**Distribution of Interest on Own Capital**

---

(Rio de Janeiro, September 17, 2004) - PETRÓLEO BRASILEIRO S/A - PETROBRAS, [Bovespa: PETR3/PETR4, NYSE: PBR/PBRA, Latibex: XPBR/XPBRA], a Brazilian international energy company, announces to shareholders and the market in general that the Board of Directors, meeting today, approved payment to shareholders in the form of interest on own capital, in accordance with Article 9 of Law 9,249/95 and Decrees nº 2,673/98 and 3,381/00.

The amount of R\$ 3,290 million to be distributed, corresponding to a gross value of R\$ 3.00 per common and preferred shares, is being accrued in our Financial Statements on September 30, 2004 and will be disbursed by February 15, 2005, based on the shareholding position as of September 30, 2004. In accordance with Decrees 2,673/98, and 3,381/00 if the payment occurs after December 31, 2004 interest based on the SELIC rate will be payable from December 31, 2004 through the effective payment date. The shares will be negotiated ex-interest on capital from October 01, 2004. This interest on capital will be offset against any remuneration payable at the end of the 2004 fiscal year and will be subject to income tax of 15% (fifteen per cent) withheld at source except in the case of shareholders who are exempt.

## FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
