## PROPOSAL 6 - PROPOSED CAPITAL REORGANISATION

At the Meeting, the Board will ask the shareholders to approve a capital reorganisation (the “Capital Reorganisation”) of the Company information on which is as set out below.

The Company’s authorised share capital is US\$125,000,000.00 represented by 125,000,000 shares of par value US\$1.00. At July 18, 2014 the Company’s issued share capital was 93,291,381 shares of US\$1.00 each. In order to provide the Company with the ability to issue additional shares, the Board of Directors proposes that the shareholders approve the reorganisation of the Company’s authorised share capital of US\$125,000,000.00 represented by 125,000,000 shares of par value US\$1.00 each into 12,500,000,000 shares of par value US\$0.01 (the “Reorganisation”). In connection with the proposed Reorganisation and consequent change to the par value of the Company’s authorised shares it will also be necessary to change the par value of the issued shares. It is therefore proposed that the issued and paid-up capital of the Company be reduced by cancelling the paid-up capital of the Company to the extent of US\$0.99 on each of the issued shares of par value US\$1.00 (the “Capital Reduction”).

Subject to and forthwith upon the Capital Reduction taking effect, the Reorganisation will be effected through the cancellation of all the authorised but unissued shares of US\$1.00 each in the Company and the authorised share capital of the Company be diminished by the amount representing the amount of shares so cancelled and forthwith upon such cancellation, the authorised share capital of the Company be restored to US\$125,500,000.00 by creating the requisite number of shares of par value US\$0.01 each. The total authorised share capital of the Company will not be changed as a result of the Capital Reduction and Reorganisation.

Subject to shareholder approval, the Board of Directors has set the date for the effectiveness of the Capital Reduction and Reorganisation as September 30, 2014. If the Capital Reduction is approved, the par value of each share in issue on the effective date will be reduced to US\$0.01 and the Company’s share registers will be amended to reflect this change.

Upon the proposed Capital Reduction becoming effective, there will be no change in the number of issued and paid-up shares held by, or the percentage level of shareholding of each shareholder of the Company. The shares of par value US\$0.01 each will rank pari passu in all respects with each other. Other than the expenses incurred in relation to the proposed Capital Reduction, the implementation thereof will not alter the underlying assets, business operations, management or financial position of the Company.

The Company’s shares are fully paid and consequently the proposed Capital Reduction will not involve the diminution of any liability in respect of unpaid share capital. It will also not result in a return of any share capital or other assets to Shareholders. The amount of credit arising from the proposed Capital Reduction will be transferred to the contributed surplus account of the Company.

Bye-law 115 of the Bye-laws provides amongst other things that the Company may make a distribution out of any contributed surplus (as ascertained in accordance with the Bermuda Companies Act). As such, subject to the Bye-laws and all applicable laws, the proposed Capital Reduction will increase the credit balance in the contributed surplus of the Company and will provide the Company with greater flexibility in relation to future distribution, if any, out of contributed surplus (whether or not the Company will make a distribution out of contributed surplus and the timing and amount of distribution to be paid will depend on the Company’s earnings, financial position including cash flow position and future capital requirements, future plans and other relevant factors). As at the date of the notice, there are currently no plans to make any distribution out of the increased contributed surplus arising from the proposed Capital Reduction.

PROPOSAL 7 - RE-APPOINTMENT OF INDEPENDENT AUDITORS

At the Meeting, the Board will ask the shareholders to approve the re-appointment of Moore Stephens, P.C. as the Company's independent auditors and to authorise the Board of Directors to determine the auditors' remuneration.

Audit services provided by Moore Stephens, P.C. in fiscal year 2013 included the examination by Moore Stephens, P.C. of the consolidated financial statements of the Company and its subsidiaries. All services rendered by the independent auditors are subject to pre-approval and review by the Audit Committee.

---

PROPOSAL 8 - TO APPROVE DIRECTORS' FEES

At the Meeting, the Board will ask the shareholders to approve the remuneration of the Company's Board of Directors of a total amount of fees not to exceed US\$550,000 for the year ended December 31, 2014.

OTHER BUSINESS

Management knows of no business that will be presented for consideration at the Annual General Meeting other than that stated in the Notice of Annual General Meeting.
