with issuing the May 7, 2014 opinion, it does not purport to be a complete description of all the analyses performed by RP Financial and is qualified by reference to the written opinion of RP Financial set forth as *Appendix C*, which common shareholders of 1st United are urged to read in its entirety.

At the time the financial forecasts and projections were prepared, they represented the best estimates and judgments of the management teams of 1st United and Valley, respectively, that prepared the forecasts and projections in good faith. These financial forecasts and projections cannot be considered to necessarily be predictive of actual future operating results, and no assurance can be given regarding future events. The financial forecasts and projections represent Valley's and 1st United's independent forecasts and projections. by the American Institute of Certified Public Accountants with respect to prospective financial information or published guidelines of the SEC regarding forward-looking statements and do not fully comply with generally accepted accounting principles in the United States (GAAP). **In light of the foregoing, and considering that the Valley and 1st United special meetings will be held several months after the financial forecasts and projections were prepared, as well as the uncertainties inherent in any financial forecasts and projections, shareholders of Valley and 1st United are cautioned not to rely on these financial forecasts and projections as a predictor of future operating results or otherwise.**

The estimates and assumptions underlying the financial forecasts and projections of 1st United and Valley involve assumptions and judgments with respect to, among other things, future economic, competitive, regulatory and financial market conditions and future business decisions. These estimates and assumptions may not be realized and are inherently subject to significant business, economic, competitive and regulatory uncertainties, including those risk factors detailed in the sections entitled Risk Factors beginning on page 27 and Forward-Looking Statements beginning on page 33, all of which are difficult to predict and many of which are beyond the control of 1st United and Valley and will be beyond the control of the combined company after the merger. Estimates or projections of the value of businesses or securities do not purport to be appraisals or to reflect the prices at which such businesses or securities might actually be sold. In addition, the financial forecasts and projections prepared by 1st United and Valley represent each company's own evaluation of its future financial performance on a stand-alone basis, and without reference to transaction-related costs or benefits. Accordingly, actual results could vary materially from those presented in the financial forecasts and projections, and actual value or future results could be significantly more or less favorable than what is suggested by the forecasts and projections. The inclusion of these financial forecasts and projections should not be interpreted as an indication that 1st United or Valley considers this information as necessarily predictive of actual future results, and this information should not be relied on for that purpose. Valley and its management did not participate in preparing, and do not express any view on, the 1st United financial forecasts and projections set forth above, or the assumptions underlying such financial forecasts and projections. 1st United and its management did not participate in preparing, and do not express any view on, the Valley financial forecasts and projections set forth above, or the assumptions underlying such financial forecasts and projections.

The prospective financial information of 1st United and Valley included in this joint proxy statement-prospectus has been prepared by, and is the responsibility of, the management teams of 1st United and Valley, respectively. Neither 1st United's or Valley's auditors, nor any other independent registered public accounting firm, nor 1st United's or Valley's financial advisors have examined, compiled or performed any procedures with respect to these forecasts or projections, nor have they expressed any opinion or any other form of assurance on this information or its achievability.

Neither Valley nor 1st United intends to disclose publicly any update or other revision to these forecasts or projections to reflect circumstances existing since their preparation or to reflect the occurrence of unanticipated events or changes in general economic or industry conditions, even in the event that any or all of the underlying assumptions are shown to be in error.

Regulatory Approvals

Completion of the merger is subject to prior receipt of all approvals and consents required to be obtained from applicable governmental and regulatory authorities. Valley and 1st United have also agreed to cooperate and use all reasonable efforts to prepare as promptly as possible all documentation, to make all requisite regulatory filings and to obtain any necessary permits, consents approvals and authorizations of governmental entities necessary to consummate the transactions contemplated by the merger agreement as soon as possible.

There can be no assurance that regulatory approvals will be obtained, that such approvals will be received on a timely basis, or that such approvals will not impose conditions or requirements that, individually or in the aggregate, would reasonably be expected to have a material adverse effect on the financial condition, results of operations, assets or business of the combined company following completion of the merger.

Office of the Comptroller of the Currency. Immediately following the merger, Valley intends to merge 1st United Bank with and into Valley National Bank, with Valley National Bank as the surviving bank. Completion of the bank merger is subject to receipt of the approval of the OCC under the Bank Merger Act. Application for approval of the bank merger has been filed with the OCC and is subject to a 30-day comment and review period by the OCC. In evaluating an application filed under the Bank Merger Act, the OCC generally considers the financial and managerial resources of the banks and the convenience and needs of the community to be served as well as the banks effectiveness in combating money-laundering activities. In connection with its review, the OCC will provide an opportunity for public comment on the application for the bank merger, and is authorized to hold a public meeting or other proceeding if they determine that would be appropriate. At this time, the OCC's decision on the application is pending.

Under the Community Reinvestment Act of 1977 (the CRA), the OCC must take into account the record of performance of each of Valley National Bank and 1st United Bank in meeting the credit needs of the entire communities, including low- and moderate-income neighborhoods, served by the banks.

Federal Reserve. Valley will file a request with the Federal Reserve Bank of New York seeking confirmation of an exemption from approval by the Federal Reserve for Valley's acquisition of 1st United by merger of 1st United with and into Valley. Valley will state in the request that it is Valley's position that the merger meets all of the conditions for transactions that do not require approval by the Federal Reserve. These conditions include, among others, that 1st United will not be operated as a separate subsidiary by Valley, the merger of 1st United Bank, 1st United's banking subsidiary, into Valley National Bank, Valley's banking subsidiary, will require the prior approval of the OCC under the Bank Merger Act, the subsidiaries of 1st United and 1st United Bank will not be engaged in activities upon closing of the merger which would require prior approval of the Federal Reserve under the Bank Holding Company Act, and Valley, before and after the consummation of the merger, will meet the capital adequacy guidelines of the Federal Reserve.

Florida Office of Financial Regulation. Valley National Bank has submitted a notice filing to the Florida Office of Financial Regulation setting forth the name of 1st United Bank as the Florida state-chartered bank that will be merged with and into Valley National Bank and the projected effective date of the merger. The approval of the Florida Office of Financial Regulation is not required.

Federal Deposit Insurance Corporation. Valley and 1st United have submitted to the FDIC a request for the FDIC's written consent to the assignment of the shared-loss agreements between 1st United Bank and the FDIC to Valley National Bank. Receipt of the FDIC's written consent to the assignment of the shared-loss agreements between 1st United Bank and the FDIC is a condition to closing of the merger. As of the date of this joint proxy statement-prospectus, Valley has received the FDIC's written consent to the assignment of such shared-loss agreements.

Valley and 1st United are not aware of any governmental approvals or compliance with banking laws and regulations that are required for the merger to become effective other than those described above. Valley and 1st United intend to seek any other approval and to take any other action that may be required to complete the merger. There can be no assurance that any required approval or action can be obtained or taken prior to the 1st United's or Valley's special meeting.

Resale Considerations Regarding Valley Common Stock

The shares of Valley common stock that will be issued if the merger is consummated will have been registered under the Securities Act of 1933, as amended. These registered shares will be freely transferable, including those shares

received by directors and executive officers of 1st United.

Accounting Treatment of the Merger

Valley will account for the merger using the acquisition method under U.S. generally accepted accounting principles. Under the acquisition method of accounting, the tangible and identifiable intangible assets and liabilities of 1st United will be recorded, as of completion of the merger, at their respective fair values. The

excess of the purchase price over the net assets acquired will be recorded as goodwill to the extent not allocated to core deposit or other intangibles. Goodwill resulting from the merger will not be amortized, but will be reviewed for impairment at least annually. Core deposit and other intangibles with finite useful lives recorded in connection with the merger will be amortized.

Financial statements and reported results of operations of Valley issued after completion of the merger will not be restated retroactively to reflect the historical financial position or results of operations of 1st United.

Material Federal Income Tax Consequences of the Merger

The following discussion sets forth the material U.S. federal income tax consequences of the merger to U.S. holders (as defined below) of 1st United common stock that exchange their shares of 1st United common stock for shares of Valley common stock in the merger.

The discussion set forth herein is based upon the Code, the regulations promulgated under the Code and court and administrative rulings and decisions, all as in effect on the date of this document. These laws may change, possibly with retroactive effect, and any change could affect the accuracy of the statements and conclusions set forth in this discussion.

This discussion does not address any tax consequences arising under the laws of any state, local or foreign jurisdiction, or under any U.S. federal laws other than those pertaining to income tax. You should consult with your own tax advisor as to the state, local or foreign tax consequences of the merger in your particular circumstances.

This discussion is addressed only to those 1st United shareholders who hold their shares of 1st United common stock as a capital asset within the meaning of Section 1221 of the Code. Further, this discussion does not address all aspects of U.S. federal income taxation that may be relevant to you in light of your particular circumstances or that may be applicable to you if you are subject to special treatment under the U.S. federal income tax laws, including if you are:

a financial institution;

a tax-exempt organization;

an S corporation or other pass-through entity (or an investor in an S corporation or other pass-through entity);

an insurance company;

a mutual fund;

a dealer or broker in stocks and securities, or currencies;

a trader in securities that elects mark-to-market treatment;

subject to the alternative minimum tax provisions of the Code;

Determining the actual tax consequences of the merger to you may be complex. They will depend on your specific situation and on factors that are not within our knowledge or control. You should consult with your own tax advisor as to the tax consequences of the merger in your particular circumstances, including the applicability and effect of the alternative minimum tax and any state, local, foreign or other tax laws and of changes in those laws.

For purposes of this discussion, the term "U.S. holder" means a beneficial owner of 1st United common stock that is for U.S. federal income tax purposes (i) an individual citizen or tax resident of the United States, (ii) a corporation, or entity treated as a corporation, organized in or under the laws of the United States or any state thereof or the District of Columbia, (iii) a trust if (a) a court within the United States is able to exercise primary supervision over the administration of the trust and one or more U.S. persons have the authority to control all substantial decisions of the trust or (b) such trust has made a valid election to be treated as a U.S. person for U.S. federal income tax purposes or (iv) an estate, the income of which is includible in gross income for U.S. federal income tax purposes regardless of its source.

The U.S. federal income tax consequences to a partner in an entity or arrangement treated as a partnership for U.S. federal income tax purposes that holds 1st United common stock generally will depend on the status of the partner and the activities of the partnership. Partners in a partnership holding 1st United common stock should consult their own tax advisors.

Tax Consequences of the Merger

The merger will qualify as a reorganization within the meaning of Section 368(a) of the Code. Accordingly, subject to the limitations set forth above, upon exchanging your 1st United common stock for Valley common stock, you will not recognize gain (except to the extent of any cash which you may receive) or loss pursuant to Section 354(a) of the Code. The aggregate tax basis in the shares of Valley common stock that you receive in the merger will, pursuant to Section 358(a), equal your aggregate adjusted tax basis in the 1st United common stock you surrender. Your holding period for the shares of Valley common stock that you receive in the merger will, pursuant to Section 1223(1), include your holding period for the shares of 1st United common stock that you surrender (reduced by the amount of any cash you receive but increased by any gain you may have recognized) in the exchange. If you acquired different blocks of 1st United common shares at different times or at different prices, the Valley common stock you receive will, pursuant to Treasury Regulation Section 1.358-2, be allocated pro rata to each block of 1st United common stock, and the basis and holding period of each block of Valley common stock you receive will be determined on a block-for-block basis depending on the basis and holding period of the blocks of 1st United common stock exchanged for such block of Valley common stock.

Closing Tax Opinions of Each of Day Pitney LLP and Gunster, Yoakley & Stewart, P.A.

It is a condition to Valley's obligation to complete the merger that Valley receive an opinion from Day Pitney LLP, dated the closing date of the merger, substantially to the effect that the merger will be treated as a reorganization within the meaning of Section 368(a) of the Code. It is a condition to 1st United's obligation to complete the merger that 1st United receive an opinion from Gunster, Yoakley & Stewart, P.A., dated the closing date of the merger, substantially to the effect that the merger will be treated as a reorganization within the meaning of Section 368(a) of the Code. These opinions will be based on representation letters provided by Valley and 1st United and on customary factual assumptions. None of the opinions described above will be binding on the Internal Revenue Service. Valley and 1st United have not sought and will not seek any ruling from the Internal Revenue Service regarding any matters relating to the merger, and as a result, there can be no assurance that the Internal Revenue Service will not assert, or that a court would not sustain, a position contrary to any of the conclusions set forth above. In addition, if any of the representations upon which those opinions are based are inconsistent with the actual facts, the United States federal

income tax consequences of the merger could be adversely affected.

Table of Contents

Tax matters are complicated and the tax consequences of the merger to each holder of 1st United common stock will depend on the facts of each such shareholder's particular situation. The United States federal income tax discussion set forth above does not address all United States federal income tax consequences that may be relevant to a particular holder and may not be applicable to all holders' special situations. 1st United shareholders are urged to consult their own tax advisors about the federal income tax consequences under their own particular facts and circumstances, and also as to any state, local, foreign or other tax consequences arising out of the merger.

Litigation Relating to the Merger

A case was filed on June 23, 2014 in the Circuit Court for the 15th Judicial Circuit in and for Palm Beach County, Florida, on behalf of a putative class of 1st United shareholders against 1st United, 1st United's directors and Valley challenging the merger of 1st United with and into Valley (*Dennis Rice v. 1st United et al.* (No. 2014-CA-007624)). The complaint alleges that the individual defendants, who are directors of 1st United, breached their fiduciary duties of loyalty, care, diligence, candor, independence, good faith and fair dealing owed to the shareholders of 1st United, and that 1st United and Valley aided and abetted the alleged fiduciary breaches. The complaint generally alleges that the merger consideration is unfair to 1st United shareholders, that management of 1st United have material conflicts of interest and that the merger agreement has preclusive deal protection devices. The complaint seeks, among other things, an order enjoining the defendants from proceeding with and consummating the transaction, and other equitable and monetary relief. 1st United, the individual defendants and Valley vigorously deny the claims. 1st United's Board of Directors believes that this is a typical meritless strike suit. 1st United and the individual defendants intend to defend the claims vigorously. Three similar such actions were filed in the same court on May 22, 2014, May 27, 2014 and June 23, 2014 (respectively, *Louis Chaykin v. 1st United et al.* (No. 2014-CA-006268), *John Solak v. 1st United et al.* (No. 2014-CA-6391) and *Elaine Berman v. 1st United et al.* (No. 2014-CA-007628)). *Chaykin v. 1st United* was voluntarily dismissed by the named plaintiff on June 2, 2014, *Solak v. 1st United* was voluntarily dismissed by the named plaintiff on July 7, 2014, and *Berman v. 1st United* was voluntarily dismissed by the named plaintiff on July 10, 2014.

THE MERGER AGREEMENT

The following is a summary of the material provisions of the merger agreement. The following description of the merger agreement is subject to, and qualified in its entirety by reference to, the merger agreement, which is attached to this proxy statement-prospectus as Appendix A and is incorporated by reference into this document. We urge you to read the merger agreement carefully and in its entirety, as it is the legal document governing the merger.

A closing under the merger agreement is to occur on the day which is the last day of the fiscal quarter which is five business days after receipt of all necessary regulatory and governmental approvals and consents (including the expiration of all applicable statutory waiting periods) and the satisfaction or waiver of all conditions to closing. The merger agreement also provides that Valley and 1st United may agree on a different closing date. The payments to the 1st United option holders shall be treated as compensation and shall be net of any applicable federal and state withholding taxes. The Valley Restated Certificate of Incorporation and the Valley By-laws as in effect immediately prior to the completion of the merger will be the certificate of incorporation and bylaws of the surviving corporation.

Board of Directors

The directors of Valley as of the effective time of the merger will continue to serve as directors of the surviving corporation.

Exchange of Shares

The exchange of 1st United common stock for Valley common stock will occur after consummation of the merger. This mailing will contain instructions on how to surrender 1st United common stock represented in certificated or book-entry form in exchange for shares of Valley common stock to be received by holders of 1st United common stock in the merger pursuant to the terms of the merger agreement.

Notwithstanding the time of surrender of 1st United common stock, each holder of 1st United common stock at the effective time of the merger will be deemed a shareholder of Valley for all purposes from the effective time of the merger, except that Valley will withhold the payment of dividends to such holder until such holder effects the exchange of 1st United common stock represented in certificated or book-entry form for Valley Common Stock. Such holder of 1st United common stock will receive any withheld dividends, without interest, upon effecting the share exchange.

If a certificate for 1st United common stock has been lost, stolen or destroyed, American Stock Transfer and Trust Company will issue shares of Valley common stock under the merger agreement upon receipt of an affidavit of that fact by the claimant and indemnity agreement and the posting of a bond in such amount as Valley determines is reasonably required as indemnity. If Valley or American Stock Transfer and Trust Company withholds any amounts, these amounts will be treated for all purposes of the merger as having been paid to the shareholders from whom they were withheld.

1st United has agreed that it and its subsidiaries will not, and it and its subsidiaries will use their best efforts to cause their respective representatives not to:

have any discussions with or provide any confidential or nonpublic information or data to any person relating to an Acquisition Proposal, or engage in any negotiations concerning an Acquisition Proposal. However, if 1st United receives an unsolicited bona fide Acquisition Proposal after the date of the merger agreement, 1st United may provide nonpublic information to, or engage in negotiations or discussions with, the person making the acquisition proposal if and only to the extent that:

1st United's Board of Directors concludes in good faith, after consulting with its financial advisor, that such Acquisition Proposal constitutes or is reasonably likely to result in a Superior Proposal (as defined below);

1st United's Board of Directors concludes in good faith, after considering the advice of its outside counsel, that failure to take such actions would be inconsistent with its fiduciary duties under applicable law;

However, prior to the date of the 1st United shareholders meeting, the 1st United Board of Directors may take the actions specified in the immediately preceding sentence if, after the second (2nd) business day following Valley's receipt of a written notice of a Superior Proposal from 1st United (which shall (i) state that the 1st United Board of Directors has determined that such bona fide unsolicited written Acquisition Proposal constitutes a Superior Proposal, (ii) specify the material terms and conditions of, and identity of party making, such Superior Proposal, and (iii) contain a copy of any specific transaction agreements with such party), the 1st United Board of Directors has reasonably determined in good faith, after consultation with its financial and legal advisors, that the failure to take such actions would be reasonably likely to be inconsistent with its fiduciary duties and that such Acquisition Proposal is a Superior Proposal that has not been withdrawn and continues to be a Superior Proposal after taking into account all adjustments to the terms of the merger agreement that are committed to in writing by Valley.

keep Valley reasonably well informed in all material respects of the status (including after the occurrence of any material amendment or modification) of any such Acquisition Proposal or request; and

notify Valley promptly (within two (2) business days) if 1st United determines to begin providing non-public information or to engage in negotiations concerning an Acquisition Proposal.

As used in the merger agreement, **Acquisition Proposal** means other than the transactions contemplated by the merger agreement, a tender or exchange offer to acquire 25% or more of the voting power in 1st United or any of its subsidiaries, a proposal for a merger, consolidation, or other business combination involving 1st United or any of its subsidiaries or any other proposal or offer to acquire in any manner 25% or more of the voting power in, or 25% or more of the business, assets or deposits of, 1st United or any of its subsidiaries.

As used in the merger agreement, **Superior Proposal** means an unsolicited bona fide written Acquisition Proposal (with the percentages set forth in the definition of such term changed from 25% to 50%) that the 1st United Board of Directors concludes in good faith to be more favorable from a financial point of view to its shareholders than the transactions contemplated by the merger agreement (including taking into account any adjustment to the terms and conditions proposed by Valley in response to such proposal), (1) after receiving the

advice of its financial advisor (which shall be a nationally recognized investment banking firm), (2) after taking into account the likelihood of consummation of such transaction on the terms set forth in the Acquisition Proposal (as compared to the terms in the merger agreement), and (3) after taking into account all legal (with the advice of outside counsel), financial (including the financing terms of any such proposal), regulatory and other aspects of such proposal and any other relevant factors permitted under applicable law.

However, the costs and expenses of printing and mailing this joint proxy statement-prospectus will be borne equally by Valley and 1st United if the merger is terminated.

Indemnification and Insurance

For a period of six years following the effective time of the merger, Valley has agreed to indemnify, defend and hold harmless all past and present officers and directors, and any person who becomes prior to the effective time of the merger a director or officer, of 1st United and its subsidiaries in their capacities as such against all claims, damages, liabilities, losses, costs, charges, expenses, judgments, fines, penalties and amounts paid in settlement to the fullest extent such persons would be entitled to such indemnification under any applicable law and the articles of incorporation and bylaws of 1st United (or charter documents of the applicable 1st United subsidiary) as in effect on the date of the merger agreement.

