On March 16, 2017, Fulton Financial Corporation (Fulton Financial) issued and sold \$125.0 million aggregate principal amount of its 3.60% Senior Notes due 2022 (the Notes) pursuant to an Underwriting Agreement, dated March 13, 2017 (the Underwriting Agreement), between Fulton Financial and Keefe, Bruyette & Woods, Inc. as underwriter. The Notes were offered and sold pursuant to Fulton Financial's registration statement on Form S-3 (Registration No. 333-197730) filed with the Securities and Exchange Commission on July 30, 2014, and the prospectus contained therein, as supplemented by the prospectus supplement dated March 13, 2017. Fulton Financial received approximately \$123.0 million in net proceeds, after underwriting discounts and commissions and offering expenses payable by Fulton Financial, from the sale of the Notes.

The Notes were issued pursuant to an Indenture, dated as of March 16, 2017 (the Indenture), as supplemented by the First Supplemental Indenture (the First Supplemental Indenture), dated as of March 16, 2017, between Fulton Financial and Wilmington Trust, National Association, as trustee. The Notes will mature on March 16, 2022 and are not redeemable at the option of Fulton Financial or repayable at the option of the holders at any time before that date. The Notes are unsecured and unsubordinated obligations of Fulton Financial and will rank equal in right of payment to all of Fulton Financial's existing and future unsecured and unsubordinated obligations, will be senior in right of payment to all of Fulton Financial's existing and future unsecured and subordinated indebtedness, will be structurally subordinated to Fulton Financial's future secured indebtedness to the extent of the value of the assets securing such indebtedness and will be structurally subordinated to all of Fulton Financial's existing and future liabilities and obligations of its subsidiaries.

Each of the following constitutes an event of default under the Indenture with respect to the Notes: (1) failure to pay any installment of interest on the Notes when due and payable, continued for 30 days; (2) failure to pay the principal of, or premium, if any, on the Notes when due; (3) default in the performance or breach of any other covenants or warranty in the Indenture with respect to the Notes for 60 days after Fulton Financial receives notice of such default or breach; or (4) certain events with respect to bankruptcy, insolvency, reorganization or other similar law. If an event of default occurs, the principal of the Notes may be accelerated pursuant to the Indenture.
