**Item 2.02 Results of Operations and Financial Condition.**

On April 20, 2015, the San Juan Basin Royalty Trust (the "Trust") issued a press release, a copy of which is attached hereto as Exhibit 99.1, announcing, among other things, that it will not make a monthly cash distribution to the holders of its units of beneficial interest for the month of April 2015. Normally a distribution would be made in April based principally upon production during the month of February 2015. However, due primarily to the low natural gas pricing and higher capital costs during the month of February, cash attributable to the royalties will be utilized to pay administrative expenses. No cash distributions will be distributed by the Trust until future net proceeds are sufficient to pay then-current Trust liabilities and replenish cash reserves.