The merger agreement further provides that Valley will cause the officers and directors of 1st United and its subsidiaries to be covered for a period of six years after the effective time of the merger under an extension of 1st United's existing directors' and officers' liability insurance policy, provided, however, that Valley is only required to obtain such coverage at an aggregate cost not to exceed 300% of the annual premium currently paid by 1st United for such coverage.

performance by 1st United, in all material respects, of its obligations under the merger agreement;

receipt of written consents (other than governmental approvals and consents) of any person whose consent is required under the applicable instrument, except for those for which the failure to obtain would not, individually or in the aggregate, have a material adverse effect on Valley, including, without limitation, the approval of the FDIC to the assignment of 1st United Bank's shared-loss agreements; and

the approval of any government entity needed to complete the merger and the other transactions contemplated by the merger agreement has been denied by final non-appealable action by such governmental entity, provided that the failure to receive such approval was not the result of such party's failure to comply with the merger agreement; or

the other party breaches any of its representations, warranties, covenants or other agreements contained in the merger agreement and such breach is not cured within 30 days following notice or cannot be cured prior to May 31, 2015, and would result in (i) the failure to satisfy any of the closing conditions by May 31, 2015, or (ii) a material adverse effect on the party committing such breach, provided that the terminating party is not in material breach of any representation, warranty, covenant or agreement.

1st United may terminate the merger agreement if:

1st United receives a Superior Proposal and enters into an acquisition agreement with respect to the Superior Proposal;

the 1st United Board of Directors withdraws, modifies or qualifies in any manner adverse to Valley its recommendation to 1st United shareholders in favor of the merger with Valley based on advice from counsel that the failure to do so would cause the 1st United Board of Directors to breach its fiduciary duties and prior to such termination 1st United has paid to Valley the termination fee and termination expenses described below; or

As of July [], 2014, a date immediately preceding the printing of this joint proxy statement-prospectus, there were [] shares of Valley common stock and no shares of preferred stock outstanding. If the amendment to Valley's Restated Certificate of Incorporation to increase the number of authorized shares of Valley's common stock by 100,000,000 shares is approved by Valley shareholders, the authorized capital stock of Valley will be 362,023,233 shares and consist of 332,023,233 shares of common stock and 30,000,000 shares of preferred stock.

General

Valley is a New Jersey business corporation governed by the New Jersey Business Corporation Act and a registered bank holding company under the Bank Holding Company Act. The following description of Valley common stock describes certain general terms of Valley common stock.

Dividend Rights

Holders of Valley common stock are entitled to dividends when, as and if declared by the Board of Directors of Valley out of funds legally available for the payment of dividends. The only statutory limitation is that such dividends may not be paid when Valley is insolvent. Funds for the payment of dividends by Valley must come primarily from the earnings of Valley's bank subsidiary. Thus, as a practical matter, any restrictions on the ability of Valley National Bank to pay dividends will act as restrictions on the amount of funds available for payment of dividends by Valley.

As a national banking association, Valley National Bank is subject to limitations on the amount of dividends it may pay to Valley, Valley National Bank's only shareholder. Prior OCC approval is required to the extent the total dividends to be declared by Valley National Bank in any calendar year exceeds net profits for that year combined with the bank's retained net profits from the preceding two calendar years, less any transfers to capital surplus. However, declared dividends in excess of net profits in either of the preceding two years can be offset by retained net profits in the third and fourth years preceding the current year when determining Valley National Bank's dividend limitation. Under this limitation, Valley National Bank could declare dividends in 2014 without prior approval of the OCC of up to approximately \$135.8 million plus an amount equal to Valley National Bank's net profits for 2014 to the date of such dividend declaration.

Valley is also subject to certain FRB policies that may, in certain circumstances, limit its ability to pay dividends. These policies require, among other things, that a bank holding company maintain a minimum capital base. The FRB would most likely seek to prohibit any dividend payment that would reduce a holding company's capital below these minimum amounts.

Voting Rights

At meetings of shareholders, holders of Valley common stock are entitled to one vote per share. The quorum for shareholders' meetings is a majority of the outstanding common stock entitled to vote. Generally, actions and authorizations to be taken or given by shareholders require the approval of a majority of the votes cast by holders of Valley common stock at a meeting at which a quorum is present. The election of directors by the shareholders also requires a majority of the votes cast except in contested elections, in which directors would be elected by a plurality of the votes cast.

Liquidation Rights

In the event of liquidation, dissolution or winding up of Valley, holders of Valley common stock are entitled to share equally and ratably in assets available for distribution after payment of debts and liabilities.

Table of Contents

Assessment and Redemption

All outstanding shares of Valley common stock are fully paid and nonassessable. Valley common stock is not redeemable at the option of the issuer or the holders thereof.

Other Matters

American Stock Transfer and Trust Company is presently both the transfer agent and the registrar for Valley common stock. Valley common stock is traded on the New York Stock Exchange under the symbol VLY , and is registered with the SEC under Section 12(b) of the Exchange Act.

Blank Check Preferred Stock

The preferred stock that is authorized by Valley s Restated Certificate of Incorporation is typically referred to as blank check preferred stock. This term refers to stock for which the rights and restrictions are determined by the board of directors of a corporation. Except in limited circumstances, Valley s Restated Certificate of Incorporation authorizes the Valley Board of Directors to issue new shares of Valley preferred stock without further shareholder action.

Valley s Restated Certificate of Incorporation gives the Valley Board of Directors authority at any time to:

divide the authorized but unissued shares of preferred stock into series;

determine the designations, number of shares, and relative rights, preferences and limitations of any series of preferred stock;

increase the number of shares of any preferred series; and

decrease the number of shares in a preferred series, but not to a number less than the number of shares outstanding.

The issuance of additional preferred stock may be viewed as having adverse effects upon the holders of common stock. Holders of Valley common stock will not have preemptive rights with respect to any newly issued stock. The Valley Board of Directors could adversely affect the voting power of holders of Valley stock by issuing shares of preferred stock with certain voting, conversion and/or redemption rights. In the event of a proposed merger, tender offer or other attempt to gain control of Valley that the Board of Directors does not believe to be in the best interests of its shareholders, the Board of Directors could issue additional preferred stock which could make any such takeover attempt more difficult to complete. Blank check preferred stock may also be used in connection with the issuance of a shareholder rights plan, sometimes called a poison pill. The Board of Directors of Valley has not approved any plan to issue any preferred stock for this or any other purpose. Preferred stock may also be issued as additional capital and would constitute tier one capital if it was issued as perpetual, non-cumulative preferred stock. The Valley Board of Directors does not intend to issue any preferred stock except on terms that the Board of Directors deems to be in the best interests of Valley and its shareholders.

majority of the votes cast at the annual shareholder meeting and the Board of Directors accepts the tendered resignation. In a contested election, directors are elected by a plurality of the votes cast. Valley shareholders are not entitled to cumulative voting rights in the election of directors.

1st United. 1st United's Board of Directors is not classified. Each director of 1st United is elected and serves until the next election of directors by shareholders. 1st United's Articles do not provide for cumulative voting in the election of directors. Pursuant to 1st United's Bylaws, 1st United has adopted a majority vote standard for uncontested director elections. Director nominees who are elected but do not receive a majority of the votes cast in an uncontested election must promptly tender their resignation to 1st United's Board of Directors. 1st United's Corporate Governance Committee will make a recommendation to the Board of Directors as to whether to accept or reject a tendered resignation, or whether other action should be taken. The Board of Directors will act on the tendered resignation, taking into account the Corporate Governance Committee's recommendation, within 120 days from the date of the certification of the election results. The Corporate Governance Committee in making its recommendation, and the Board of Directors in making its decision, may each consider any factors or other information that it considers appropriate and relevant. The director who tenders his or her resignation will not participate in the discussions of the Corporate Governance Committee or the decision of the Board of Directors with respect to his or her resignation. If a director's resignation is not accepted by the Board of Directors, such director will continue to serve until the next annual meeting and until his or her successor is duly elected, or his or her earlier resignation or removal. If a director's resignation is accepted by the Board of Directors, then the Board of Directors, in its sole discretion, may fill any resulting vacancy or may decrease the size of the Board of Directors.

Removal of Directors

Valley. The NJBCA allows shareholders to remove directors for cause or, unless the certificate of incorporation provides otherwise, without cause, in each case by the affirmative vote of the majority of votes cast by the holders of shares entitled to vote. Because the Valley Restated Certificate of Incorporation includes no additional provisions in this regard, Valley shareholders may remove directors with or without cause.

1st United. Under the FBCA, one or more directors serving on a nonclassified board may be removed, with or without cause, by the holders of a majority of the corporation's outstanding shares entitled to vote at an election of directors unless the articles of incorporation provide that directors may be removed only for cause. The 1st United Articles provide that directors may only be removed for cause, which is defined as a conviction of a felony, declaration of unsound mind by a court order, adjudication of bankruptcy, or having been adjudged by a court of competent jurisdiction to be liable for negligence or misconduct in the performance of their duties in a matter of substantial importance to 1st United and such adjudication is no longer subject to direct appeal. Removal for cause must be approved by at least 66 2/3% of the shares of 1st United then entitled to vote at an election for that director. Any action for removal must be brought within one year of such conviction, declaration, or adjudication.

Filling Vacancies on the Board of Directors

Valley. Under Valley's By-laws, vacancies created by any reason may be filled by a majority of the directors then in office, whether or not a quorum exists. Each director filling a vacancy shall remain in office until the next election of directors by shareholders.

1st United. Under the FBCA, unless otherwise provided in the articles of incorporation, vacancies may be filled by the affirmative vote of a majority of the remaining directors, though less than a quorum of the board of directors, or by the shareholders. 1st United's Articles provide that vacancies are filled by a majority vote of the directors then in office. The person who fills any such vacancy holds office until the next election of directors by the shareholders.

Nomination of Director Candidates by Shareholders

Valley. Pursuant to Valley's By-laws, shareholder nominations of director candidates may be made by any shareholder of any outstanding class of stock entitled to vote for the election of directors if the shareholder delivers timely written notice to the Secretary of Valley at Valley's principal executive office containing the nominee's name, home and business address, citizenship, business background for the past 10 years, shares of Valley common stock beneficially owned as of the date of the nomination and expected to be held as of the annual meeting date in sufficient detail to identify the owner and qualifications to be a director. In addition, the written notice will state whether the nominee qualifies under Valley's corporate governance guidelines for directors and if the nominee does not qualify, the reasons why he/she does not qualify. For the written notice to be considered timely, the written notice must be delivered to the Secretary of Valley no earlier than 120 days and no later than 90 days before the anniversary of the preceding year's annual meeting if the annual meeting for which the nomination relates is to be held no earlier than 20 before and no later than 60 days after the anniversary of the preceding year's annual meeting. If the annual meeting for which the nomination relates is to be held more than 20 days before or 60 days after the anniversary of the preceding year's annual meeting, then to be considered timely, the written notice must be delivered to the Secretary of Valley no earlier than 120 days before the date of the current year's annual meeting and no later than 90 days before the date of the current year's annual meeting or 10 days after the first public announcement of the date fixed for that meeting, whichever is later.

1st United. Nominations for election to the Board of Directors may be made by the Board of Directors or by any shareholder of any outstanding class of capital stock of 1st United entitled to vote for the election of directors.

Nominations by 1st United shareholders must be made in writing to the Secretary of 1st United and must be delivered to or mailed and received at the principal executive offices of 1st United not less than 120 days and not more than 180 days prior to the date of 1st United's notice of annual meeting provided with respect to the previous year's annual meeting; provided, however, that if no annual meeting was held in the previous year or the date of the annual meeting has been changed to be more than 30 calendar days earlier than the date contemplated by the previous year's statement, such notice by the shareholder to be timely must be received no later than the close of business on the tenth day following the date on which notice of the date of the annual meeting is given to shareholders or made public, whichever first occurs.

Such notification must contain the following information to the extent known to the notifying shareholder: (a) as to each person whom the shareholder proposes to nominate for election or re-election as a director at the annual meeting, (i) the name, age, business address and residence address of the proposed nominee, (ii) the principal occupation or employment of the proposed nominee, (iii) the class and number of shares of capital stock of 1st United which are beneficially owned by the proposed nominee, and (iv) any other information relating to the proposed nominee that is required to be disclosed in solicitations for proxies for election of directors pursuant to Schedule 14A of Regulation 14A promulgated under Section 14(a) of the Securities Exchange Act of 1934; and (b) as to the shareholder giving the notice of nominees for election at the annual meeting, (i) the name and record address of the shareholder, and (ii) the class and number of shares of capital stock of 1st United which are beneficially owned by the shareholder. 1st United may require any proposed nominee for election at an annual or special meeting of shareholders to furnish such other information as may reasonably be required by 1st United to determine the eligibility of such proposed nominee to serve as director.

Calling Special Meetings of Shareholders

Valley. Under the NJBCA, holders of at least 10% of the shares of a corporation entitled to vote may apply to the New Jersey Superior Court to request that a special meeting of shareholders be called for good cause shown. At such a

meeting, the shareholders present in person or by proxy and having voting powers will constitute a quorum for the transaction of business as may be designated in the order of the court. In addition, Valley's By-laws provide that special meetings of shareholders may be called by (i) the Chairman of the Board of Directors, (ii) the Chief Executive Officer, (iii) the President or (iv) a majority of the Board of Directors.

Table of Contents

1st United. Under 1st United's Bylaws, special meetings of the shareholders may be called by the Chairman of the Board, the Chief Executive Officer, the President or by Board members. Shareholders may also request to hold special meetings of 1st United shareholders only if such request is in writing by the holders of not less than fifty percent (50%) of all the votes entitled to be cast on any issue proposed to be considered at the proposed special meeting. Shareholders must sign, date and deliver to 1st United's Secretary one or more written demands for the special meeting describing the purpose or purposes for which such special meeting is to be held.

Notice of Shareholder Proposals

Valley. The NJBCA requires that the written notice of any meeting specify the time, place and purpose or purposes of the meeting and be given not less than 10 nor more than 60 days before the date of the meeting to shareholders of record entitled to vote at the meeting. Therefore, business conducted at a Valley annual meeting is limited to the business specified in the meeting notice. The Restated Certificate of Incorporation and By-laws of Valley do not contain any provisions that govern the submission of proposals by shareholders.

1st United. At an annual meeting of the shareholders, only such business shall be conducted as shall have been properly brought before the meeting. To be properly brought before an annual meeting, business must be (i) specified in the notice of meeting (or any supplement thereto) given by or at the direction of the Board of Directors, (ii) otherwise properly brought before the meeting by or at the direction of the Board of Directors, or (iii) otherwise properly brought before the meeting by a shareholder in accordance with the 1st United Bylaws.

Anti-Takeover Provisions; Dissenters' Appraisal Rights

Valley. Under the NJBCA, unless a greater vote is specified in the certificate of incorporation, the affirmative vote of a majority of the votes cast by shareholders entitled to vote on the matter is required to approve:

an amendment to the certificate of incorporation;

the voluntary dissolution of the corporation;

the sale or other disposition of all or substantially all of the corporation's assets outside the ordinary course of business; or

the merger or consolidation of the corporation with another corporation.

Valley's Restated Certificate of Incorporation contains no provisions specifying the required votes for approving the above matters. Valley's By-laws require a majority of the votes cast by shareholders entitled to vote to approve any matter submitted to the shareholders.

The New Jersey Shareholders Protection Act limits certain transactions involving an interested shareholder and a resident domestic corporation. A resident domestic corporation is an issuer of voting stock organized under New Jersey laws with its principal executive offices or significant business operations located in New Jersey. An interested shareholder is one that (1) beneficially owns, directly or indirectly, 10% or more of the outstanding voting stock of the resident domestic corporation or (2) is an affiliate or associate of the resident domestic corporation and at any time

within the past five years beneficially owned, directly or indirectly, 10% or more of the voting power of the then outstanding stock of the resident domestic corporation. The New Jersey Shareholders Protection Act prohibits certain business combinations between an interested shareholder and a resident domestic corporation for five years following the interested shareholder acquiring its stock, unless the corporation's board of directors approved the business combination prior to the interested shareholder's stock acquisition date and a subsequent business combination is approved by (i) independent directors and (ii) a majority of the shareholders (excluding the shares owned by the interested shareholder). After the five-year period expires, the prohibition on certain business combinations continues unless the combination is approved by

the affirmative vote of two-thirds (2/3) of the voting stock not beneficially owned by the interested shareholder, the combination is approved by the board prior to the interested shareholder's stock acquisition date or certain fair price provisions are satisfied. The New Jersey Shareholders Protection Act applies to Valley.

Under the NJBCA, appraisal rights are available in connection with (i) a merger or consolidation to which the corporation is a party, (ii) any sale, lease or exchange or other disposition of all or substantially all of a corporation's assets other than in the usual and regular course of business or (iii) an acquisition of some or all of the outstanding shares or assets of a legal entity, either directly or through a subsidiary, in exchange for the corporation's shares (a share exchange) if, as a result of the share exchange, the number of voting or participating shares issued in connection with the share exchange, when combined with shares already outstanding, would exceed by more than 40% the number of those shares outstanding immediately before the share exchange, unless an exception applies. A New Jersey corporation may provide in its certificate of incorporation that shareholders will have appraisal rights even in cases where the exceptions to the availability of appraisal rights discussed below exist. Valley's restated certificate of incorporation does not so provide.

The NJBCA does not confer appraisal rights to shareholders in connection with:

a merger or consolidation in which the corporation is a party if the merger does not require shareholder approval. Under the NJBCA, shareholder approval for a merger or consolidation is required if the merger amends the certificate of incorporation, affects the outstanding shares of the surviving corporation or, if the number of voting or participating shares issued in connection with the merger or consolidation, when combined with shares already outstanding, would exceed by more than 40% the number of those shares outstanding immediately before the merger;

the merger of the corporation into a wholly-owned subsidiary if certain conditions are met;

(i) a merger or consolidation in which the corporation is a party or (ii) a share exchange if (i) the shares held by the corporation's shareholders are listed on a national securities exchange or are held of record by at least 1,000 holders or (ii) in the case of a merger or consolidation, the corporation's shareholders will receive (a) cash, (b) shares, obligations or other securities that will either be listed on a national securities exchange or held of record by not less than 1,000 holders or (c) a combination thereof;

a sale, lease, exchange or other disposition of all or substantially all of a corporation's assets if the shares held by the corporation's shareholders are listed on a national securities exchange or are held of record by at least 1,000 holders; or

a dissolution transaction in which substantially all of a corporation's net assets are to be distributed to its shareholders within one year after the date of the transaction, so long as the transaction is wholly for cash, shares, obligations or other securities which will be listed on a national securities exchange or held of record by not less than 1,000 holders or a combination thereof.

1st United. Section 607.0901 of the FBCA is an affiliated transactions statute which provides that certain transactions involving a corporation and a shareholder owning 10% or more of the corporation's outstanding voting shares (an

affiliated shareholder) must generally be approved by the affirmative vote of the holders of two-thirds of the voting shares other than those owned by the affiliated shareholder. The transactions covered by the statute include, with certain exceptions, (i) mergers and consolidations to which the corporation and the affiliated shareholder are parties; (ii) sales or other dispositions of substantial amounts of the corporation's assets to the affiliated shareholder; (iii) issuances by the corporation of substantial amounts of its securities to the affiliated shareholder; (iv) the adoption of any plan for the liquidation or dissolution of the corporation proposed by or pursuant to an arrangement with the affiliated shareholder; (v) any reclassification of the corporation's securities which has the effect of substantially increasing the percentage of the outstanding voting shares of the corporation beneficially owned by the affiliated shareholder; and (vi) the receipt by the affiliated shareholder of certain loans or other financial assistance from the corporation.

Table of Contents

These special shareholder approval requirements do not apply in any of the following circumstances: (a) if the transaction was approved by a majority of the corporation's disinterested directors; (b) if the corporation did not have more than 300 shareholders of record at any time during the preceding three years; (c) if the affiliated shareholder has been the beneficial owner of at least 80% of the corporation's outstanding voting shares for the past five years; (d) if the affiliated shareholder is the beneficial owner of at least 90% of the corporation's outstanding voting shares, exclusive of those acquired in a transaction not approved by a majority of disinterested directors; or (e) if the consideration received by each shareholder in connection with the transaction satisfies the "fair price" provisions of the statute.

Section 607.0901 applies to any Florida corporation unless the articles of incorporation or bylaws contain a provision expressly electing not to be governed by this statute. Any amendment to the articles of incorporation or bylaws related to the foregoing must be approved by the affirmative vote of a majority of disinterested shareholders and will not be effective until 18 months after approval.

Section 607.0902 of the FBCA contains a control-share acquisition statute which limits the voting rights of "control shares" acquired in a control-share acquisition, which is intended to deter hostile takeovers of publicly held Florida corporations. Under this section, unless an exception applies (for example, this statute does not apply to mergers effected in compliance with certain provisions of the FBCA, and acquisitions approved by the board of directors of the target corporation prior to the acquisition), control shares acquired in a control share acquisition have voting rights only if, and to the extent, granted in a resolution of the shareholders of the corporation approved by (i) the majority of all the votes entitled to be cast by each class or series entitled to vote on the proposed control-share acquisition and (ii) a majority of all shares of each class or series entitled to vote separately on the proposal, excluding any shares that are owned by the acquiring person or persons, each officer of the corporation and each employee of the corporation who is also a director of the corporation.

