Executive Vice President, General Counsel and Chief Regulatory and Compliance Officer

Caesars Entertainment Corporation

(Name and Address of Agent for Service)

The Applicant hereby amends this application for qualification on such date or dates as may be necessary to delay its effectiveness until (i) the 20th day after the filing of an amendment which specifically states that it shall supersede this application for qualification, or (ii) such date as the Securities and Exchange Commission, acting pursuant to section 307(c) of the Trust Indenture Act of 1939, may determine upon the written request of the Applicant.

GENERAL

1. General Information.

The form of organization of and the state or other sovereign power under the laws of which Caesars Entertainment Corporation (the *Applicant*) is organized are as follows:

Name	Form of Organization	Jurisdiction
Caesars Entertainment Corporation	Corporation	Delaware

2. Securities Act Exemption Applicable.

Prior to the Effective Date, the Applicant intends to offer, under the terms and subject to the conditions set forth in the Disclosure Statement and the Plan of Reorganization, an aggregate principal amount of approximately \$1,119.0 million of 5.00% Convertible Senior Notes due 2024 (the *Notes*) to holders of claims under Caesars Entertainment Operating Company, Inc. s (*CEOC*) 12.75% Second-Priority Senior Secured Notes due 2018, 10.00% Second-Priority Senior Secured Notes due 2018, 10.00% Second-Priority Senior Secured Notes due 2015, 6.5% Senior Notes due 2016, 5.75% Senior Notes due 2017 and 10.75% Senior Notes due 2016 as well as holders of other unsecured claims against CEOC (collectively, the *Claims*). The Notes will be issued pursuant to the indenture to be qualified under this Form T-3 (the *Indenture*), a copy of which is filed as Exhibit T3C hereto.

Generally, Section 1145(a)(1) of the Bankruptcy Code exempts an offer and sale of securities under a plan of reorganization from registration under the Securities Act of 1933, as amended (the *Securities Act*), and state securities laws if three principal requirements are satisfied: (i) the securities must be offered and sold under a plan of reorganization and must be securities of the debtor, an affiliate participating in a joint plan of reorganization with the debtor or a successor to the debtor under the plan of reorganization; (ii) the recipients of the securities must hold a prepetition or administrative expense claim against the debtor or an interest in the debtor; and (iii) the securities must be issued entirely in exchange for the recipient's claim against or interest in the debtor, or principally in such exchange and partly for cash or property. The Applicant believes that the offer of the Notes under the solicitation of acceptances for the Plan of Reorganization and the exchange of the Claims for Notes, together with certain other consideration, under the Plan of Reorganization will satisfy the requirements of Section 1145(a)(1) of the Bankruptcy Code and, therefore, such offer and exchange is exempt from the registration requirements referred to above. To the extent that the solicitation of acceptances of the Plan of Reorganization constitutes an offer of new securities not exempt from registration under Section 1145(a)(1) of the Bankruptcy Code, the Applicant will also rely on Section 4(a)(2) of the Securities Act and, to the extent applicable, Regulation D promulgated thereunder.

INDENTURE SECURITIES

8. Analysis of Indenture Provisions.

The Notes will be subject to the Indenture between the Applicant and Delaware Trust Company, as trustee (the *Trustee*). The following is a general description of certain provisions of the Indenture, and the description is qualified in its entirety by reference to the form of Indenture filed as Exhibit T3C herewith. Capitalized terms used below and not defined herein have the meanings ascribed to them in the Indenture.

Events of Default; Withholding of Notice of Default.

The occurrence of any of the following events will constitute an Event of Default under the Indenture:

