PROXY STATEMENT

FOR THE ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD ON

May 12, 2016

INFORMATION CONCERNING SOLICITATION AND VOTING

Introduction

We are furnishing this Proxy Statement on behalf of the Board of Directors (the **Board of Directors**) of Triumph Bancorp, Inc. (**Triumph**), a Texas corporation, for use at our 2016 Annual Meeting of Stockholders, or at any adjournments or postponements of the meeting (the **Annual Meeting**), for the purposes set forth below and in the accompanying Notice of Annual Meeting. The Annual Meeting will be held at 3 Park Central, 12700 Park Central Drive, Basement Level, Conference Room 1, Dallas, Texas 75251, at 1:00 p.m. local time, on May 12, 2016.

In accordance with rules and regulations adopted by the Securities and Exchange Commission (**SEC**), instead of mailing a printed copy of our proxy materials to each stockholder of record, we are furnishing proxy materials to our stockholders on the Internet. You will not receive a printed copy of the proxy materials, unless specifically requested. The Notice of Internet Availability of Proxy Materials will instruct you as to how you may access and review all of the important information contained the proxy materials. The Notice of Internet Availability of Proxy Materials also instructs you as to how you may submit your proxy on the Internet.

As used in this Proxy Statement, the terms **us**, **we**, **our**, the **Company** and **Triumph** refer to Triumph Bancorp, and, where appropriate, Triumph Bancorp, Inc., and its subsidiaries. The term **Common Stock** means shares of our Common Stock, par value, \$0.01 per share.

Stockholders Entitled to Notice and to Vote; Quorum

Only holders of record of our Common Stock at the close of business on March 18, 2016, which the Board of Directors has set as the record date, are entitled to notice of, and to vote at, the Annual Meeting. As of March 18, 2016 we had 18,018,089 shares of Common Stock outstanding and entitled to vote at the Annual Meeting, and our shares of Common Stock were held by approximately 367 stockholders of record. Each stockholder of record of Common Stock on the record date will be entitled to one vote for each share held on all matters to be voted upon at the Annual Meeting. There are no cumulative voting rights in the election of directors.

The presence, in person or by proxy, of a majority of the votes entitled to be cast on a matter to be voted on at the Annual Meeting constitutes a quorum for action on that matter. The shares of Common Stock represented by properly executed proxy cards or properly authenticated voting instructions recorded electronically through the Internet or by telephone, will be counted for purposes of determining the presence of a quorum at the Annual Meeting. Abstentions and broker non-votes will be counted toward fulfillment of quorum requirements. A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that proposal and has not received instructions from the beneficial owner.

Table of Contents

Distinction Between Holding Shares as a Stockholder of Record and as a Beneficial Owner

Some of our stockholders hold their shares through a broker, trustee, or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those shares owned beneficially.

Stockholder of Record. If your shares are registered directly in your name with our transfer agent, Wells Fargo Bank, N.A., then you are considered, with respect to those shares, the stockholder of record. As the stockholder of record, you have the right to grant your voting proxy directly to us or to a third party, or to vote in person at the Annual Meeting.

Beneficial Owner. If your shares are held in a brokerage account, by a trustee or, by another nominee, then you are considered the beneficial owner of those shares. As the beneficial owner of those shares, you have the right to direct your broker, trustee, or nominee how to vote and you also are invited to attend the Annual Meeting. However, because a beneficial owner is not the stockholder of record, you may not vote these shares in person at the Annual Meeting unless you obtain a legal proxy from the broker, trustee or nominee that holds your shares, giving you the right to vote the shares at the Annual Meeting.

If you are not a stockholder of record, please understand that we do not know that you are a stockholder, or how many shares you own.

Voting Deadline

If you are a stockholder of record on the record date, then your proxy must be received no later than 11:59 p.m., Dallas, Texas time on May 11, 2016 to be counted. If you are the beneficial owner of your shares held through a broker, trustee, or other nominee, please follow the instructions of your broker, trustee, or other nominee in determining the deadline for submitting your proxy.

Voting without Attending the Annual Meeting

Whether you hold shares directly as a stockholder of record or through a broker, trustee, or other nominee, you may direct how your shares are voted without attending the Annual Meeting. You may give voting instructions by the Internet, by telephone, or by mail. Instructions are on the proxy card. The proxy holders will vote all properly executed proxies that are delivered in response to this solicitation, and not later revoked, in accordance with the instructions given by you.

Voting in Person

Shares held in your name as the stockholder of record on the record date may be voted in person at the Annual Meeting. Shares for which you are the beneficial owner but not the stockholder of record may be voted in person at the Annual Meeting only if you obtain a legal proxy from the broker, trustee, or other nominee that holds your shares giving you the right to vote the shares. Even if you plan to attend the Annual Meeting, we recommend that you vote by proxy as described below so that your vote will be counted if you later decide not to attend the Annual Meeting.

The vote you cast in person will supersede any previous votes that you may have submitted, whether by Internet, telephone, or mail.

Voting Requirements

At the Annual Meeting, stockholders will consider and act upon (1) the election of three directors, (2) the ratification of the appointment of our independent registered public accounting firm, and (3) such other business as may properly come before the Annual Meeting.

Table of Contents

Our Bylaws provide that directors are elected by a plurality of the votes cast. This means that the director nominee with the most votes for a particular seat on the Board of Directors is elected for that seat. Only votes actually cast will be counted for purposes of determining whether a director nominee received the most votes for a particular seat on the Board of Directors. Abstentions and the withholding of authority by a stockholder (including broker non-votes) as to the election of directors (Proposal 1) are not treated as votes cast and thus have no effect on the results of the election.

Under our Bylaws, the ratification of the appointment of our independent registered public accounting firm (Proposal 2) must be approved by the affirmative vote of a majority of the votes cast. Abstentions and broker non-votes are not treated as votes cast and thus have no effect on the vote for Proposal 2.

Under current Nasdaq Global Stock Market (the NASDAQ) rules, a broker, bank or other nominee may exercise discretionary voting power for the ratification of the selection of Crowe Horwath LLP. However, the election of directors is a significant matter and the NASDAQ does not permit a broker, bank or other nominee to exercise discretionary voting power with regard to such proposal. Therefore, if you are a beneficial owner and do not provide your broker, bank or other nominee with voting instructions on the election of directors, then your vote will not count either for or against the election of the nominees.