For the purposes of the FBCA, "control shares" means shares of a corporation which provide for at least 20% of the voting power in the election of the corporation's directors. For the purposes of the FBCA, "control share acquisition" means, with certain exceptions, the direct or indirect acquisition of control shares. Shares which are acquired within a 90-day period are treated as acquired on the same date for the purposes of Section 607.0902.

1st United's Articles and Bylaws do not contain any provision to "opt-out" of the FBCA's affiliate transaction or control-share acquisition statutes.

Under the FBCA, shareholders of a Florida corporation listed for trading on a national stock exchange, such as 1st United, are not entitled to appraisal rights except that appraisal rights are available to holders of any class or series of shares who are required by the terms of the corporate action requiring appraisal rights to accept for such shares anything other than cash or shares of any class or any series of shares of any corporation, or any other proprietary interest of any other entity, that, at the time the corporate action becomes effective, (1) are listed on the New York Stock Exchange or the American Stock Exchange or designated as a national market system security on an interdealer quotation system by the National Association of Securities Dealers, Inc. or (2) not so listed or designated, but has at least 2,000 shareholders and the outstanding shares of such class or series have a market value of at least \$10 million, exclusive of the value of such shares held by its subsidiaries, senior executives, directors, and beneficial shareholders owning more than 10 percent of such shares.

Indemnification of Directors and Officers; Limitation of Liability

Valley. Valley's Restated Certificate of Incorporation provides that the corporation shall indemnify its present and former officers, directors, employees, and agents and persons serving at its request against expenses, including

attorney's fees, judgments, fines and amounts paid in settlement, incurred in connection with any pending or threatened civil, criminal administrative or investigative proceeding to the full extent permitted by the NJBCA. The NJBCA permits a New Jersey corporation by a provision in its certificate of incorporation to eliminate the liability of directors or officers to the corporation or its shareholders for the breach of any duty

Table of Contents

owed to the corporation or its shareholders, except for any breach of duty based upon an act or omission (i) in breach of such person's duty of loyalty to the corporation or its shareholders, (ii) not in good faith or involving a knowing violation of law or (iii) resulting in receipt by the person of an improper personal benefit. In this context, an act or omission in breach of a director or officer's duty of loyalty is defined as an act or omission which the director or officer knows or believes to be contrary to the best interests of the corporation or its shareholders in connection with a matter in which the director or officer has a material conflict of interest. Valley's Restated Certificate of Incorporation adopts such exculpation provisions.

1st United. Under 1st United's Articles, current and former officers and directors are entitled to indemnification to the fullest extent permitted by Florida law.

Under the FBCA, a corporation may indemnify an indemnitee who was or is a party or is threatened to be made a party to any non-derivative proceeding against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by the indemnitee in connection with such proceeding if the indemnitee met the specified standard of conduct.

In the case of derivative actions, a corporation may indemnify an indemnitee against expenses (including attorneys' fees), but not amounts paid in settlement, judgments or fines. However, such indemnification is permitted only if the indemnitee met the specified standard of conduct, except that no indemnification may be made for any claim as to which the indemnitee is adjudged liable to the corporation unless a court determines that, in view of all the circumstances of the case, the indemnitee is fairly and reasonably entitled to indemnity.

A present or former director or officer of a corporation who is successful, on the merits or otherwise, in defense of any proceeding subject to the FBCA's indemnification provisions must be indemnified by the corporation for reasonable expenses (including attorneys' fees).

The FBCA states that any permissive indemnification, unless ordered by a court, may be made only after a determination that the indemnitee met the specified standard of conduct. Under the FBCA, the specified standard of conduct requires that an indemnitee acted in good faith and in a manner the indemnitee reasonably believed to be in or not opposed to the best interests of the corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe the indemnitee's conduct was unlawful. The determination may be made (i) by a majority vote of the directors who are not parties to such action, suit or proceeding, even though less than a quorum, or (ii) by a committee of such directors designated by majority vote of such directors, even though less than a quorum, or (iii) if there are no such directors, or if such directors so direct, by independent legal counsel in a written opinion, or (iv) by the shareholders.

Under the FBCA, directors are not personally liable to the corporation, a shareholder or a third party, regardless of whether the shareholders of the corporation desire that such a liability limitation apply to the corporation, except where a director breached or failed to perform his or her duties as a director and such breach of, or failure to perform, those duties constitutes: (i) a knowing violation of criminal law; (ii) a transaction from which the director derived an improper benefit; (iii) certain unlawful distributions; (iv) a conscious disregard for the best interest of the corporation or willful misconduct; or (v) recklessness or an act or omission which was committed in bad faith or with malicious purposes or in a manner exhibiting wanton and willful disregard of human rights, safety or property.

Amendments to Certificates of Incorporation and By-laws

Valley. The NJBCA provides that a corporation may amend its certificate of incorporation, from time to time, in any and as many respects as may be desired so long as the amendment contains only such provisions as might lawfully be

contained in an original certificate of incorporation filed at the time of making such amendment. A corporation's certificate of incorporation may be amended or changed by a vote of the board of directors and a vote of a majority of the votes cast by shares entitled to vote.

Table of Contents

The NJBCA provides that the board of directors has the power to make, alter and repeal by-laws unless such power is reserved to the shareholders in the certificate of incorporation, but by-laws made by the board of directors may be altered or repealed, and new by-laws made, by the shareholders. The shareholders may prescribe in the by-laws that any by-law made by them may not be altered or repealed by the board of directors. Whenever any amendment to the by-laws, other than as regards the election of directors, is to be taken by vote of the shareholders, it must be authorized by a majority of the votes cast at a meeting of shareholders by the holders of shares entitled to vote thereon, unless a greater plurality is required by the certificate of incorporation or the NJBCA. Valley's Restated Certificate of Incorporation contains no provision related to amendments to by-laws. Valley's By-laws give the Board of Directors and the shareholders the power to alter, amend or repeal the by-laws. Any by-law adopted, amended or repealed by the shareholders may be amended or repealed by the Board of Directors unless the resolution of the shareholders adopting such by-law expressly reserves to the shareholders the right to amend or repeal such by-law.

1st United. The 1st United Articles may generally be amended by an affirmative vote of a majority of the issued and outstanding shares. However, certain provisions contained in 1st United's Articles, including but not limited to provisions relating to authorized shares of preferred stock, action by shareholders without a meeting, special meetings of shareholders, director vacancies, removal of directors, and amendment of the Articles, require the affirmative vote of at least 66 2/3% of the shares of 1st United then entitled to vote to amend, alter, repeal, or adopt any provision in consistent with the foregoing provisions. The Board of Directors must recommend the amendment to the shareholders, unless the Board of Directors determines that because of conflict of interest or other special circumstances it should make no recommendation and communicates the basis for its determination to the shareholders with the amendment.

Under the 1st United Bylaws, the Bylaws may, if a quorum is present when a vote is taken, be amended by the affirmative vote of a majority of directors present. Under the FBCA, the directors could also amend the 1st United Bylaws without a meeting by the unanimous written consent of all the Board members. Under the FBCA, a corporation's shareholders may also amend or repeal a corporation's bylaws at an annual meeting provided the notice provisions described above are met, or at a special meeting.

Table of Contents**PROPOSAL 2 OF THE 1ST UNITED SPECIAL MEETING ADVISORY VOTE ON EXECUTIVE COMPENSATION PAYMENTS**

As required by Section 14A of the Exchange Act, 1st United is requesting the approval of 1st United's shareholders, on a non-binding advisory basis, of the compensation of the named executive officers of 1st United based on or related to the merger, and therefore is asking shareholders to adopt the following resolution:

RESOLVED, that the compensation of the named executive officers of 1st United based on or related to the merger, as disclosed in the table entitled "Golden Parachute Compensation Subject to Advisory Vote" pursuant to Item 402(t) of Regulation S-K and the associated narrative discussion, are hereby APPROVED.

The vote on this Proposal 2 of the 1st United special meeting is a vote separate and apart from the vote on Proposal 1 of the 1st United special meeting to approve the merger agreement. Accordingly, 1st United shareholders may vote to approve this Proposal 2 on executive compensation payments and vote not to approve Proposal 1 on the merger agreement and vice versa. Because the proposal is advisory in nature only, a vote for or against approval will not be binding on either 1st United or Valley regardless of whether the merger agreement is approved. Accordingly, as the compensation to be paid to the named executive officers of 1st United based on or related to the merger is contractual with the executives, regardless of the outcome of this vote, such compensation will be payable, subject only to the conditions applicable thereto, if the merger agreement is approved. This proposal includes compensation that would be paid or provided by 1st United or 1st United Bank if paid or provided prior to or upon the closing of the merger. If the merger is not completed, 1st United's Board of Directors will consider the results of the vote in making future executive compensation decisions.

During the negotiation of the merger agreement, Messrs. Orlando, Schupp and Marino voluntarily decided to amend their Employment Agreements and SERP Agreements to reduce the amounts that they were entitled to receive in the event of a change in control of 1st United. Specifically, Messrs. Orlando, Schupp and Marino decided to (i) eliminate 1st United's obligation to reimburse them for excise taxes under Section 280G of the Code and (ii) accept a smaller change in control payment under their SERP Agreements by increasing the discount rate applied to the present value calculation. These revisions reduced the benefits to which Messrs. Orlando, Schupp and Marino were entitled by approximately \$4.5 million each. See Proposal 1 of the 1st United Special Meeting "The Merger" "Interests of Certain Persons in the Merger" beginning on page 52 for further discussion.

Executive Compensation Payable to 1st United Named Executive Officers

The named executive officers of 1st United are entitled to receive, under employment agreements and other agreements and understandings, certain compensation that is based on or that otherwise relates to the merger. This compensation, collectively referred to as "golden parachute" compensation, is described below. Some compensation disclosed in this table and its footnotes would be paid only pursuant to understandings with Valley that are not subject to the advisory vote that is the subject of this Proposal 2. For separate disclosure of only compensation subject to the advisory vote, please see the table titled "Golden Parachute Compensation Subject to Advisory Vote" beginning on page 107 below.

- (1) As specified in the Revised Employment Agreements, upon a Change of Control (as defined in the Revised Employment Agreements) of 1st United (single trigger), each executive is entitled to receive a lump sum payment within 30 days equal to three times the average of the two highest amounts of annual cash compensation received by any named executive officer of 1st United during the past five completed fiscal years. Mr. Schupp had the highest cash compensation of any named executive officer in 2012 and 2013 of \$534,180 and \$634,460, respectively, which would result in a cash payment to each executive of \$1,752,960 within 30 days of the merger. In addition, under the Revised Employment Agreements, upon a Change of Control of 1st United (single trigger), each executive is entitled to receive a lump sum payment within 30 days equal to the present value of the additional contributions 1st United would have made to the executive's 401(k) plan if he had remained employed by 1st United for three years after the effective time of the change of control of 1st United. For each executive, this amount is equal to \$14,992. The Revised Employment Agreements provide that 1st United shall, at the direction of Valley, terminate each executive's Revised Employment Agreement at the effective time of the merger in accordance with the terms of the Revised Employment Agreements and Section 409A of the Code in exchange for the lump sum cash payment of \$1,767,952 in settlement of its obligations following the merger under the Revised Employment Agreements, which shall be payable at the effective time of the merger. As specified in the Valley Employment Agreements, each executive will receive a lump sum payment equal to \$1,333,333 on or before the effective time of the merger in consideration of each executive agreeing to certain non-competition and non-solicitation restrictions following termination of employment with Valley.
- (2) As specified in Mr. Jacobson's Employment Agreement with 1st United, within 30 days following the effective date of a change of control of 1st United (single trigger), Mr. Jacobson is entitled to receive a lump sum equal to his current annual base salary of \$217,000. At the end of the calendar year following the effective date of the change of control (single trigger), Mr. Jacobson is entitled to receive an amount equal to his average bonus for the two immediately preceding years. If the merger closes in 2014, the amount of this payment will be \$59,690.
- (3) All outstanding stock options and shares of restricted stock held by the named executive officers as of May 7, 2014 shall vest in connection with the closing of the merger (single trigger). Immediately prior to the closing of the merger, such options will be cancelled and 1st United shall pay to each executive cash in an amount equal to the number of shares of 1st United common stock into which such stock options held are convertible multiplied by the excess of the value of the merger consideration over the exercise price per share provided for in such 1st United stock options. The amounts in this column are calculated based on a 1st United share price of \$8.15, the average closing price of 1st United's common stock over the first five business days following public announcement of the merger. For Messrs. Orlando, Schupp and Marino, their equity amounts represent \$729,653 attributable to the value of 64,132 1st United restricted stock awards for which vesting is accelerated and \$896,045 attributable to the payment in cancellation of 385,257 1st United stock options that are in-the-money. For Messrs. Mr. Schupp had the highest cash compensation of any named executive officer in 2012 and 2013 of \$534,180 and \$634,460, respectively, which would result in a cash payment to each executive of \$1,752,960 within 30 days of the merger. In addition, under the Revised Employment Agreements, upon a Change of Control of 1st United (single trigger), each executive is entitled to receive a lump sum payment within 30 days equal to the present value of the additional contributions 1st United would have made to the executive's 401(k) plan if he had remained employed by 1st United for three years after the effective time of the change of control of 1st United. For each executive, this amount is equal to \$14,992. The Revised Employment Agreements provide that 1st United shall, at the direction of Valley, terminate each executive's Revised Employment Agreement at the effective time of the merger in accordance with the terms of the Revised Employment Agreements and Section 409A of the Code in exchange for the lump sum cash payment of \$1,767,952 in settlement of its obligations following the merger under the Revised Employment Agreements, which shall be payable at the effective time of the merger. amount equal to the number of shares of 1st United common stock into which such stock options held are convertible multiplied by the excess of the value of the merger consideration over the exercise price per share provided for in such 1st United stock options. The amounts in this column are calculated based on a 1st United share price of \$8.15, the average closing price of 1st United's common stock over the first five business days following public announcement of the merger. For Messrs. Orlando, Schupp and Marino, their equity amounts represent \$729,653 attributable to the value of 64,132 1st United restricted stock awards for which vesting is accelerated and \$896,045 attributable to the payment in cancellation of 385,257 1st United stock options that are in-the-money. **PROPOSAL 3 OF THE 1ST UNITED SPECIAL MEETING AUTHORIZATION TO VOTE ON
ADJOURNMENT OR OTHER MATTERS**

As of the date of this document, the 1st United Bancorp Board of Directors does not know of any matters that will be presented for consideration at the 1st United special meeting other than as described in this document. However, if any other matter shall properly come before the 1st United special meeting or any adjournment or postponement thereof and shall be voted upon, the 1st United Board of Directors intends that properly completed proxies will be deemed to confer authority to the individuals named as authorized therein to vote the shares of 1st United common stock represented by the proxy on any matters that fall within the purposes set forth in 1st United's notice of meeting. In particular, if 1st United does not receive a sufficient number of votes to constitute a quorum or approve the merger agreement, it may propose to adjourn or postpone the 1st United special meeting to a later date for the purpose of soliciting additional proxies to establish a quorum or approve the merger agreement. 1st United does not currently intend to propose adjournment or postponement at the 1st United special meeting if there are sufficient votes to approve the merger agreement.

Vote Required for Approval

Approval of the proposal to authorize the 1st United Board of Directors, in its discretion, to adjourn or postpone the 1st United special meeting to a later date, if necessary or appropriate, to solicit additional proxies in favor of approval of the merger agreement or to vote on other matters properly before such special meeting requires the affirmative vote of a majority of the votes present in person or represented by proxy at the 1st United special meeting and entitled to vote.

Recommendation of the 1st United Board of Directors

THE BOARD OF DIRECTORS OF 1ST UNITED UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE FOR THIS PROPOSAL 3 TO AUTHORIZE THE 1ST UNITED BOARD OF DIRECTORS, IN ITS DISCRETION, TO ADJOURN OR POSTPONE THE 1ST UNITED SPECIAL MEETING TO A LATER DATE, IF NECESSARY OR APPROPRIATE, TO SOLICIT ADDITIONAL PROXIES IN FAVOR OF APPROVAL OF THE MERGER AGREEMENT OR TO VOTE ON OTHER MATTERS PROPERLY BEFORE SUCH SPECIAL MEETING.

Table of Contents**PROPOSAL 1 OF THE VALLEY SPECIAL MEETING – AMENDMENT TO VALLEY S RESTATED CERTIFICATE OF INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF VALLEY S COMMON STOCK BY 100,000,000 SHARES**

Valley is requesting that its shareholders approve a proposal to amend Valley s Restated Certificate of Incorporation to increase the number of authorized shares of Valley s common stock by 100,000,000 shares. Approval of such proposed amendment to Valley s Restated Certificate of Incorporation would result in 332,023,233 shares of authorized common stock and 362,023,233 shares of authorized capital stock. Since approval of such proposed amendment is a condition to the closing of the merger between Valley and 1st United, Valley shareholders effectively have a vote to approve the merger. The Valley Board of Directors has unanimously approved the merger, the merger agreement and the proposed amendment to Valley s Restated Certificate of Incorporation, and believes the merger and the increase in the number of shares of common stock are in the best interests of Valley and its shareholders for the reasons set forth below. Valley s current Restated Certificate of Incorporation authorizes the issuance of 262,023,233 shares of capital stock, divided into 232,023,23 shares of common stock, no par value per share, and 30,000,000 shares of preferred stock, no par value per share. As of July [], 2014, a date immediately preceding the printing of this joint proxy statement-prospectus, there were [] shares of common stock and no shares of preferred stock issued and outstanding.

The additional shares of Valley common stock to be authorized by adoption of the proposed amendment to Valley s Restated Certificate of Incorporation would have rights identical to the shares of Valley common stock currently outstanding. Adoption of the proposed amendment and issuance of the common stock would not affect the rights of the holders of currently outstanding Valley common stock, except for effects incidental to increasing the number of shares of Valley common stock outstanding, such as dilution of the earnings per share and voting power of current holders of Valley common stock, and allowing the merger to proceed. If the amendment is adopted, it will become effective upon the filing of a Certificate of Amendment to Valley s Restated Certificate of Incorporation with the Department of the Treasury of the State of New Jersey. It is anticipated that the appropriate filing to effect the increase in authorized share capital will be made as soon as practicable following approval of this Proposal 1 of the Valley special meeting. The full text of the proposed form of the amendment to the Restated Certificate of Incorporation of Valley National Bancorp is set forth in *Appendix E* to this joint proxy statement-prospectus. If approved by the Valley shareholders, the amendment to Valley s Restated Certificate of Incorporation will be effective regardless of whether the merger closes.

If this proposed amendment to Valley s Restated Certificate of Incorporation is adopted, the additional authorized shares of Valley common stock will be available (i) for issuance as merger consideration to 1st United shareholders and (ii) at the discretion of the Valley Board of Directors for any corporate purpose, including, among other things, acquisitions and capital raises, each without further action by the Valley shareholders, except as may be required by applicable laws or regulations or the rules of the New York Stock Exchange and NASDAQ, and issuances under new stock plans (which would require shareholder approval under New York Stock Exchange and NASDAQ rules). If this proposed amendment is approved by Valley shareholders, all shares authorized by the amendment will be available for issuance, including the approximately 30.1 million shares of Valley common stock estimated by Valley and 1st United to be issued in connection with the merger (assuming none of the outstanding 1st United stock options are exercised prior to the closing of the merger).

Reasons for the Proposed Amendment to Valley s Restated Certificate of Incorporation

The Valley Board of Directors has unanimously approved the proposed amendment which will be required in order for Valley to close the merger. The merger and the merger agreement have also been unanimously approved by the Valley Board of Directors. A description of Valley s reasons for the merger can be found under Proposal 1 of the 1st United Special Meeting – The Merger – Valley s Reasons for the Merger beginning on page 51. The Valley Board of

Directors also believes that it would be desirable for the shareholders to authorize the increase in Valley common stock so Valley will be prepared to meet possible future needs for such shares without delay. These shares may be issued in the future in connection with another acquisition or the raising of additional capital through offerings of common stock or under new stock plans (approved by shareholders).

Interests of Valley Officers and Directors

The interests of Valley officers and directors in the merger are described under Proposal 1 of the 1st United Special Meeting The Merger Interests of Certain Persons in the Merger Interests of Valley Officers and Directors beginning on page 111.

Opinion of Sandler O Neill

By letter dated April 30, 2014, the Valley Board of Directors retained Sandler O Neill to provide a fairness opinion to the Board of Directors in connection with Valley's proposed business combination with 1st United. Sandler O Neill is a nationally recognized investment banking firm whose principal business specialty is financial institutions. In the ordinary course of its investment banking business, Sandler O Neill is regularly engaged in the valuation of financial institutions and their securities in connection with mergers and acquisitions and other corporate transactions. The Valley Board of Directors selected Sandler O Neill to act as financial advisor to the Valley Board of Directors in connection with providing the opinion based on its qualifications, expertise, reputation and experience in mergers and acquisitions involving financial institutions.

