(1) on October 9, 2014. One-third of the restricted stock units vest each year over a three year period from 2015-2017. The remaining 4,926 shares are scheduled to be divided equally and issued on October 9, 2016 and October 9, 2017, respectively, and taxes for these future issuances will be withheld at the time shares are issued.

The common stock number referred in Table I is an aggregate number and represents 17,097 shares of common stock, 4,926 unvested restricted stock units and 6,661 unvested performance based restricted stock units, for which the performance period has been satisfied.

(2) The restricted stock units and the performance based restricted stock units vest over a three year period, in which 33.33% of the restricted stock units and performance based restricted stock units vest each year. The satisfaction of the performance target for the 2015 performance based restricted stock units and the corresponding number of shares of common stock to be issued pursuant to that award will not be determined until February 2016 and will be reported at that time.