Treatment of Voting Instructions

If you provide specific voting instructions, your shares will be voted as instructed.

If you hold shares as the stockholder of record and sign and return a proxy card or vote by Internet or telephone without giving specific voting instructions, then your shares will be voted in accordance with the recommendations of our Board of Directors. Our Board of Directors recommends (1) a vote for the election of each of the director nominees to our Board of Directors and (2) a vote for the ratification of the appointment of Crowe Horwath LLP as our independent registered public accounting firm.

You may have granted to your broker, trustee, or other nominee discretionary voting authority over your account. Your broker, trustee, or other nominee may be able to vote your shares depending on the terms of the agreement you have with your broker, trustee, or other nominee.

The persons identified as having the authority to vote the proxies granted by the proxy card will also have discretionary authority to vote, in their discretion, to the extent permitted by applicable law, on such other business as may properly come before the Annual Meeting and any postponement or adjournment. The Board of Directors is not aware of any other matters that are likely to be brought before the Annual Meeting. If any other matter is properly presented for action at the Annual Meeting, including a proposal to adjourn or postpone the Annual Meeting to permit us to solicit additional proxies in favor of any proposal, the persons named in the proxy card will vote on such matter in their own discretion.

Revocability of Proxies

A stockholder of record who has given a proxy may revoke it at any time prior to its exercise at the Annual Meeting by either (i) giving written notice of revocation to our Corporate Secretary, (ii) properly submitting a duly executed proxy bearing a later date, or (iii) appearing in person at the Annual Meeting and voting in person.

If you are the beneficial owner of shares held through a broker, trustee, or other nominee, you must follow the specific instructions provided to you by your broker, trustee, or other nominee to change or revoke any instructions you have already provided to your broker, trustee, or other nominee.

Table of Contents

Costs of Proxy Solicitation

Proxies will be solicited from our stockholders by mail and through the Internet. We will pay all expenses in connection with the solicitation, including postage, printing and handling, and the expenses incurred by brokers, custodians, nominees and fiduciaries in forwarding proxy material to beneficial owners. It is possible that our directors, officers and other employees may make further solicitations personally or by telephone, facsimile or mail. Our directors, officers and other employees will receive no additional compensation for any such further solicitations.

PROPOSAL 1: ELECTION OF DIRECTORS

Introduction

In accordance with the terms of our charter, our Board of Directors is divided into three classes, Class I, Class II and Class III, with each class serving staggered three-year terms and is divided as follows:

The Class I directors are Aaron P. Graft, Robert Dobrient and Maribess L. Miller, and their term will expire at the annual meeting of stockholders expected to be held in 2018;

The Class II directors are Douglas M. Kratz, Richard L. Davis, Michael P. Rafferty and C. Todd Sparks, and their term will expire at the Annual Meeting; and

The Class III directors are Carlos M. Sepulveda, Jr., Charles A. Anderson, Justin N. Trail and Derek R. McClain, and their term will expire at the annual meeting of stockholders expected to be held in 2017.

The Board of Directors has determined that with the exception of Aaron P. Graft, Douglas M. Kratz and Carlos M. Sepulveda, Jr., each of our current directors is an independent director.

At each annual meeting of stockholders, upon the expiration of the term of a class of directors, the successor to each such director in the class will be elected to serve from the time of election and qualification until the third annual meeting following his or her election and until his or her successor is duly elected and qualifies, in accordance with our charter. Any additional directorships resulting from an increase in the number of directors will be distributed among the three classes so that, as nearly as possible, each class will consist, as nearly as possible, of one-third of the directors. Each of the directors elected at the Annual Meeting will be elected for a three-year term which expires at the annual meeting of stockholders expected to be held in 2019 and will serve until the director's successor has been elected and qualified, or until the director's earlier resignation or removal.

Upon the recommendation of the Nominating and Corporate Governance Committee, the Board of Directors has nominated Douglas M. Kratz, Richard Davis, Michael P. Rafferty and C. Todd Sparks for re-election to the Board of Directors (whom we refer to as the nominees).

The Board of Directors unanimously recommends a vote FOR the re-election of each of the nominees.

The Code of Ethics is available upon written request to Corporate Secretary, Triumph Bancorp, Inc., 12700 Park Central Drive, Suite 1700, Dallas, Texas 75251. disclose such amendment or waiver on our website and as required by applicable law, including by filing a Current Report on Form 8-K.

Board Leadership Structure and Risk Oversight

Different individuals serve as our Chief Executive Officer and Chairman because our Board of Directors has determined that the separation of these offices enhances our Board of Directors' independence and oversight.

Moreover, the separation of these roles allows our Chief Executive Officer to better focus on his growing responsibilities of running the Company, enhancing stockholder value and expanding and strengthening the Company's franchise while allowing the Chairman to lead our Board of Directors in its fundamental role of providing advice to and independent oversight of management. Consistent with this determination, Carlos M. Sepulveda, Jr., serves as Chairman of our Board of Directors, and Aaron P. Graft serves as our Chief Executive Officer and President.

Table of Contents

Risk is inherent with every business, and how well a business manages risk can ultimately determine its success. We face a number of risks, including credit, interest rate, liquidity, operational, strategic and reputation risks. Management is responsible for the day-to-day management of risks the Company faces, while the Board of Directors, as a whole and through its committees, including its Risk Management Committee, has responsibility for the oversight of risk management. In its risk oversight role, the Board of Directors has the responsibility to satisfy itself that the risk management processes designed and implemented by management are adequate and functioning as designed. The Chairman of the Board of Directors and independent members of the Board of Directors work together to provide strong, independent oversight of the Company's management and affairs through its standing committees and, when necessary, special meetings of independent directors.

Compensation Committee Interlocks and Insider Participation

No members of our Compensation Committee are or have been an officer or employee of Triumph or any of our subsidiaries. In addition, none of our executive officers serves or has served as a member of the Board of Directors, compensation committee or other board committee performing equivalent functions of any entity that has one or more executive officers serving as one of our directors or on our Compensation Committee.