Sandler O Neill provided a fairness opinion to the Valley Board of Directors in connection with the proposed transaction. Valley's Board of Directors delegated to a Special Committee the authority to review and accept the fairness opinion. At the May 5, 2014 meeting of the Special Committee of Valley's Board of Directors (the Special Committee), Sandler O Neill delivered its oral opinion, which was subsequently confirmed in writing, that the merger consideration was fair to Valley from a financial point of view. **The full text of Sandler O Neill's opinion is attached as Appendix E to this joint proxy statement-prospectus. The opinion outlines the procedures followed, assumptions made, matters considered and qualifications and limitations on the review undertaken by Sandler O Neill in rendering its opinion. The description of the opinion set forth below is qualified in its entirety by reference to the full text of the opinion. Holders of Valley common stock are urged to read the entire opinion carefully in connection with their consideration of the proposed merger.**

Sandler O Neill's opinion speaks only as of the date of the opinion. The opinion was directed to the Valley Board of Directors and is directed only to the fairness of the merger consideration to Valley from a financial point of view. It does not address the underlying business decision of Valley to engage in the merger or any other aspect of the merger and is not a recommendation to any holder of Valley common stock as to how such holder of Valley common stock should vote at the special meeting with respect to the merger or any other matter.

In connection with rendering its opinion on May 5, 2014, Sandler O Neill reviewed and considered, among other things:

the merger agreement;

certain publicly available financial statements and other historical financial information of Valley that Sandler O Neill deemed relevant;

certain publicly available financial statements and other historical financial information of 1st United that Sandler O'Neill deemed relevant;

median publicly available analyst earnings estimates for Valley for the years ending December 31, 2014 and December 31, 2015 and an estimated long-term growth rate for the years ending December 31, 2016 through December 31, 2018 as discussed with senior management of Valley;

median publicly available analyst earnings estimates for 1st United for the years ending December 31, 2014 and December 31, 2015 and an estimated long-term growth rate for the years ending December 31, 2016 through December 31, 2018 as discussed with senior management of Valley;

the pro forma financial impact of the merger on Valley based on assumptions relating to transaction expenses, purchase accounting adjustments, cost savings and other synergies as determined by the senior management of Valley;

comparison of certain financial and other information, including stock trading information for Valley and 1st United with similar publicly available information for certain other commercial banks, the securities of which are publicly traded;

the terms and structures of other recent mergers and acquisition transactions in the commercial banking sector;

the current market environment generally and in the commercial banking sector in particular; and

such other information, financial studies, analyses and investigations and financial, economic and market criteria as Sandler O Neill considered relevant.

Sandler O Neill also discussed with certain members of the senior management of Valley the business, financial condition, results of operations and prospects of Valley and held similar discussions with the senior management of 1st United regarding the business, financial condition, results of operations and prospects of 1st United.

In performing its reviews and analyses and in rendering its opinion, Sandler O Neill relied upon the accuracy and completeness of all of the financial and other information that was available to Sandler O Neill from public sources, that was provided to Sandler O Neill by Valley or 1st United or their respective representatives or that was otherwise reviewed by Sandler O Neill, and Sandler O Neill assumed such accuracy and completeness for purposes of rendering its opinion. Sandler O Neill relied, at the direction of Valley, without independent verification or investigation, on the assessments of the management of Valley as to Valley's existing and future relationships with key employees and partners, clients, products and services and Sandler O Neill assumed, with Valley's consent, that there would be no developments with respect to any such matters that would affect its analyses or opinion. Sandler O Neill further relied on the assurances of the respective senior managements of Valley and 1st United that they were not aware of any facts or circumstances that would make any of such information inaccurate or misleading. Sandler O Neill was not asked to undertake, and did not undertake, an independent verification of any of such information and Sandler O Neill assumes no responsibility or liability for the accuracy or completeness thereof.

Sandler O Neill expressed no opinion as to the trading values at which the common stock of Valley or 1st United may trade at any time or what the value of Valley common stock will be once it is actually received by the holders of 1st United common stock. Sandler O Neill expresses no opinion as to any of the legal, accounting and tax matters relating to the merger and any other transaction contemplated by Valley. Sandler O Neill's opinion was necessarily based on financial, economic, market and other conditions as in effect on, and the information made available to Sandler O Neill as of, the date of its opinion. Events occurring after the date thereof could materially affect Sandler O Neill's opinion. Sandler O Neill has not undertaken to update, revise, reaffirm or withdraw its opinion or otherwise comment upon events occurring after the date of its opinion.

In rendering its May 5, 2014 opinion, Sandler O Neill performed a variety of financial analyses. The following is a summary of the material analyses performed by Sandler O Neill, but it is not a complete description of all the analyses underlying Sandler O Neill's opinion. The summary includes information presented in tabular format. **In order to fully understand the financial analyses, these tables must be read together with the accompanying text. The tables alone do not constitute a complete description of the financial analyses.** The preparation of a fairness opinion is a complex process involving subjective judgments as to the most appropriate and relevant methods of financial analysis and the application of those methods to the particular circumstances. The process, therefore, is not necessarily susceptible to a partial analysis or summary description. Sandler O Neill believes that its analyses must be considered

as a whole and that selecting portions of the factors and analyses to be considered without considering all factors and analyses, or attempting to ascribe relative weights to some or all such factors and analyses, could create an incomplete view of the evaluation process underlying its opinion. Also, no company included in Sandler O'Neill's comparative analyses described below is identical to Valley or 1st United and no transaction is identical to the merger. Accordingly, an analysis

Table of Contents

of comparable companies or transactions involves complex considerations and judgments concerning differences in financial and operating characteristics of the companies and other factors that could affect the public trading values or merger transaction values, as the case may be, of Valley and 1st United and the companies to which they are being compared.

Transaction Multiples

Sandler O'Neill reviewed the financial terms of the proposed transaction. As described in the merger agreement, Valley will be paying an exchange ratio equal to 0.89 per share of Valley common stock, or approximately \$8.80 per 1st United share, based on Valley's closing price of \$9.89 as of May 2, 2014. Based upon Valley's closing price of \$9.89 as of May 2, 2014, Sandler O'Neill calculated an aggregate merger consideration value of \$314 million. Additionally, as described in the merger agreement, the merger consideration will be subject to adjustment if Valley's Average Closing Price fluctuates outside of a certain range. If Valley's Average Closing Price is between \$8.09 and \$12.13, the exchange ratio will remain fixed at 0.89. If Valley's Average Closing Price is less than \$8.09, then the exchange ratio will increase so that the price per share paid to 1st United common shareholders is \$7.20. In lieu of increasing the exchange ratio, Valley may pay an amount of cash for each share of 1st United common stock in an amount equal to the difference between \$7.20 and the product of Valley's Average Closing Price times 0.89. If Valley's Average Closing Price is greater than \$12.13, then the exchange ratio will decrease so that the price per share paid to 1st United common shareholders is \$10.80.

Based upon financial information as of the period ended March 31, 2014, Sandler O'Neill calculated the following transaction ratios:

Price / 2014 Estimated Earnings Per Share	23.8x
Price / 2015 Estimated Earnings Per Share	18.0x
Price / March 31, 2014 Book Value	129%

Table of Contents***Valley Net Present Value Analysis***

Sandler O Neill performed an analysis that estimated the net present value per share of Valley common stock through December 31, 2018.

Sandler O Neill based the analysis on publicly available earnings estimates for the years ending December 31, 2014 and December 31, 2015 and an estimated long-term growth for the years ending December 31, 2016 through December 31, 2018 as discussed with senior management of Valley.

To approximate the terminal value of Valley's common stock at December 31, 2018, Sandler O Neill applied price to earnings multiples ranging from 13.0x to 18.0x and price to tangible book value multiples ranging from 125% to 250%. Sandler O Neill selected the ranges of price to earnings multiples and price to tangible book value multiples based on the range of trading multiples of the comparable group of Valley. The income streams and terminal values were then discounted to present values using discount rates ranging from 9.79% to 12.79%, which were assumed deviations as selected by Sandler O Neill based on the Valley discount rate of 12.79% as determined by Sandler O Neill. These analyses resulted in the following reference ranges of implied earnings per share and implied tangible book value per share of Valley common stock:

Implied Net Present Value Based on Range Earnings Per Share	Implied Net Present Value Based on Range of Tangible Book Value Per Share
\$7.18 \$10.54	\$6.29 \$12.50

Sandler O Neill also considered and discussed with the Special Committee how this analysis would be affected by changes in the underlying assumptions, including variations with respect to net income. To illustrate this impact, Sandler O Neill performed a similar analysis assuming Valley's net income varied from 30% above analyst earnings estimates to 30% below analyst earnings estimates. Using a discount rate of 12.79% for this analysis, Sandler O Neill noted a range of \$5.79 \$12.44 per share of Valley common stock.

At the May 5, 2014 meeting of the Special Committee, Sandler O Neill noted that the net present value analysis is a widely used valuation methodology, but the results of such methodology are highly dependent upon the numerous assumptions that must be made, and the results thereof are not necessarily indicative of actual values or future results.

Sandler O Neill also performed an analysis that estimated the net present value of 1st United through December 31, 2018.

To approximate the terminal value of 1st United's common stock at December 31, 2018, Sandler O Neill applied price to earnings multiples ranging from 12.0x to 22.0x and price to tangible book value multiples ranging from 125% to 200%. Sandler O Neill selected the ranges of price to earnings multiples and price to tangible book value multiples based on the range of trading multiples of the comparable group of 1st United. The income streams and terminal values were then discounted to present values using discount rates ranging from 9.48% to 15.48%, which were

assumed deviations as selected by Sandler O'Neill based on the 1st United discount rate of 15.48% as determined by Sandler O'Neill. These analyses resulted in the following reference ranges of implied earnings per share and implied tangible book value per share of 1st United common stock:

Implied Net Present Value Based on Range Earnings Per Share	Implied Net Present Value Based on Range of Tangible Book Value Per Share
\$5.06 \$11.63	\$4.90 \$9.87

To illustrate this impact, Sandler O'Neill performed a similar analysis assuming 1st United's net income varied from 30% above projections to 30% below projections. Using a discount rate of 15.48% for this analysis, Sandler O'Neill noted a range of \$4.08-\$13.24 per share of 1st United common stock.

At the May 5, 2014 meeting of the Valley Board of Directors, Sandler O'Neill noted that the net present value analysis is a widely used valuation methodology, but the results of such methodology are highly dependent upon the numerous assumptions that must be made, and the results thereof are not necessarily indicative of actual values or future results.

ARTICLE II CONVERSION OF 1ST UNITED COMMON STOCK, OPTIONS AND WARRANTS

2.1. Conversion of 1st United Common Stock; Exchange Ratio; Cash in Lieu of Fractional Shares.

(a) At the Effective Time, subject to the other provisions of this Section 2.1 and Section 2.2, each share of common stock, \$0.01 par value per share, of 1st United (*1st United Common Stock*) issued and outstanding immediately prior to the Effective Time (other than Excluded Shares (as such term is hereinafter defined), but including all unvested restricted stock awards), shall by virtue of the Merger and without any action on the part of 1st United, Valley or the holder thereof, cease to be outstanding and shall be converted into and become the right to receive that number of shares of common stock, no par value, of Valley (*Valley Common Stock*) equal to the Exchange Ratio (as hereinafter defined). No fractional shares of Valley Common Stock will be issued, and in lieu thereof, each holder of 1st United Common Stock who would otherwise be entitled to a fractional interest of Valley Common Stock will receive an amount in cash determined by multiplying such fractional interest by the Average Closing Price as defined below. For purposes of this Section 2.1, the following terms shall have the following meanings:

(A) *Closing Price* shall mean the closing sale price of Valley Common Stock on a Trading Day as supplied by the New York Stock Exchange (as reported in *The Wall Street Journal* or, if not reported thereby, another mutually agreed to authoritative source).

(B) *Trading Day* shall mean a day for which a Closing Price is so supplied.

(C) *Average Closing Price* shall mean the average of the Closing Prices on the twenty (20) Trading Days immediately preceding the date which is five (5) Trading Days prior to the Closing Date.

(D) *Exchange Ratio* shall mean the following:

(A) If the Average Closing Price is between \$8.09 and \$12.13, the Exchange Ratio shall be equal to 0.89;

(B) Subject to Section 2.1(b) below, if the Average Closing Price is less than \$8.09, the Exchange Ratio shall be \$7.20 divided by the Average Closing Price, rounded to three decimal places; and

- (C) If the Average Closing Price is greater than \$12.13, the Exchange Ratio shall be \$10.80 divided by the Average Closing Price, rounded to three decimal places.
- (b) If the Average Closing Price is less than \$8.09, Valley shall have the right, in its sole discretion, in lieu of increasing the Exchange Ratio, to pay an amount of cash for each share of 1st United Common Stock in an

amount equal to the difference between (A) \$7.20 and (B) the product of the Average Closing Price times 0.89. In the event that Valley chooses this option, the Exchange Ratio shall equal 0.89, provided, however, that Valley shall not pay cash to the extent that such payment would result in the Merger failing to satisfy the continuity of interest requirement applicable to reorganizations under Section 368(a)(1)(A) of the Code; in the event of any such reduced cash payment, the Exchange Ratio shall be adjusted accordingly.

(c) At the Effective Time, all shares of 1st United Common Stock held by 1st United in its treasury or owned by Valley or by any of Valley's Subsidiaries (other than shares held as trustee or in a fiduciary capacity and shares held as collateral on or in lieu of a debt previously contracted) (**Excluded Shares**) shall be canceled and shall cease to exist and no Merger Consideration (as hereinafter defined) shall be delivered in exchange therefor.

(d) On and after the Effective Time, holders of certificates which immediately prior to the Effective Time represented outstanding shares of 1st United Common Stock (the **Certificates**) shall cease to have any rights as shareholders of 1st United, except the right to receive the consideration set forth in this Section 2.1 for each such share held by them. The (i) Valley Common Stock, (ii) cash, if any, which at the election of Valley may be delivered pursuant to Section 2.1(b) hereof, and (iii) cash in lieu of fractional shares, if any, which any one 1st United shareholder may receive pursuant to this Section 2.1 is referred to herein as the **Merger Consideration** and total number of shares of Valley Common Stock, cash, if any, which at the election of Valley may be delivered pursuant to Section 2.1(b) hereof, plus any cash in lieu of fractional shares which all of 1st United shareholders are entitled to receive pursuant to this Section 2.1 is referred to herein as the **Aggregate Merger Consideration** .

(e) Notwithstanding any provision herein to the contrary, if, during the period from the date hereof to the Effective Time, the shares of Valley Common Stock shall be changed into a different number or class of shares by reason of any reclassification, recapitalization, split-up, combination, exchange of shares or readjustment, or a stock dividend thereon shall be declared with a record date within said period, appropriate adjustments shall be made to the Exchange Ratio to provide the 1st United shareholders with the equivalent value of the Merger Consideration set forth in Section 2.1.

2.2. Exchange of Shares.

(a) 1st United and Valley hereby appoint American Stock Transfer and Trust Company as the exchange agent (the **Exchange Agent**) for purposes of effecting the conversion of 1st United Common Stock. Not later than five (5) business days after the Effective Time, Valley shall cause the Exchange Agent to mail to each holder of record of 1st United Common Stock as of the Effective Time (a **Record Holder**) a letter of transmittal in form mutually agreed upon by Valley and 1st United (which shall specify that delivery shall be effected, and risk of loss and title to the Certificates shall pass, only upon delivery of the Certificates to the Exchange Agent), and instructions for use in effecting the surrender of the Certificates in exchange for the Merger Consideration as provided in Section 2.1 hereof.

(b) Upon surrender of Certificates for exchange and cancellation to the Exchange Agent, together with such letter of transmittal, duly completed and executed, the Record Holder shall be entitled to promptly receive in exchange for such Certificates the Merger Consideration which such Record Holder has the right to receive pursuant to Section 2.1 hereof. Certificates so surrendered shall be canceled. As soon as practicable, but no later than ten (10) business days following receipt of the properly completed letter of transmittal and any necessary accompanying documentation, Valley shall cause the Exchange Agent to distribute the Merger Consideration. The Exchange Agent shall not be obligated to deliver or cause to be delivered to any Record Holder the consideration to which such Record Holder would otherwise be entitled until such Record Holder surrenders the Certificates for exchange or, in default thereof, an appropriate Affidavit of Loss and Indemnity Agreement and bond as may be required in each case by Valley. Notwithstanding the time of surrender of the Certificates, Record Holders shall be deemed shareholders of Valley for

all purposes from the Effective Time, except that

A-7

Table of Contents

Valley shall withhold the payment of dividends from any Record Holder until such Record Holder effects the exchange of Certificates for Valley Common Stock. Such Record Holder shall receive such withheld dividends, without interest, upon effecting the share exchange.

(c) After the Effective Time, there shall be no transfers on the stock transfer books of 1st United of the shares of 1st United Common Stock which were outstanding immediately prior to the Effective Time and, if any Certificates representing such shares are presented for transfer, they shall be canceled and exchanged for the consideration as provided in Section 2.1 hereof.

(d) If payment of the consideration pursuant to Section 2.1 hereof is to be made in a name other than that in which the Certificates surrendered in exchange therefor is registered, it shall be a condition of such payment that the Certificates so surrendered shall be properly endorsed (or accompanied by an appropriate instrument of transfer) and otherwise in proper form for transfer, and that the person requesting such payment shall pay to the Exchange Agent in advance any transfer or other Taxes required by reason of the payment to a person other than that of the registered holder of the Certificates surrendered, or required for any other reason, or shall establish to the satisfaction of the Exchange Agent that such Tax has been paid or is not payable.

(e) Valley and the Exchange Agent shall be entitled to rely upon 1st United's stock transfer books to establish the identity of those persons entitled to receive the Merger Consideration, which books shall be conclusive with respect thereto. In the event of a dispute with respect to ownership of stock represented by any Certificate, Valley and the Exchange Agent shall be entitled to deposit any Merger Consideration or dividends or distributions thereon represented thereby in escrow with an independent third party and thereafter be relieved with respect to any claims thereto.

(f) Immediately prior to the Effective Date, Valley shall deposit, or shall cause to be deposited, with the Exchange Agent for the benefit of the holders of 1st United Common Stock, for exchange in accordance with this Section 2.2, certificates (or other electronic evidence) representing the shares of Valley Common Stock to be issued to 1st United shareholders as part of the Aggregate Merger Consideration plus an estimated aggregate amount of cash to be paid pursuant to Section 2.1(b), if any, and in lieu of fractional shares of Valley Common Stock.

2.3. Treatment of 1st United Stock Options and Stock Awards.

(a) All options which may be exercised for issuance of 1st United Common Stock (each, a ***1st United Stock Option*** and collectively the ***1st United Stock Options***) are described in the *1st United Disclosure Schedule* and are issued and outstanding pursuant to the 1st United stock plans described in the *1st United Disclosure Schedule* (collectively, the ***1st United Stock Plans***) and the forms of agreements pursuant to which such 1st United Stock Options were granted (each, an ***Option Grant Agreement***). True and complete copies of all outstanding grant agreements for 1st United Stock Options issued under 1st United's Stock Option Plans will be delivered to Valley promptly after execution of this Agreement.

(b) Holders of unexercised 1st United Stock Options (including currently unvested options which would become vested and exercisable as a result of the Merger or otherwise) will be entitled to receive, in cancellation of their 1st United Stock Options, a cash payment from 1st United immediately prior to the Effective Time, in an amount equal to the product of (A) the number of shares of 1st United Common Stock into which such 1st United Stock Options are convertible and (B) the excess, if any, of (x) the product of the Average Closing Price times the Exchange Ratio (subject to adjustment as set forth in Section 2.1(e) hereof but disregarding Section 2.1(b) hereof), over (y) the exercise price per share provided for in such 1st United Stock Option (the ***Cash Option Payment***), which cash payment shall be treated as compensation and shall be net of any applicable federal and state withholding Taxes.

(c) 1st United shall take all requisite action so that, at the Effective Time, each stock settled phantom stock award or stock appreciation right and other right, contingent or accrued, to acquire or receive shares of 1st United Common Stock or benefits measured by the value of such shares, and each award of any kind consisting of shares of 1st United Common Stock that may be held, awarded, outstanding, payable or reserved for issuance under any 1st United Stock Plan (as defined below), other than 1st United Stock Options (each, a *1st United Stock Award*) immediately prior to the Effective Time, whether or not then vested or exercisable, shall be, by virtue of the Merger and without any action on the part of 1st United or Valley, the holder of that 1st United Stock Award or any other person, cancelled and converted into the right to receive from Valley, as promptly as reasonably practicable after the Effective Time, an amount in cash, without interest, equal to the product of (x) the aggregate number of shares of 1st United Common Stock in respect of such 1st United Stock Award multiplied by (y) the Average Closing Price times the Exchange Ratio (subject to adjustment as set forth in Section 2.1(e) hereof but disregarding Section 2.1(b) hereof), which cash payment shall be treated as compensation and shall be net of any applicable federal and state withholding Taxes.

