**Item 1.01 Entry into a Material Definitive Agreement.**

On December 5, 2018, certain subsidiaries of Ferro Corporation (the Company) entered into a five-year 100 million accounts receivable facility (the Receivables Facility) with ING Belgique SA/NV (the Purchaser), as purchaser and transaction administrator, pursuant to the terms of a receivables purchase and servicing agreement (the Purchase Agreement), among the Company, Ferro Spain S.A. (the Spanish Originator), Vetriceramici-Ferro S.p.A. (the Italian Originator) and, collectively with the Spanish Originators, the Originators), and the Purchaser.

In connection with the Receivables Facility, the Originators will from time to time sell all eligible accounts receivable and certain related assets to the Purchaser for consideration consisting of cash and a deferred purchase price dependent upon the performance of the sold receivables. Pursuant to its commitment, the Purchaser's maximum funded amount will not exceed 100 million, at any one time outstanding. The Originators will service the sold receivables on behalf of the Purchaser. The Company has agreed to guaranty the performance of the Originators' obligations under the Purchase Agreement. Neither the Originators nor the Company guarantees the collectability of any receivables sold under the Receivables Facility. Either the Purchaser or the Originators may terminate the Purchase Agreement at any time upon 90 days' prior notice.

The Purchase Agreement contains customary representations and warranties, affirmative and negative covenants, and termination events, including but not limited to the Originators failing to pay amounts when due, any of the Originators or the Company becoming insolvent or subject to bankruptcy proceedings, cross-defaults by the Company or the Originators, deterioration in the performance of the sold receivables, the sale of an Originator and breaches of certain representations and warranties or covenants.

The foregoing description of the Purchase Agreement is qualified in its entirety by reference to the Purchase Agreement, a copy of which is filed as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated herein by reference.

**Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.**