Nomination of Directors

With respect to directors not nominated by Triumph, the Board of Directors identifies nominees by first evaluating the current members of the Board of Directors willing to continue in service. Current members of the Board of Directors with skills and experience that are relevant to our business and who are willing to continue in service are considered for re-nomination. If any member of the Board of Directors does not wish to continue in service or if the Board of Directors decides not to re-nominate a member for re-election, the Board of Directors then identifies the desired skills and experience of a new nominee in light of the criteria below. Current members of the Board of Directors are polled for suggestions as to individuals meeting the criteria below. The Board of Directors may also engage in research to identify qualified individuals. In evaluating a director nominee, the Board of Directors considers the following factors:

the appropriate size of our Board of Directors;

our needs with respect to the particular talents and experience of our directors;

the nominee's knowledge, skills and experience, including experience in finance, administration or public service, in light of prevailing business conditions and the knowledge, skills and experience already possessed by other members of the Board of Directors;

whether the nominee is independent, as that term is defined under the NASDAQ listing standards;

the familiarity of the nominee with our industry;

the nominee's experience with accounting rules and practices; and

the desire to balance the benefit of continuity with the periodic injection of the fresh perspective provided by new Board of Directors members.

Our goal is to assemble a Board of Directors that brings together a variety of perspectives and skills derived from high quality business and professional experience. In doing so, the Board of Directors will also consider candidates with appropriate non-business backgrounds.

Other than the foregoing, there are no stated minimum criteria for director nominees. The Board of Directors may also consider such other factors as it may deem in our best interests and the best interests of our stockholders. We also believe it may be appropriate for key members of our management to participate as members of the Board of Directors.

Table of Contents

Stockholders may nominate directors for election to the Board of Directors. In order to nominate a director for election to the Board of Directors, stockholders must follow the procedures set forth in our Bylaws, including timely receipt by the Secretary of Triumph of notice of the nomination and certain required disclosures with respect both to the nominating stockholder and the recommended director nominee.

Directors may be elected by a plurality of votes at any meeting called for the election of directors at which a quorum is present. The presence of a majority of the holders of our Common Stock, whether in person or by proxy, constitutes a quorum. The Board of Directors did not receive any recommendations from stockholders requesting that the Board of Directors consider a candidate for inclusion among the nominees in our Proxy Statement for this Annual Meeting.

The absence of such a recommendation does not mean, however, that a recommendation would not have been considered had one been received.

Stockholder Communications with the Board of Directors

Every effort is made to ensure that the Board of Directors or individual directors, as applicable, hear the views of stockholders and that appropriate responses are provided to stockholders in a timely manner. Any matter intended for the Board of Directors, or for any individual member or members of the Board of Directors, should be directed to Adam D. Nelson, our General Counsel, with a request to forward the matter to the intended recipient. All such communications will be forwarded unopened.

Director Attendance at Annual Meeting of Stockholders

We encourage all incumbent directors, as well as all nominees for election as director, to attend the Annual Meeting of Stockholders, although we recognize that conflicts may occasionally arise that will prevent a director from attending an annual meeting. Seven of our eleven then serving directors attended our 2015 annual meeting.

Narrative Discussion of Summary Compensation Table

Overview

We compensate our NEOs through a mix of base salary, cash incentive bonuses, equity awards made under our 2014 Omnibus Incentive Plan, and other benefits. In designing and approving our compensation plans for our NEOs, we seek to provide such individuals with total annual compensation that is both reasonable and competitive within our markets, appropriately reflects our performance and the executive's particular contributions to that performance, and that takes into account applicable regulatory guidelines and practices.

Table of Contents

Our compensation package for our NEOs during 2015 reflected a transition from our previous compensation practices, which were developed to fit our historical status as a privately held corporation, to a structure that aligns our practices with our new status as a publicly held company. Historically, including during 2015, our NEOs received discretionary bonuses as approved by our Compensation Committee (the Committee), taking into account a holistic assessment of the Company's financial and strategic performance during the year, as well as the executive's individual performance and contributions. Prior to 2015, a portion of these discretionary bonuses (historically 70% for our NEOs) was paid to the executive officers in cash, and a portion of these bonuses (historically 30% for our NEOs) was paid in the form of an award of restricted stock which was granted during the following fiscal year.

Beginning in 2016, our NEOs will be eligible to receive incentive compensation through participation in (i) an annual incentive program implemented as part of our Senior Executive Incentive Plan that provides the opportunity to receive an annual cash incentive award that will be determined by reference to Company performance metrics achieved during the fiscal year as approved and determined by the Committee, and (ii) a new long-term incentive program that provides the opportunity to receive annual stock awards under our 2014 Omnibus Incentive Plan (anticipated to be one-half stock options and one-half restricted stock, each with a four year vesting schedule) designed to align our executives' incentives with the Company's long-term growth and performance. We believe the creation of a formal long-term incentive program (and the separation of our equity award program from the annual cash incentive process) will create a more balanced program and help mitigate potential excessive risk taking, as a substantial portion of the total compensation for our leaders will be independent of year-to-year performance and realizable only through the creation of long-term value.

During 2015, the Committee engaged Meridian Partners, LLC (Meridian), as its independent consultant, to assist with the review and establishment of our compensation programs and practices. In connection therewith, Meridian (i) conducted a review of the marketplace trends and best practices relating to competitive pay levels and program design, (ii) assisted the Committee with the identification and approval of an appropriate peer group against which to benchmark its compensation practices, and (iii) advised the Committee with respect to the establishment of its 2016 compensation framework as described above and the implementation of our 2015 NEO compensation package as we transition to such framework.

Base Salary

We provide our NEOs base salaries to compensate them for services rendered during the fiscal year and reflect each NEO's position, specific skills, tenure, experience, responsibilities and performance. Base salaries of our NEOs have historically been reviewed and set annually by the Committee as part of the Company's annual performance review process as well as upon the promotion of an executive officer or other change in job responsibility. In 2015, the Committee engaged Meridian to conduct a study of its base salaries as compared to the Company's peer group. The Committee's philosophy is to target base salaries at market median with variation reflective of each executive's unique role and performance. The Committee has full discretion to set NEO salaries at any level it deems appropriate. As part of its determination process, the Committee solicits the recommendations of Mr. Graft as to NEOs other than himself. In determining the base salaries relative to peer group for Mr. Fowler, the Committee considered Mr. Fowler's role as President of TBK Bank, SSB in addition to his roles of Chief Financial Officer for each of TBK Bank, SSB and the Company. In 2015, the Committee did not approve any changes to base salaries for our NEOs compared to 2014.