(d) At or prior to the Effective Time, 1st United, the 1st United Board and the compensation committee of such board, as applicable, shall adopt any resolutions and take any actions (including obtaining any employee consents) that may be necessary to effectuate the provisions of paragraphs (a), (b) and (c) of this Section 2.3.

2.4. Valley Shares. The shares of Valley Common Stock outstanding at the Effective Time shall not be affected by the Merger, but along with the additional shares of Valley Common Stock to be issued as provided in Section 2.1 hereof, shall become the outstanding common stock of the Surviving Corporation.

2.5. Tax Consequences. It is intended that the Merger shall constitute reorganization within the meaning of Section 368(a) of the Code and that this Agreement shall constitute a plan of reorganization for purposes of Section 368 of the Code.

2.6. No Dissenters Rights. Consistent with the relevant provisions of the FBCA, no shareholder of 1st United shall have appraisal rights with respect to the Merger.

As used in this Agreement, the term *Material Adverse Effect* means, with respect to 1st United or Valley, as the case may be, an effect which (i) is material and adverse to the business, assets, financial condition or results of operations of such party and its Subsidiaries on a consolidated basis, or (ii) materially impairs the ability of such party and its Subsidiaries to consummate the transactions contemplated hereby on a timely basis; *provided, however*, that *Material Adverse Effect* shall not be deemed to include the impact of (a) changes in laws and regulations affecting banks or thrift institutions or their holding companies generally, or interpretations thereof by courts or governmental agencies, (b) changes in United States Generally Accepted Accounting Principles (*GAAP*) or regulatory accounting principles generally applicable to financial institutions and their holding companies, (c) actions and omissions of a party hereto (or any of its Subsidiaries) taken with the prior written consent of the other party, (d) the impact of the announcement of this Agreement and the transactions contemplated hereby, and compliance with this Agreement on the business, financial condition or results of operations of the parties and their respective Subsidiaries, including the expenses (inclusive of any change in control, severance and related payments to be made to employees prior to the Closing Date) incurred by the parties hereto in consummating the transactions contemplated by this Agreement (and any loss of personnel subsequent to the date of this Agreement), (e) changes in national or international political or social conditions, including the engagement by the United States in hostilities, whether or not pursuant to the declaration of a national

For the purposes of this Agreement, **knowledge** shall mean, with respect to a party hereto, actual knowledge of the members of the Board of Directors of that party, any executive officer of that party with the title ranking not less than executive vice president and that party's corporate secretary. 1st United hereby represents and warrants to Valley as follows:

3.1. Corporate Organization. (a) 1st United is a corporation duly organized, validly existing and in good standing under the laws of the State of Florida. 1st United has the corporate power and authority to own or lease all of its properties and assets and to carry on its business as it is now being conducted and is duly licensed or qualified to do business and in good standing in each jurisdiction in which the nature of the business conducted by it or the character or location of the properties and assets owned or leased by it makes such licensing or qualification necessary, except where the failure to be so licensed or qualified or in good standing would not have, or would not reasonably be expected to have, either individually or in the aggregate, a Material Adverse Effect on 1st United. 1st United is registered as a financial holding company under The Bank Holding Company Act of 1956, as amended (the **BHCA**). None of 1st United's activities require 1st United to be a financial holding company under the BHCA.

(b) All of the Subsidiaries of 1st United are listed in the *1st United Disclosure Schedule* with a designation of which Subsidiaries are Significant Subsidiaries. For purposes of this Agreement, a **Subsidiary** shall mean any corporation, partnership, joint venture, limited liability company or other entity of which at least a majority of the capital stock or other ownership interest having ordinary voting power to elect a majority of the board of directors or other persons performing similar functions are at the time directly or indirectly owned by such person. As used in this Agreement, the term **Significant Subsidiary** shall mean each Subsidiary which is a significant subsidiary as defined in Regulation S-X, promulgated by the United States Securities and Exchange Commission (the **SEC**), as in effect as of the date hereof. Each Significant Subsidiary of 1st United is duly organized, validly existing and in good standing under the laws of its state of incorporation or organization. FUB is a commercial bank chartered under the laws of the State of Florida whose deposits are insured by the Federal Deposit Insurance Corporation (the **FDIC**) to the fullest extent permitted by law. Each Significant Subsidiary of 1st United has the power and authority to own or lease all of its properties and assets and to carry on its business as it is now being conducted and is duly licensed or qualified to do business in each jurisdiction in which the nature of the business conducted by it or the character or location of the properties and assets owned or leased by it makes such licensing or qualification necessary, except where the failure of each of the foregoing would not have a Material Adverse Effect on 1st United. The *1st United Disclosure Schedule* sets forth true and complete copies of the certificate of incorporation, articles of association, bylaws or other comparable formation and governing documents (together the **1st United Charter Documents**) of 1st United and of each 1st United Significant Subsidiary as in effect on the date hereof. Except as set forth in the *1st United Disclosure Schedule*, 1st United does not own or control, directly or indirectly, any equity interest in any corporation, company, association, partnership, joint venture or other entity and owns no real estate, except (i) residential real estate acquired through foreclosure or deed in lieu of foreclosure in each individual instance with a fair market value less than \$500,000 and (ii) real estate used for its banking premises.

3.2. Capitalization. (a) The authorized capital stock of 1st United consists of 60,000,000 shares of 1st United Common Stock and 5,000,000 shares of preferred stock, no par value (the **1st United Preferred Stock**). As of the date hereof, there were 34,489,547 shares of 1st United Common Stock issued and outstanding, and no shares of 1st United Common Stock issued and held in the treasury and no shares of 1st United Preferred Stock issued and outstanding and no shares of 1st United Preferred Stock issued and held in treasury. As of the date hereof, except for 4,249,694 shares

options granted pursuant to the 1st United Stock Option Plans or pursuant to executive employment agreements as set forth on the *1st United Disclosure Schedule*, there were no shares of 1st United Common Stock issuable upon the exercise of outstanding stock options or otherwise. All issued and outstanding shares of 1st United Common Stock and 1st United Preferred Stock have been duly authorized and validly issued, are fully paid, and nonassessable. The authorized capital stock of FUB consists of 1,000,000 shares of common stock, \$7.00 par value per share. As of the date hereof, there were 752,800 shares of FUB common stock outstanding. Except as set forth in the *1st United Disclosure Schedule*, neither 1st United nor any 1st United Subsidiary has or is bound by any outstanding subscriptions, options, warrants, calls, commitments or agreements of any character calling for the transfer, purchase or issuance of any shares of capital stock of 1st United or any 1st United Subsidiary or any securities representing the right to purchase or otherwise receive any shares of such capital stock or any securities convertible into or representing the right to purchase or subscribe for any such shares, and there are no agreements or understandings with respect to voting of any such shares.

(b) The *1st United Disclosure Schedule* contains a list setting forth as of the date of this Agreement (i) all outstanding 1st United Stock Options, the names of the option holders, the date each such option was granted, the number of shares subject to each such option, the expiration date of each such option, any vesting schedule with respect to an option which is not yet fully vested, and the price at which each such option may be exercised and (ii) comparable information for any other outstanding awards under the 1st United Stock Option Plans. Each 1st United Stock Option intended to qualify as an incentive stock option under Section 422 of the Code so qualifies. The exercise price of each 1st United Stock Option is not less than the fair market value of a share of 1st United Common Stock as determined on the date of grant of such 1st United Stock Option and within the meaning of Section 409A of the Code and associated guidance set forth by Treasury. 1st United has made available to Valley true and complete copies of all 1st United Stock Option Plans and the forms of all award agreements and other agreements evidencing outstanding 1st United Stock Options.

(c) The *1st United Disclosure Schedule* lists the name(s), jurisdiction of incorporation or organization, authorized and outstanding shares of capital stock and record and beneficial owners of such capital stock for each Subsidiary of 1st United. Except as set forth in the *1st United Disclosure Schedule*, 1st United owns, directly or indirectly, all of the issued and outstanding shares of capital stock of or all other equity interests in each of 1st United's Subsidiaries, free and clear of any lien, claim, charge, mortgage, pledge, security interest, restriction, encumbrance or security interest (*Liens*), and all of such shares are duly authorized, validly issued, fully paid, nonassessable and free of preemptive rights. Neither 1st United nor any Subsidiary of 1st United has or is bound by any right with respect to the capital stock or any other equity security of any Subsidiary of 1st United.

(d) Except (i) as disclosed in the *1st United Disclosure Schedule*, (ii) for 1st United's ownership in its Subsidiaries, (iii) for securities held for the benefit of third parties in trust accounts, managed accounts and the like for the benefit of customers, (iv) for securities acquired after the date of this Agreement in satisfaction of debts previously contracted in good faith, and (v) unmarketable Federal Home Loan Bank and Federal Reserve Bank stock, neither 1st United nor any of its Subsidiaries beneficially owns or controls, directly or indirectly, any shares of stock or other equity interest in any corporation, firm, partnership, joint venture or other entity.

(e) Except as set forth in the *1st United Disclosure Schedule*, no bonds, debentures, trust-preferred securities or other similar indebtedness of 1st United (parent company only) are issued or outstanding.

3.3. Authority; No Violation.

(a) Subject to the approval of this Agreement and the transactions contemplated hereby by the shareholders of 1st United, and subject to the parties obtaining all necessary regulatory approvals, 1st United has full corporate power and

authority to execute and deliver this Agreement and to consummate the transactions contemplated hereby in accordance with the terms hereof and FUB has full corporate power and authority to execute and deliver the Bank Merger Agreement and to consummate the transactions contemplated thereby in accordance with the terms thereof. On or prior to the date of this Agreement, 1st United s Board of Directors, by

A-11

resolutions duly adopted by unanimous vote of those voting at a meeting duly called and held, (i) determined that this Agreement and the Merger are fair to and in the best interests of 1st United and its shareholders and declared the Merger and the other transactions contemplated hereby to be advisable, (ii) approved this Agreement, the Merger and the other transactions contemplated hereby and (iii) resolved to recommend that the shareholders of 1st United approve this Agreement at the 1st United Shareholders Meeting (the *1st United Recommendation*). The execution and delivery of this Agreement and the consummation of the transactions contemplated hereby have been duly and validly approved by the Board of Directors of 1st United. The execution and delivery of the Bank Merger Agreement has been duly and validly approved by the Board of Directors of FUB. Except for the approvals described in paragraph (b) below, no other corporate proceedings on the part of 1st United or FUB are necessary to consummate the transactions contemplated hereby. This Agreement has been duly and validly executed and delivered by 1st United and, assuming due and valid execution and delivery of this Agreement by Valley, constitutes a valid and binding obligation of 1st United, enforceable against 1st United in accordance with its terms, subject to applicable bankruptcy, insolvency and similar laws affecting creditors' rights and remedies generally and subject, as to enforceability, to general principles of equity, whether applied in a court of law or a court of equity.

(b) Neither the execution and delivery of this Agreement by 1st United or the execution and delivery of the Bank Merger Agreement by FUB, nor the consummation by 1st United of the transactions contemplated hereby in accordance with the terms hereof or the consummation by FUB of the transactions contemplated thereby in accordance with the terms thereof, or compliance by 1st United with any of the terms or provisions hereof or compliance by FUB with any of the terms or provisions thereof, will (i) violate any provision of the 1st United Charter Documents, (ii) assuming that the consents and approvals set forth below are duly obtained, violate any statute, code, ordinance, rule, regulation, judgment, order, writ, decree or injunction applicable to 1st United or FUB or any of their respective properties or assets, or (iii) except as set forth in the *1st United Disclosure Schedule*, violate, conflict with, result in a breach of any provisions of, constitute a default (or an event which, with notice or lapse of time, or both, would constitute a default) under, result in the termination of, accelerate the performance required by, or result in the creation of any lien, security interest, charge or other encumbrance upon any of the respective properties or assets of 1st United or FUB under, any of the terms, conditions or provisions of any note, bond, mortgage, indenture, deed of trust, license, lease, agreement or other instrument or obligation to which 1st United or FUB is a party, or by which either or both of them or any of their respective properties or assets may be bound or affected except, with respect to (ii) and (iii) above, such as individually and in the aggregate will not have a Material Adverse Effect on 1st United. 5.3. No Solicitation. (a) Except as expressly permitted by this Section 5.3, 1st United and its Subsidiaries shall not, and 1st United and its Subsidiaries shall use their best efforts to cause their respective representatives not to initiate, solicit or knowingly encourage or facilitate inquiries or proposals with respect to, or engage in any negotiations concerning, or provide any confidential or nonpublic information or data to, or have any discussions with, any person relating to, any Acquisition Proposal; provided that in the event, prior to the time the approval of 1st United's shareholders (*1st United Shareholder Approval*) is obtained but not after, (1) 1st United receives, after the execution of this Agreement, an unsolicited bona fide Acquisition Proposal from a person other than Valley, and (2) the 1st United Board of Directors concludes in good faith (A) that, after consulting with its financial advisor, such Acquisition Proposal constitutes a Superior Proposal or would reasonably be likely to result in a Superior Proposal and (B) that, after considering the advice of outside counsel, failure to take such actions would be inconsistent with its fiduciary duties to 1st United's shareholders under applicable law, 1st United may, and may permit its Subsidiaries and its Subsidiaries' representatives to, furnish or cause to be furnished nonpublic information or data and participate in negotiations or discussions with respect to such Acquisition Proposal; provided, that prior to providing any nonpublic information permitted to be provided pursuant to the foregoing proviso, it shall have entered into an agreement with such third party on terms substantially similar to and no more favorable to such third party than those contained in the Confidentiality Agreement between Valley and 1st United dated January 30, 2014 (the *Confidentiality Agreement*) and any non-public information provided to any person given access to nonpublic information shall have previously

been provided to Valley or shall be provided to Valley prior to or concurrently with the time it is provided to such person. 1st United will (A) immediately cease and cause to be terminated any activities, discussions or negotiations conducted before the date of this Agreement with any persons other than Valley with respect to any

Acquisition Proposal, (B) not terminate, waive, amend, release or modify any provision of any confidentiality or standstill agreement relating to any Acquisition Proposal to which it or any of its affiliates or representatives is a party and (C) use its commercially reasonable efforts to enforce any confidentiality or similar agreement relating to any Acquisition Proposal.

(b) Neither the 1st United Board of Directors nor any committee thereof shall (i) (A) withdraw (or modify or qualify in any manner adverse to Valley) or refuse to make the 1st United Recommendation or (B) adopt, approve, recommend, endorse or otherwise declare advisable the adoption of any Acquisition Proposal, or (ii) cause or permit 1st United or any of its Subsidiaries to enter into any letter of intent, memorandum of understanding, agreement in principle, acquisition agreement, merger agreement, option agreement, joint venture agreement, partnership agreement or other agreement constituting or related to, or which is intended to or is reasonably likely to lead to, any Acquisition Proposal (other than a confidentiality agreement permitted by the terms of Section 5.3(a) of this Agreement). Notwithstanding the foregoing, prior to the date of the 1st United Shareholders Meeting, the 1st United Board of Directors may take any of the actions specified in items (i) and (ii) of the preceding sentence (a ***1st United Subsequent Determination***) after the second (2nd) business day following Valley's receipt of a written notice (the ***Notice of Superior Proposal***) from 1st United (A) advising that the 1st United Board of Directors has decided that a bona fide unsolicited written Acquisition Proposal that it received (that did not result from a breach of this Section 5.3 or from an action by a representative of 1st United or its Subsidiaries that would have been such a breach if committed by 1st United or its Subsidiaries) constitutes a Superior Proposal (it being understood that 1st United shall be required to deliver a new Notice of Superior Proposal in respect of any revised Superior Proposal from such third party or its affiliates that 1st United proposes to accept), (B) specifying the material terms and conditions of, and the identity of the party making, such Superior Proposal, and (C) containing an unredacted copy of the relevant transactions agreements with the party making such Superior Proposal, if, but only if, (X) Valley does not make, after being provided with reasonable opportunity to negotiate with 1st United, within two (2) business days of receipt of a Notice of Superior Proposal, a written offer that the Board of Directors of 1st United determines, in good faith after consultation with its outside legal counsel and financial advisors, results in the applicable Acquisition Proposal no longer being a Superior Proposal, and (Y) the 1st United Board of Directors reasonably determines in good faith, after consultation with and having considered the advice of outside legal counsel and its financial advisor, that the failure to take such actions would be inconsistent with its fiduciary duties to 1st United's shareholders under applicable law and that such Acquisition Proposal is a Superior Proposal and such Superior Proposal has been made and has not been withdrawn and continues to be a Superior Proposal after taking into account all adjustments to the terms of this Agreement that are committed to in writing by Valley pursuant to this Section 5.3(b).

Notwithstanding the foregoing, the changing, qualifying or modifying of the 1st United Recommendation or the making of a 1st United Subsequent Determination by the 1st United Board of Directors shall not change the approval of the 1st United Board of Directors for purposes of causing any takeover laws to be inapplicable to this Agreement and the Voting Agreements (as hereinafter defined) and the transactions contemplated hereby and thereby, including the Merger.

(c) Nothing contained in this Agreement shall prevent 1st United or the 1st United Board of Directors from complying with Rule 14d-9 and Rule 14e-2 under the Exchange Act, or other disclosure requirements under applicable law or the NYSE or the NASDAQ rules, with respect to an Acquisition Proposal; provided that such rules will in no way eliminate or modify the effect that any action pursuant to such rules would otherwise have under this Agreement.

(d) In addition to the obligations of 1st United set forth in Sections 5.3(a) and (b) of this Agreement, in the event 1st United or any of its Subsidiaries or representatives receives (i) any Acquisition Proposal or (ii) any request for non-public information or to engage in negotiations that the 1st United directors believe is reasonably likely to lead to or that contemplates an Acquisition Proposal, 1st United promptly (and in any event within two business days of

receipt) shall advise Valley in writing of the existence of the matters described in this clause

A-38

(i) or (ii), together with the material terms and conditions of such Acquisition Proposal or request and the identity of the person making any such Acquisition Proposal or request. 1st United shall keep Valley reasonably well informed in all material respects of the status (including after the occurrence of any material amendment or modification) of any such Acquisition Proposal or request. Without limiting any of the foregoing, 1st United shall promptly (and in any event within two business days) notify Valley in writing if it determines to begin providing non-public information or to engage in negotiations concerning an Acquisition Proposal pursuant to Sections 5.3(a) or (b) of this Agreement and shall in no event begin providing such information or engaging in such discussions or negotiations prior to providing such notice.

(e) For purposes of this Agreement:

(i) **Acquisition Proposal** means, other than the transactions contemplated by this Agreement, a tender or exchange offer to acquire 25% or more of the voting power in 1st United or any of its Subsidiaries, a proposal for a merger, consolidation, or other business combination involving 1st United or any of its Subsidiaries or any other proposal or offer to acquire in any manner 25% or more of the voting power in, or 25% or more of the business, assets or deposits of, 1st United or any of its Subsidiaries.

(ii) **Superior Proposal** means an unsolicited bona fide written Acquisition Proposal (with the percentages set forth in the definition of such term changed from 25% to 50%) that the 1st United Board of Directors concludes in good faith to be more favorable from a financial point of view to its shareholders than the Merger and the other transactions contemplated hereby (including taking into account any adjustment to the terms and conditions proposed by Valley in response to such proposal pursuant to Section 5.3(b) of this Agreement or otherwise), (1) after receiving the advice of its financial advisor (which shall be a nationally recognized investment banking firm), (2) after taking into account the likelihood of consummation of such transaction on the terms set forth therein (as compared to, and with due regard for, the terms herein), and (3) after taking into account all legal (with the advice of outside counsel), financial (including the financing terms of any such proposal), regulatory and other aspects of such proposal and any other relevant factors permitted under applicable law.

(f) Other than in connection with an Acquisition Proposal (which shall be subject to Section 5.3(a) and 5.3(b), and shall not be subject to this Section 5.3(f)), nothing in this Agreement shall prohibit or restrict 1st United's Board of Directors from, prior to the receipt of the 1st United Shareholder Approval, effecting a 1st United Subsequent Determination if 1st United's Board of Directors determines in good faith, after consultation with 1st United's outside financial advisors and outside legal counsel, that the failure of 1st United's Board of Directors to effect a 1st United Subsequent Determination would be inconsistent with its fiduciary duties under applicable law.

5.4. Current Information. During the period from the date of this Agreement to the Effective Time, 1st United will cause one or more of its designated representatives to confer on a monthly or more frequent basis with representatives of Valley regarding 1st United's business, operations, properties, assets and financial condition and matters relating to the completion of the transactions contemplated herein. Without limiting the foregoing, 1st United shall provide Valley, on a monthly basis, with a schedule of all new loans, leases, extensions of credit, and renewal loans, leases and extensions of credit in excess of \$1,000,000, or any increase by \$1,000,000 or more in any customer's aggregate credit outstanding or lease commitment (whether or not subject to prior approval under Section 5.2(a)), and provide Valley with a copy of, and the opportunity to discuss, the relevant documentation for any such loan, extension of credit, lease, or renewal upon request. Notwithstanding any other provision contained in this Agreement, neither Valley nor any Valley Subsidiary shall under any circumstance be permitted to exercise control of 1st United or any 1st United Subsidiary prior to the Effective Time. As soon as reasonably available, but in no event more than forty-five (45) days after the end of each fiscal quarter ending after the date of this Agreement and prior to the Effective Time, 1st United will deliver to Valley FUB's call reports filed with the OFR and the FDIC.

