PROXY STATEMENT

FOR THE SPECIAL MEETING OF SHAREHOLDERS
TO BE HELD ON January 16, 2004

I. INTRODUCTION

The Board of Directors of Tiger Telematics, Inc., a Delaware corporation (the "Company"), is soliciting the accompanying Proxy in connection with its Special Meeting of Shareholders of the Company to be held at 11:00 a.m. Eastern Standard Time on January 16, 2004, at 10201 Centurion Parkway North Ste. 600 Jacksonville, FL, 32256 and any adjournments thereof. The Notice of Special Meeting and Proxy Card were mailed to shareholders on or about December 4, 2003.

II. OUTSTANDING SHARES AND VOTING RIGHTS

The Board of Directors of the Company has fixed the close of business on December 5, 2003, as the record date for the determination of those holders of Common Stock of the Company entitled to receive notice of, and vote at, the Annual Meeting. Persons who were not shareholders on such date will not be allowed to vote at the Annual Meeting. At the close of business on the record date, there were 155,000.000 shares of the Company's Common Stock issued and outstanding. The Common Stock is the only outstanding class of capital stock of the Company entitled to vote at the Meeting. Each share of Common Stock is entitled to one vote on each matter to be voted on at the meeting. Holders of Common Stock are not entitled to cumulative voting rights. A majority of the shares entitled to vote present in person or represented by proxy at the Special Meeting, is required for approval of each of the Company's proposals.

Shares of Common Stock that are represented by properly executed proxies, unless such proxies have previously been revoked, will be voted in accordance with the instructions indicated in such proxies. If no instructions are indicated, such common shares will be voted "FOR" approval of the proposal and in the discretion of the proxy holders for any other matter that may properly come before the Non Standard Meeting. If a shareholder abstains from voting as to any matter, then the shares held by such shareholder shall be deemed present at the meeting for purposes of determining a quorum, and for purposes of calculating the vote with respect to such matter, but shall not be deemed to have been voted in favor of such matter. Abstentions, therefore, as to any proposal will have the same effect as votes against such proposal. If a broker returns a "non-vote" proxy, indicating a lack of voting instructions by the beneficial holder of the shares and a lack of discretionary authority on the part of the broker to vote a particular matter, then in such instance, the shares covered by such "non-vote" proxy shall be deemed to be present at the meeting for purposes of determining a quorum, but shall not be deemed to be represented at the meeting for purposes of calculating the vote required for approval of such matter.

A shareholder who has given a proxy may revoke it at any time prior to its exercise at the Annual Meeting by filing with the Chief Executive Officer of the Company, Mr. Michael Carrender, at 10201 Centurion Parkway North. Ste. 600 Jacksonville, FL a written revocation of such proxy, or by executing and delivering a duly-executed proxy bearing a later date, or by simply voting the common shares covered thereby by separate written ballot to be disseminated at

the Special Meeting.

In addition to soliciting proxies by mail, officers, directors and employees of the Company, without receiving additional compensation therefor, may solicit proxies personally, or by telephone, telegram or other forms of communication, including wire facsimile. The Company has not retained a proxy solicitation firm, and instead, will use its own best efforts to solicit as many proxies as practicable in the time available before the Non Standard Meeting.

1. PROPOSAL NUMBER ONE - TO INCREASE THE NUMBER OF AUTHORIZED COMMON CAPITAL STOCK OF THE COMPANY TO FIVE HUNDRED MILLION SHARES (500,000,000)