Cash Bonuses

Historically, the Committee has approved cash bonuses to our NEOs on a discretionary basis after evaluating the Company's financial performance during the prior year, its achievement of strategic objectives and the executive's personal performance. In 2015 the Committee followed this historical approach and considered numerous factors in

making this evaluation, including the Company's earnings, performance to budget and return on equity. In addition, the Committee also considered the contributions of our NEOs in the

Table of Contents

Doral Money, Inc. acquisition, which generated a total bargain purchase gain for the Company of \$15.1 million. In connection with such acquisition, the Committee approved the accrual of \$1.75 million in anticipation of bonuses to be paid in consideration of the efforts of specified executives in connection with the transaction. A portion of this accrual was paid to our NEOs as part of their annual bonus and is included in the total set forth in the 2015 Summary Compensation Table above. Due to the Company's transition to annual equity awards for 2016 under its long-term incentive program as discussed below, pursuant to which the Company anticipates making its initial awards for the 2016 program year on April 1, 2016, the Company did not follow its prior practice of paying a portion of its discretionary bonus in stock and a portion in cash for 2015, instead paying the full amount of such approved bonus for 2015 in cash.

As discussed above, in 2016 and in future years, the Committee anticipates compensating NEOs for achievement of annual performance goals under its annual incentive program. As part of this program, the Committee has approved a target bonus for each of our NEOs as a percentage of his or her base salary for 2016 which will be payable in cash based on achievement of performance goals during the 2016 fiscal year. These percentages for 2016 are 50% for Mr. Graft, 45% for Mr. Fowler and 40% for Ms. Lehmann. Payment of 2016 bonuses will be based on achievement of performance goals relating to return on assets, non-performing assets to total assets and net charge offs to total loans.

The 2016 bonus payment for each NEO will equal between 0% and 150% of the target bonus, with the applicable percentage determined based on the actual level of achievement of the performance goals. In addition, the Committee retains the flexibility to vary the total calculated incentive payment for each executive plus or minus 30% to take into account individual performance or unique circumstances. The Company believes this compensation framework will more directly incentivize the performance of our NEOs with respect to the achievement of the goals that have been determined by the Committee to be most impactful to the overall financial performance of the Company.

Equity Awards

The Committee considers equity awards for our NEOs as an essential component to align the interests of such officers with our stockholders to create long term value and growth at the Company. As noted above, historically the Company has made equity awards to our NEOs by paying a portion of their approved annual bonus (which has generally been 30% of such bonus amount for our NEOs) for a fiscal year in the form of restricted stock (typically granted in April of the following year). Because these equity awards are valued as of the date of grant, the amount set forth in the 2015 Summary Compensation Table for each of our NEOs above reflects equity awards granted in April of 2015 determined as a percentage of their 2014 bonus amounts. These historical grants (including the awards identified above) have been made in restricted stock that vest one-third on each of the first three anniversaries of the grant date.

In 2016 and in future years, we anticipate making equity grants to our executives under a long term incentive program whereby the grant date value of each executive's annual grants is equal to a percentage of the executive's base salary. These percentages for 2016 are 45% for Mr. Graft, 40% for Mr. Fowler and 35% for Ms. Lehmann. In addition, these percentages may be increased plus or minus 30% for any grant year by the Committee to account for unique situations or individual circumstances related to the particular executive. Such grants are anticipated to be made one half in restricted stock and one half in stock options, each vesting one fourth each year on each of the first four anniversaries of the date of grant. The Committee approved the initial grants to be effective under its long term incentive program for the 2016 program year as of April 1, 2016. The Company believes that the equity awards contemplated under its long term incentive program will further align the interests of our NEOs and our stockholders and improve the mix of the total compensation for such officers represented by pay-for-performance compensation, in particular long-term performance compensation achieved through equity appreciation at the Company.

Perquisites and Other Compensation

Our NEOs receive various perquisites provided by or paid for by us that we believe are reasonable, competitive and consistent with the Company's overall compensation philosophy. In 2015, these perquisites

Table of Contents

included (in the case of Mr. Graft) a car allowance and country club dues. In addition, Mr. Graft and Mr. Fowler received separate board fees for their service as directors of the Company (Mr. Graft) and its subsidiary bank (Mr. Graft and Mr. Fowler). The Company determined to cease paying Messrs. Graft and Fowler separate board fees commencing in 2016. Our NEOs were also eligible for a 401(k) employer match on the same terms as all other employees of the Company.

The Committee reviews the perquisites provided to its NEOs on a regular basis to evaluate whether they continue to be appropriate in light of the Committee's overall goal of designing a competitive compensation program for NEOs that is aligned with the interests of our stockholders. Attributed costs of the personal benefits described above for our NEOs for the fiscal year ended December 31, 2015 are included in the All Other Compensation column of the 2015 Summary Compensation Table above.

Compensation Procedures

Role of Management

The Committee made all 2015 compensation decisions for our NEOs. Mr. Graft annually reviews the performance of each of the Company's and its subsidiaries' executive officers (other than Mr. Graft, whose performance is reviewed by the Committee). The conclusions reached and the compensation recommendations based on these reviews, including with respect to salary adjustments and bonuses, were presented to the Committee. The Committee exercised its discretion in modifying any recommended adjustment or award.

Compensation Committee Process

During 2015, the Committee reviewed both the Company's compensation philosophy and the actual compensation being paid by the Company. The Committee met, including in executive sessions without any members of management present, to discuss, evaluate and set executive officer compensation. In setting compensation for each of the NEOs, the Committee focused on the total compensation received by each NEO, as well as the allocation of each element of compensation in relation to those provided by its peer companies identified above. The Committee acted pursuant to a written charter that had been approved by our Board.

