IUSACELL EXECUTES ITS CONVENIO CONCURSAL WITH CREDITORS

## Edgar Filing: GRUPO IUSACELL SA DE CV - Form 6-K

-----

Mexico City, August 28, 2006 - Grupo Iusacell, S.A. de C.V. [BMV: CEL] ("Iusacell") announces, as part of its plan of reorganization (convenio concursal) process, the execution of the convenio concursal by a group of creditors representing approximately 90% of the Company's total debt, which the Company expects, with the consent of the conciliator appointed by the Federal Institute Specializing in Concursos Mercantiles (Instituto Federal de Especialistas en Concursos Mercantiles -- IFECOM), to submit for approval to a Mexican judge (Juzgado Septimo de Distrito en Materia Civil del Primer Circuito). Among other things, upon the court's approval of that submission, Iusacell's restructuring process will have been completed.

In order to comply with all the requirements of the concurso mercantil process and conclude the process as quickly as possible, Iusacell is closely cooperating with Lic. Enrique Estrella Menendez, the conciliator appointed by IFECOM in connection with the Company's restructuring proceedings.

The convenio concursal among Iusacell and its creditors was executed in accordance with its previously announced restructuring agreement, which will consist of the exchange of its US\$350 million 14.25% notes due 2006 (the "2006 Notes") for an aggregate principal amount of US\$175 million of new notes due 2013 that will bear interest at an annual rate of 10% (with semi-annual interest payments in arrears, including the option for Iusacell to capitalize up to 40% of each interest payment). The restructuring agreement also includes the cancellation of any default interest due and payable under the 2006 Notes.

"We consider the signing of this plan of reorganization to be not just a materialization of the agreement reached with our creditors but an unprecedented achievement when compared to similar Mexican restructurings - not only because of its terms but also the considerable approval obtained by our creditors," declared Gustavo Guzman, CEO of Iusacell.
