CYBERADS, INC
(A DEVELOPMENT STAGE COMPANY)
CONSOLIDATED CONDENSED INTERIM NOTES TO THE FINANCIAL STATEMENTS
MARCH 31, 2006

NOTE 1 - BASIS OF PRESENTATION

The foregoing unaudited interim financial statements have been prepared in accordance with generally accepted accounting principles for interim financial information and with the instructions to Regulation S-B as promulgated by the Securities and Exchange Commission. Accordingly, these financial statements do not include all of the disclosures required by generally accepted accounting principles in the United States of America for complete financial statements. These unaudited interim financial statements should be read in conjunction with the audited financial statements for the period ended December 31, 2005. In the opinion of management, the unaudited interim financial statements furnished herein include all adjustments, all of which are of a normal recurring nature, necessary for a fair statement of the results for the interim period presented. Operating results for the three-month period ending March 31, 2006 are not necessarily indicative of the results that may be expected for the year ending December 31, 2006.

As of January 1, 2005, the Company abandoned its previous business plan of marketing cellular phone services and began a new development stage where it intends to provide management and sales support to businesses focused in the Extreme Sports/Lifestyle market segment.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING PRINCIPLES

Edgar Filing: CYBERADS INC - Form 10QSB

This summary of significant accounting policies of Cyberads, Inc, is presented to assist in understanding the Company's financial statements. The financial statements and notes are representations of the Company's management, which is responsible for their integrity and objectivity. These accounting policies conform to accounting principles generally accepted in the United States of America, and have been consistently applied in the preparation of the financial statements.

Development Stage Activities

The Company has been in the development stage since its inception of the current development stage which was January 1, 2005 and has not realized any revenue from operations. It will be engaged by various companies to provide management and sales support to businesses focused in the Extreme Sports/Lifestyle market segment.

Going Concern

As shown in the accompanying financial statements, the Company had negative working capital of approximately \$3,911,000 and an accumulated deficit in excess of \$27,500,000 incurred through March 31, 2006. The Company is currently putting business plans in place which will, if successful, mitigate these factors which raise substantial doubt about the Company's ability to continue as a going concern. The financial statements do not include any adjustments relating to the recoverability and classification of recorded assets, or the amounts and classification of liabilities that might be necessary in the event the Company cannot continue in existence.

7

CYBERADS, INC
(A DEVELOPMENT STAGE COMPANY)
CONSOLIDATED CONDENSED INTERIM NOTES TO THE FINANCIAL STATEMENTS
MARCH 31, 2006

Management has established plans designed to increase the sales of the Company's products and decrease debt. These plans will include providing management and sales support to businesses focused in the Extreme/Lifestyle market segment where the Company anticipates earning commissions/fees on securing distribution from business and products it represents.

An estimated \$2 million is believed necessary to continue operations and increase development through the next fiscal year. The timing and amount of capital requirements will depend on a number of factors, including demand for products and services and the availability of opportunities for international expansion through affiliations and other business relationships. Management intends to seek new capital from new equity securities issuances to provide funds needed to increase liquidity, fund internal growth, and fully implement its business plan.

Principles of Consolidation

The accompanying consolidated financial statements at March 31, 2006 include the accounts of Cyberads and its wholly owned subsidiary IDS Cellular, Inc. ("IDS"). All significant transactions and balances among the companies included in the consolidated financial statements have been eliminated. The operations of IDS are currently idle.

Reclassifications

Edgar Filing: CYBERADS INC - Form 10QSB

Certain amounts from prior periods have been reclassified to conform to the current period presentation. This reclassification has resulted in no changes to the Company's accumulated deficit or net losses presented.

Revenue Recognition

The Company will recognize revenue from contracts (1) upon actual sale (disposition) of such contracts and (2) upon actual cash collections for ongoing contracts. With these two types of revenue sources, revenue will thereby be recorded when there is persuasive evidence that an arrangement exists, services have been rendered, the contract price is determinable, and collectibility is reasonably assured (or, in the case of ongoing contracts, actually collected).

Use of Estimates

The process of preparing financial statements in conformity with accounting principles generally accepted in the United States of America requires the use of estimates and assumptions regarding certain types of assets, liabilities, revenues, and expenses. Such estimates primarily relate to unsettled transactions and events as of the date of the financial statements. Accordingly, upon settlement, actual results may differ from estimated amounts.

NOTE 3 - BANK OVERDRAFTS

Bank overdrafts consist of checks written in excess of funds on deposit. The underlying bank is used as an imprest account with automatic transfers from the Company's general account as checks are presented.

The shares were measured at \$0.10 per, which was a fair price average during the period of accrual. The Company recorded a reduction in accrued salary liability as a result of this issuance.

Common Stock

The Company is authorized to issue 500,000,000 shares of common stock. All shares have equal voting rights, are non-assessable and have one vote per share. The Company is non-compliant with respect to certain federal and state payroll related taxes. Included in accrued payroll and payroll related liabilities at March 31, 2006 is approximately \$582,800 of unpaid payroll taxes.

In April 2004, the Company agreed to indemnify a former officer of the Company for any loss he sustained in a settlement reached with a cellular phone service provider against IDS and him personally. Under the indemnification, the Company was obligated to pay an aggregate of \$72,261 in installments of \$5,000 each on or before August 1, 2004 and September 1, 2004 with the balance due October 1, 2004. The indemnification had no effect on the accompanying financial statements as the amount owed to the cellular phone service provider was previously recorded as accounts payable in the records of IDS.

The Company is currently in negotiations with an individual who has threatened a lawsuit against the Company, a former officer and a cellular phone service provider. The Company has offered to issue the individual 250,000 shares of common stock to settle any claims he may have against the Company. This individual has verbally accepted the settlement offer. The offer had no effect on the accompanying consolidated financial statements as consulting services totaling \$27,500 owed this individual was previously recorded as accounts payable in the records of Cyberads. The Company has reserved 250,000 shares of common stock to be issued under this settlement offer.

10

CYBERADS, INC
 (A DEVELOPMENT STAGE COMPANY)
 CONSOLIDATED CONDENSED INTERIM NOTES TO THE FINANCIAL STATEMENTS
 MARCH 31, 2006

A claim against the Company of approximately \$500,000 has been threatened by the Creditors Committee of World Com. The Company does not believe that it owes the amount and intends to vigorously defend the claim. The claim has not been pursued and the Company is not subject to any legal action pursuing this claim. Any claims would have been offset by counter balancing claims of the Company concerning funds owed to Cyberads for its prior trade relationship with World Com.
