Item 3.03. Material Modification to Rights of Security Holders.

The information set forth under Item 5.03 is incorporated by reference into this Item 3.03.

Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On November 25, 2016, NuStar Energy L.P. (the Partnership) executed the Fourth Amended and Restated Agreement of Limited Partnership of NuStar Energy L.P. (the Partnership Agreement) for the purpose of defining the preferences, rights, powers and duties of holders of 8.50% Series A Fixed-to-Floating Rate Cumulative Redeemable Perpetual Preferred Units (the Preferred Units) in connection with the offering (the Offering) of Preferred Units that closed on November 25, 2016. The Partnership Agreement also incorporates, among other things, (i) the duly authorized amendments to the Partnership Agreement previously approved by the board of directors of the general partner of the Partnership (the Board), (ii) revisions to certain tax provisions to further conform these provisions to applicable Treasury Regulations and the manner in which the major accounting firms apply these provisions, and (iii) changes to the Partnership Agreement to reflect the passage of time and to remove provisions that are no longer applicable.

The Preferred Units rank senior to the Partnership's common units with respect to the payment of distributions and distribution of assets upon liquidation, dissolution and winding up. The Preferred Units have no stated maturity and are not subject to mandatory redemption or any sinking fund and will remain outstanding indefinitely unless repurchased or redeemed by the Partnership or converted into its common units in connection with a change of control.

Holders of Preferred Units issued in the Offering will be entitled to receive, when, as and if declared by the general partner, out of legally available funds for such purposes, quarterly cumulative cash distributions. Distributions on Preferred Units will be cumulative from the date of issue and payable quarterly on the 15th day of each of March, June, September and December, commencing March 15, 2017. Distributions on the Preferred Units will be payable from and including the date of original issue to, but not including, December 15, 2021, at a rate equal to 8.50% per annum of the \$25.00 stated liquidation preference per unit (equal to \$2.125 per unit per annum). On and after December 15, 2021, distributions on the Preferred Units will accumulate at a percentage of the \$25.00 liquidation preference equal to an annual floating rate of the three-month LIBOR plus a spread of 6.766%.

At any time on or after December 15, 2021, the Partnership may, at its option, redeem the Preferred Units, in whole or in part, from any source of funds legally available for such purpose, by paying \$25.00 per unit plus an amount equal to all accumulated and unpaid distributions thereon to the date of redemption, whether or not declared. In addition, the Partnership may redeem the Preferred Units following certain changes of control, as well as at any time within 120 days after the conclusion of any review or appeal process instituted by the Partnership following the occurrence of a rating event, each as described in the Partnership Agreement. If the Partnership does not exercise the option to redeem following a change of control, then the holders of the Preferred Units have the option to convert the Preferred Units into a number of common units per Preferred Unit as set forth in the Partnership Agreement. If the Partnership exercises its redemption rights relating to any Preferred Units following a change of control, the holders of those Preferred Units will not have the conversion right described above with respect to the Preferred Units called for redemption.

Holders of Preferred Units will have only limited voting rights with respect to potential amendments to the Partnership Agreement that have a material adverse effect on the existing terms of the Preferred Units and in certain other limited circumstances or as required by law. The description of the Partnership Agreement contained in this Item 5.03 is qualified in its entirety by reference to the full text of the Partnership Agreement, which is filed as Exhibit 3.1 hereto and is incorporated by reference herein.
