**Signature of Reporting Person

Date

Explanation of Responses:

- * If the form is filed by more than one reporting person, *see* Instruction 4(b)(v).
- ** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).
- (1) The conversion rate for the 6.50% Convertible Senior Notes is 89.3855 shares per \$1,000 principal amount of notes (equal to a conversion price of approximately \$11.19 per share of common stock), pursuant to the terms of the notes.
- (2) Includes 45,000 shares of restricted stock grants of the common stock of Johnson Controls: 15,000 vest on 11/1/2009; 15,000 vest on 1/3/2010; and 15,000 vest on 11/1/2011.
- The number of underlying securities is based on the stock fund balance on August 31, 2009. The actual number of shares issuable upon the distribution date is not determinable since the stock fund is a unitized account consisting of 96% company stock and 4% money market fund. The stock account balance reflected in this report is based on an August 31, 2009, stock fund price of \$24.77 per share, and includes a company match of 1,218.774 shares on 4/1/2009.
- (4) Each Corporate Unit consists of a purchase contract and a 5% undivided beneficial ownership interest in a \$1,000 principal amount of the issuer's 11.50% Subordinated Notes Due 2042.
 - The purchase contract obligates the reporting person to purchase, and obligates the issuer to sell, on March 31, 2012, for \$50 in cash, a number of newly issued shares of common stock equal to the "settlement rate." The settlement rate is calculated as follows: (a) if the applicable market value of the common stock is equal to or greater than \$10.29 (the "threshold appreciation price"), the settlement rate will be 4.8570 charge of common stock. (b) if the applicable market value of the common stock is less than the threshold appreciation.
- (5) will be 4.8579 shares of common stock; (b) if the applicable market value of the common stock is less than the threshold appreciation price but greater than \$8.95 (the "reference price"), the settlement rate will be a number of shares of common stock equal to \$50 divided by the applicable market value; and (c) if the applicable market value of our common stock is less than or equal to the reference price, the settlement rate will be 5.5866 shares of common stock.
- The "applicable market value" of the common stock means the average of the closing price per share of the common stock on each of the 20 consecutive trading days ending on the third trading day immediately preceding the purchase contract settlement date. Under certain circumstances, the reporting person may have the right to settle the purchase contract in cash prior to the purchase contract settlement date.
- Each share of phantom stock is the economic equivalent of one share of Johnson Controls common stock. Shares of phantom stock are payable in cash following the reporting person's termination of employment with the company and may be transferred by the reporting person into an alternative investment account at any time.
- (8) The phantom stock units were accrued under the Johnson Controls Retirement Restoration Plan and are to be settled 100% in cash upon the reporting person's retirement.
- Includes 3,969.684 phantom stock units acquired through employee payroll contributions which are discretionary transactions and qualify for the Rule 16a-3(f)(1)(i)(B) reporting exemption, a company match, and the reinvestment of dividends on April 2 and July 2, 2009, at prices ranging from \$15.02 to \$20.69 per phantom stock unit. This plan mirrors the company's 401(k) Plan.
- Each unit of phantom stock is the economic equivalent of one share of Johnson Controls common stock. The restricted stock units were accrued under the Johnson Controls Restricted Stock Plan. The units represent the reinvestment of dividends and are to be settled 100% in cash upon the vesting of the reporting person's Restricted Stock.
- (11) Includes 696.285 phantom stock units acquired through reinvestment of dividends on April 2 and July 2, 2009, at prices ranging from \$15.02 to \$20.69 per phantom unit.
- (12) Fifty percent of the options become exercisable two years after the grant date; the remaining 50%, three years after grant date.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