- (i) there is a default in any payment of interest on any Note when the same becomes due and payable, and such default continues for a period of 30 days;
- (ii) there is a default in the payment of principal or premium, if any, of any Note when due at its Stated Maturity, upon optional redemption, upon required repurchase, upon declaration or otherwise;
- (iii) the failure by the Issuer or any Restricted Subsidiary to comply (for 60 days following notice with respect to such failure to comply) with its other agreements and obligations contained in the Notes or the Indenture (other than a default referred to in clause (i) or (ii) above); *provided* that in the case of a failure to comply with Section 4.02 of the Indenture, such period of continuation of such default or breach shall be 90 days following notice with respect to such failure to comply;
- (iv) the failure by the Issuer or any Significant Subsidiary (or any group of Subsidiaries that together would constitute a Significant Subsidiary) to pay any Indebtedness (other than Indebtedness owing to the Issuer or a Restricted Subsidiary) within any applicable grace period after final maturity or the acceleration of any such Indebtedness by the holders thereof because of a default, in each case, if the total amount of such Indebtedness unpaid or accelerated exceeds \$50.0 million or its foreign currency equivalent;
- (v) either the Issuer or a Significant Subsidiary (or any group of Subsidiaries that together would constitute a Significant Subsidiary), pursuant to or within the meaning of any Bankruptcy Law:
 - (1) commences a voluntary case;
 - (2) consents to the entry of an order for relief against it in an involuntary case;
 - (3) consents to the appointment of a Custodian of it or for any substantial part of its property; or
 - (4) makes a general assignment for the benefit of its creditors or takes any comparable action under any foreign laws relating to insolvency;
- (vi) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

- (1) is for relief against either the Issuer or a Significant Subsidiary in an involuntary case;
- (2) appoints a Custodian of either the Issuer or a Significant Subsidiary or for any substantial part of their property; or
- (3) orders the winding up or liquidation of either the Issuer or a Significant Subsidiary;
- or any similar relief is granted under any foreign laws and the order or decree remains unstayed and in effect for 60 days;
- (vii) failure by the Issuer or any Significant Subsidiary (or any group of Subsidiaries that together would constitute a Significant Subsidiary) to pay final judgments aggregating in excess of \$50.0 million or its foreign currency equivalent (net of any amounts which are covered by enforceable insurance policies issued by solvent carriers), which judgments are not discharged, waived or stayed for a period of 60 days;
- (viii) the Issuer fails to satisfy its conversion obligations upon exercise of holder's conversion rights pursuant hereto (including the failure to pay the Make-Whole Consideration, if any, in connection with such conversion) or upon a Mandatory Conversion and such failure continues for a period of five Business Days; or
- (ix) the Issuer fails to timely provide a Fundamental Change Notice as required by the provisions of the Indenture, or fails to timely provide any notice pursuant to, and in accordance with, Section 10.07(e) of the Indenture, and such failure continues for a period of five Business Days.

However, a default under clause (iii) above shall not constitute an Event of Default until the Trustee or the holders of 25% in principal amount of outstanding Notes notify the Issuer of the default and the Issuer does not cure such default within the time specified in clause (iii) above after receipt of such notice. Such notice must specify the Default, demand that it be remedied and state that such notice is a Notice of Default. The Issuer shall deliver to the Trustee, within five (5) Business Days after the occurrence thereof, written notice in the form of an Officer's Certificate of any event which is, or with the giving of notice or the lapse of time or both would become, an Event of Default, its status and what action the Issuer is taking or propose to take with respect thereto.

If an Event of Default occurs and is continuing, the Trustee or the holders of at least 25% in principal amount of outstanding Notes by notice to the Issuer may declare the principal of, premium, if any, and accrued but unpaid interest on all the Notes to be due and payable. Upon such a declaration, such principal and interest shall be due and payable immediately. Under certain circumstances, the holders of a majority in principal amount of outstanding Notes may rescind any such acceleration with respect to the Notes and its consequences.

In the event of any Event of Default specified in clause (iv) listed above, such Event of Default and all consequences thereof (excluding, however, any resulting payment default) shall be annulled, waived and rescinded, automatically and without any action by the Trustee or the holders of the Notes, if within 20 days after such Event of Default arose the Issuer delivers an Officer's Certificate to the Trustee stating that (x) the Indebtedness or guarantee that is the basis for such Event of Default has been discharged or (y) the holders thereof have rescinded or waived the acceleration, notice or action (as the case may be) giving rise to such Event of Default or (z) the default that is the basis for such Event of Default has been cured, it being understood that in no event shall an acceleration of the principal amount of the Notes as described above be annulled, waived or rescinded upon the happening of any such events.

Provided the Notes are not then due and payable by reason of a declaration of acceleration, the holders of a majority in principal amount of the Notes by written notice to the Trustee may waive an existing Default and its consequences except (a) a Default in the payment of the principal of or interest on a Note, (b) a Default arising from the failure to redeem or purchase any Note when required pursuant to the terms of the Indenture or (c) a Default in respect of a provision that under Section 9.02 of the Indenture cannot be amended without the consent of each holder affected. When a Default is waived, it is deemed cured and the Issuer, the Trustee and the holders will be restored to their former positions and rights under the Indenture, but no such waiver shall extend to any subsequent or other Default or impair any consequent right.

