## Edgar Filing: HAEMONETICS CORP - Form 8-K

Company's Board of Directors approved bonuses for the Company's executive officers with respect to fiscal 2005 performance, set bonus objectives for fiscal 2006 and set base salaries for certain executive officers for fiscal 2006.

For fiscal 2005, each executive officer was eligible to receive a potential cash bonus. These potential cash awards are established at the beginning of the fiscal year. Employees, who are bonus eligible, including executives, may not receive any of the potential cash awards unless the Company reaches a certain minimum stated earnings per share result for the fiscal year. Bonus payouts are determined by the Company's performance to specified targets for revenue, operating income and earnings per share for the fiscal year. If the specified targets for revenue, operating income or earnings per share for the fiscal year are overachieved, the potential cash bonus is increased to certain specified levels. A portion of all employees' bonus is also dependent upon their performance to their own individual performance objectives, such as division financial performance, business development goals and cost savings initiatives. For all executives, 70% of their stated potential cash bonus was solely dependent upon the achievement of the stated corporate financial performance targets for revenue, operating income and earnings per share for the fiscal year, and 30% was dependent upon the achievement of their individual performance objectives. In reaching its decisions with respect to bonuses for fiscal 2005, the Compensation Committee considered the Company's performance to its stated financial performance targets, and the bonuses associated with such achievement, and in some cases overachievement, were approved by the Compensation Committee in accordance with the predetermined payout schedule approved at the beginning of the fiscal year. In the case of the portion of the fiscal 2005 bonuses associated with the achievement of individual goals, the Compensation Committee approved these bonuses after considering the achievement of the individual performance objectives.

The following table sets forth actual annual base salary and bonus amounts for fiscal 2005 and annual salary and stated potential bonus awards for fiscal 2006 for the executive officers who will be included as named executive officers in the Company's proxy statement for its July 2005 annual meeting. The annual salary and potential bonus award for Fiscal 2006 for Brad Nutter, Chief Executive Officer, have not yet been determined by the Compensation Committee.
