Item 1.01. Entry into a Material Definitive Agreement.

On December 22, 2017, Hubbell Incorporated (the Company) entered into an Agreement and Plan of Merger (the Merger Agreement) by and among Meter Readings Holding Group, LLC (Aclara), Hubbell Power Systems, Inc., a wholly owned subsidiary of the Company (HPS), Yellow Merger Sub, Inc., an indirect wholly owned subsidiary of the Company (Merger Sub), Sun Meter Readings, LP (the Representative), as representative for Aclara's members and optionholders, and, for the limited purposes set forth therein, the Company, pursuant to which the Company has agreed to acquire Aclara. The acquisition will be structured as a reverse triangular merger in which Merger Sub will merge with and into Aclara in accordance with Delaware law (the Merger), with Aclara surviving the Merger as a wholly owned indirect subsidiary of the Company. The Merger Agreement provides for aggregate consideration of \$1.1 billion in cash to acquire Aclara, subject to customary purchase price adjustments.

The completion of the Merger is subject to the satisfaction or waiver of customary closing conditions, including, among other things, the expiration or early termination of the waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended. The Company currently anticipates that the Merger will be completed during the first quarter of 2018.

The foregoing summary of the Merger Agreement and the transactions contemplated by the Merger Agreement does not purport to be complete and is subject to, and qualified in its entirety by reference to, the full text of the Merger Agreement, which is filed as Exhibit 2.1 to this Current Report on Form 8-K.

The Merger Agreement and the above description have been included to provide investors and security holders with information regarding the terms of the Merger Agreement. They are not intended to provide any other factual information about the Company, Aclara, HPS, the Representative or Merger Sub or their respective subsidiaries, affiliates, businesses or equityholders. The representations, warranties and covenants contained in the Merger Agreement were made only for purposes of those agreements and as of specific dates, were solely for the benefit of the parties to the Merger Agreement and may be subject to limitations agreed upon by the parties, including being qualified by schedules and other disclosures made by each contracting party to the other for the purposes of allocating contractual risk between them that differ from those applicable to investors. Investors should be aware that the representations, warranties and covenants or any description thereof may not reflect the actual state of facts or condition of the parties to the Merger Agreement or any of their respective subsidiaries, affiliates, businesses, or equityholders. Moreover, information concerning the subject matter of the representations, warranties and covenants may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in public disclosures by the Company. Accordingly, investors should read the representations and warranties in the Merger Agreement only in the context of the other information that the Company includes in reports, statements and other filings that it makes with the U.S. Securities and Exchange Commission.

Item 7.01. Regulation FD Disclosure.

Copies of the press release and the investor presentation, which are attached to this Current Report on Form 8-K as Exhibits 99.1 and 99.2, respectively, are hereby furnished pursuant to this Item 7.01.

The information in this Item 7.01 (including Exhibits 99.1 and 99.2) is being furnished and shall not be deemed to be filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the Exchange Act), or otherwise be subject to the liabilities of that section, nor, unless otherwise specified, shall it be deemed to be incorporated by reference in any filing under the Securities Act of 1933, as amended (the Securities Act), or the Exchange Act.