Compensation Consultants

The Committee has the sole authority to retain and dismiss its own outside compensation consultants and any other advisors it deems necessary. The role of a compensation consultant is to assist the Committee in analyzing executive compensation packages and to provide the Committee with information regarding market compensation levels, general compensation trends and best practices. The consultant also provides advice regarding the competitiveness of specific pay decisions and actions for our NEOs, as well as the appropriateness of the design of the Company's executive compensation programs. In 2015, the Committee engaged Meridian to perform a review of our executive compensation practices, assist in the determination of a peer group against which to benchmark the Company's compensation, and to develop a new compensation framework which the Company is implementing in 2016. As part of this process, Meridian advised the Committee on 2015 compensation and bonus payments in light of the transition to the Company's annual incentive program and long term incentive program for 2016. Meridian attended meetings of the Committee, including executive sessions, upon invitation. Meridian did not provide any other services to the Company. The Committee has assessed the independence of Meridian pursuant to the rules of the SEC and concluded that Meridian's work for the Committee did not raise any conflicts of interest.

Employment Agreements

For the year ended December 31, 2015 our NEOs were parties to employment agreements entered into with our wholly-owned subsidiary bank, TBK Bank, SSB (f/k/a Triumph Savings Bank, SSB). The following is a summary of the material terms of such agreements.

Table of Contents

The employment agreements provide for three-year terms, subject to automatic renewal for additional one-year terms, unless any party to the agreement provides no less than 60 days' notice prior to the expiration of the applicable term or unless terminated earlier pursuant to the terms of the applicable employment agreement.

The employment agreements provide for an annual base salary of \$245,000, \$225,000 and \$215,000 (which have been increased in the discretion of the Board of Directors to the salaries set forth in the table above) for Mr. Graft, Mr. Fowler and Ms. Lehmann, respectively. Subject to the final absolute discretion of the Compensation Committee and/or Triumph Savings Bank's Board of Directors (which authority has subsequently been delegated to our Compensation Committee), our NEOs may be entitled to a discretionary cash bonus. The cash bonus is allocated such that 50% is paid in the form of cash and 50% is paid in the form of restricted stock (which is subject to adjustment by the Board of Directors (which authority has subsequently been delegated to our Compensation Committee) and which has historically been adjusted to provide for 70% cash and 30% restricted stock). The NEOs are also eligible to participate in employee benefits plans as determined by Triumph Savings Bank. Mr. Graft is further entitled to a company automobile or monthly car allowance, dues and costs for professional organizations in which Mr. Graft's participation enhances the reputation of the Company, and monthly dues for a membership at a country club of Mr. Graft's choice, all as approved by the Personnel Committee. Ms. Lehmann is entitled to reimbursement for any out-of-pocket premiums paid by Ms. Lehmann to maintain her private health insurance, capped at the amount that Triumph Savings Bank would have paid if Ms. Lehmann had participated in the health plan provided to all employees of Triumph Savings Bank.

If any of the NEOs' employment is terminated by Triumph Savings Bank other than for cause (as defined below), due to death or total disability (as defined below), due to resignation as a result of a reduction in annual base salary of more than 20% (unless such reduction is applied to all executive officers, or alternatively is suggested by the executive), as a result of the expiration of the applicable term of employment due to non-renewal by Triumph Savings Bank, for any reason concurrent with a change of control (as defined below), or if, in connection with a change of control, the NEO is not offered substantially the same position, duties, compensation, and benefits as exist as of the date of a change of control by a successor then such NEO is entitled to (i) accrued expenses, (ii) an amount equal to one times base salary, payable in a lump sum, and (iii) twelve months of welfare benefit continuation. Receipt of severance is subject to execution (and non-revocation) of a general release of claims and is subject to regulations regarding employee compensation promulgated by any regulatory agency having jurisdiction over Triumph Savings Bank and its affiliates (including 12 C.F.R. Part 359).

In the event that, in connection with a change of control, Mr. Fowler or Ms. Lehmann is offered a position by a successor with substantially the same position, duties, compensation, and benefits as exist as of the date of a change of control, but the applicable NEO elects not to continue employment with such successor, such NEO is entitled to (i) accrued expenses, (ii) an amount equal to one-half times base salary, payable in a lump sum, and (iii) six months of welfare benefit continuation.

Upon termination of employment by Triumph Savings Bank for cause, the NEOs are entitled to accrued expenses only.

In the event that any of the NEOs receives payments or benefits in connection with a change in control such that an excise tax imposed by Section 4999 of the Code applies, such NEO is entitled to a gross-up payment in an amount such that, after payment of all taxes (including interest and penalties imposed with respect thereto), such NEO retains an amount as if the excise tax did not apply.

The employment agreements provide for certain restrictive covenants including a perpetual confidentiality covenant, a return of company property covenant, and a one-year employee, supplier, material business relationship, investor (Mr.

Fowler only) and contractor non-solicitation covenant.

Change of Control is defined in the employment agreements as: (i) a reorganization, merger, consolidation or other corporate transaction involving Triumph Savings Bank, with respect to which the holders

of the voting securities of Triumph Savings Bank immediately prior to such transaction do not, immediately after the transaction, own more than 50% of the combined voting power of the reorganized, merged or consolidated entity's then outstanding voting securities; (ii) the sale, transfer or assignment of all or substantially all of the assets of Triumph Savings Bank; or (iii) the acquisition by any individual, entity or group, (a Person) within the meaning of Section 13(d)(3) or Section 14(d)(2) of the Securities Exchange Act of 1934, as amended (the Exchange Act), or beneficial ownership (within the meaning of Rule 13d-3 promulgated under the Exchange Act) of voting securities of Triumph Savings Bank where such acquisition causes any such Person to own 50% or more of the combined voting power of Triumph Savings Bank's then outstanding voting securities; *provided however*, that a change of control will not be deemed to have occurred if a Person becomes the beneficial owner of 50% of the combined voting power of Triumph Savings Bank's then outstanding voting securities solely as a result of the repurchase of voting securities by Triumph Savings Bank. An issuance of Common Stock by Triumph Consolidated Cos., LLC and Triumph Bancorp, Inc., or any issuance of equity or debt by an affiliate of Triumph Consolidated Cos., LLC and Triumph Bancorp, Inc. (including an issuance that is registered with the SEC and any state securities board, or that is exempt from registration with the SEC and/or any state securities board pursuant to any federal or state law or regulation), including, but not limited to Triumph Consolidated Cos., LLC, Triumph Savings Bank, or any subsidiary thereof, to new investors pursuant to a plan adopted by the Board of Directors of Triumph Consolidated Cos., LLC and Triumph Bancorp, Inc., as part of its overall growth plan for Triumph Consolidated Cos., LLC and Triumph Bancorp, Inc., and wherein a majority of the persons who were members of the Board of Directors of Triumph Consolidated Cos., LLC and Triumph Bancorp, Inc., preceding such capital offering remain after its completion will not constitute a change of control.