If a Default occurs and is continuing and if it is actually known to the Trustee, the Trustee shall mail to each holder notice of the Default within 90 days after it occurs or 30 days after it is actually known to a Trust Officer or written notice if it is received by the Trustee. Except in the case of a Default in the payment of principal of, premium (if any) or interest on any Note, the Trustee may withhold the notice if and so long as a committee of its Trust Officers in good faith determines that withholding the notice is in the interests of the holders. The Issuer is required to deliver to the Trustee, annually, a certificate indicating whether the signers thereof know of any Default that occurred during the previous year. The Issuer also is required to deliver to the Trustee, within 30 days after the occurrence thereof, written notice of any event which would constitute certain Defaults, their status and what action the Issuer is taking or proposes to take in respect thereof.

(b) Authentication and Delivery of the Notes; Application of Proceeds.

The Notes to be issued under the Indenture may from time to time be executed on behalf of the Issuer by manual or facsimile signature by one of its proper officers and delivered to the Trustee for authentication and delivery in accordance with the Issuer's order and the Indenture. Each Note shall be dated the date of its authentication, and no Note shall be valid unless authenticated by manual signature of the Trustee, and such signature shall be conclusive evidence that such Note has been duly authenticated under the Indenture. The Notes shall be issuable only in registered form without interest coupons and in denominations of \$2,000 and any integral multiples of \$1,000 in excess thereof; *provided* that Notes may be issued in denominations of less than \$2,000 solely to accommodate book-entry positions that have been created by the Depository in denominations of less than \$2,000.

The Trustee may appoint one or more authenticating agents to authenticate the Notes. An authenticating agent may authenticate the Notes whenever the Trustee may do so unless limited by the appointment of such agent.

The Notes will be issued to Holders of Claims. As a result, the Issuer will not realize any proceeds from such issuance.

Release of Collateral.

(c) Satisfaction and Discharge.

The Issuer may terminate its obligations under the Indenture when (i) either (a) all the Notes theretofore authenticated and delivered (except lost, stolen or destroyed Notes which have been replaced or paid and Notes for whose payment money has theretofore been deposited in trust or segregated and

held in trust by the Issuer and thereafter repaid to the Issuer or discharged from such trust pursuant to the second paragraph of Section 8.04) have been delivered to the Trustee for cancellation or (b) all of the Notes (x) have become due and payable, (y) will become due and payable at their stated maturity within one year or (z) if redeemable at the option of the Issuer, are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuer and the Issuer has irrevocably deposited or caused to be deposited with the Trustee funds in an amount sufficient to pay and discharge the entire Indebtedness on the Notes not theretofore delivered to the Trustee for cancellation, for principal of, premium, if any, and interest on the Notes to the date of deposit together with irrevocable instructions from the Issuer directing the Trustee to apply such funds to the payment thereof at maturity or redemption, as the case may be; (ii) the Issuer has paid all other sums payable under the Indenture and (iii) the Issuer has delivered to the Trustee an Officer's Certificate and an Opinion of Counsel stating that all conditions precedent under the Indenture relating to the satisfaction and discharge of the Indenture have been complied with.

(d) *Evidence of Compliance with Conditions and Covenants.*

The Issuer shall deliver to the Trustee within 120 days after the end of each fiscal year of the Issuer, beginning with the fiscal year ending on December 31, 2017, an Officer's Certificate stating that in the course of the performance by the signer of his or her duties as an Officer of the Issuer he or she would normally have knowledge of any Default and whether or not the signer knows of any Default that occurred during such period. If he or she does, the certificate shall describe the Default, its status and what action the Issuer is taking or proposes to take with respect thereto. The Issuer also is required to deliver to the Trustee, within 30 days after the occurrence thereof, written notice of any event which would constitute certain Defaults, their status and what action the Issuer is taking or proposes to take in respect thereof.

Further, the Issuer is required to deliver to the Trustee promptly and in any event within ten days after any Officer becoming aware of any Default or Event of Default, an Officer's Certificate specifying such Default or Event of Default and what action the Issuer is taking or proposes to take with respect thereto.