(a) On reasonable advance notice, 1st United and FUB shall permit Valley and its representatives, and Valley and VNB shall permit 1st United and its representatives, accompanied by an officer of the respective party, reasonable access during normal business hours to their respective properties, and shall make available to Valley and its representatives or 1st United and its representatives as the case may be, all books, papers and records relating to their respective assets, stock ownership, properties, operations, obligations and liabilities, including, but not limited to, all books of account (including the general ledger), Tax records, minute books of directors and shareholders meetings, charter documents, material contracts and agreements, filings with any regulatory authority, independent auditors work papers (subject to the receipt by such auditors of a standard access representation letter), litigation files, plans affecting employees, and any other business activities or prospects in which Valley and its representatives or 1st United and its representatives may have a reasonable interest. Neither party shall be required to provide access to or to disclose information where such access or disclosure would violate or prejudice the rights of any customer, violate the terms of any contract, jeopardize attorney-client privilege or contravene any law, rule, regulation, order or judgment. The parties will make appropriate substitute disclosure arrangements under circumstances in which the restrictions of the preceding sentence apply. 1st United acknowledges that Valley may be involved in discussions concerning potential acquisitions of banks and other entities and Valley shall not be obligated to disclose such information to 1st United except as such information is publicly disclosed by Valley.

(b) Each party will hold any information that is confidential, proprietary or otherwise non-public in accordance with the Confidentiality Agreement.

5.6. Regulatory Matters.

(a) For the purposes of holding the 1st United Shareholders Meeting and the Valley Shareholders Meeting (each as defined in Section 5.7) and qualifying under applicable federal and state securities laws the Valley Common Stock to be issued to 1st United shareholders in connection with the Merger, as soon as practicable, but in no event later than forty-five (45) days, following the date of this Agreement), the parties shall (i) jointly prepare, and Valley shall file with the SEC, a Registration Statement on Form S-4, including a prospectus and (ii) jointly prepare, and 1st United shall file with the SEC, a proxy statement, satisfying all applicable requirements of applicable state and federal laws, including the Securities Act, the Exchange Act and applicable state securities laws and the rules and regulations thereunder (such proxy statement and prospectus in the form mailed by 1st United to its shareholders together with any and all amendments or supplements thereto, being herein referred to as the **Joint Proxy Statement-Prospectus** and the various documents to be filed by Valley under the Securities Act with the SEC to register the Valley Common Stock for sale, including the Joint Proxy Statement-Prospectus, are referred to herein as the **Registration Statement**). Prior to the filing of the Joint Proxy Statement-Prospectus and the Registration Statement, each party shall consult with the other party with respect to such filings and shall afford the other party and their Representatives reasonable opportunity to comment thereon.

(b) Each party shall furnish to the other party with such information concerning itself and its Affiliates as is necessary in order to cause the Joint Proxy Statement-Prospectus and Registration Statement to comply with Section 5.6(a) hereof. Each party agrees promptly to advise the other party if at any time prior to the Effective Time, any information provided by such party in the Joint Proxy Statement-Prospectus or Registration Statement becomes incorrect or incomplete in any material respect and promptly to provide the information needed to correct such inaccuracy or omission. Each party shall promptly furnish to the other party such supplemental information as may be necessary in order to cause the Joint Proxy Statement-Prospectus or Registration Statement to comply with Section 5.6(a). The information relating to a party to be provided for inclusion or incorporation by reference in the Joint Proxy Statement-Prospectus or Registration Statement, any filing pursuant to Rule 165 or Rule 425 under the Securities Act

(c) Valley shall as promptly as practicable make such filings, if any, as are necessary in connection with the offering of the Valley Common Stock with applicable state securities agencies and shall use all reasonable efforts to qualify the offering of such stock under applicable state securities laws at the earliest practicable date. 1st United shall promptly furnish Valley with such information regarding 1st United shareholders as Valley requires to enable it to determine what filings are required hereunder. 1st United authorizes Valley to utilize in such filings the information concerning 1st United and FUB provided to Valley in connection with, or contained in, the Joint Proxy Statement-Prospectus. Valley shall furnish 1st United's counsel with copies of all such filings and keep 1st United advised of the status thereof. Each of Valley and 1st United shall promptly notify the other of all communications, oral or written, with the SEC concerning the Registration Statement and the Joint Proxy Statement-Prospectus.

(d) Valley shall cause the Valley Common Stock issuable pursuant to the Merger, to be listed on the NYSE at the Effective Time.

(e) The parties hereto will cooperate with each other and use all reasonable efforts to prepare all necessary documentation, to effect all necessary filings and to obtain all necessary permits, consents, approvals and authorizations of all third parties and governmental bodies necessary to consummate the transactions contemplated by this Agreement as soon as possible, including, without limitation, those required by the OCC, the FDIC, the FRB, the OFR and the Florida Department of State. The parties shall each have the right to review in advance and comment on all information relating to the other, as the case may be, which appears in any filing made with, or written material submitted to, any third party or governmental body in connection with the transactions contemplated by this Agreement. Valley and VNB shall use their best efforts to cause their applications to the OCC and the FRB to be filed within thirty (30) days of the date of this Agreement. 1st United shall cooperate with Valley to provide all information requested in writing by Valley to complete such application within ten (10) days of request from Valley. Valley shall provide to 1st United drafts of all filings and applications referred to in this Section 5.6(e) and shall give 1st United the opportunity to comment thereon prior to their filing.

(f) Each of the parties will promptly furnish each other with copies of written communications received by them or any of their respective Subsidiaries from, or delivered by any of the foregoing to, any Governmental Entity in respect of the transactions contemplated hereby.

5.7. Approval of Shareholders.

(a) 1st United will, subject to the qualification set forth in Section 5.3(b) hereof, (i) take all steps necessary duly to call, give notice of, convene and hold a meeting of the shareholders of 1st United (such meeting or any adjournment thereof, the *1st United Shareholders Meeting*) for the purpose of securing the Merger and the approval of shareholders of this Agreement and holding a Say on Merger Pay non-binding advisory vote as required by SEC regulations, (ii) recommend to the shareholders of 1st United the approval of the Merger and this Agreement and use its commercially reasonable best efforts to obtain, as promptly as practicable, such approval. 1st United and Valley will cooperate with respect to each of the foregoing matters. (b) The Valley Board of Directors shall (i) take all steps necessary duly to call, give notice of, convene and hold a meeting of the shareholders of Valley (such meeting or any adjournment thereof, the *Valley Shareholders Meeting*) for the purpose of securing the approval of Valley shareholders of an amendment to the Restated Certificate of

5.8. Further Assurances. Subject to the terms and conditions herein provided, each of the parties hereto agrees to use its commercially reasonable best efforts to take, or cause to be taken, all actions and to do, or cause to be done, all things necessary, proper or advisable under applicable laws and regulations to satisfy the conditions to the Closing and to consummate and make effective the transactions contemplated by this Agreement, including, without limitation, using reasonable efforts to lift or rescind any injunction or restraining order or other order adversely affecting the ability of the parties to consummate the transactions contemplated by this Agreement and using its best efforts to prevent the breach of any representation, warranty, covenant or agreement of such party contained or referred to in this Agreement and to promptly remedy the same. In case at any time after the Effective Time any further action is necessary or desirable to carry out the purposes of this Agreement, the proper officers and directors of each party to this Agreement shall take all such necessary action. Nothing in this section shall be construed to require any party to participate in any threatened or actual legal, administrative or other proceedings (other than proceedings, actions or investigations to which it is otherwise a party or subject or threatened to be made a party or subject) in connection with consummation of the transactions contemplated by this Agreement unless such party shall consent in advance and in writing to such participation and the other party agrees to reimburse and indemnify such party for and against any and all costs and damages related thereto.

5.9. Public Announcements. 1st United and Valley will consult with each other before issuing, and will cooperate with each other in the development and distribution of, all press release and any other public disclosure with respect to this Agreement or any of the transactions contemplated hereby and will not issue any press release or written statement for general circulation relating to the transactions contemplated hereby or make any such public statements without the prior consent of the other party, which consent shall not be unreasonably withheld; *provided, however*, that a party may, without the prior consent of the other party (but after consultation with the other party), issue such press release or public statements as may be required by applicable law or the rules and regulations of any stock exchange.

5.10. Failure to Fulfill Conditions. In the event that Valley or 1st United determines that a material condition to its obligation to consummate the transactions contemplated hereby cannot be fulfilled on or prior to May 31, 2015 (the *Cutoff Date*) and that it will not waive that condition, it will promptly notify the other party. 1st United and Valley will promptly inform the other of any facts applicable to 1st United or Valley, respectively, or their respective directors or officers, that would be likely to prevent or materially delay approval of the Merger by any governmental authority or which would otherwise prevent or materially delay completion of the Merger.

5.11. Disclosure Delivery and Disclosure Supplements. From time to time prior to the Effective Time, each party hereto will promptly supplement or amend (by written notice to the other) its respective Disclosure Schedules delivered pursuant hereto with respect to any matter hereafter arising which, if existing, occurring or known at the date of this Agreement, would have been required to be set forth or described in such Schedules or which is necessary to correct any information in such Schedules which has been rendered materially inaccurate thereby. If the disclosure contained in any such supplement (i) relates to events occurring before execution of this Agreement or (ii) alone or together with other supplements or amendments materially adversely affects the representation to which the amendment or supplement relates, the party receiving the amendment or supplement may determine not to accept it as a modification of the relevant representation. Notice of such determination, if made, shall be given by the receiving party to the other party not later than ten (10) days after it received the disclosure in question. If such notice is not timely given, or if the disclosure in question did not contain any matter of the nature specified in clause (i) or (ii) of the second preceding sentence, the relevant representation shall be deemed modified by the disclosure in the

amendment or supplement with the same effect as though that disclosure had been included in the relevant Disclosure Schedule as furnished prior to execution of this Agreement.

Table of Contents**5.12. [Reserved].****5.13. Indemnification.**

(a) For a period of six years after the Effective Time, to the fullest extent permitted by law, Valley shall indemnify, defend and hold harmless each person who is now, or has been at any time prior to the date hereof or who becomes prior to the Effective Time, a director or officer of 1st United or its Subsidiaries (collectively, the ***1st United Indemnitees***) against any and all claims, damages, liabilities, losses, costs, charges, expenses (including, without limitation, reasonable costs of investigation, and the reasonable fees and disbursements of legal counsel and other advisers and experts as incurred), judgments, fines, penalties and amounts paid in settlement, asserted against, incurred by or imposed upon any 1st United Indemnitee (***Costs***) by reason of the fact that he or she is or was a director or officer of 1st United or its Subsidiaries, acted as a director or officer of a third party at the request of 1st United or its Subsidiaries or acted as a benefits plan fiduciary, in connection with, arising out of or relating to any threatened, pending or completed claim, action, suit or proceeding (whether civil, criminal, administrative or investigative) (each a ***Claim*** and collectively, ***Claims***), including without limitation any Claim which is based upon, arises out of or in any way relates to the Merger, this Agreement, any of the transactions contemplated by this Agreement, the 1st United Indemnitee's service as a member of the Board of Directors of 1st United or any of its Subsidiaries or any committee thereof, the events leading up to the execution of this Agreement, any statement, announcement, recommendation or solicitation made in connection therewith or related thereto and any breach of any duty in connection with any of the foregoing, in each case to the fullest extent which 1st United or any of its Subsidiaries, as applicable, would have been permitted under any applicable law and the 1st United Charter Documents had the Merger not occurred (and Valley shall also advance expenses as incurred to the fullest extent so permitted); *provided, however*, that all rights to indemnification in respect of any Claim asserted or made within such six year period shall continue until the final disposition of such Claim.

(b) From and after the Effective Time, Valley shall assume and honor any obligation of 1st United immediately prior to the Effective Time with respect to the indemnification of the 1st United Indemnitees arising out of the 1st United Charter Documents of 1st United or arising out of any written indemnification agreements between 1st United and such persons disclosed in the *1st United Disclosure Schedule*, as if such obligations were pursuant to a contract or arrangement between Valley and such 1st United Indemnitees.

(c) In the event Valley or any of its successors or assigns (i) reorganizes or consolidates with or merges into or enters into another business combination transaction with any other person or entity and is not the resulting, continuing or surviving corporation or entity of such consolidation, merger or transaction, or (ii) liquidates, dissolves or transfers all or substantially all of its properties and assets to any person or entity, then, and in each such case, proper provision shall be made so that the successors and assigns of Valley assume the obligations set forth in this Section 5.13.

(d) Valley shall cause 1st United's and FUB's officers and directors to be covered, for a period of six years after the Effective Time, at Valley's option, under (i) Valley's then current officers' and directors' liability insurance policy (providing substantially similar coverage to 1st United's and FUB's officers and directors as such officers and directors had under 1st United's existing policy), or (ii) an extension of 1st United's existing officers' and directors' liability insurance policy. However, Valley shall only be required to insure such persons upon terms and for coverages substantially similar to 1st United's existing officers' and directors' liability insurance, and if such coverage over a six year period would in the aggregate cost more than 300% of the annual premium currently paid by 1st United for such coverage, then Valley shall be required only to obtain such coverage as may be obtained by an expenditure equal to 300% of the annual premium currently paid by 1st United for such coverage.

(e) Any 1st United Indemnitee wishing to claim indemnification under this Section 5.13 shall promptly notify Valley upon learning of any Claim, but the failure to so notify shall not relieve Valley of any liability it may have to such 1st United Indemnitee if such failure does not materially prejudice Valley.

5.14. Employment and Director Matters; Other Post-Closing Items.

(a) Except as otherwise set forth in the *1st United Disclosure Schedule*, Valley and VNB hereby expressly agree to honor, effective from and after the Effective Time, each of the Employment Agreements entered into by 1st United and three executives on the date hereof and identified on the *1st United Disclosure Schedule*, in accordance with their respective terms.

(b) Before or following consummation of the Merger, Valley will decide whether to continue each of the 1st United Pension Plans and/or the 1st United Welfare Plans for the benefit of employees of FUB and 1st United, or to have such employees become covered under a Valley pension and/or welfare plan in accordance with the terms of the relevant Valley pension and/or welfare plans. Subject to the foregoing, following consummation of the Merger, Valley shall make available to all employees and officers of 1st United who become employed by VNB coverage under the benefit plans generally available to VNB's employees and officers (including pension and health and hospitalization) on the terms and conditions available to VNB's employees and officers in Valley or VNB medical and dental plans for 1st United employees and their dependents. No prior existing condition limitation not currently imposed by 1st United or FUB medical or dental plans shall be imposed with respect to Valley's or VNB's medical and dental plans on 1st United or FUB employees. 1st United and FUB employees shall receive credit for any deductibles paid under 1st United and FUB existing medical and dental plans. 1st United employees will be given credit for eligibility and vesting purposes (but not for benefit accrual purposes) under Valley's or VNB's medical, life, vacation, sick leave, disability and other welfare plans for prior service with 1st United, and 1st United's employees will be granted credit for such prior service with 1st United, solely for purposes of eligibility and vesting under Valley's or VNB's 401(k) plan. No 1st United employee will be given credit for prior service under Valley's or VNB's Pension Plan for any purpose.

(c) Valley will use reasonable efforts to retain 1st United and FUB employees following the Effective Time of the Merger.

(d) Except for 1st United and FUB employees who have individual severance or similar contractual agreement, following the consummation of the Merger and for one year thereafter, VNB shall pay severance to 1st United and FUB employees who are involuntarily terminated by Valley or VNB for reasons other than cause in accordance with the 1st United severance plans set forth on the *1st United Disclosure Schedule*.

(f) Valley and VNB may, in their discretion within thirty (30) days prior to the Effective Time, direct 1st United and FUB to terminate any or all nonqualified deferred compensation plans, programs and arrangements sponsored by them in a manner that does not materially adversely affect the rights of participants to benefits earned through the effective date of the change in control of 1st United. Upon receipt of such a direction 1st United and FUB shall take all requisite action to implement it.

5.15. Tax-Free Reorganization Treatment.

(a) The parties intend that the Merger qualify as a reorganization within the meaning of Section 368(a) of the Code and that this Agreement constitute a plan of reorganization within the meaning of Section 1.368-2(g) of the income Tax regulations promulgated under the Code. From and after the date of this Agreement and until the Effective Time, each of 1st United and Valley shall use its commercially reasonable efforts to cause the

Merger to qualify as a reorganization within the meaning of Section 368(a) of the Code, and will not knowingly take any action, cause any action to be taken, fail to take any action or cause any action to fail to be taken which action or failure to act could prevent the Merger from qualifying as a reorganization within the meaning of Section 368(a) of the Code. Following the Effective Time, neither Valley nor any affiliate knowingly shall take any action, cause any action to be taken, fail to take any action, or cause any action to fail to be taken, which action or failure to act could prevent the Merger from qualifying as a reorganization within the meaning of Section 368(a) of the Code.

(b) As of the date hereof, 1st United does not know of any reason why it would not be able to deliver to counsel to Valley certificates substantially in compliance with IRS published advance ruling guidelines, with reasonable or customary exceptions and modifications thereto (the *IRS Guidelines*), to enable counsel to Valley to deliver the legal opinions contemplated by Section 6.1(d), and 1st United hereby agrees to deliver such certificates effective as of the date of such opinions to counsel to Valley.

(c) As of the date hereof, Valley does not know of any reason why it would not be able to deliver to counsel to Valley certificates substantially in compliance with the IRS Guidelines, with reasonable or customary exceptions and modifications thereto, to enable counsel to Valley to deliver the legal opinions contemplated by Section 6.1(d), and Valley hereby agrees to deliver such certificates effective as of the date of such opinions to counsel to Valley.

5.16. Bank Policies and Bank Mergers. Notwithstanding that 1st United believes that it has established all reserves and taken all provisions for possible loan losses required by GAAP and applicable laws, rules and regulations, 1st United recognizes that Valley may have adopted different loan, accrual and reserve policies (including loan classifications and levels of reserves for possible loan losses). From and after the date of this Agreement to the Effective Time and in order to formulate the plan of integration for the Bank Merger, 1st United and Valley shall consult and cooperate with each other with respect to (i) conforming to the extent appropriate, based upon such consultation, 1st United's loan, accrual and reserve policies and 1st United's other policies and procedures regarding applicable regulatory matters, including without limitation FRB, Bank Secrecy Act and FDIC matters, to those policies of Valley as Valley may reasonably identify to 1st United from time to time, (ii) conforming, based upon such consultation, the composition of the investment portfolio and overall asset/liability management position of 1st United and FUB to the extent appropriate, and (iii) developing a plan for the conversion of 1st United's systems and processes to those of Valley's so that such conversion can be implemented as soon as practicable following the Effective Time; *provided* that any required change in 1st United's practices in connection with the matters described above need not be effected (A) more than five days prior to the Effective Time and (B) unless and until all necessary regulatory, governmental and shareholder approvals and consents have been received, all statutory waiting periods in respect thereof have expired, Valley agrees in writing that all conditions precedent to the Closing have occurred (other than the delivery of certificates, opinions and other instruments and documents to be delivered at the Closing), and Valley has provided the Closing Notice. No accrual or reserve made by 1st United or any 1st United Subsidiary pursuant to this subsection, or any litigation or regulatory proceeding arising out of any such accrual or reserve, shall constitute or be deemed to be a breach or violation of any representation, warranty, covenant, condition or other provision of this Agreement or to constitute a termination event within the meaning of Section 7.1(e) or Section 7.1(f) hereof.

5.17. Section 16 Matters. Prior to the Effective Time, the parties will each take such steps as may be reasonably necessary or appropriate to cause any disposition of shares of 1st United Common Stock or conversion of any derivative securities in respect of shares of 1st United Common Stock in connection with the consummation of the transactions contemplated by this Agreement to be exempt under Section 16(b) of the Exchange Act.

5.18. Shareholder Litigation. 1st United shall give Valley the opportunity to participate at its own expense in the defense or settlement of any shareholder litigation against 1st United and/or its directors or other affiliates

relating to the transactions contemplated by this Agreement, and no such settlement shall be agreed to without Valley's prior written consent (such consent not to be unreasonably withheld, conditioned or delayed).

5.19. 1st United Common Stock Dividend. In the event that the Effective Time is on or after the record date of any of Valley's regularly scheduled common stock cash dividends after December 31, 2014, notwithstanding Section 5.2(a)(ii), 1st United shall have the right to pay to its shareholders a dividend amount equivalent to the amount of Valley's most recently declared dividend.