Cause, as defined in the employment agreements, is a good faith determination that the applicable NEO: (i) has misappropriated, stolen or embezzled funds or property from Triumph Savings Bank or an affiliate, or secured or attempted to secure personally any profit in connection with any transaction entered into on behalf of Triumph Savings Bank or any affiliate, (ii) has been convicted of a felony or entered a plea of *nolo contendere* which in the reasonable opinion of Triumph Savings Bank brings the executive into disrepute or is likely to cause material harm to Triumph Savings Bank's (or any of its affiliate's) business, customer or supplier relations, financial condition or prospects, (iii) has neglected his duties hereunder, (iv) has materially violated the confidentiality covenant in his employment agreement or (v) has willfully violated or breached any material provision of his employment agreement in any material respect or violated any material law or regulation.

Total Disability is defined in the employment agreements as the inability of the NEO, due to a physical or a mental condition, to perform the essential functions of such NEO's job, with or without accommodation, for any period of 180 consecutive days; *provided* that the return of the NEO to his or her duties for periods of 15 days or less will not interrupt such 180-day period.

On March 30, 2016, amended and restated employment agreements were executed with each of our NEOs, with retroactive effect to January 1, 2016. These amended and restated employment agreements were entered into in order to, among other items, (a) align such agreements with the Company's new incentive compensation programs for our NEOs, in particular our annual incentive program and long term incentive program, (b) amend the terms of such agreements regarding the impact of a change in control (as defined in such agreements) by providing for increased severance in the event of a qualifying termination (as defined in such agreements) at any time during the 24-month period following a change of control and (c) delete the provisions providing for a gross-up of the excise tax imposed by Section 280G and Section 4999 of the Internal Revenue Code on certain change in control-related payments and benefits, and replace such provisions with a better net after-tax cutback provision, pursuant to which the NEO's change in control-related payments and benefits will be reduced to the extent necessary to prevent any portion of such payments and benefits from becoming subject to the excise tax, but only if, by reason of that reduction, the net after-tax benefit received by the executive exceeds the net after-tax benefit that the executive would receive if no

reduction was made. Copies of the new amended and restated employment agreements with our NEOs, together with a summary of the terms of such agreements, were included in our Current Report on Form 8-K filed with SEC on March 30, 2016.

Table of Contents**2015 Director Compensation**

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our directors and executive officers and any persons who own more than 10% of our Common Stock to file reports with the SEC with respect to their ownership of Common Stock. Directors, executive officers and persons owning more than 10% of our Common Stock are required to furnish us with copies of all Section 16(a) reports they file.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Review and Approval of Transactions with Related Persons

Transactions by the Company or our subsidiaries with related parties are subject to a formal written policy, as well as regulatory requirements and restrictions. These requirements and restrictions include Sections 23A and 23B of the Federal Reserve Act (which govern certain transactions by our bank subsidiaries with their respective affiliates) and the Federal Reserve's Regulation O (which governs certain loans by our bank subsidiaries to their respective executive officers, directors and principal stockholders). We have adopted policies to comply with these regulatory requirements and restrictions.

In addition, our Board of Directors has adopted a written policy governing the approval of related party transactions that complies with all applicable requirements of the SEC and NASDAQ concerning related party transactions. Related party transactions are transactions in which we are a participant, the amount involved exceeds \$120,000 and a related party has or will have a direct or indirect material interest. Related parties of the Company include directors (including nominees for election as directors), executive officers, 5% stockholders and the immediate family members of these persons. Our General Counsel, in consultation with management and outside counsel, as appropriate, will review potential related party transactions to determine if they are subject to the policy. If so, the transaction will be referred to the Nominating and Corporate Governance Committee for approval. In determining whether to approve a related party transaction, the Nominating and Corporate Governance Committee will consider, among other factors, the fairness of the proposed transaction, the direct or indirect nature of the related party's interest in the transaction, the appearance of improper conflicts of interest for any director or executive officer taking into account the size of the transaction and the financial position of the related party, whether the transaction would impair an outside director's independence, the acceptability of the transaction to our regulators and the potential violations of other corporate policies. Our Related Party Transactions Policy is available on our website at www.triumphbancorp.com, as an annex to our Corporate Governance Guidelines.

Registration Rights

On December 12, 2012, we issued a warrant to Triumph Consolidated Cos., LLC (TCC) for the purchase of 259,067 shares of our Common Stock (the TCC Warrant). The TCC Warrant provides TCC with certain registration rights if we propose to register any of our capital stock in a public offering. TCC will have piggy-back registration rights that permit it to have shares of our Common Stock owned by it included in a registration statement, upon written notice to us within the prescribed time limit. We are not required to include these securities in any underwriting of shares, unless TCC accepts the terms of the underwriting agreed upon between the Company and its underwriters and in the quantity as the underwriters determine in their sole discretion. TCC waived all of its registration rights under the TCC Warrant in connection with our initial public offering.

Ordinary Banking Relationships

Certain of our officers, directors and 5% stockholders, as well as their immediate family members and affiliates, are customers of, or have or have had transactions with, our bank subsidiaries or the Company in the ordinary course of business. These transactions include deposits, loans, wealth management products and other financial services related transactions. Related party transactions are made in the ordinary course of business, on substantially the same terms, including interest rates and collateral (where applicable), as those prevailing at the time for comparable transactions with persons not related to us and do not involve more than normal risk of collectability or present other features unfavorable to us. As of the date of this proxy, no related party loans were categorized as nonaccrual, past due, restructured or potential problem loans. We expect to continue to enter into transactions in the ordinary course of

business on similar terms with our officers, directors and 5% stockholders, as well as their immediate family members and affiliates.

