SECTION 8 – OTHER INFORMATION

ITEM 8.02 – OTHER INFORMATION

On September 9, 2014, OTC Markets informed us that it has become aware of certain extreme promotional activity of our stock, which may have included spam emails, news releases or newsletters by third parties. This promotional activity has apparently resulted in drastic fluctuations in our stock price and high trading volume. As a result, OTC Markets has placed a caveat emptor label on our ticker symbol to warn the public. We are not fully aware of the nature and content of this promotional activity, who is behind it and the extent of its dissemination. While we file press releases in the ordinary course of our business to inform the public of our current business activities, which we feel is prudent as a public company, the promotional activities of these third parties have raised a public concern. We intend to continue stay in contact with the OTC Markets about this concern and work to remove the caveat emptor label from our ticket symbol.

The OTC Markets correspondence is attached to this Current Report on Form 8-K as Exhibit 99.1 and is incorporated herein by reference.