5.20 Payment of Cash Bonus Holdbacks.

(a) Immediately prior to the Effective Time, 1st United shall pay or cause to be paid to each participant in the 1st United Quarterly Cash Incentive Plan a lump sum cash payment equal to 100% of the withheld quarterly cash incentive payments that would have been payable to the participant under the plan as if all of the corporate and individual performance measures attributable to such withheld payments are fully met or exceeded.

(b) With respect to 1st United's fiscal year quarter during which the Effective Time occurs (the *Final Fiscal Year Quarter*), in the event that Effective Time occurs on or within two weeks of the last day of the Final Fiscal Year Quarter (notwithstanding the Merger), each participant in the 1st United Quarterly Cash Incentive Plan shall be entitled to a bonus payment equal to: (i) 100% of the quarterly cash incentive payment that was earned by the participant as of the last day of 1st United's fiscal year quarter ended immediately preceding the Effective Time (including the portion of the cash incentive payment that was withheld with respect to such preceding fiscal year quarter), multiplied by: (ii) the pro-rata factor. For purposes of this Section 5.20, the pro-rata factor shall equal a fraction, the numerator of which is the total number of days that lapsed during the Final Fiscal Year Quarter as of the Effective Time, and the denominator of which is the total number of days during the Final Fiscal Year Quarter, notwithstanding the Merger. Such bonus payment shall be paid, or cause to be paid, by 1st United to each participant in a lump sum cash payment immediately prior to the Effective Time.

ARTICLE VI CLOSING CONDITIONS

6.1. Conditions of Each Party's Obligations Under this Agreement. (a) Approval of Shareholders; SEC Registration. This Agreement and the transactions contemplated hereby shall have been duly adopted and approved by the requisite vote of the shareholders of 1st United, and the Valley Charter Amendment shall have been duly adopted and approved by the requisite vote of the shareholders of Valley. The Registration Statement shall have been declared effective by the SEC and shall not be subject to a stop order or any threatened stop order.

All regulatory or governmental approvals and consents (including without limitation any required approval of the OCC and any approval or waiver required by the FRB) required to consummate the transactions contemplated hereby (the *Requisite Regulatory Approvals*) shall have been obtained. All conditions required to be satisfied prior to the Effective Time by the terms of such approvals and consents shall have been satisfied; and all statutory waiting periods in respect thereof shall have expired. Both VNB and FUB shall have taken all necessary action to consummate the Bank Merger immediately after the Effective Time.

(c) Suits and Proceedings. No order shall be outstanding against a party or its Subsidiaries or a third party that would have the effect of preventing completion of the Merger or the Bank Merger; no suit, action or other proceeding shall

be pending or threatened by any Governmental Entity seeking to restrain or prohibit the Merger or the Bank Merger; and no suit, action or other proceeding shall be pending before any court or

Governmental Entity seeking to restrain or prohibit the Merger or the Bank Merger or obtain other substantial monetary or other relief against one or more parties, VNB or FUB in connection with this Agreement or the Bank Merger Agreement and which Valley or 1st United determines in good faith, based upon the advice of their respective counsel, makes it inadvisable to proceed with the Merger or the Bank Merger because any such suit, action or proceeding has a significant potential to be resolved in such a way as to deprive the party electing not to proceed of any of the material benefits to it of the Merger.

(d) **Tax Opinions.** Valley shall have received a written opinion from Day Pitney LLP, counsel to Valley, and 1st United shall have received a written opinion from Gunster, Yoakley & Stewart, P.A., counsel to 1st United, each dated as of the Closing Date, based on the facts, representations, assumptions and exclusions set forth or described in each such opinion, to the effect that (i) the Merger will constitute a reorganization within the meaning of Section 368(a) of the Code, (ii) the exchange of 1st United Common Stock for Valley Common Stock will not give rise to gain or loss to the shareholders of 1st United with respect to such exchange (except to the extent of any cash received), (iii) the aggregate tax basis of the shares of Valley Common Stock received by each shareholder of 1st United Common Stock will equal the aggregate tax basis of such shareholder's shares of 1st United Common Stock (reduced by any amount allocable to share interests for which cash is received) exchanged in the Merger and the holding period for the shares of Valley Common Stock received by each 1st United shareholder will include the holding period for the shares of 1st United Common Stock exchanged in the Merger, and (iv) neither Valley nor 1st United will recognize gain or loss as a consequence of the Merger (except for amounts resulting from any required change in accounting methods and any income and deferred gain recognized pursuant to Treasury regulations issued under Section 1502 of the Code). Such counsel shall be entitled to rely upon representation letters from each of Valley and 1st United, in each case, in form and substance as reasonably requested by such counsel and reasonably satisfactory to such counsel. Such representation letters shall be dated as of the date of such opinion.

(e) **NYSE Listing.** The Valley Common Stock shall have been approved for listing on the NYSE.

(f) **Registration Statement.** The Registration Statement shall have become effective under the Securities Act and no stop order suspending the effectiveness of the Registration Statement shall have been issued and be in effect and no proceedings for that purpose shall have been initiated by the SEC and not withdrawn.

6.2. Conditions to the Obligations of Valley Under this Agreement. The obligations of Valley under this Agreement shall be further subject to the satisfaction or waiver, at or prior to the Effective Time, of the following conditions:

(a) **Representations and Warranties; Performance of Obligations of 1st United.** Each of the representations and warranties of 1st United contained in this Agreement shall be true and correct as of the date of this Agreement and as of the Closing Date as though made on and as of the Closing Date (except to the extent such representations and warranties expressly relate to an earlier date, in which case as of such earlier date), except for inaccuracies of representations and warranties which, individually or in the aggregate, have not had a Material Adverse Effect (it being understood that, for purposes of determining the accuracy of such representations and warranties, all materiality and Material Adverse Effect qualifications and exceptions contained in such representations and warranties shall be disregarded), provided, however, that 1st United's representations, warranties and covenants contained in this Agreement shall not be deemed to be untrue or breached for any purpose in this Agreement as a result of effects arising solely from actions taken in compliance with a written request of Valley. 1st United shall have performed in all material respects the agreements, covenants and obligations necessary to be performed by it prior to the Closing Date.

(b) **Consents.** Valley shall have received the written consents (other than the governmental approvals and consents referred to in Section 6.1(b) of (i) the FDIC with respect to the assignment of the Shared-Loss Agreements, and

the aggregate, have a Material Adverse Effect on Valley (after giving effect to the consummation of the transactions contemplated hereby).

(c) FUB Action. FUB shall have taken all necessary corporate action to effectuate the Bank Merger immediately following the Effective Time.

(d) Certificates. 1st United shall have furnished Valley with such certificates of its officers or other documents to evidence fulfillment of the conditions set forth in this Section 6.2 as Valley may reasonably request.

(a) by mutual consent of 1st United and Valley;

(b) by either Valley or 1st United upon written notice to the other party if the approval of any Governmental Entity required for consummation of the Merger and the other transactions contemplated by this Agreement is denied by final, non-appealable action of such Governmental Entity; provided, however, that the right to terminate this Agreement pursuant to this Section 7.1(b) shall not be available to any party whose failure to comply with any provision of this Agreement has been the cause of, or materially contributed to, such action;

(c) by either Valley or 1st United, if the Merger shall not have been consummated on or before the Cutoff Date (or such later date as shall have been agreed to in writing by Valley and 1st United), provided, however, that no party may terminate this Agreement pursuant to this Section 7.1(c) if the failure of the Closing to have occurred on or before the Cutoff Date was due to such party's material breach of any representation, warranty, covenant or agreement contained herein;

(d) by either Valley or 1st United if (i) the approval of the shareholders of 1st United required for the consummation of the Merger shall not have been obtained by reason of the failure to obtain the required vote at a duly held meeting of such shareholders or at any adjournment or postponement thereof, (ii) the approval of the shareholders of Valley of the Valley Charter Amendment shall not have been obtained by reason of the failure to obtain the required vote at a duly held meeting of such shareholders or at any adjournment or postponement thereof;

(e) by either Valley or 1st United (provided that the terminating party is not then in material breach of any representation, warranty, covenant or other agreement contained herein), if there shall have been a breach of any of the representations or warranties set forth in this Agreement on the part of the other party, which breach is not cured within thirty (30) days following written notice to the party committing such breach, or which breach, by its nature, cannot be cured prior to the Cutoff Date, and which breach of a representation or warranty, would, individually or in the aggregate with other breaches, (i) result in a Material Adverse Effect with respect to the party committing such breach, or (ii) result in one or more of the conditions set forth in Sections 6.1, 6.2 (in case of a termination by Valley) or 6.3 (in case of termination by 1st United) not to be satisfied or not capable of being satisfied by the Cutoff Date;

(f) by either Valley or 1st United (provided that the terminating party is not then in material breach of any representation, warranty, covenant or other agreement contained herein), if there shall have been a breach of any of the covenants or agreements set forth in this Agreement on the part of the other party, which breach is not cured within thirty (30) days following written notice to the party committing such breach, or which breach, by its nature, cannot be cured prior to the Cutoff Date, and which breach of a representation, warranty or covenant, would, individually or in the aggregate with other breaches, (i) result in a Material Adverse Effect with respect to the party committing such breach, or (ii) result in one or more of the conditions set forth in Sections 6.1, 6.2 (in case of a termination by Valley) or 6.3 (in case of termination by 1st United) not to be satisfied or not capable of being satisfied by the Cutoff Date;

(g) by the Board of Directors of Valley if, (I) prior to receipt of the 1st United Shareholder Approval, 1st United or the 1st United Board of Directors (or any committee thereof) has (A) effected a 1st United Subsequent Determination or approved, adopted, endorsed or recommended any Acquisition Proposal, (B) failed to recommend the Merger and the approval of this Agreement by the shareholders of 1st United or failed to publicly re-affirm its recommendation of the Merger within five days after receipt from Valley of a written request to do so, (C) breached the terms of Section 5.3 in any material respect adverse to Valley, or (D) in response to the commencement (other than by Valley or a Subsidiary thereof) of a tender offer or exchange offer for 10% or more of the outstanding shares of 1st United Common Stock, recommended that the shareholders of 1st United tender their shares in such tender or exchange offer or otherwise failed to recommend that such shareholders reject such tender offer or exchange offer within the ten (10) business day period specified in Rule 14e-2(a) under the Exchange Act, or (II) any other event occurs that gives rise to the payment of a Termination Fee and Termination Expenses pursuant to Section 7.3 of this Agreement;

(h) By 1st United if, prior to receiving 1st United Shareholder Approval, (i) 1st United has received a Superior Proposal, and in accordance with Section 5.3 of this Agreement, has entered into an acquisition agreement with respect to the Superior Proposal, or (ii) if 1st United's Board of Directors determines in good faith, after consultation with 1st United's outside financial advisors and outside legal counsel, that the failure of 1st United's Board of Directors to effect a 1st United Subsequent Determination would be inconsistent with its fiduciary duties under applicable law, but only if prior to terminating this Agreement, 1st United pays to Valley the Termination Fee and Termination Expenses;

(i) by Valley if one or more of the conditions set forth in Sections 6.1 and 6.2 are not satisfied and are not capable of being satisfied by the Cutoff Date; or

supersede all prior negotiations, arrangements or understandings, written or oral, with respect thereto, other than the Confidentiality Agreement, which will survive the execution and delivery of this Agreement.

8.5. No Third Party Beneficiaries.

(a) Nothing in this Agreement, express or implied, is intended to or shall confer upon any person other than Valley and 1st United any legal or equitable right, benefit or remedy of any nature under or by reason of this Agreement. The representations and warranties in this Agreement are the product of negotiations among the parties hereto and are for the sole benefit of the parties. In some instances, the representations and warranties in this Agreement may represent an allocation among the parties hereto of risks associated with particular matters regardless of the knowledge of any of the parties hereto. Consequently, persons other than the parties may not rely upon the representations and warranties in this Agreement as characterizations of actual facts or circumstances as of the date of this Agreement or as of any other date.

(b) Notwithstanding the foregoing clause, following the Effective Time (but not unless and until the Effective Time occurs), the provisions of Section 5.13 shall be enforceable by each 1st United Indemnitee described therein.

8.6. Severability. If any provision of this Agreement or the application thereof to any person (including the officers and directors of 1st United or Valley) or circumstance is determined by a court of competent jurisdiction to be invalid, void or unenforceable, the remaining provisions, or the application of such provision to persons or circumstances other than those as to which it has been held invalid or unenforceable, will remain in full force and effect and will in no way be affected, impaired or invalidated thereby, so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any party hereto. Upon such determination, the parties hereto will negotiate in good faith in an effort to agree upon a suitable and equitable substitute provision to effect the original intent of the parties hereto.

8.7. Counterparts. This Agreement may be executed in one or more counterparts, all of which shall be considered one and the same agreement and each of which shall be deemed an original.

8.8. Governing Law; Jurisdiction. This Agreement shall be governed by the laws of the State of New Jersey, without giving effect to the principles of conflicts of laws thereof. Any suit, action or proceeding seeking to enforce any provision of, or based on any matter arising out of or in connection with, this Agreement or the transactions contemplated hereby or thereby shall be brought exclusively in the United States District Court for the District of New Jersey or any New Jersey state court sitting in Passaic County, and each of the parties hereby consents to the jurisdiction of such courts (and of the appropriate appellate courts therefrom) in any such suit, action or proceeding and irrevocably waives, to the fullest extent permitted by law, any objection which it may now or hereafter have to the laying of the venue of any such suit, action or proceeding in any such court or that any such suit, action or proceeding which is brought in any such court has been brought in an inconvenient forum. The consent to jurisdiction set forth in this Section 8.8 shall not constitute a general consent to service of process in the State of New Jersey and shall have no effect for any purpose except as provided in this Section 8.8. The parties hereto agree that final judgment in any suit, action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by applicable law.

APPENDIX B

OPINION OF KEEFE, BRUYETTE & WOODS, INC.

CONFIDENTIAL

May 7, 2014

The Board of Directors

1st United Bancorp, Inc.

One North Federal Highway

Boca Raton, FL 33432

Members of the Board:

You have requested the opinion of Keefe, Bruyette & Woods, Inc. (KBW or we) as investment bankers as to the fairness, from a financial point of view, to the common shareholders of 1st United Bancorp, Inc. (FUBC) of the Exchange Ratio (as defined below) in the proposed merger of FUBC with and into Valley National Bancorp (VLY) (the Merger), pursuant to the Agreement and Plan of Merger (the Agreement) to be entered into by and between FUBC and VLY. Pursuant to the Agreement and subject to the terms, limitations and conditions thereof, at the Effective Time (as defined in the Agreement), by virtue of the Merger and without any action on the part of VLY, FUBC, the holders of any of the shares of common stock, par value \$0.01 per share, of FUBC (the FUBC Common Stock) or the holders of any of the shares of common stock, no par value per share, of VLY (the VLY Common Stock), each issued and outstanding share of FUBC Common Stock (other than Excluded Shares (as defined in the Agreement) but including unvested restricted stock awards) shall be converted into and become the right to receive 0.890 of a share of VLY Common Stock. The fixed exchange ratio of 0.890 of a share of VLY Common Stock to one share of FUBC Common Stock is referred to herein as the Exchange Ratio. The Agreement further provides for (a) a floating exchange ratio in lieu of the Exchange Ratio, in the event that the Average Closing Price (as defined in the Agreement) of VLY Common Stock is greater than \$12.13 and (b) either a floating exchange ratio in lieu of the Exchange Ratio or the payment of additional cash consideration by VLY for each share of FUBC Common Stock, at the election of VLY and subject to the terms and conditions with respect thereto contained in the Agreement, in the event that the Average Closing Price of VLY Common Stock is less than \$8.09. We express no view or opinion as to the terms described in the foregoing clauses (a) and (b). The terms and conditions of the Merger are more fully set forth in the Agreement.

The Agreement further provides that, immediately following the Effective Time, 1st United Bank, a wholly-owned subsidiary of FUBC, will merge with and into Valley National Bank, a wholly-owned subsidiary of VLY, pursuant to a separate merger agreement to be entered into by and between such subsidiaries in connection with the Merger (such transaction, the Bank Merger).

KBW has acted as financial advisor to FUBC and not as an advisor to or agent of any other person. As part of our investment banking business, we are continually engaged in the valuation of bank and bank holding company

securities in connection with acquisitions, negotiated underwritings, secondary distributions of listed and unlisted securities, private placements and valuations for various other purposes. As specialists in the securities of banking companies, we have experience in, and knowledge of, the valuation of banking enterprises.

Further to existing sales and trading relationships between KBW and each of FUBC and VLY, we have from time to time, in the ordinary course of our business as a broker-dealer, purchased securities from and sold securities to, FUBC and VLY. As a market maker in securities, we may from time to time have a long or short position in, and buy or sell, debt or equity securities of FUBC and VLY for our own account and for the accounts of our customers. To the extent KBW has proprietary or employee positions in FUBC or VLY as of the date of this opinion they have been disclosed to FUBC. We have acted exclusively for the board of directors of FUBC (the Board) in rendering this opinion and will receive a fee from FUBC for our services. A portion of our fee is payable upon the rendering of this opinion and a significant portion is contingent upon the successful completion of the Merger. In addition, FUBC has agreed to indemnify us for certain liabilities arising out of our engagement.

Other than in connection with this present engagement, in the past two years, KBW has not provided investment banking and financial advisory services to FUBC. In April 2012, KBW provided financial advisory services to FUBC in connection with its acquisition of Anderen Financial, Inc. In the past two years, KBW has provided investment banking and financial advisory services to VLY. KBW served as a joint book-running manager in connection with the registered offering by VLY of subordinated debentures in September 2013. We may in the future provide investment banking and financial advisory services to FUBC or VLY and receive compensation for such services.

In connection with this opinion, we have reviewed, analyzed and relied upon material bearing upon the financial and operating condition of FUBC and VLY and the Merger, including among other things, the following: (i) a draft of the Agreement dated May 6, 2014 (the most recent draft made available to us); (ii) certain regulatory filings of FUBC and VLY, including the quarterly call reports filed with respect to each quarter during the three years ended December 31, 2013 for FUBC and VLY; (iii) the audited financial statements and Annual Reports on Form 10-K for the three fiscal years ended December 31, 2013 of FUBC and VLY; (iv) the unaudited quarterly financial statements and quarterly report on Form 10-Q for the fiscal quarter ended March 31, 2014 for FUBC and VLY; (v) certain other interim reports and other communications of FUBC and VLY to their respective shareholders; and (vi) other financial information concerning the businesses and operations of FUBC and VLY furnished to us by FUBC and VLY for purposes of our analysis. Our consideration of financial information and other factors that we deemed appropriate under the circumstances or relevant to our analyses included, among others, the following: (i) the historical and current financial position and results of operations of FUBC and VLY; (ii) the assets and liabilities of FUBC and VLY; (iii) the nature and terms of certain other merger transactions and business combinations in the banking industry; (iv) a comparison of certain financial and stock market information of FUBC and VLY with similar information for certain other companies the securities of which are publicly traded; (v) financial and operating forecasts and projections of FUBC for 2014 which were prepared by and provided to us and discussed with us by FUBC management and which were relied upon by us with the consent of the Board; (vi) the publicly available consensus street estimates of FUBC for 2015 and of VLY for 2014 and 2015, as well as assumed long term growth rates for subsequent periods for FUBC and VLY that were prepared and provided to us by management of FUBC, all of which information was discussed with us by such management and used and relied upon by us at the direction of such management with consent of the Board; and (vii) estimates regarding certain pro forma financial effects of the Merger on VLY (including, without limitation,

purchase accounting assumptions, cost savings and related expenses expected to result from the Merger) that were prepared by and provided to us and discussed with us by VLY management, and that were used and relied upon by us with the consent of the Board. We have also performed such other studies and analyses as we considered appropriate and have taken into account our assessment of general economic, market and financial conditions and our experience in other transactions, as well as our experience in securities valuation and knowledge of the banking industry generally. We have also held discussions with senior management of FUBC and VLY regarding the past and current business operations, regulatory relations,

financial condition and future prospects of their respective companies and such other matters as we have deemed relevant to our inquiry. We also considered the results of the efforts undertaken by FUBC, with our assistance, to solicit indications of interest from third parties regarding a potential transaction with FUBC.

In conducting our review and arriving at our opinion, we have relied upon and assumed the accuracy and completeness of all of the financial and other information provided to us or publicly available and we have not independently verified the accuracy or completeness of any such information or assumed any responsibility or liability for such verification, accuracy or completeness. We have relied upon management of FUBC as to the reasonableness and achievability of the financial and operating forecasts and projections of FUBC and VLY (and the assumptions and bases therefor) that were prepared by such management and provided to us or that, in the case of the publicly available consensus street estimates of FUBC and VLY referred to above, we were directed by such management to use. We have assumed, at the direction of FUBC, that all of such forecasts and projections of FUBC and VLY reflect, or in the case of the publicly available consensus street estimates referred to above are consistent with, the best currently available estimates and judgments of FUBC management and that such forecasts and projections will be realized in the amounts and in the time periods currently estimated. We have further relied upon management of VLY as to the reasonableness and achievability of the estimates regarding certain pro forma financial effects of the Merger on VLY that were prepared by and provided to us by such management and that were discussed with us by such management (and the assumptions and bases therefor, including without limitation purchase accounting assumptions, cost savings and related expenses expected to result from the Merger), and we have assumed, with the consent of FUBC, that all such estimates were reasonably prepared on a basis reflecting the best currently available estimates and judgments of VLY management and that such estimates will be realized in the amounts and in the time periods currently estimated.