Table of Contents**SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT**

The following table sets forth the amount and percent of shares of Common Stock that as of March 18, 2016 are deemed under the rules of the SEC to be beneficially owned by each member of our Board of Directors, by each nominee for election to our Board of Directors, by each of our executive officers, by all of our directors and executive officers as a group, and by any person or group (as that term is used in the Exchange Act) known to us to be a beneficial owner of more than 5% of the outstanding shares of Common Stock as of that date. The information concerning the beneficial ownership of our directors and officers is based solely on information provided by those individuals. Unless otherwise stated, the beneficial owner has sole voting and investment power over the listed Common Stock or shares such power with his or her spouse. - (1) Certain of our directors and executive officers, including Aaron P. Graft, Carlos M. Sepulveda, Jr., Charles A. Anderson, Justin N. Trail, C. Todd Sparks, Raymond W. Sperring III and Adam D. Nelson have a direct or indirect interest in TLCM Investments LLC (TLCM), which holds a profits interest in Triumph Consolidated Cos., LLC (TCC). The profits interest originally entitled TLCM to certain distributions depending on the internal rate of return to the members of TCC (other than TLCM). In connection with our initial public offering, TCC 's limited liability company agreement was amended such that, following the completion of the offering, the profits interest will entitle TLCM to distributions of the 1,250,000 shares of

our Common Stock (the Hold Back Shares) not distributed by TCC to its members other than TLMC in connection with our initial public offering. For the first 180 days following our initial public offering (the TCC Lock-Up Period), TCC did not make any distributions. During the period commencing upon the completion of our initial public offering until the 36-month anniversary of the completion of the offering (the Hold Back Period), TCC will distribute the Hold Back Shares to TLMC in the event the volume weighted average price (VWAP) of our Common Stock during any of the eleven consecutive three-month periods during the Hold Back Period ending on or after the Lock-Up Period exceeds a whole number from \$15.00 to \$50.00 according to a fixed schedule. The TCC Board of Directors will meet shortly following the end of each of the eleven consecutive three-month periods after the TCC Lock-Up Period to determine and approve the VWAP calculation and number of Hold Back Shares to be distributed in respect of such three-month period. At the expiration of the Hold Back Period, TCC will make a final distribution based on our Common Stock VWAP during the three months preceding the expiration date (which distribution will be determined and approved by the TCC Board of Directors). Any remaining Hold Back Shares not distributed to TLMC and the warrant held by TCC to purchase an additional 259,067 shares of our Common Stock at price of \$11.58 per share (the TCC Warrant) (or the shares issued upon exercise of the TCC Warrant) will be distributed to the members of TCC other than TLMC at the end of the Hold Back Period. Additionally, each Hold Back Share distributed to the ultimate underlying owners of TLMC will be locked up for a period of 180 days following the date such shares are distributed. However, if a change in control of the Company occurs at any time during the Hold Back Period, any outstanding lockups will expire and a number of Hold Back Shares will be distributed at such time to TLMC based on the implied price of the change in control. The following individuals are directors of TCC: Carlos M. Sepulveda, Jr., Aaron P. Graft, Richard Davis, Justin N. Trail, Robert Dobrient, Charles A. Anderson, and C. Todd Sparks. Each of these individuals votes separately as one of seven members of TCC s board and none of such individuals own more than 10% of TCC s outstanding membership interests.

**PROPOSAL 2: RATIFICATION OF SELECTION OF INDEPENDENT
REGISTERED PUBLIC ACCOUNTING FIRM**

Appointment of Independent Registered Public Accounting Firm

The Audit Committee of the Board of Directors has appointed the accounting firm of Crowe Horwath LLP to serve as Triumph's independent registered public accounting firm for the fiscal year ending December 31, 2016. A proposal to ratify that appointment will be presented at the Annual Meeting. Representatives of Crowe Horwath LLP are expected to be present at the meeting. They will have the opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions from stockholders.

Stockholder ratification of the selection of Crowe Horwath LLP as our independent public accountants is not required by our Bylaws or other applicable legal requirement. However, the Board of Directors is submitting the selection of Crowe Horwath LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee at its discretion may direct the appointment of a different independent accounting firm at any time during the year if it determines that such a change would be in our best interests and our stockholders' best interests.

Audit and Non-Audit Fees

The following table presents fees for professional audit services rendered and expenses of Crowe Horwath LLP for the audits of our annual financial statements for the years ended December 31, 2015 and 2014, and fees billed for other services rendered and expenses of Crowe Horwath LLP during 2015 and 2014.

Audit-related fees	122,275	415,592
Tax fees	172,425	101,800

Audit fees include fees for financial statement audit services for the purpose of rendering an opinion on the financial statements. Audit fees also include reviews of the financial statements included in our quarterly reports on Form 10-Q.

Audit-related fees are fees for assurance and related services that are reasonably related to the audit of our financial statements and are not reported under "audit fees", including, during 2014, fees for work performed in connection with our registration statement on Form S-1, audits in connection with acquisitions, employee benefit plan audits, and accounting and financial reporting consultations. Tax fees for 2015 include approximately \$146 thousand for tax compliance, including the preparation, filing and review of tax returns and approximately \$27 thousand for tax advice and tax planning. Tax fees for 2014 include approximately \$70 thousand for tax compliance, including the preparation, filing and review of tax returns and approximately \$32 thousand for tax advice and tax planning.

Policy on Audit Committee Pre-Approval of Audit and Non-Audit Services of Independent Auditor

The Audit Committee of the Board of Directors has implemented procedures to ensure that all audit, audit-related and permitted non-audit services provided to us are pre-approved by the Audit Committee. Any audit and non-audit services require specific pre-approval by the Audit Committee. The Audit Committee may delegate pre-approval authority to one or more of its members when expedition of services is necessary.

Table of Contents

All of the audit-related, tax and all other services provided by Crowe Horwath LLP to us in 2015 were approved by the Audit Committee. The Audit Committee has determined that all non-audit services provided by Crowe Horwath LLP in 2015 were compatible with maintaining its independence in the conduct of its auditing functions.

