Item 1.02 Termination of a Material Definitive Agreement.

As previously announced, on September 29, 2015, Western Digital Corporation (the Company) entered into a stock purchase agreement (the Stock Purchase Agreement) with Unis Union Information System Ltd., a Hong Kong corporation (the Investor), and Unisplendour Corporation Limited, a Chinese corporation (the Guarantor), pursuant to which, subject to the conditions in the Stock Purchase Agreement, the Company agreed to issue and sell to the Investor 40,814,802 shares of the Company's common stock (the Shares) for \$92.50 per share, for an aggregate purchase price of approximately \$3.775 billion, and the Guarantor agreed to guarantee the payment and performance of Investor's obligations therein (collectively, the Transaction).

The closing of the Transaction was subject to certain closing conditions. These closing conditions included clearance by the U.S. Committee on Foreign Investment in the United States (CFIUS) and the receipt of requisite regulatory approvals, including clearance by U.S. antitrust authorities and certain Chinese regulatory approvals, including clearance by the Ministry of Commerce of the People's Republic of China, the Ministry of Education of the People's Republic of China, the National Development and Reform Commission of the People's Republic of China and the State Administration of Foreign Exchange of the People's Republic of China. In addition, the Investor's obligation to purchase the shares of common stock of the Company and the Guarantor's guarantee were subject to approval of the Transaction by shareholders of the Guarantor.

On February 22, 2016, CFIUS informed the Company that it is undertaking an investigation of the transactions contemplated under the Stock Purchase Agreement, triggering a 15-day period during which either the Company or the Investor may terminate the Stock Purchase Agreement. On February 23, 2016, the Investor notified the Company of its termination of the Stock Purchase Agreement pursuant to the terms of the Stock Purchase Agreement. The Company will not incur any early termination penalties in connection with the termination of the Stock Purchase Agreement.

As previously announced on November 9, 2015, the Company and the Guarantor are also a party to an agreement to form a joint venture to market and sell the Company's data center storage systems in China and to develop data center storage solutions for the Chinese market in the future. The joint venture will be owned 51% by the Guarantor and its subsidiary Unisoft (Wuxi) Co., Ltd. and 49% by the Company and will continue unaffected by the termination of the Stock Purchase Agreement.

Item 8.01 Other Events.

On February 23, 2016, the Company issued a press release announcing the termination of the Stock Purchase Agreement, which is attached as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein by reference.