It is understood that the forecasts, projections and estimates of FUBC and VLY provided to us were not prepared with the expectation of public disclosure, and that such forecasts, projections, and estimates, together with the publicly available consensus street estimates of FUBC and VLY referred to above, are based on numerous variables and assumptions that are inherently uncertain, including, without limitation, factors related to general economic and competitive conditions and that, accordingly, actual results could vary significantly from those set forth in such forecasts, projections and estimates. We have assumed, based on discussions with the respective management teams of FUBC and VLY, that such forecasts, projections and estimates of FUBC and VLY referred to above, provide a reasonable basis upon which we could form our opinion and we express no view as to any such information or the assumptions or bases therefor. We have relied on all such information without independent verification or analysis and do not in any respect assume any responsibility or liability for the accuracy or completeness thereof.

We also assumed that there were no material changes in the assets, liabilities, financial condition, results of operations, business or prospects of either FUBC or VLY since the date of the last financial statements of each such entity that were made available to us. We are not experts in the independent verification of the adequacy of allowances for loan and lease losses and we have assumed, without independent verification and with your consent, that the aggregate allowances for loan and lease losses for FUBC and VLY are adequate to cover such losses. In rendering our

opinion, we have not made or obtained any evaluations or appraisals or physical inspection of the property, assets or liabilities (contingent or otherwise) of FUBC and VLY, the collateral securing any of such assets or liabilities, or the collectability of any such assets, nor have we examined any individual loan or credit files, nor did we evaluate the solvency, financial capability or fair value of FUBC or VLY under any state or federal laws, including those relating to bankruptcy, insolvency or other matters. Estimates of values of companies and assets do not purport to be appraisals or necessarily reflect the prices at

which companies or assets may actually be sold. Because such estimates are inherently subject to uncertainty, we assume no responsibility or liability for their accuracy.

We have assumed, in all respects material to our analyses, the following: (i) that the Merger and any related transactions (including, without limitation, the Bank Merger) will be completed substantially in accordance with the terms set forth in the Agreement (the final terms of which will not differ in any respect material to our analyses from the draft reviewed) with no adjustments to the Exchange Ratio or additional forms of consideration; (ii) that the representations and warranties of each party in the Agreement and in all related documents and instruments referred to in the Agreement are true and correct; (iii) that each party to the Agreement and all related documents will perform all of the covenants and agreements required to be performed by such party under such documents; (iv) that there are no factors that would delay or subject to any adverse conditions, any necessary regulatory or governmental approval for the Merger and that all conditions to the completion of the Merger will be satisfied without any waivers or modifications to the Agreement; and (v) that in the course of obtaining the necessary regulatory, contractual, or other consents or approvals for the Merger, no restrictions, including any divestiture requirements, termination or other payments or amendments or modifications, will be imposed that will have a material adverse effect on the future results of operations or financial condition of FUBC, VLY or the combined entity or the contemplated benefits of the Merger, including the cost savings and related expenses expected to result from the Merger. We have assumed that the Merger will be consummated in a manner that complies with the applicable provisions of the Securities Act of 1933, as amended, the Securities Exchange Act of 1934, as amended, and all other applicable federal and state statutes, rules and regulations. We have further assumed that FUBC has relied upon the advice of its counsel, independent accountants and other advisors (other than KBW) as to all legal, financial reporting, tax, accounting and regulatory matters with respect to FUBC, VLY, the Merger, the Bank Merger and any other related transaction, and the Agreement. KBW has not provided advice with respect to any such matters.

This opinion addresses only the fairness, from a financial point of view, as of the date hereof, of the Exchange Ratio in the Merger to the holders of FUBC Common Stock. We express no view or opinion as to any terms or other aspects of the Merger or any related transaction (including the Bank Merger), including, without limitation, the form or structure of the Merger or any related transaction, any consequences of the Merger to FUBC, its shareholders, creditors or otherwise, or any terms, aspects or implications of any employment, voting, support, shareholder or other agreements, arrangements or understandings contemplated or entered into in connection with the Merger or otherwise. Our opinion is necessarily based upon conditions as they exist and can be evaluated on the date hereof and the information made available to us through the date hereof. It is understood that subsequent developments may affect the conclusion reached in this opinion and that KBW does not have an obligation to update, revise or reaffirm this opinion. Our opinion does not address, and we express no view or opinion with respect to, (i) the underlying business decision of FUBC to engage in the Merger or enter into the Agreement; (ii) the relative merits of the Merger as compared to any strategic alternatives that are, have been or may be available to or contemplated by FUBC or the Board; (iii) the fairness of the amount or nature of any compensation to any of FUBC's officers, directors or employees, or any class of such persons, relative to any compensation to the holders of FUBC Common Stock;

(iv) the effect of the Merger or any related transaction on, or the fairness of the consideration to be received by, holders of any class of securities of FUBC other than the FUBC Common Stock (solely with respect to the Exchange Ratio, as set forth herein) or any class of securities of VLY or any other party to any transaction contemplated by the Agreement; (v) whether VLY has sufficient cash, available lines of credit or other sources of funds to enable it to pay any cash consideration in the Merger (as provided in the Agreement); (vi) the actual value of the VLY Common Stock to be issued in the Merger; (vii) the prices, trading range or volume at which FUBC Common Stock or VLY Common Stock will trade following the public announcement of the Merger or the prices, trading range or volume at which VLY Common Stock will

trade following consummation of the Merger; (viii) any advice or opinions provided by any other advisor to any of the parties to the Merger or any other transaction contemplated by the Agreement; or (ix) any legal, regulatory, accounting, tax or similar matters relating to FUBC, VLY, their respective shareholders, or relating to or arising out of or as a consequence of the Merger or any related transaction (including the Bank Merger), including whether or not the Merger would qualify as a tax-free reorganization for United States federal income tax purposes.

This opinion is for the information of, and is directed to, the Board (in its capacity as such) in connection with its consideration of the financial terms of the Merger. This opinion is not to be used for any other purpose and may not be published, referred to, reproduced, disseminated or quoted from, in whole or in part, nor shall any public reference to KBW be made, without our prior written consent. This opinion does not constitute a recommendation to the Board as to how it should vote on the Merger or to any holder of FUBC Common Stock or shareholder of any other entity as to how to vote in connection with the Merger or any other matter, nor does it constitute a recommendation on whether or not any shareholder of FUBC Common Stock should enter into a voting, shareholders', or affiliates' agreement with respect to the Merger that may be available to such shareholder.

This opinion has been reviewed and approved by our Fairness Opinion Committee in conformity with our policies and procedures established under the requirements of Rule 5150 of the Financial Industry Regulatory Authority.

Based upon and subject to the foregoing, it is our opinion that, as of the date hereof, the Exchange Ratio in the Merger is fair, from a financial point of view, to the holders of FUBC Common Stock.

Very truly yours,

Keefe, Bruyette & Woods, Inc.

OPINION OF RP FINANCIAL, LC

Board of Directors

1st United Bancorp, Inc.

One North Federal Highway

Boca Raton, Florida 33432

Members of the Board:

You have requested RP[®] Financial, LC. (RP Financial) to provide you with its opinion as to the fairness from a financial point of view to the shareholders of 1st United Bancorp, Inc. (1st United), the holding company for 1st United Bank (the Bank) of the consideration pursuant to the Agreement and Plan of Merger (the Agreement), dated May 7, 2014, by and among 1st United and Valley National Bancorp, Inc. (Valley), Wayne, New Jersey. As detailed in the Agreement, 1st United will merge with and into Valley, and the Bank will merge with and into Valley National Bank, the wholly-owned subsidiary of Valley. Valley and Valley National Bank will be the surviving institutions (the Merger). The Agreement, inclusive of exhibits, is incorporated herein by reference. Unless otherwise defined, all capitalized terms incorporated herein have the meanings ascribed to them in the Agreement.

Summary Description of Merger Consideration

At the Effective Time, each share of 1st United Common Stock issued and outstanding immediately prior to the Effective Time shall become and be converted into, as provided in and subject to the terms set forth in the Agreement, the right to receive a certain number of shares (the Exchange Ratio) of Valley Common Stock and under certain circumstances cash (the Merger Consideration). If the Average Closing Price (of Valley s Common Stock) is between \$8.09 and \$12.13, the Exchange Ratio shall be equal to 0.89. If the Average Closing Price is less than \$8.09, the Exchange Ratio shall be \$7.20 divided by the Average Closing Price, rounded to three decimal places. However, if the Average Closing Price is less than \$8.09, Valley shall have the right, in its sole discretion, in lieu of increasing the Exchange Ratio, to pay an amount of cash for each share of 1st United Common Stock in an amount equal to the difference between \$7.20 and the product of the Average Closing Price times 0.89. In the event that Valley chooses this option, the Exchange Ratio shall equal 0.89, provided, however, that Valley shall not pay cash to the extent that such payment would result in the Merger failing to satisfy the continuity of interest requirement applicable to reorganizations under Section 368(a)(1)(A) of the Code. In the event of any reduced cash payment, the Exchange Ratio shall be adjusted accordingly. If the Average Closing Price is greater than \$12.13, the Exchange Ratio shall be \$10.80 divided by the Average Closing Price, rounded to three decimal places.

Holders of unexercised 1st United Stock Options (including currently unvested options which would become vested and exercisable as a result of the Merger or otherwise) will be entitled to receive, in cancellation of their 1st United Stock Options, a cash payment from 1st United immediately prior to the Effective Time, in an amount equal to the

product of the number of shares of 1st United Common Stock into which such 1st United Stock Options are convertible and the excess, if any, of the product of the Average Closing Price times the Exchange Ratio (subject to adjustment as set forth in the Agreement), over the exercise price per share provided for in such 1st United Stock Option (the Cash Option Payment), which cash payment shall be treated as compensation and shall be net of any applicable federal and state withholding Taxes. Immediately prior to the Effective Time, no 1st United Stock Options will be outstanding.

cost savings and other synergies as determined by the senior management of Valley; (vii) a comparison of certain financial and other information, including stock trading information for Valley and 1st United with similar publicly available information for certain other commercial banks, the securities of which are publicly traded; (viii) the terms and structures of other recent mergers and acquisition transactions, including merger of equal transactions, in the commercial banking sector; (ix) the current market environment generally and in the commercial banking sector in particular; and (x) such other information, financial studies, analyses and investigations and financial, economic and market criteria as we considered relevant. We also discussed with certain members of senior management of Valley the business, financial condition, results of operations and prospects of Valley and held similar discussions with the senior management of 1st United regarding the business, financial condition, results of operations and prospects of 1st United.

In performing our review, we have relied upon the accuracy and completeness of all of the financial and other information that was available to us from public sources, that was provided to us by Valley and 1st United or that was otherwise reviewed by us and have assumed such accuracy and completeness for purposes of preparing this letter. We have relied, at the direction of Valley, without independent verification or investigation, on the assessments of the management of the Company as to the Company's existing and future relationships with key employees and partners, clients, products and services and we have assumed, with your consent, that there will be no developments with respect to any such matters that would affect our analyses or opinion. We have further relied on the assurances of the senior management of Valley and 1st United that they are not aware of any facts or circumstances that would make any of such information inaccurate or misleading in any material respect. We did not make an independent evaluation or appraisal of the specific assets, the collateral securing assets or the liabilities (contingent or otherwise) of Valley or 1st United or any of their respective subsidiaries. We did not make an independent evaluation of the adequacy of the allowance for loan losses of Valley, 1st United or the combined entity after the Merger and we have not reviewed any individual credit files relating to Valley or 1st United. We have assumed, with your consent, that the respective allowances for loan losses for both Valley and 1st United are adequate to cover such losses and will be adequate on a pro forma basis for the combined entity.

In preparing its analyses, Sandler O'Neill used median publicly available earnings estimates and estimated long-term growth rates for Valley and 1st United and as discussed with the senior management of Valley. Sandler O'Neill also received and used in its analyses certain projections of transaction costs, purchase accounting adjustments, expected cost savings and other synergies which were prepared by and/or reviewed with the senior management of Valley. With respect to these projections, the senior management of Valley confirmed to us that those projections reflected the estimates and judgments of management of the future financial performance of Valley and 1st United and we assumed that such performance would be achieved and we have assumed that they have been reasonably prepared on a basis reflecting the best currently available estimates and judgments of the management of Valley as to the future financial performance of Valley. We express no opinion as to such estimates or the assumptions on which they are based. We have assumed that there has been no material change in the respective assets, financial condition, results of operations, business or prospects of Valley and 1st United since the date of the most recent financial data made available to us, as of the date hereof. We have also assumed in all respects material to our analysis that Valley and 1st United would remain as a going concern for all periods relevant to our analyses. We express no opinion as to any of the legal, accounting and tax matters relating to the Merger and any other transactions contemplated in connection therewith, including the determination of the accounting acquirer or legal acquirer in the Merger.

We have also assumed, with your consent, that (i) each of the parties to the Agreement will comply in all material respects with all material terms of the Agreement and all related agreements, that all of the representations and warranties contained in such agreements are true and correct in all material respects, that each of the parties to such agreements will perform in all material respects all of the covenants required to be performed by such party under the agreements and that the conditions precedent in such agreements are not waived, (ii) in the course of obtaining the

necessary regulatory or third party approvals, consents and releases with respect to the Merger, no delay, limitation, restriction or condition will be imposed that would have an adverse effect on Valley, 1st United or the Merger and (iii) the Merger and any related transaction will be

consummated in accordance with the terms of the Agreement without any waiver, modification or amendment of any material term, condition or agreement thereof and in compliance with all applicable laws and other requirements.

Our opinion is necessarily based on financial, economic, regulatory, market and other conditions as in effect on, and the information made available to us as of, the date hereof. Events occurring after the date hereof could materially affect our views. We have not undertaken to update, revise, reaffirm or withdraw this letter or otherwise comment upon events occurring after the date hereof. We render no opinion as to the trading values of each of Valley's and 1st United's common shares at any time.

We will receive a fee for providing this opinion. Valley has also agreed to indemnify us against certain liabilities arising out of our engagement. In the ordinary course of our business as a broker-dealer, we may purchase securities from and sell securities to Valley and 1st United and their affiliates. We may also actively trade the securities of Valley and 1st United or their affiliates for our own account and for the accounts of our customers.

This letter is directed to the Board of Directors of Valley in connection with its consideration of the Merger. Our opinion is directed only to the fairness, from a financial point of view, of the Merger Consideration to Valley and does not address the underlying business decision of Valley to engage in the Merger, the form or structure of the Merger, the relative merits of the Merger as compared to any other alternative business strategies that might exist for Valley or the effect of any other transaction in which Valley might engage. This opinion shall not be reproduced or used for any other purposes, without Sandler O'Neill's prior written consent, which consent will not be unreasonably withheld. This Opinion has been approved by Sandler O'Neill's fairness opinion committee.

Based upon and subject to the foregoing, it is our opinion that, as of the date hereof, the Merger Consideration is fair to Valley from a financial point of view.

Very truly yours,

PART II

INFORMATION NOT REQUIRED IN THE PROSPECTUS

Item 20. Indemnification of Directors and Officers.

Indemnification. Article VI of the Restated Certificate of Incorporation of Valley National Bancorp provides that the corporation shall indemnify its present and former officers, directors, employees, and agents and persons serving at its request against expenses, including attorney's fees, judgments, fines and amounts paid in settlement, incurred in connection with any pending or threatened civil, criminal administrative or investigative proceeding to the full extent permitted by the New Jersey Business Corporation Act. The Article also provides that such indemnification shall not exclude any other rights to indemnification to which a person may otherwise be entitled, and authorizes the corporation to purchase insurance on behalf of any of the persons enumerated against any liability whether or not the corporation would have the power to indemnify him under the provisions of Article VI.

The New Jersey Business Corporation Act empowers a corporation to indemnify a corporate agent against his expenses and liabilities incurred in connection with any proceeding (other than a derivative lawsuit) involving the corporate agent by reason of his being or having been a corporate agent if (a) the agent acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation, and (b) with respect to any criminal proceeding, the corporate agent had no reasonable cause to believe his conduct was unlawful. For purposes of the Act, the term "corporate agent" includes any present or former director, officer, employee or agent of the corporation, and a person serving as a "corporate agent" at the request of the corporation for any other enterprise.

With respect to any derivative action, the corporation is empowered to indemnify a corporate agent against his expenses (but not his liabilities) incurred in connection with any proceeding involving the corporate agent by reason of his being or having been a corporate agent if the agent acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation. However, only the court in which the proceeding was brought can empower a corporation to indemnify a corporate agent against expenses with respect to any claim, issue or matter as to which the agent was adjudged liable for negligence or misconduct.

The corporation may indemnify a corporate agent in a specific case if a determination is made by any of the following that the applicable standard of conduct was met: (i) the Board of Directors, or a committee thereof, acting by a majority vote of a quorum consisting of disinterested directors; (ii) by independent legal counsel, if there is not a quorum of disinterested directors or if the disinterested quorum empowers counsel to make the determination; or (iii) by the shareholders.

A corporate agent is entitled to mandatory indemnification to the extent that the agent is successful on the merits or otherwise in any proceeding, or in defense of any claim, issue or matter in the proceeding. If a corporation fails or refuses to indemnify a corporate agent, whether the indemnification is permissive or mandatory, the agent may apply to a court to grant him the requested indemnification. In advance of the final disposition of a proceeding, the corporation may pay an agent's expenses if the agent agrees to repay the expenses unless it is ultimately determined he is entitled to indemnification.

Exculpation. Article VII of the Restated Certificate of Incorporation of Valley National Bancorp provides:

A director or officer of the Corporation shall not be personally liable to the Corporation or its shareholders for damages for breach of any duty owed to the Corporation or its shareholders, except that this provision shall not relieve a director or officer from liability for any breach of duty based upon an act or omission (i) in breach of such person's

duty of loyalty to the Corporation or its shareholders, (ii) not in good faith or involving a knowing violation of law, or (iii) resulting in receipt by such person of an improper personal benefit. If the New Jersey Business Corporation Act is amended after approval by the shareholders of this provision to authorize

II-1

Table of Contents

corporate action further eliminating or limiting the personal liability of directors or officers, then the liability of a director and/or officer of the Corporation shall be eliminated or limited to the fullest extent permitted by the New Jersey Business Corporation Act as so amended.

Any repeal or modification of the foregoing paragraph by the shareholders of the Corporation or otherwise shall not adversely affect any right or protection of a director or officer of the Corporation existing at the time of such repeal or modification.

The New Jersey Business Corporation Act permits such exculpation with the same limitations. Pursuant to the New Jersey Business Corporation Act, an act or omission in breach of a person's duty of loyalty means an act or omission which that person knows or believes to be contrary to the best interests of the corporation or its shareholders in connection with a matter in which he has a material conflict of interest.

It is the position of the SEC that indemnification of directors and officers for liabilities arising under the Securities Act is generally against public policy and is unenforceable pursuant to Section 14 of the Securities Act.

B. Financial Schedules

All financial statement schedules have been omitted because they are not applicable or the required information is included in the financial statements or notes thereto or incorporated by reference therein.

Item 22. Undertakings

1. The undersigned registrant hereby undertakes:

- a) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
 - i. To include any prospectus required by section 10(a)(3) of the Securities Act of 1933 (the Securities Act);
 - ii. To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement.
 - iii. To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.
- b) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- c) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

2. The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934 (the Exchange Act)) that is incorporated by reference in the

registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

3. The undersigned registrant hereby undertakes as follows: that prior to any public reoffering of the securities registered hereunder through use of a prospectus which is a part of this registration statement, by any person or party who is deemed to be an underwriter within the meaning of Rule 145(c), the issuer undertakes that such reoffering prospectus will contain the information called for by the applicable registration form with respect to reofferings by persons who may be deemed underwriters, in addition to the information called for by the other Items of the applicable form.
4. The registrant undertakes that every prospectus (i) that is filed pursuant to paragraph 3 immediately preceding, or (ii) that purports to meet the requirements of Section 10(a) (3) of the Securities Act and is used in connection with an offering of securities subject to Rule 415, will be filed as a part of an amendment to

the registration statement and will not be used until such amendment is effective, and that, for purposes of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

5. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
6. The undersigned registrant hereby undertakes to respond to requests for information that is incorporated by reference into the prospectus pursuant to Items 4, 10(b), 11, or 13 of this form, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means. This includes information contained in documents filed subsequent to the effective date of the registration statement through the date of responding to the request.
7. The undersigned registrant hereby undertakes to supply by means of a post-effective amendment all information concerning a transaction, and the company being acquired involved therein, that was not the subject of and included in the registration statement when it becomes effective.