The Board of Directors unanimously recommends a vote FOR the ratification of our appointment of Crowe Horwath LLP as our independent registered public accounting firm for the current fiscal year.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. The Company's management has the primary responsibility for the financial statements, for maintaining effective internal control over financial reporting, and for assessing the effectiveness of internal control over financial reporting. In fulfilling its oversight responsibilities, the Audit Committee reviewed and discussed the audited consolidated financial statements in the Annual Report with Company management, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

The Audit Committee is governed by a charter. A copy of the charter is available on the Company's website at <http://ir.triumphbancorp.com>. The Audit Committee held ten meetings during fiscal year 2015. The Company's current Audit Committee Charter was last updated on July 28, 2015. The Committee is comprised solely of independent directors as defined by NASDAQ listing standards and Rule 10A-3 of the Securities Exchange Act of 1934.

The meetings of the Audit Committee are designed to facilitate and encourage communication among the Audit Committee, the Company, the Company's internal audit function and the Company's independent auditor. The Audit Committee discussed with the Company's internal auditors and independent auditor the overall scope and plans for their respective audits. The Audit Committee meets with the internal auditors and the independent auditor, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal control, and the overall quality of the Company's financial reporting.

The Audit Committee recognizes the importance of maintaining the independence of the Company's Independent Auditor, both in fact and appearance. The Audit Committee evaluates the qualifications, performance and independence of the Company's Independent Auditor and its lead partner and makes a determination whether to re-engage the current Independent Auditor. In doing so, the Audit Committee considers the quality and efficiency of the services provided by the auditors, the auditors' capabilities and the auditors' technical expertise and knowledge of the Company's operations and industry. The Audit Committee participates in discussions and negotiations of audit and audit related fees and approves all fees and services of the Independent Auditor. The Audit Committee anticipates retaining Crowe Horwath LLP as the Company's Independent Auditor for 2016. Crowe Horwath LLP has been the Independent Auditor for the Company since 2013.

The members of the Audit Committee and the Board believe that, due to Crowe Horwath LLP's knowledge of the Company and of the industries in which the Company operates, it is in the best interests of the Company and its stockholders to continue retention of Crowe Horwath LLP to serve as the Company's Independent Auditor. The Audit Committee has overall responsibility for the appointment, compensation and oversight of the Independent Auditor. Although the Audit Committee has the sole authority to appoint the Independent Auditors, the Audit Committee will continue to recommend that the Board ask the stockholders, at the Annual Meeting, to ratify the appointment of the Independent Auditors.

The Audit Committee reviewed with the independent auditor, which is responsible for expressing an opinion on the conformity of the audited consolidated financial statements with US generally accepted accounting principles, its judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Committee by the standards of the Public Company Accounting Oversight Board (United States) (PCAOB), including PCAOB Auditing Standard No. 16, *Communications with Audit Committees*, the rules of the SEC, and other applicable regulations. In addition, the Audit Committee has discussed with the independent auditor the firm's independence from Company management and the Company, including the matters in the letter from the firm required by PCAOB Rule 3526, *Communication with Audit Committees Concerning*

Independence, and considered the compatibility of non-audit services with the independent auditor's independence.

Table of Contents

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board has approved, that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2015, filed by the Company with the SEC.

STOCKHOLDER PROPOSALS

Stockholder proposals submitted pursuant to SEC Rule 14a-8 for inclusion in our 2016 proxy statement and acted upon at our 2017 Annual Meeting (the 2017 Annual Meeting) must be received by us at our executive offices at 12700 Park Central Drive, Suite 1700, Dallas, Texas 75251, Attention: Corporate Secretary, on or prior to December 2, 2016. If, however, the 2017 Annual Meeting takes place more than 30 days before or after May 12, 2017, then the deadline for stockholder proposals submitted pursuant to SEC Rule 14a-8 for inclusion in our 2017 proxy statement and acted upon at our 2017 Annual Meeting shall be a date that we determine to be a reasonable time before we begin to print and send our Proxy Materials. In this event, we will disclose this deadline in a public filing with the SEC.

Stockholder proposals submitted for consideration at the 2017 Annual Meeting but not submitted pursuant to SEC Rule 14a-8, including stockholder nominations for candidates for election as directors, generally must be delivered to the Secretary at our executive offices not later than 90 days nor earlier than 120 days before the first anniversary of the date of the 2016 Annual Meeting. As a result, any notice given by a stockholder pursuant to the provisions of our Bylaws (other than notice pursuant to SEC Rule 14a-8) must be received no earlier than January 13, 2017 and no later than February 12, 2017. However, if the date of the 2017 Annual Meeting occurs more than 30 days before or more than 60 days after May 12, 2017, notice by the stockholder of a proposal must be delivered no later than the later of 70 days prior to the date of such annual meeting or the 7th day following the earlier of the date on which notice of the annual meeting is first mailed by or on behalf of the Company or the day on which we first make a public announcement of the date of the annual meeting. Stockholder proposals or nominations must include the specified information concerning the stockholder and the proposal or nominee as described in our Bylaws.

HOUSEHOLDING

The SEC has adopted rules that permit companies and intermediaries (such as banks and brokers) to satisfy the delivery requirement for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement and annual report addressed to all holders at that address. This process is commonly known as householding. To conserve resources and reduce expenses, we consolidate materials under these rules when possible. Stockholders who participate in householding will receive separate proxy cards.

Because we are using the SEC's notice and access rule and are delivering proxy materials electronically, we will not household our proxy materials or notices to stockholders of record sharing an address. This means that stockholders of record who share an address will each be mailed a separate Notice of Internet Availability of Proxy Materials.

However, certain brokerage firms, banks, or similar entities holding our Common Stock for their customers may household proxy materials or notices. Stockholders sharing an address whose shares of our Common Stock are held in street name should contact their broker if they now receive (i) multiple copies of our proxy materials or notices and wish to receive only one copy of these materials per household in the future, or (ii) a single copy of our proxy materials or notice and wish to receive separate copies of these materials in the future.

If at any time you would like to receive a paper copy of the annual report or proxy statement, please write to Investor Relations, Triumph Bancorp, Inc., 12700 Park Central Drive, Suite 1700, Dallas, Texas 75251.

By Order of the Board of Directors,

Aaron P. Graft

President and Chief Executive Officer
